The "People Just Want To Be With Us, Eligible Or Not... We Must Be Fabulous" Edition

FIFTH WEEK CAPTAINS' MEETING CANCELLED

Due to the lack of immediately important topics for discussion, the RDL Board has again decided to give the captains a break. The 'mandatory' tag for the fifth week captains' meeting on Monday, Sept. 14th has been cancelled! That's right, no extra drive on a Monday night for most of us. There will still be a Board meeting (likely in the 7 to 8 p.m. window that was for the captains' meeting), and they will still be accepting final roster additions/replacements, as well as final hand-in election ballots, so you might still end up at Rally Point. Please note, however, that the Board will only be staying at Rally Point until just after 8:00 p.m., so be there before then if you need to take care of one or both of these items.

ELECTION BALLOTS

The RDL has given you a break on this season's meeting schedule (see above), but you're not getting out of the Election Ballot requirement. Mail it or fax it by Saturday, email the vote results by Thursday, or show up at the Board/previously-mandatory meeting on Monday. It doesn't matter which route you use, but make sure you employ at least one of them. And remember: return only to Secretary Heather Bohanan!

LOCAL BLIND DRAW DISCONTINUED

Including this item here in an effort to avoid any unnecessary trips by any league members to a tournament that won't be there when you arrive... Rally Point Sport Grill has discontinued the Monday night blind draw. If it is revived at any point in the future, I'll be sure to let you guys know as soon as I know.

CHECK BOTH SCORESHEETS, PEOPLE!!

I say this over and over and over and over... You as captains, and the rest of you as members of your team, have some responsibilities at your matches. Please make sure that everything of importance is recorded on your scoresheet. Then, make sure that the other team has also recorded whatever it is. This is especially important if the other team wins and submits their scoresheet as the official result. Remember, if it's not on the scoresheet, it didn't exist. The only way around that interpretation is if BOTH teams are able and willing to say that the event in question UNEQUIVOCALLY occurred. Otherwise, you're just out of luck.

EVIDENCE THAT IT'S GOOD TO BE NICE TO YOUR FELLOW CAPTAINS

So what happens when you lose your scoresheet before you even get home from your match? Well, if you've been nice to the other team, maybe the opposing captain will cover for you and send in their copy of the scoresheet. Now, I can't honestly say that the sheet-losing team was necessarily nice this time (since I wasn't there this past week or any other time that they've played), but they must have been nice enough. Or maybe Jim Hunsberger really is just that nice of a guy (also quite possible). Either way, it's nice when somebody is nice.

GOOD EXAMPLE OF CELL PHONE AWARENESS

Week 4 quote from Tami Wells of Damnifino: "Making sure I've got a good signal... and I don't... I'm gonna call back..."

I'M NOT DOUBLE-CHECKING ANYMORE

I only call and double-check that "High Ins" are indeed first-turn throws in the first three weeks of the season. For the rest of the season, I'm just trusting you guys to pay attention on your own.

REGISTER YOUR PLAYERS, PEOPLE...

New league records (at least in my tenure since 1995): 2 teams with an ineligible player penalty in the same season, and 3 total ineligible player penalties in the same season.

RDL HEADLINES

"A" Division: Element drops only one game per set to Sewardless Daddies; Drunksten squeezes past another opponent, locking down a top four A spot; Fringe rolls over Constantly
"B" Division: Suspects blow 9-3 singles lead, fall match back of J-9; Y'All Ain't grabs a few more points than usual, loses them to ineligibility penalty; Locals pop Corks, settle into 2nd place
"C" Division: Domestics sweep both cricket sets from Schleps, roll to big win; Excalibur takes four all sets from Dublin, stays within a match of lead; Three Dart gets 1st win in tiebreaker
"D" Division: We're going to have to start charging Helter an extra dues surcharge - three 1001s in four weeks means they're getting to play more than the rest of us are; Reefers run away from Dartists in doubles; Money outlasts Heads in tiebreaker
"E" Division: Archers barely get past B2D, still hold match and point lead on the pack; Leftovers only week 4 E team to score more than 13; Bombers leap to 6-0 lead, barely hang on for win
"F" Division: Ducks first this season to successfully block 8 pts in a match; Big Bulls dunk Divers before 501; Top Kill gives a single-finger Salute, keeps themselves in the thick of the race
"G" Division: Gratefuls hold off Tossers in 1001, then need the Tossers' help; Sharks and Projectile thump winless teams to stay in G point race; No Marks win no sets from Here for Beer
"H" Division: Bullies leave Budd in the dust with 501 sweep; Posse leaves itself as only undefeated with big win over Who Darded?; Basterds corral first RDL win, step past He Hate Us

RDL TRIVIA

This is the favorite newsletter item for many of you, so it's time to bring it back! I'll put a question here, anybody that is so inclined can leave a guess on the VoiceMail or in my email, and then next week I'll include the answer (as well as recognition for those that give the best answers). Question topics are basically "anything I think to look up", so let's have at it.

This week's question: What is the longest regular season singles win streak since I started doing the newsletter (1996), and who has it? [Note: RDL doesn't track tournament statistics.]

*Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.***SEASON-LONG TROPHY DART

PREDICTIONS FOR THE WEEK

My pick result rhythm is going just fine so far: 24-8, 23-9, 24-8, 23-9... I guess maybe I'm in for another 24-8 week this Wednesday? If so, I'm sure that the Pigs will be in one of the 8 incorrect picks... I'm 13-3 in C division so far, and the Pigs have been a part of all three incorrect calls. Ugh. Stupid swine... As for this week, quite a few big matches. Nice.

Match of the week: (E Div.) Leftovers @ Mug Hunters. The Archers are undefeated and a match ahead, but their last two wins have been less than impressive. Should the Archers stumble, it's game on, and these are two of the three teams waiting nearby for that opportunity. They've run dead even in every way so far. Hunters slide ahead, 13-11.

Match #2: (H Div.) JoCo Bullies @ Who Darted? H division has already separated itself into four "haves" and four "have-nots". Winner of this one becomes the top contender to the Posse's leader status, and the loser falls to the bottom of the "haves" group. Bullies squeak one, 13-11.

Match #3: (B Div.) Jack Nine @ The Locals. J-9 has already defeated all three teams that sit two matches behind them. Now here and in week 7, they face the two teams that are only one match back. I think The Locals may be their most dangerous opponent, but J-9 still wins, 15-9.

Match #4: (A Div.) Just Drunksten @ Lunatic Fringe. Drunksten has really fought its way into this battle to take the #3 spot in A. But I still honestly believe that it's a decent-sized step between the first three and the other five in A. Thus, I'm going with the Fringe again, 16-8.

Match #5: (C Div.) Traveling Beer Bellies @ Domestic Rednecks. At first glance, this looks like a fight for 1st in C. In reality, it's an attempt by the Bellies to score enough to keep in the race for 2nd. Domestic, 16-8.

Matches #6, #7, and #8: (G, E, and B Divs.) Irish We Were Drunk @ Dem Bones; The Matrix @ Is It In; Y'All Ain't Ready @ Cork Off! What an odd set of schedule timings we have here - four divisions could still have a matchup of winless teams looking for win #1, and three of

those four are all being played tonight. First time success happiness all over Raleigh!! In G, we have two teams that somehow win SCKt games, but lose matches - Irish take it, 14-10. In E, we have teams that have scored 10+ three times each - Matrix, 13-11. In B, this could be the last shot for the I div. imports - alas, Cork Off!, 17-7.

Match #9: (G Div.) Projectile Dysfunction @ Sharkshooters. Yes, the Gratefuls are a match ahead, but these two actually hold a point lead on them. Winner is still in a great position. Projectile, 13-11.

Match #10: (A Div.) Appetite for Destruction @ Bad Things Man. Appetite is sitting behind four teams in A, but if they can pull a win here, they're positioned for a run at a top-half spot. Appetite, 14-10.

Match #11: (D Div.) Helter Skelter @ Hammered Heads. A pair of teams will likely be headed down to E next season, and the loser of this one will unfortunately be positioned to be one. Heads in 1001.

Match #12: (E Div.) Dive Bombers @ Board 2 Death. It's getting to be a bit of an early crunch-time for these teams that are falling a bit behind and likely expected to be in a better spot. B2D, 13-11.

And the remaining 20 matches, sorted by division:

A Division: Element 18, Constantly 6; Daddies 17, Fun Below 7.
 B Division: Rif Raf 15, Nine Lives 9; Suspects 15, OT Outlaws 9.
 C Division: Pigs in Chains 13, Seein Dublin 11; Excalibur 15, Three Dart Night 9; Schleprock's Revenge 18, Pog Mo Thoin 6.
 D Division: Damnifino 15, Starving Dartists 9; Coral Reefers 16, Bulls Eye Blind 8; Money Shot 15, Like To Party 9.
 E Division: Ale-ing Archers 17, Tips & Shafts 7.
 F Division: Top Kill Junk Shot 17, Yippers 7; Divers 10, Ducks 9; Big Bulls 16, Death Throw 8; Salute-A-Bull 14, Menace 10.
 G Division: Tossers 16, No Marks 8; Grateful 15, Here for Beer 9.
 H Division: Liquor Posse 15, Darty Basterds 9; One Armed Bandits 16, He Hate Us 8; Where's the Budd? 15, Brawlers 9.
