"ALL-BLOCKER" GAMES ARE NOT PLAYED

It seems that I write this at some point every season, and it appears that we have come to that point for this season: any game that involves only "blockers" is NOT played. No game of blocker-vs-blocker in singles, and no game of two-blockers-vs-two-blockers in doubles. If either team has even one player in the game who isn't a blocker, by all means play it. But if the game is nothing but blockers, that game is basically tossed in the garbage - no winner, no loser, no all-star points, no perfect throws... never existed, don't bother playing it.

THE SCANDAL THAT NEVER STOPS GIVING

For the two weeks prior to this one, the Train Station Shooters cheating scandal has dominated the front of this page. It was an awful story that simultaneously provided all of drama, anguish and hilarity at the same time. And now it's my pleasure to say to you in my best infomercial voice (or, even better, in my best Marisa Tomei in My Cousin Vinny voice): "But wait, there's mooooore!" No, really, two more awesomely awful additions to the story.

Addition #1: a team contacted me this week to let me know that they had actually caught the Shooters pulling the same fake player crap a few seasons ago. The match was in the tournament though, and the team reporting it now said they just let it go then because they beat the Shooters and ended their season. Since their time was up, they didn't report them. Bet they wish they had now.

Addition #2: it turns out that one of the teams the Shooters faced in one of their fake player matches this season confronted them on it. And the Shooters lied and told them that the league's Membership Director had approved the new player the night before the match. So, not only were they trying to slide one by, but they were actually actively lying right to the faces of the opponents. I mean, we all knew that they were implicitly lying to the league as a whole, but it takes an even greater level of not-give-a-shit-ness to lie right in someone's face when called on it.

RDL TRIVIA

Last week's question: *How many times has a team being removed for the season (due to multiple forfeits in all cases prior to this season) resulted in a division with only 6 teams still competing for the remainder of the season?*

The answer: This season's removal of the Train Station Shooters is the 4th time a division has been left with only 6 teams. The first was in the Fall of 1999 when the Neighbors in C forfeited their third match in week 13, leaving the division with only 6 teams for one week. Then in the Fall of 2008, there were TWO divisions (A and H) that were left with only 6 teams - Shadows Fall in A forfeited out with 6 weeks to go, while the Pussy Kat Dolls forfeited out with a huge 8 weeks to go.

This week's question: **What is the record for longest team win streak, in terms of number of RDL weeks between losses (since some seasons have a bye and thus not as many matches by no fault of the team), and which team has it?**

HOW IT SHOULD BE DONE...

The Bunkers knew many weeks ago that they would be critically short for this week's match with Mike's Garage. And the Garage wants to play real opponents, not skeleton crews. So, they've gone through every option for a reschedule that they can, even now requesting an extension on the two-week window to make sure they can get it done. (Yes, the extension was granted - in light of other teams' performances, there was no chance the Board wasn't going to encourage honesty and cooperation.) Nice to have a feel-good story of doing the right things, eh?

NO 'G' DIVISION "FUN" MATCHES, I GUESS

Last week I offered to set up "fun" matches in G between teams with byes & forfeit wins. Only one team was interested enough to email or call me though, so I guess there won't be any set up. Too bad too... I had a whole goofy thing I created for it. The format was called Running the Train, rule #1 was that everyone had to play under fake names (I wonder how many would have chosen Carlos or Shail!), and the three games to be played were all newly fabricated inventions. Seemed appropriate, right?

RDL HEADLINES

"A" Division: Element rides a big singles edge to win over Appetite in RDL's top pairing; Dead Beats sweep three sets, put a hammer lock on 3rd place when Alliance upends Fringe
"B" Division: Kiss My comes from a 12-4 hole to monster 1001 Shaunt when both Rif Raf and Handsome Devils get dumped
"C" Division: Dartistic absolutely rolls Bunkers, making all the drama in the 2nd half of the C season being the race for 2nd
"D" Division: Armed crushes Brewers in doubles, and now D is led by a four-pack of 4-2 teams separated by only 9 points
"E" Division: Game sweeps Humpers in DCKT to give them their first loss; Sofa Kings & Rangers win, only 1 match back now
"F" Division: All Flights get critical win over Death Throw, making for a trio of 4-2 lead teams sitting in a 4-point spread
"G" Division: Hunters get by Gretzky in a close affair to give the Great One their 1st loss; Walking wins, just 1 match back
"H" Division: Tips & Shafts use a cricket edge to slide by Bulls Up! in a tiebreaker; Irish Ton jumps on Nightmare early, yank them out of lead group; Ballistic, Chalk both win, move to 5-2

Name the band/singer? the song? Last week's answers: Song 1 = "Sexy and I Know It" by LMFAO; Song 2 = "I Wanna Talk About Me" by Toby Keith; Song 3 = "Don't You Want Me" by The Human League. And the theme? Narcissism and self-importance, in honor of any of our league members that put a little extra over-importance on themselves or their teams. [Alberto Sandoval, who got all but the singer of song 2, gave this week's best answer (yep, my good man is still playing long-distance from south of Charlotte). Paul Jacobi hit all but the song #2 title and singer, so he was just behind Sandoval in a week in which nobody knew/recognized all of the songs/singers/theme. - JK]

Week 8, song #1 lyric: "I'll ruin everything you are, I'll give you television, I'll give you eyes of blue, I'll give your man the words to rule the world"

Week 8, song #2 lyric: "Don't give me that do goody good bullshit, I'm in the high-fidelity first class traveling set, And I think I need a Lear jet"

Week 8, song #3 lyric: "On the boats and on the planes, They're coming to America, Never looking back again, They're coming to America"

"HOT DARTS" CALL-IN GUIDELINES

Here are the guidelines you should use for the minimum number of all-star points to report when calling in your scores.
 "A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs
 "C, D" Divisions = 3.5 or more ASPs
 "E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs
 Also, call in any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).
Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:
for Divisions "A", "B", "C" & "H" (8 teams / division):
Singles win %-age: min. of 19 Singles Games Played
All-star pt. Average: min. of 37 Total Games Played

PREDICTIONS FOR THE WEEK

Oh, ugh... An 18-9 record last week was my worst of the season aside from week 1 (when a lot of the rosters aren't even really set yet). That dang week 7 drama got the better of me in too many close matches. For the season, I'm up to 139-55, for a correct pick rate of 71.7%, which is decent but could be much better. At least I didn't get a Bandits pick wrong last week (yeah, yeah... so they had a bye... still not wrong).

Match of the week: (D Div.) We've Got Big Bulls @ Bullseye Brewers. Oh, D division has become just an awesome race (only F can rival it for "best race" title to this point). Here the two highest-scoring of the four 4-2 teams in the lead group kick off the second half of the season with a critically important pairing. 3rd straight loss for Brewers! 13-11.

Match #2: (G Div.) Wayne Gretzky @ Walking the Wire. Gretzky finally took one on the chin last week, reopening this race up to lots of potential scenarios, many of which include their opponent tonight. Walking is only one match and two points out of first, so you might as well call this a lead trio in G. Well, until Gretzky wins this one, 13-11.

Match #3: (A Div.) Appetite for Destruction @ Dead Beats. The Dead Beats are a new compilation of players in A, and so far the composition is working beautifully. After a slow start in week 1, they've cemented themselves into a "top three in RDL" spot. They're looking for a shot at climbing up to the #2 slot with a win here. But... Appetite, 14-10.

Match #4: (B Div.) Rif Raf @ Kiss My WHAT?! Shaunt might be too far ahead already to catch. But that doesn't mean there can't be a great chase for the #2 slot and a climb up to A! I'm going Rif Raf, 13-11.

Match #5: (E Div.) Sofa Kings @ Coach's Last Stand. Now that Hump Day has been shown to be beatable, both of these teams might be right back in the thick of the title fight. The Kings get a critical victory, 14-10.

Match #6: (H Div.) Chalker's Nightmare @ Bulls Up! Holy cow, the H landscape changes almost weekly! These two are now both 4-3 and

sitting one match behind the leaders. Bulls Up! moves up, 15-9.

Match #7: (C Div.) Cheap Shots @ Big Bulls. Make the C plaques for Dartistic now... but what follows them is a huge pile of parity! Either of these could end up 2nd! Or maybe 7th! Big Bulls, 13-11.

Match #8: (H Div.) Ballistic Behavior @ Tips & Shafts. See match #6... the landscape for these two changes weekly too! Ballistic is back on top of the heap, but will they stay? Just barely. 12+-12.

Match #9: (F Div.) Don't Hit the Scorekeeper @ Coral Reefers. One match and six points are all that separate the top five in F. Any match within that group could be the decider! Scorekeeper, 13-11.

Match #10: (D Div.) Armed and Hammered @ Sharky's Machine. The Machine sits at a very mundane 3-3 at the turn. But if they win out, they almost certainly claim the D crown! But, it's Armed, 14-10.

Match #11: (E Div.) Game of Throws @ Shark Shooters. Wow, two teams with some big wins, but somehow fighting to avoid a potential drop to F in the fall. Game follows up their big win, 14-10.

Match #12: (B Div.) Methodical Madness @ Shooter McGavin. Another pairing that could end up playing a big role in who does/doesn't drop a division next season. I'll take McGavin here, 13-11.

And the remaining 15 matches, sorted by division:

A Division: This Is Element 17, Brass Monkeys 7; Lunatic Fringe 16, Nine Lives 8; North Raleigh Alliance 15, Beer View 9.

B Division: Shaunt 15, Handsome Devils 9; Menace 15, Cork? 9.

C Division: Fire For Effect 15, Dysfunctional Outlaws 9; Dartistic License 15, Never Trust A Dart 9; (Garage @ Bunkers - ppd.)

D Division: One Armed Bandits 14, Ted's DeploraBull Emporium 10.

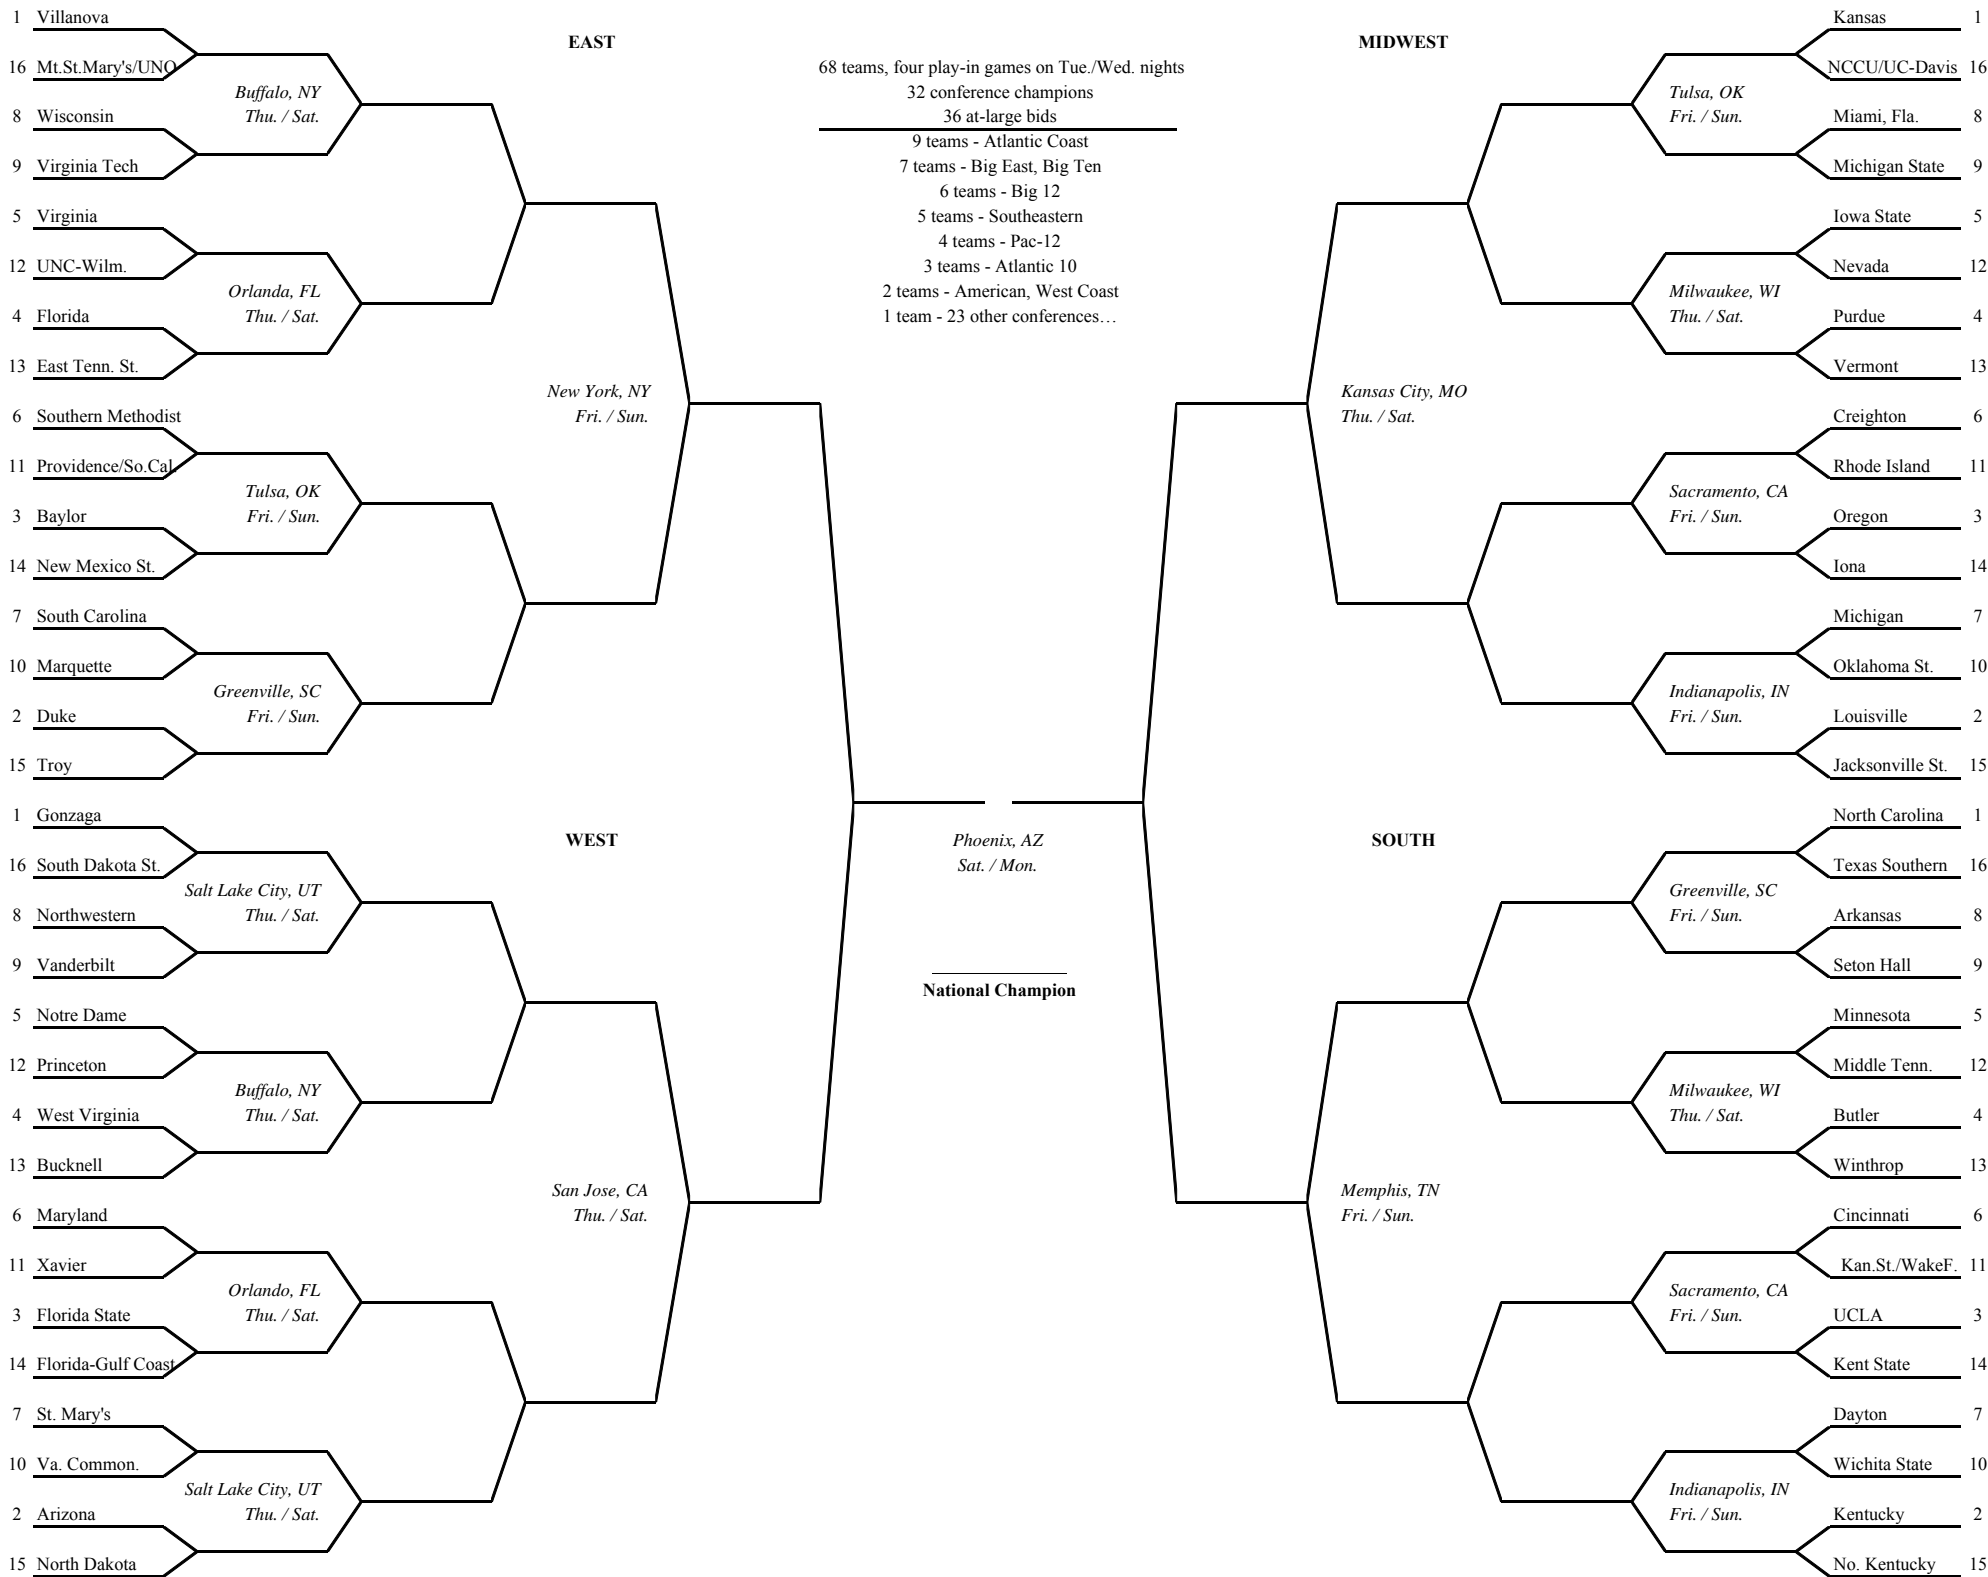

E Division: Red-eye Rangers 14, Something Inappropriate 10.

F Division: Death Throw 15, Dart Buddies 9; Ducks 14, Chatham 10.

G Division: Is It In? 16, All About That Bull 8.

H Division: Irish Ton 16, Just A Bit 8; Chalk it Up 15, Bombers 9.

TEAM STATISTICS TOTAL, ALL CATEGORIES, SEPARATED BY DIVISION (through week 7) (No missing statistics, as all scoresheets are received.)

The table below is a simple extraction of all of the team statistics totals for all teams in all divisions, so that you can compare what seems to correlate with team success (the teams are listed in order of the standings within each division). The best record in each set is listed in bold in each division for ease of comparison.
