

# Tons of Newsletter

Home to the Fall Session of the Raleigh Dart League for week #11, Wednesday, October 18, 2017 Issue #JK699  
The "It Turns Out You Can't Actually Get Much Done On A Weekend With Your Boss And Coworkers" Edition

## WHY DID I SEND THIS ISSUE SO MUCH LATER THAN USUAL?

Well, because I was at a beach retreat with my boss and some of my coworkers all weekend. It was a mix of work and fun, certainly, but even more than that, it turned out to be really time-consuming. Just didn't end up with as much weekend time as I can usually work out, even when I'm on a trip somewhere. I guess I just haven't tried to mix the Tons with my actual job before this weekend. Ah, well, I apologize for the delay in the

sending of this issue, but I have no excuse other than... what I can present in the photos. Seriously, if you guys had this view all weekend (even if you're with your boss), would you want to spend the time trying to decipher all of your crappy scoresheet handwriting instead? :o)

### RDL TRIVIA

Last week's question: *In the Spring 2007 season, the RDL awards table on page 3 changed from giving a leaguewide award for each fast game and high in/out category to an award in each division in each category. That means the awards have been divisional for 21 seasons prior to this one. In that time, what is the lowest value in each division that has won the High In award for a season? (Note: don't forget that starting in the Spring 2010 season, the High In added the requirement of being a "first turn of the game only".)*

The answer: Ok, first thing is, we've never given out an award for an "In" of under 100, so... we've got that going for us. And looking back at the records reveals just how often we sit with one of those Ton-20-logjams. Anyway, in the end here are the lowest "In" awards, by division: A div - Ton-20 - Sp11, Sp12; B div - Ton-20 - Sp12, Sp13, Fa13; C div - Ton-20 - Sp07, Fa07, Fa11, Sp14, Sp15; D div - Ton-08 - Fa16; E div - Ton - Sp15 (and no, this one wasn't even tied by more than one throw!); F div - Ton-10 - Sp15; G div - Ton15 - Sp07; H div - Ton-04 - Sp15; I div - Ton-06 - Sp10.

This week's question: **We all know that in the week 1 issue of the Tons each season, I list all of the new team names (along with the team's name from the previous season), so that people can track who they are playing and not be surprised. But I also pick my own personal favorite new team names each season, including a lone top new team name of the season. It would be a tragedy if none of those great names ever hit awards, so... How many of my #1 favorite new team names have won a regular season or tournament title the season I picked them as my favorite?** (This question will be fun just due to re-living all those awesome names.)

### RDL HEADLINES

"Leaguewide": down to 5 undefeated and 3 winless teams; all fast games have been claimed so far except for cricket in G; no division races clinched yet, but a couple are really close  
"A" Division: Element falls behind 0-1 before ripping off the rest of the points; Appetite falls 4-2 in both singles sets to the 2-win Monkeys before fighting back to escape in 1001; Dead Beats hold off Alliance to really lock down the top-3  
"B" Division: Dartistic is back, getting a strong win after a few lesser weeks; the return of Rodgers was like flipping a switch for Thursday's!; Methodical escapes Bunkers to keep their title hopes in a good spot; Niners roll Rif Raf, still in the fight  
"C" Division: Flightmare takes 10 cricket points from McGavin to pretty nearly shut the door on the C race; McDart Face sweeps Fire in 501 to leapfrog back up into second place  
"D" Division: Bandits roll over the Hump, getting closer to closing out Pat's Blue for the D crown; Dysfunctional and Armed win, reach 0.500, and are now fighting it out for 3rd  
"E" Division: Inglourious gets pushed by Game, but gets back on the winning path; WINNAU keeps pace with... a forfeit win... ugh; Death Throw falls in 501, drops from E title race  
"F" Division: Hunters continue plodding through the schedule on their way up to E (and D? and C? and...?); Scorekeeper & Reefers both win, lead a tight fight to be the other top-2 team  
"G" Division: Dart Buddies jump to 6-0 lead, then hang on for a tiebreaker win (in their 4th 1001 already); Nightmare drops all three DCKts, still yanks Is It In? from their fight for 2nd  
"H" Division: Serious wins again... blah, blah, blah... boring, boring...; Ballistic and the Bombers each get hard-fought wins, setting up a great 3-team free-for-all in the race for 2nd

Name the band/singer? the song? Last week's answers: Song 1 = "End of the Line" by Traveling Wilburys; Song 2 = "Fall to Pieces" by Velvet Revolver; Song 3 = "Radioactive" by The Firm. And the theme? Supergroups... bands mostly made up of members of multiple other acts. The Wilburys included Bob Dylan, George Harrison, Jeff Lynne, Roy Orbison, and Tom Petty. Velvet Revolver included guys from Guns 'n Roses, Wasted Youth, and Stone Temple Pilots. And The Firm included Jimmy Page, Paul Rodgers, Chris Slade, and Tony Franklin. [Both Paul Jacobi and Matt Heimbach came through with a couple of the band/songs, but Heimbach also hit the theme, so he's this week's top dog. Bonus credit to both of them though... to Jacobi for sending a lyric set back, and to Heimbach for adding a whole list of other supergroups that could be added to the set. Sweet... - JK]

Week 11, song #1 lyric: "Ever since you've been leaving me, I've been wanting to cry, Now I know how it feels for you, I've been wanting to die"

Week 11, song #2 lyric: "I never hit so hard in love, All I wanted was to break your walls, All you ever did was break me"

Week 11, song #3 lyric: "So long ago, I don't remember when, That's when they say I lost my only friend"

**DIVISIONAL TEAM STANDINGS and MATCH RESULTS FROM WEEK 10 (10/11/17)**

## "HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs

"C, D" Divisions = 3.5 or more ASPs

"E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs

Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

*Extra note: also report any new "fast games" leaders, even if they don't necessarily meet the maximum dart counts above.*

## SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

*for Divisions "B" & "C" (except team C3), and team H8*

*(8 teams / division):*

**Singles win %-age: min. of 19 Singles Games Played**

**All-star pt. Average: min. of 37 Total Games Played**

*for Divs. "A", "D", "E" (except team E7), "F" & "G" (7 teams / div.), and for teams H2, H3 and H4 (due to 2 forfeits rcvd.):*

**min. of 16 Singles Games Played, 32 Total Games Played**

*for teams C3, H1, H5, H6 and H7 (due to 1 forfeit received):*

**min. of 18 Singles Games Played, 35 Total Games Played**

*for team E7 (due to 1 forfeit received):*

**min. of 15 Singles Games Played, 30 Total Games Played**

Why So Serious? @ Brown's Bombers (Brown's Billiards 3&4)				Tips & Shafts @ Brown's Bombers (Brown's Billiards 3&4)	

### PREDICTIONS FOR THE WEEK

Wow, a week in which we had two additional forfeits (beyond even the weekly automatic forfeit and the team removed at the start of the season). Yikes, that's a lot of teams not showing up with enough players... That left us with only 24 matches last week, and in those two dozen I posted a pretty strong 18-6 record. That takes me to 186-76 for the season, for a correct pick rate of 71% so far. Not too shabby... and I even got an Armed and Hammered pick right! Woowoo! On to the next set...

**Match of the week:** (E Div.) WINNAU @ Inglourious Darters. With Inglourious going down a couple weeks ago, the door opened for WINNAU just a bit. They still need to make up the point difference or get help from another team in the last three weeks, but the E title is still in reach. At least until Inglourious pulls out a win in this one, 14-10.

**Match #2:** (A Div.) The Cardiac Element @ Dead Beats. Here is the final really big hurdle for Element on their way to their eventual second showdown with Element. Or maybe... this is the chance that the Dead Beats need to fight right back into the battle for the top two spots in the league. As is my norm, I'm going with my own guys here, 15-9.

**Match #3:** (F Div.) Coral Reefers @ Show Me Your Tips. The Hunters won't be caught, so this division is all about the race for 2nd (and maybe a jump to E in the spring). How both of these teams have losing SCKt records but are this high in the standings is beyond me. Show Me, 13-11.

**Matches #4 & #5:** (B Div.) Dartistic Expression @ Kiss My Bulls; Nine Lives @ Methodical Madness. B division has morphed into four mini-levels of teams. Here, the two 6-4 teams get shots at the two 8-2 teams that they are chasing. Kiss My is coming off a flop of a week, and I think Dartistic is exactly the opponent they *don't* want to see after that... Dartistic, 15-9. And the other match is one of really even balance against a squad with a couple big guns. I'm taking MM's guns, 13-11.

**Match #6:** (A Div.) Brass Monkeys @ Alcohol Related. The winner

of this one is almost certainly guaranteed the right to stay in RDL's top division next season. Alcohol evens the matchup here, 14-10.  
**Matches #7 & #8:** (E Div.) Shark Shooters @ Sofa Kings; Game of Throws @ Coaching Tom Seaver. At least one team (and maybe two?) from E are headed down to F. And one (or both) of those teams are coming from these four. Huge night of matchups in this subsection of E... I'm thinking the Sharks might get a third straight win, 12-10; and Game of Throws extends this wild messy mix, 13-11.  
**Match #9:** (H Div.) Chalk It Up @ Tips & Shafts. If we happen to have an I division next season (come on, expansion!), this match could actually end up pretty meaningful. I'm guessing Tips, 14-10.  
**Matches #10 & #11:** (D Div.) Dysfunctional Outlaws @ Sharky's Machine; Armed and Hammered @ Red-eye Rangers. With the first and second places already almost decided, the story in D has shifted to seeing who can avoid the bottom spots. Pretty much any of the other five could end up there, so these are important pairings. Dysfunctional and Armed end some suspense, 15-9 each.  
**Match #12:** (G Div.) Dart Buddies @ Chalker's Nightmare. It's pretty likely the loser here is headed for a fight with Cold Blooded to avoid the cellar. I'm thinking Nightmare avoids that fate, 14-10.

#### And the remaining 14 matches, sorted by division:

A Division: Appetite for Destruction 15, Lunatic Fringe 9.  
 B Division: Thursday's 13, Menace 11; The Bunkers 15, Rif Raf 9.  
 C Division: Shooter McGavin 14, Fire For Effect Again 10;  
 Cheap Shots 13, Pop That Cork! 11; Flightmare 16, Long Shafts 8; Darty McDart Face 16, Ghosts of Our Former Selves 8.  
 D Division: Pat's Blue Ribbon 14, Hump Day! 10.  
 F Division: Bull Hunters 15, Scorekeeper 9; Gretzky 16, Quacks 8.  
 G Division: Walking 14 Irish Ton 10; Is It In? 15, Cold Blooded 9.  
 H Division: Just A Bit 12, All About 8; Serious? 15, Ballistic 9.
