The "Wow, This Is Really Kind Of A Dark Issue... It Makes Me A Little Sad... Oh, And Mad" Edition

TRAIN STATION SHOOTERS IGNORE R.D.L. RULES

I must have run through a hundred ways to start this item in my head. Kind of tough to make sure I report the facts, while making sure you know what I think of the facts, without making it too overtly personal or over-stating anything. Sooo... here's what I guess I've ended up using...: The Train Station Shooters (or at least some of them, as some of the facts are still coming to light) have knowingly and intentionally played (at least one) unregistered person under the name of someone else on their roster. They did it, they weren't going to say anything about it if they hadn't been approached about it (by me, before I passed all of my information on to the Board), and I honestly do not know if this was solely done in week 5 or if it included any prior weeks. Obviously, a second consecutive ineligible player penalty has been assessed to the team; to be fair, the week 4 penalty was for listing a non-team member under his own name, as they really were apparently just oblivious to the make-up of their own team listing in that week (and evidently all previous weeks), rather than intentionally hiding that previous ineligible player in the same premeditated fashion (although the possibility obviously remains that someone else that night wasn't who his name said he was). ===== Further punishments, such as the nearly certain inclusion of one or more suspensions, will be handed down by the RDL Board (or possibly the Rules Committee, but I think that since this situation is not a grievance but is more of a special situation rule enforcement, it will be handled directly by the Board). Those suspensions (and any commentary from the Board if they choose to share any) will be reported in the next issue or two of the Tons of Newsletter. ===== Gee, what an amazingly awesome day in the league's history.

A GREAT UNSPOKEN TRUTH THAT I'M NOT SURE I RECOGNIZED UNTIL THIS WEEK

At some point, each of us was introduced to our first dart league, be it the RDL or some other league elsewhere. And you know what the membership of that league as a whole implicitly gave you from the first day you joined them? They gave you their trust. No, really... think about that for a second. We all instinctually expect others in our dart league to do the right thing, to play by the rules, and to treat the game itself with its due respect. Sure, emotions get high in competitive settings, and sometimes people say things in the heat of the moment that they might later regret. But we all trust each other to at least conduct ourselves within the rules, even if we don't really like each other. We... trust... our opponents, even if they're our rivals. That fact is what makes the whole thing fun, what makes the whole thing work. But what if you do something overt and intentional, and you lose that trust. Can you ever get back to that golden place where you started?

2ND ANNUAL RALEIGH LLAMA ST. BALDRICK'S FUNDRAISER AT THE UPPER DECK

March 17th, 2017 - 8:00 p.m. (as part of the blind draw)

Don't forget that Keith Gibbs (of Brass Monkeys) and his very wonderful charity efforts will be tagging on to the March 17th blind draw at the Upper Deck. This year Ellie (from the Upper Deck) will be donating most of her long and beautiful locks for Wigs for Kids as part of the fundraiser (after Zak Mayhew of Who Gives A Cork?) did the same thing last year.

Anyone is welcome to come have their head shaved that night, and help us raise money for this AWESOME cause. There will be Drink Specials, a 50/50 raffle, Door Prizes and a Luck of the Draw Dart Tournament. All events start at 8:00PM.

RDL HEADLINES

"Leaguewide": Seriously, does much else matter here? I don't even feel like writing any other news now. Anything else I write below is going to feel pretty unimportant. But, this all goes on, and you can't let the bad squash all the good or there just isn't any reason to bother anymore. So, we're going to try to just move on as if things were still the same. You with me? Well, are "most of you" with me? Not all of you need to be with me... as I'm sure some of you don't like me at all right now. But somehow I guess I'll get through the rest of my day in spite of that... somehow...

"A" Division: Element escapes the threat of a Fringe upset;

Dead Beats wins again, locking into a top-half-of-A slot

"B" Division: shorthanded Handsome takes down Rif Raf to create a six-team block of 3-2 or 2-3 battlers in the heart of B

"C" Division: Dartistic has to come from behind, but they still move to 5-0; Bunkers lose to previously winless Never Trust

"D" Division: Brewers dismantle the Machine to open a gap on the pack; Bandits get 2nd straight win, move into 2nd place

"E" Division: Hump Day! Has to pull out all three 501s and the 1001 to outlast Sharks; Coach slides away from the Rangers

"F" Division: Scorekeeper takes every set from previously unbeaten Ducks; Death Throw up to 2nd with a third big win

"G" Division: ok, so... what *else* happened in G? Well, Gretzky and Show Me both won and are headed to a wk09 rematch

"H" Division: Irish Ton ends a two-week slide, giving Ballistic its first loss; Bulls Up! wins a third straight, climbs up to 3rd

HOW AWESOME IS THIS?

Check out the North Carolina Ladies' Cup standings on page 5. Apex is in first in the Central Division by... having only a bye!

Name the band/singer? the song? Last week's answers: Song 1 = "Good Times Bad Times" by Led Zeppelin; Song 2 = "Dirty Laundry" by Don Henley; Song 3 = "A Day in the Life" by The Beatles. And the theme? The news not being what you want it to be any more... or maybe even just not being accurate, and just being tweaked to fit whatever someone else wants it to be. Either of those pretty much seems to be spot on for the past many weeks, eh? [Wow, LOTS of participants this past week, and they were really dang successful! Mikey Hindle really just nailed the whole thing, while both Tom Brown and Pete Rutten hit all the songs & bands, and each offered a closely related theme guess. Mike Litzsinger and Paul Jacobi also made the A list for almost perfect answers. Nice! Finally, something good for the week. - JK]

Week 6, song #1 lyric: "I woke up in a Soho doorway, A policeman knew my name, He said you can go sleep at home tonight"

Song #2 lyric: "Picture this we were both butt naked, Banging on the bathroom floor, How could I forget that I had, Given her an extra key"

Song #3 lyric: "I appreciate your feelings, And I don't want to pass you by, But I don't ask you 'bout your business, Don't ask me about mine"

"HOT DARTS" CALL-IN GUIDELINES

Here are the guidelines you should use for the minimum number of all-star points to report when calling in your scores.
 "A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs
 "C, D" Divisions = 3.5 or more ASPs
 "E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs
 Also, call in any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).
Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

**SEASON-LONG TROPHY DART
MINIMUM GAMES PLAYED REQUIREMENTS**

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

All-star pt. Average: min. of 37 Total Games Played
for Divisions "D", "E", "F" & "G" (7 teams / division):

All-star pt. Average: min. of 32 Total Games Played

PREDICTIONS FOR THE WEEK

After a couple pretty decent weeks, it was back to a little run-of-the-mill 19-9 last week. C division returned to its old ways of kicking my butt, and I'm now down to 60% right in that division (tying D division for the lead in the race to be my problem children). That takes me to 102-38 for the season so far, for an overall correct pick rate of 72.9%. Not bad, but we can certainly do better. I probably need to have a really strong week tonight, as next week brings some seriously tight week 7 showdowns.

Match of the week: (E Div.) Sofa Kings @ Hump Day! With only one possible battle of unbeaten left in any division, a matchup of the top two in a division, with one leading in matches and the other leading in points, is nearly the best we can offer. Most of the math seems to point to a Sofa Kings win... but I have a feeling Hump Day will take it, 14-10.

Match #2: (G Div.) Is It In? @ Show Me Your Tips. Geez, with team names like this squaring off, this probably should've been the match of the week... Or at least the "pairing" of the week, right? Anyway, only one of these two gets to keep pace with the still-undefeated Gretzky. I think the doubles prowess of Show Me will prevail in this one, 13-11.

Match #3: (D Div.) Bullseye Brewers @ One Armed Bandits. The Brewers already hold a two-match lead in the loss column over the rest of D. What they have here is a chance to push one of the four 2-loss teams even further behind them. I think they'll do exactly that, 14-10.

Matches #4 & #5: (H Div.) Bulls Up! @ Ballistic Behavior; Chalker's Nightmare @ Chalk it Up. Two 4-1 teams sit just ahead of three 3-2 teams in H, and both of those one-loss teams have shown recent cracks by dropping those matches in the last two weeks. Clearly, the biggest drama would come if both 4-1s lost. Well... I think you'll get half of that drama. Bulls Up takes out Ballistic, 13-11; but Nightmare moves on, 15-9.

Match #6: (A Div.) Lunatic Fringe @ Dead Beats. Being one of the three best teams in the best league in the state is a really big damn deal.

Winner here is that team (at least for now). Dead Beats get it, 14-10.

Match #7: (C Div.) Cheap Shots @ The Bunkers. Is Dartistic just running off and hiding? If so, the rest of C is nearly starting over in a fight for 2nd. Huge one in that race here. Bunkers rebound, 14-10.

Matches #8 & #9: (B Div.) Methodical Madness @ Rif Raf; Kiss My WHAT?! @ Shooter McGavin. Shaunt is way ahead, Corkers are way behind, and the middle six in B are a bowl of parity soup. Any match within that six-pack could determine who heads to A, or simultaneously who heads to C. Rif Raf, 14-10; and Kiss My, 13-11.

Match #10: (E Div.) Game of Throws @ Red-eye Rangers. When you're sitting at 2-2, you're in the very middle, with plenty of time to move all the way up. Or down... Rangers head upward here, 14-10.

Match #11: (H Div.) Just A Bit Outside @ Brown's Bombers. Back to one of the RDL's most important matches, for reasons we don't need to dwell on too much here. I'm guessing it's Bombers, 13-11.

Match #12: (F Div.) All Flights Matter @ Chatham Street Elite. You see what I wrote for match #10 in E division above? Well, all of that applies here in much the same way. It's All Flights up, 14-10.

And the remaining 16 matches, sorted by division:

A Division: This Is Element 17, Beer View Mirrors 7; Appetite for Destruction 18, Nine Lives 6; Brass Monkeys 13, Alliance 11.

B Division: Shaunt Be 14, Menace 10; Handsome 15, Cork 9.

C Division: Dartistic License 15, Dysfunctional Outlaws 9; Fire For Effect 14, Mike's Garage 10; Big Bulls 13, Never Trust a Dart 11.

D Division: Armed 15, Dynamic Darts 9; We've Got 13, Ted's 11.

E Division: Coach's Last Stand 15, Something Inappropriate 9.

F Division: Death Throw 14, Reefers 10; Ducks 16, Dart Buddies 8.

G Division: Wayne Gretzky 16, All About That Bull 8; Bull Hunters 14, Train Station Shooters - a third straight ineligible?!

H Division: Irish Ton 13, Tips & Shafts 11.
