The "I Wonder If The Board And I Could Just Run The Whole League Through Twitter" Edition

FIFTH WEEK CAPTAINS' MEETING CANCELLED

Well, this one past week was a little rough, but up until that series of minor issues, this season's teams have been doing a pretty solid job on a week-to-week basis. Due to that, like in several other recent seasons, the RDL Board has again decided to give the captains a break. The 'mandatory' tag for the fifth week captains' meeting on Monday, Feb. 27th has been removed! That's right, no extra drive on a Monday night for most of us. There will still be Board members present until 8 p.m., and they will be accepting final roster additions/replacements, so you might still end up at The Upper Deck. Please note, however, that the Board will only be staying at The Upper Deck until just after 8:00 p.m., so be there before then if you need to take care of something.

DON'T FORGET... IF YOU STILL WANT TO ADD OR REPLACE PLAYERS FOR YOUR ROSTER...

... the Monday Board meeting (that is still being held even though the captains' meeting isn't) is the LAST chance for roster additions. As noted above, this coming Monday is indeed the final night for additions/replacements. Don't miss that date if you still have changes to make.

2ND ANNUAL RALEIGH LLAMA ST. BALDRICK'S FUNDRAISER AT THE UPPER DECK

March 17th, 2017 - 8:00 p.m. (as part of the blind draw)

It has been a few years since Keith Gibbs (of Brass Monkeys) was an active member of the RDL. He has been present and active in the area the whole time though, and this week he brings us notice of an extra event with which he is involved.

Just a GREAT cause, and he has written us an item here:

"That good-looking guy in the photo above? That's Zak [Mayhew, of Who Gives A Cork?]. Zak had hair down to his butt last year, and in one grand gesture of heart, had it cut off and given to Wigs for Kids as part of the Raleigh Llama St. Baldrick's Fundraiser 2016. St. Baldrick's supports research to destroy Childhood Cancer. Need we say more?

Well, you see that extremely beautiful golden-haired princess with her head on Zak's shoulder, and tresses that rival Rapunzel's cascading like rivulets of sunshine across her tiny frame? That's Ellie [who you absolutely know if you visit The Upper Deck much]. And Ellie is going to donate most of that hair to Wigs for Kids, THIS YEAR, as part of the Raleigh Llama St. Baldrick's Fundraiser 2017!

Anyone is welcome to come have their head shaved that night, and help us raise money for this AWESOME cause. There will be Drink Specials, a 50/50 raffle, Door Prizes and a Luck of the Draw Dart Tournament. All events start at 8:00PM.

Come out and support this great cause!"

Alright, folks... you heard Keith. So who's in? Hair? Donations?

There are more stories and newsworthy items on pages 5 & 6. Please at least check out page 6 for some REALLY important reminders and clarifications about some weekly league stuff.

RDL HEADLINES

"Leaguewide": Aw, dangit... there goes the penalty-free status for the season... Time to start a new streak, right?

"A" Division: Element drops an entire set to Dead Beats before bouncing back to keep the week 7 showdown possibility all set up; Fringe needs a 1001 to get by the winless Beer View

"B" Division: Shaunt races to a huge lead in singles and then just kind of crawls to their 4th win; Handsome and Menace both take losses, leaving only 2 B teams above 0.500 so far

"C" Division: Dartistic keeps their undefeated season rolling, but The Bunkers put up a huge number to give notice that they're still in the title fight; Big Bulls, Fire round top half

"D" Division: Brewers drop the hammer on Ted's, extend their lead; Machine turns an early lead into a 1001 win over the Dynamics to stay with only 1 loss and take over 2nd place

"E" Division: The Rangers tear off to a big win in doubles to give the Sofa Kings their first loss and yank them from the E top slot; Hump Day keeping them all close, but still winning

"F" Division: Ducks use a 5-doubles run to bust open a tight match and move to 4-0; Chatham outduels Scorekeeper in a back-and-forth affair that went to the last throw of the night

"G" Division: Walking, Show Me, and Is It In? all ring up wins and move to 3-1, drawing a very clear top-4/bottom-3 line; Train Station ends the penalty absence with ineligible player

"H" Division: Ballistic posts a huge win over Nightmare, and sits with the most points of any team outside the top pair in A division; Irish Ton falls to Chalk in 1001 to take 2nd loss

See that note about 30 lines above this one?

It says to please see other stuff on other pages. Included are some really important reminders for weekly stuff that are on page 6. I wasn't kidding... please refresh your memory of them.

Name the band/singer? the song? Last week's answers: Song 1 = "Would I Lie To You?" by The Eurythmics; Song 2 = "Suspicious Minds" by Elvis Presley; Song 3 = "Policy of Truth" by Depeche Mode. And the theme? Well... it could be lying... or suspicions... or maybe what we consider to be truth... Alright, fine, how about we just call the theme 'alternative facts' and be done with it? Good? Great. [Really? The Elvis one was a hard one? I really thought the Depeche Mode would be tough, but not the Elvis one. Though evidently lots of people seem to know and recognize their Eurythmics. Rock on, Annie Lennox... - JK]

Week 5, song #1 lyric: "In the days of my youth, I was told what it was to be a man, Now I've reached the age, I've tried to do all those..."

Week 5, song #2 lyric: "Well, I coulda been an actor, but I wound up here, I just have to look good, I don't have to be clear"

Song #3 lyric: "I saw a film today, oh boy, The English army had just won the war, A crowd of people turned away, But I just had to look "

"HOT DARTS" CALL-IN GUIDELINES

Here are the guidelines you should use for the minimum number of all-star points to report when calling in your scores.
 "A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs
 "C, D" Divisions = 3.5 or more ASPs
 "E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs
 Also, call in any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).
Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

**SEASON-LONG TROPHY DART
MINIMUM GAMES PLAYED REQUIREMENTS**

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

All-star pt. Average: min. of 37 Total Games Played
for Divisions "D", "E", "F" & "G" (7 teams / division):

PREDICTIONS FOR THE WEEK

Geez, rough week for me last week in terms of typing... absentmindedly skipped over my pick of Hump over Coach (though Pete made sure to get my pick before they headed out to play :o), and mistakenly typed "Reefers" in place of "Elite" in my pick of them. I guess a little short on concentration there, eh? Well, what I wasn't short on was correct picks!! 24-4 for the week was pretty flippin' awesome! Takes me to 83-29 (>74% correct) for the season. Somehow, I still haven't gotten a Bandits pick right though, and I've missed 3 in a row with Menace. Ugh.

Match of the week: (D Div.) Bullseye Brewers @ Sharky's Machine. Only A division can still offer us a battle of undefeated (it would be in week 7), so the next best thing is an undefeated first place team and a one-loss second place team... and... here that is! The Machine only plays nailbiters, but I think this is a close one they lose. BB, 14-10.

Match #2: (C Div.) Dartistic License @ Fire For Effect. There is a decently-sized chasm opening in the middle of C, with 4 teams lining up as the serious contenders. Here the 4-0 Dartistics get a shot to shove one of the three 3-1s back a little bit. I think they will, 14-10.

Match #3: (A Div.) This Is Element @ Lunatic Fringe. Now that both the Dead Beats and Alliance have lost two matches, this pairing is set to define whether the A race will eventually involve two teams or three. How do I pick against a heads up race involving my own team? 15-9.

Match #4: (G Div.) Show Me Your Tips @ Walking the Wire. Gretzky is undefeated, but only averaging 14/week so far. The team that emerges from the pack of 3-1 chasers could be in a great spot. Show Me, 13-11.

Match #5: (F Div.) Chatham Street Elite @ Death Throw. Both these teams have had a bye already, but now sit as the only pair within one of the Ducks in the loss column. Huge matchup. Death Throw, 14-10.

Match #6: (G Div.) All About That Bull @ Bull Hunters. Wow, G has a four-team group that is a combined 12-3, and a three-team group that

is a combined 0-9. First win coming for... the Bull Hunters! 15-9.

Matches #7 & #8: (B Div.) Rif Raf @ Them Handsome Devils; Kiss My WHAT?! @ Menace 2 Sobriety. Shaunt is looking pretty dang tough so far, but basically the rest of the spots from #2 on down appear as though they could swing with any match outcome. Such as... these pairings of teams within the 5-team group of 3-1s and 2-2s. Rif Raf ekes one out, 13-11; and Kiss My wins 13-11 also.

Match #9: (C Div.) Mike's Garage @ Cheap Shots. Will one of the three 1-3 C teams make a run at jumping the gap into the top half? For these two it could start with a win here. Garage gets it, 13-11.

Matches #10 & #11: (H Div.) Just A Bit Outside @ Bulls Up!; Chalk it Up @ Tips & Shafts. The trio of 1-3 teams and trio of 2-2 teams in H means it's still wide open which teams could make a run at a set of plaques and which could end up at the bottom of the H stack. I'll give Just A Bit Outside another chance to upset my pick and take Bulls Up!, 14-10; and let's go with Tips & Shafts, 14-10.

Match #12: (F Div.) All Flights Matter @ Coral Reefers. Sure, this pair of teams is presently in the bottom three in F. But they each have only 2 losses and are really still in this race. All Flights, 13-11.

And the remaining 16 matches, sorted by division:

A Division: Appetite for Destruction 17, North Raleigh Alliance 7; Dead Beats 16, Beer View Mirrors 8; Monkeys 14, Nine Lives 10.

B Division: Shaunt Be 15, McGavin 9; Methodical 13, Cork 11.

C Division: Big Bulls 15, Dysfunctional 9; Bunkers 16, Never 8.

D Division: Armed 13, We've Got 11; Bandits 14, Dynamic 10.

E Division: Hump Day! 15, Shark Shooters 9; Red-eye Rangers 14, Coach's Last Stand 10; Game of Throws 13, Inappropriate 11.

F Division: Ducks of War 15, Don't Hit the Scorekeeper 9.

G Division: Wayne Gretzky 15, Train Station Shooters 9.

H Division: Nightmare 15, Bombers 9; Ballistic 16, Irish Ton 8.

So, right after I tell the Board that the captains, the host establishments, the league as a whole... really everything all around... was going so well that I didn't think we needed a fifth week captains' meeting (see page 1), you guys go and necessitate this silly half-page of stuff. Some of these items feel painfully obvious, but we'll go through each of them just in case (and so that you can't say you weren't just reminded).

DON'T LIST PLAYERS THAT AREN'T ON YOUR TEAM

Playing an ineligible player carries a pretty stiff penalty: loss of any match win, loss of all points, loss of all statistics for your team, and loss of any perfect throws or fast games. **So, who is on your team?** A pretty good place to start in your research of that item would be... **your own team's roster, which is in every issue** of the newsletter after week 1 (and in week 1 you are handed a full player sheet for your division, complete with phone numbers).

CHECK BOTH SCORESHEETS

We have a pretty standard rule that if it's not on the scoresheet, then it didn't happen. So if your team loses the match, it's probably a good idea to make sure the other team recorded your perfect throw, your fast game, your long ASP string, etc. Actually, it's pretty important to check *everything* on the opponent's sheet. And when a scoresheet comes in that doesn't add up, or is missing some information, then guess what... I know that BOTH teams missed it. Likely because they weren't bothering to check each other's stuff. So, thanks for not taking 90 seconds to do that to prevent me from having to chase people down, sometimes for days.

YES, 'BLOCKER' SLOTS/THROWS COUNT

When a team is shorthanded and forced to employ a "blocker", the **ONLY** thing that doesn't count is the point for the shorthanded team if the blocker wins. It is still a game played, the win/loss still counts for the player, any ASPs thrown still count, and any perfect throws or fast games still count. Only the point for the win is not added to the team totals - that's the only difference.

DOES EVERY THROW COUNT TOWARD A GAME TOTAL?

Ummmm... yep. You can't miss the "In" in 301 for a handful of turns, then throw a few good turns in a row and call it a fast game. To highlight this one, I'll use a pretty extreme example... Let's say it took you over an hour to double-in during your 301, but then you pop a 160 and a 141 to complete the entire 301 points in the span of two turns. That is NOT a 6-dart game, primarily because your opponent has probably had time to win the game 12 or 15 times over while you were trying to get in. Do any of us really think that's award-worthy?

BY THE SAME TOKEN...

The RDL is the only league I've ever personally encountered that gets the **301 "High In" award** right. Your "In" in the RDL is on your **first turn ONLY**. Why? Because if you throw 0s for an hour like in the example noted above, then hit a 160, that just happens to be a turn of 160. You didn't "start" with 160, and you don't get an award for that (especially since you've already lost the game about 12 or 15 times over, as also noted in the example above).

MAKE SURE YOU LIST WHO PLAYED IN 1001

To be sure that ineligible players didn't participate (since you have to play in one of the other four sets to play in 1001), it is required that you tell us who played in that game (or else you are subject to a penalty equal to a mail-in penalty). Don't forget.

AND NOPE, NO ASPs OR 'GAME PLAYED' FOR 1001

That's why the notes saying that ASPs don't count are right there in the 1001 section and at the top of the ASP boxes on the scoresheet.

ON TO SOME MUCH MORE FUN STUFF!!!

Over the past several weeks, it has come to my attention that the RDL family has been growing by leaps and bounds! I know of no less than four little future darters that have joined the ranks, and this week I'm sharing the awesome news (and adorable photos!) of two that are the sons of not one, but two(!), RDL members. That's right, both parents in both cases are RDL members! How awesome is that? And one of them was born into the league's First Family! Let's see what we've got, shall we?

LUCAS MOZZETTI!

Yep, that's right... RDL President Tim "Tex" Mozzetti (of Appetite for Destruction) and Petra Mozzetti (formerly Bowery, most recently of All Saints Darts/Dart Buddies) welcomed their first child, 6.7 pound Lucas, on January 24th. Everybody is healthy and happy, and rumor has it that dad's dart game hasn't been affected (although since he's part of Appetite, and I'm part of Element... it wouldn't hurt my feelings if Lucas needed just a *little* bit more of the time dad might have for practice).

WADE BORGNA!

And not to be outdone, as he arrived a full 3 days before that Mozzetti kid born into the first family, the first child of Andrew Borgna and Denise (formerly Vithorkus) Borgna (both of Tips & Shafts) joined us on January 21st! And a side note to all the Mets fans out there: don't hold his mother's transgressions against him, as he doesn't yet pick his own clothing... all in due time. :o)

Everyone is reportedly healthy and happy, and we as a league and family couldn't be happier to welcome these little guys. Personally, I flippin' adore babies, and no amount of crying, pooping, spitting up, or sleepless nights will ever affect that. (Now, teenage attitudes? Different story. But baby times? Glorious.) Congratulations to our four new parents, and nothing but the best of wishes.
