The "Hey, Did You Guys Know That Julie Cheats When She Plays? I Suppose You'll Need To Guess Which Julie" Edition

## RDL TRIVIA

Last week's question: (the one that nicely set up this week's question) *There are presently 2 players showing up in the stats as divisional singles win percentage leaders who have yet to lose even one singles game. In my previous 42 seasons as statistician, how many people have managed an undefeated singles record (with enough games played to qualify for the season-long award)?*

The answer: There have only been 9 undefeated singles seasons in my 42 seasons here with RDL, and TWO of those came just last season! (Translation: It's frickin' hard to get through a full dozen or more games of 301 without a hiccup.) Those nine, from earliest to most recent (with div. and record): Fa98 - Galen Gillett - F - 20-0; Sp05 - Mike Reynolds - E - 26-0; Fa06 - Robb Beeson - G - 19-0; Sp08 - Vicente Martinez - E - 28-0; Fa08 - Jimmy Davis - B - 22-0; Sp10 - Phillip Eastmead - C - 28-0; Fa11 - Stan Converse - G - 20-0; Fa16 - Dan Naylor - C - 24-0; Fa16 - Randy Baldwin - F - 25-0. Yep, that's right... never been done in A division, and the record for most singles wins in a season is 28 (the perfect number for 2 wins per night for a full 14-week, bye-free, forfeit-free season).

This week's question: **As noted above, nobody has ever made it all the way through an A division season undefeated in singles. What is the greatest number of games into an undefeated string to start an A season that anyone has ever reached, and who did it?**

## A GREAT DART/HUNTING COMPARISON...

Erin Hartmann of The Bunkers shared a pretty excellent parallel (especially for you hunters out there... as in, about half of my own team): "Too bad for [my teammate]. Had a 6 dart 301 in his sights and ended up losing the game. [Teammate] is a hunter, I guess that must be what Buck Fever feels like too. Work during the off season to get your gun sighted in, find out where the deer are travelling, set up your tree stand in the perfect location, cut your shooting lanes, hunting season finally arrives, get up at the crack of dawn and wait patiently for the perfect opportunity, then you see that big buck – your hands get sweaty, you shake a little and miss the damn thing. At least in darts you have another shot. You don't scare the damn dart board away. I was in the middle of a battle [myself], so I'm not sure exactly how it happened, but he threw awesome darts the rest of the night. In our 501, I was hitting 20s to his 80s and T35." [That line about the scaring the dart board away was hilarious. Though some nights, I might disagree... - JK]

## RDL HEADLINES

"Leaguewide": all but one Fast Game / High In/Out category has a leader now; down to 3 undefeated and 4 winless teams  
"A" Division: Element escapes Alliance after being tied 6-6 in singles; winless Niners come within a game of taking down the Beats; Monkeys pull ahead of Beer View with clutch win  
"B" Division: Shaunt rides huge cricket advantage to win over Kiss My, now within a win of clinching B, because Cork got their first win against Rif Raf; Handsome Devils narrowly get by Methodical to move within points of taking over 2nd  
"C" Division: Dartistic has to win the final 501 to hold off the Garage on their way to a 10-0 start; Fire comes from behind on Cheapies to pull out a win in 1001; Never Trust forfeits to Dysfunctional; Big Bulls maybe forfeiting, though the Bunkers are still trying to work out a reschedule for them  
"D" Division: Machine shoots down the Bandits, yanking them from D's top spot; We've Got rolls Dynamic, while A&H, rolls Ted's, moving those two into 1st & 2nd places  
"E" Division: Hump Day swaps sets with Rangers all the way, getting a huge win; Sofa Kings use 501 sweep to finally put away Game of Throws, and stay in a clear top-two E pairing  
"F" Division: All Flights turn a 6-6 tie into a solid win, as Ducks have yet to win since 4-0 start; Death Throw and Reefers win, locking themselves in as maybe the last two contenders; on a side note, the mid-match quitter is already back. Shocker.  
"G" Division: Show Me sweeps 501 from the Hunters to likely eliminate them from the G race; Gretzky uses a big doubles run to pull away from Is It In? and keep hold of the G lead  
"H" Division: Chalk it Up avenges their previous 20-4 loss to Ballistic; captain Massey pops a final 501 winner to push Bulls Up! into the H lead; Nightmare barely wins over 1-win Just A Bit, creating a 5-team group within a one-win span

## TOUGH TO BEAT THIS...

My teammate Chad Massengill on This Is Element is presently holding at least a tie for the A division (and actually "league-wide") fast game in all four sets! Ten weeks in too... whoa.

## THE SADDEST WEEK 10 RDL QUOTABLE

From David Simpson of Armed and Hammered: "One lucky man hit a Ton-80! Then of course I lost the f\*\*king game..."

Name the band/singer? the song? Last week's answers: Song 1 = "Ants Marching" by Dave Matthews Band; Song 2 = "Crazy" by Gnarlz Barkley; Song 3 = "Basket Case" by Green Day. And the theme? Marching... Crazy/Mad... Basket... UNC in the Final Four... of course it's March Madness/the Final Four! [On a side note, I really never had any idea how polarizing Dave Matthews evidently is. To me, he has always just been another singer with a funky beat and a few songs that I know/like. Nothing really super bad or super good, just a musician. But every time I include one of his songs (which, by the way, have mostly been massive hits), people either tell me they love him, or they tell me that they would never ever ever get one of his songs and they are happy about that fact. It's not like he's Miley Cyrus (or, even worse, Billy Ray Cyrus)... but, for some reason, a segment of folks seems to love to hate him. [Anyway, Matt Heimbach hitting two songs and two singers was the best showing anybody had this past week. Green Day, however, is seemingly known by everyone. - JK]

Week 11, song #1 lyric: "It's only fear that makes you run, The demons that you're hiding from, When all your promises are gone"

Week 11, song #2 lyric: "Young hearts be free tonight. Time is on your side, Don't let them put you down, don't let 'em push you around"

Week 11, song #3 lyric: "You walked into the party, Like you were walking on a yacht, Your hat strategically dipped below one eye"

Week 11, song #4 lyric: "He says, "His name is William", But I'm sure he's Bill or Billy or Mac or Buddy, And he's plain ugly to me"

Week 11, song #5 lyric: "But now there's no way to hide, Since you pushed my love aside, I'm outta my head"

Song #6 lyric: "You're not shy, you get around, You wanna fly, don't want your feet on the ground, You stay up, you won't come down"

(Hint: the theme is with the singers this week, not with the songs/song titles...)

**"HOT DARTS" CALL-IN GUIDELINES**

Here are the guidelines you should use for the minimum number of all-star points to report when calling in your scores.  
 "A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs  
 "C, D" Divisions = 3.5 or more ASPs  
 "E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs  
 Also, call in any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).  
*Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.*

**SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS**

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

### PREDICTIONS FOR THE WEEK

Well, we dumped yet another match to a forfeit... and possibly another if the potential reschedule in C division just doesn't work out. In what was left for the week, I was able to put up a decent 19-7 week, which takes me to 201-72 for the season (73.6% correct). I fell back to 0.500 with a few teams (dangit), and somehow just got my 6th incorrect Tips & shafts pick in the past 7 weeks. Ugh... doggone Yankee fans...

**Match of the week:** (D Div.) We've Got Big Bulls @ One Armed Bandits. The top five teams in D still have a lot to settle here in the last month of the season, and that super-complex fight rolls forward with two of the top three here. We've Got is in first and on a long win streak that started right after... the Bandits beat them in week 4. We've Got, 13-11.

**Match #2:** (H Div.) Ballistic Behavior @ Chalker's Nightmare; Chalk it Up @ Irish Ton. The only title race that is even better than the D race noted in the pick above is the H division free-for-all. Five teams separated by only one match and 24 points from first through fifth, and they seem to change places within the group with pretty high regularity. Ballistic has lost 3 of their last 6, Nightmare has lost 4 of their last 7, Irish Ton has lost 4 of their last 8... and yet Chalk, the hottest of this group is still in 3rd and way behind on points. How in the heck am I getting more than two-thirds of my picks in H correct? This is a flippin' mess. Ballistic squeaks out a win, 13-11; and Irish Ton wins the 1001 rematch.

**Match #4:** (B Div.) Shaunt Be Shutout @ Rif Raf. Is this Shaunt clinching the B title? Or is it the biggest hurdle to Rif Raf returning to A? Well, it's both. Rif Raf will need a big win in week 12 instead. 14-10.

**Match #5:** (E Div.) Sofa Kings @ Red-eye Rangers. With the Rangers' loss to Hump Day last week, they've entered must-win territory. Tough one to start with here, but they deal the Kings a painful defeat, 13-11.

**Match #6:** (B Div.) Kiss My WHAT?! @ Them Handsome Devils. With Rif Raf facing undefeated Shaunt, the winner here is right in it.

How is that possible with Kiss My not having a winning record in any set and the Devils losing way too many crickets? Devils, 13-11.

**Match #7:** (F Div.) Chatham Street Elite @ Don't Hit/Scorekeeper. With Scorekeeper's three-match slide, this pairing all of a sudden could decide who ends up in a bottom-two slot. Chatham, 13-11.

**Match #8:** (B Div.) Methodical Madness @ Menace 2 Sobriety. With as tight as the middle 6 in B are, a really good team is likely to drop to C. It could actually be one of these two. Methodical, 14-10.

**Match #9:** (G Div.) Walking the Wire @ Bull Hunters. Time for Walking to make a final run. Or not? Hunters rebound a bit, 13-11.

**Match #10:** (E Div.) Hump Day! @ Coach's Last Stand. Coach is barely hanging on to their title hopes, but a win by them opens the door for lots of teams. The doors, however, stay closed. HD, 14-10.

**Match #11:** (C Div.) Bunkers @ Dysfunctional Outlaws. Despite sitting barely above 0.500, The Bunkers control their plaque fates. They don't relive their 22-2 win of 7 weeks ago, but still win, 15-9.

**Match #12:** (A Div.) This Is Element @ Dead Beats. Don't be fooled by the Dead Beats' near-upset loss last week... this is still Element's biggest obstacle on the path to week 14. Element, 15-9.

**And the remaining 15 matches, sorted by division:**

A Division: Appetite for Destruction 17, Brass Monkeys 7; Lunatic Fringe 15, Beer View 9; North Raleigh Alliance 17, Nine Lives 7.

B Division: Shooter McGavin 13, Who Gives A Cork? 11.

C Division: Dartistic License 15, Cheap Shots 9; Fire For Effect 14, Never Trust A Dart 10; Big Bulls 12, Mike's Garage 10.

D Division: Brewers 16, Ted's Emporium 8; Machine 15, Dynamic 9.

E Division: Shark Shooters 14, Something Inappropriate 10.

F Division: Coral Reefers 14, Ducks 10; All Flights 16, Buddies 8.

G Division: Show Me Your Tips 18, All About That Bull 6.

H Division: Bulls Up! 15, Bombers 9; Tips/Shafts 13, Just A Bit 11.

**IF THE RDL TRULY LEAVES A LEGACY, LET'S HOPE IT STARTS WITH MANY DAYS LIKE THIS ONE**

A couple weeks ago, at the Upper Deck blind draw event, many RDL members (and associated others that don't have the joy of regularly throwing sharp sticks at a wall) came together once again for a truly wonderful cause. Keith Gibbs (of Brass Monkeys), affectionately known as the Raleigh Llama for many years here in RDL-land, led the efforts as usual. And it's honestly pretty difficult to put into words here how wonderful, how important, how potentially life-changing, the research and patient care funded through events like this and so many other related avenues could end up being. It all starts somewhere, and it all starts with people willing to do... something. It really does all just start with "something". And in the end a lot of small "somethings" might add up to something monumentally huge. Don't believe me? Just ask anyone who knows someone who is still here despite experiencing something that was previously certainly lethal. Oh, wait... that's me... I'm a heart attack survivor. And I'm still here because so much research, so much care, so much effort, preceded my event. And it's my brother, who is a prostate cancer survivor. Or it's my other brother, who is also a heart attack survivor. Or it's my sister-in-law, who is a breast cancer survivor. Geez, almost my whole damn family is seemingly still alive due to the efforts of... doctors... or researchers... or government agencies... or maybe the keys for each of us were found using funds from something exactly like what Gibbs and the RDL members carry forward each year. What follows is a statement from Gibbs, along with some photos of some of your RDL compadres taking part. Kudos.

**ST. BALDRICK'S EVENT STATEMENT FROM ORGANIZER KEITH GIBBS**

St. Baldrick's is a non-profit organization that raises money to fund research in the fight against childhood cancer. Worldwide, 300,000 children are diagnosed with cancer each year. And in the U.S., more children die of childhood cancer than any other disease—more than AIDS, asthma, cystic fibrosis, congenital anomalies and diabetes combined. Two-thirds of children treated for childhood cancer will suffer long-term effects from treatment including loss of hearing and sight, heart disease, secondary cancers, learning disabilities, infertility and more. Childhood cancer isn't just one disease—there are over a dozen types of childhood cancer and countless subtypes, each requiring specific research to develop the best treatment for every child. But in the last 20 years, only three new drugs have been approved that were specifically developed to treat children with cancer. Less than 4% of the National Cancer Institute's budget is solely dedicated to childhood cancer research.

At the Upper Deck event on March 17, 2017, local darters came together to raise an additional \$2,511.00 to help change that, including another \$350.00 from dart players unable to make the event. That total of \$2,861.00 is an amazing feat. All money raised went to the total contributed by Keith Gibbs, The Raleigh Llama, as host of the event, whose total funds raised this year were \$5,156.00. His team of Magellan Charter School students and parents raised a total of \$32,010.00. The 2017 Glenwood South event, concluding on March 18, 2017, raised a total of \$212,396.00.

The Upper Deck event was headlined by Ellie Jackson, a bartender extraordinaire and all around great heart, whose golden tresses now are on their way to help make a wig for a young child whose hair was lost from treatment. Ellie gave twenty-six inches of her hair, in one quick cut!

A dozen other individuals, Upper Deck regulars, dart players and even random basketball fans jumped in and contributed to the cause, either having their head shaved, donating money, or participating in the silent auction or 50/50 raffle. The 50/50 raffle raised a total of \$628.00, with the winner, Jimmy Gerow, donating his winnings right back to the pot! Special thanks to Zak Mayhew for managing the cash and taking the fundraising to the streets to earn even more. Special thanks to Fon Denton for taking amazing photographs all night long.

And some heartfelt thanks from me, the Raleigh Llama, for continued support of this cause by the Upper Deck and the RDL. I am challenging others to get involved next year, and directly join the Raleigh Llama St. Baldrick's team that will be set up next spring. Be a shavee and raise money under your name and perhaps we can make this effort sustainable! Even the littlest amount helps, and if someone says they will add ten dollars to the pot to shave your eyebrow? Well, eyebrows grow back!

Photos below, left to right: **Ellie Jackson** and her star-of-the-show 26-inch single-cut wig donation; **Keith Gibbs** raffling off swipes at his own hair; and yes, **Gibbs** even raffled off his damn eyebrows; but wait, it looks like Upper Deck/Hot Shots manager **Jared Markham** gave every last hair on his entire head too!!
