The "Holy Cow, I Can't Believe I've Been Basically Gone Four Full Weekends In A Row" Edition

PHILLIPS REPRESENTS AT WDF WORLD CUP 2017!!

Every now and then, I get to write about the coolest damn stuff ever. And today is part of that 'now and then'. The RDL's very own **Robbie Phillips** (of The Cardiac Element, although his real affiliation should probably be 'RDL Record Book') earned a spot on the four-man U.S.A. World Cup team... *again*. Think about that - only 4 men make up the team that represents a country with a third of a billion people, and Phillips was one of them. Again. ... Now if the story ended there, it would be an amazing accomplishment. But it doesn't! Phillips didn't just earn a spot on the team and an amazing trip to Japan, he went over there and helped take down team after team of some of the best darters in the World! The event is pretty much broken down into a team match event (which I find easily the most interesting part of the tournament), a singles bracket, and a doubles bracket, with each of those events scoring points toward the "overall" team standings for the week. Thus, you could theoretically earn medals (they give the common gold, silver, bronze rankings) in four ways, one for each event and one for the overall. And Phillips came home sporting TWO medals! ("Again", by the way, since he has actually done that before too!)

The U.S. team (pictured below left) of captain Joe Hogan (non-throwing for this event), Tom Sawyer, Phillips, Bill Squires, and Joe Chaney, rolled all the way to the finals of the team event, thumping South Korea 9-2, Switzerland 9-4, and Hong Kong 9-3 in their initial group pairings. Then they disposed of Italy 9-4, followed by a nailbiter 9-8 tiebreaker win over Finland in the quarterfinals, and then another 9-8 tiebreaker win over Switzerland (who had also advanced from their original group) in the semifinals. Sadly, the run ended on stage (and on worldwide live stream) in the team event final at the hands of Australia, leaving the U.S. with team event silver medals. [Side note question to the readers: anybody else here ever play a match on live broadcast, and not just play, but play so well that you were likely the best player on your team in a world finals match? Well, I'm pretty sure John Kramer (also of The Cardiac Element) has... but... anybody else? Nope, didn't think so.]

Phillips also pulled a couple wins in the singles events (against players from South Korea and Switzerland), before falling 4-2 to one of the best Dutch players; and he paired with Squires in the doubles event, eventually losing 4-3 to the Australian duo who took home the gold in that event (oh, if only they could have faced them later, eh?). The other Americans also had varying levels of success in the singles and doubles, and all the points they earned in those, combined with the points from the team event, earned them the Overall standings bronze medal for the week! (Australia took the gold, and Canada, fueled by long singles and doubles runs by Jeff Smith, slid ahead of the U.S. for the silver. All in all, a huge success. Most teams won... nothing. Phillips and the U.S. guys? Not one, but TWO, medals. Monstrous.

But in the end, I wonder which is cooler... Doing things like tossing a 14-dart 501 with a 180 on live broadcast in the world finals? Or earning a once-in-a-lifetime trip to see things like the Ikuta Shrine (pictured with Phillips below)? World level greatness... lifetime trip experiences... world level greatness... lifetime trip experiences... Which would you pick? Tough call, right? Luckily for Phillips, he doesn't have to choose - he has earned both (and trust me, he has worked for it). And for those of you that don't know him, you should... he's likely one of the nicest and most generous high-end stars you'll ever meet.

Name the band/singer? the song? Last week's answers: Song 1 = "Too Late for Goodbyes" by Julian Lennon; Song 2 = "Wrecking Ball" by Miley Cyrus; Song 3 = "One Headlight" by The Wallflowers. And the theme? Musical artists with famous musical parents. For those that didn't know, The Wallflowers is fronted by Jakob Dylan, Bob's son. And I'll be honest here, this entire lyric set was just designed so that I could use a song from The Wallflowers' album Bringing Down the Horse - I just love that album, and the first half of it is one of my favorite 'half-albums' ever. [Welcome to the game, Josh Hansen! Newcomer comes flying in with every song, every singer, and the theme to boot! Kicked everybody's butt this week (probably in part because people don't remember Julian Lennon lyrics, and they won't admit to knowing Miley Cyrus lyrics... which I can respect). ... side note from last week: I forget to point out Pete Rutten nailing the whole set, and not just that, as he sent back his full set of answers just minutes after I emailed the Tons - clearly that set was in his wheelhouse. - JK]

Week 12, song #1 lyric: "I never meant to be so bad to you, One thing I said that I would never do, A look from you and I would fall from grace"

Week 12, song #2 lyric: "He picks up a bus and he throws it back down, As he wades through the buildings toward the center of town"

Week 12, song #3 lyric: "I've got a secret I've been hiding under my skin, My heart is human, my blood is boiling, my brain I.B.M."

PREDICTIONS FOR THE WEEK

Oh, my gosh... that was just an AWFUL week of predictions by me last week. After we remove yet *another* forfeit from the mix, I ended up with a horribly sad 13-12 record for the week. That is so easily my worst week of the season... wow. Barely over 50% for the week, that's just terrible. That drops me to 199-88 so far, for a correct pick rate of only 69.3%. Yes, that means I get more than twice as many right as wrong, but still, that's just not cutting it. Hopefully, I can right the ship this week. But about this week... and the matches it offers... I'm not sure I remember a week when I had to dig harder to find good storylines from which I could choose. There are just roughly no seriously meaningful matchups. Sure, every match counts, and yada, yada, yada... but these pairings are simply, I have to admit, just not super-intriguing.

Match of the week: (F Div.) Show Me Your Tips @ Don't Hit the Scorekeeper. Yep, the best match we have is a battle of 3rd and 4th place teams, in which the 4th place team is probably too far behind 2nd to even really be considered to be in the race. Show Me ended their mini losing streak last week, and they're looking for more. Show Me, 14-10.

Match #2: (G Div.) Walking That Wire @ Is It In? With Irish Ton winning big last week, Walking's big loss theoretically puts their #2 spot in jeopardy (although not very serious jeopardy). They pretty much just have to win here to probably lock up 2nd. They do, 15-9.

Match #3: (H Div.) Why So Serious? @ Ballistic Behavior. Ok, there are actually two things at stake here: Serious's perfect season, and Ballistic newfound hold on 2nd place all alone. Which one lasts the night? Well, that would be Serious's streak... They take it, 16-8.

Match #4: (D Div.) Red-eye Rangers @ Hump Day! The Machine and whoever loses this match will be scratching and clawing to avoid a drop to E in the spring. Both teams are on a bit of high after last week's big wins, but the Rangers had been ice cold before that. Hump, 13-11.

Match #5: (F Div.) Something Inappropriate @ Wayne Gretzky. Right now these two are fighting to avoid a bottom-two spot. But F is so jumbled up tight that the winner could end up in 2nd! SI, 13-11.

Match #6: (H Div.) Just A Bit Outside @ Chalk It Up. Just A Bit was poised to take over 2nd and likely climb to G. Then they fell down hard last week, and need to recover quickly. JABO, 14-10.

Match #7: (A Div.) Brass Monkeys @ Lunatic Fringe. If Brass Monkeys can win one more, they likely stay in A. Their week 14 match with Alliance could be huge. Fringe gets them here, 15-9.

Match #8: (B Div.) The Bunkers @ Kiss My Bulls. Yeah, I don't know that this match really *means* that much, but it's a nice even matchup, and the winner could end as high as 3rd. Kiss My, 13-11.

Match #9: (C Div.) Cheap Shots @ Darty McDart Face. After McDart Face lost to a winless team last week, their 2nd place spot feels much more tenuous than ever. They rebound a little, 13-11.

Match #10: (D Div.) Armed and Hammered @ Pat's Blue Ribbon. This outcome is probably more important to Dysfunctional than to Armed (who is actually playing here). Pat's keeps 2nd for now, 13-11.

And the remaining 16 matches, sorted by division:

A Division: Element 15, Alliance 7; Dead Beats 15, Alcohol 9.

B Division: Dartistic Expression 16, Thursday's Suck 8; Nine Lives 14, Menace 10; Methodical Madness 15, Rif Raf 9.

C Division: Shooter McGavin 14, Long Shafts 10; Flightmare 16, Pop That Cork! 8; Fire For Effect Again 15, Ghosts 9.

D Division: One Armed Bandits 15, Dysfunctional Outlaws 9.

E Division: Inglorious Darters 15, Coaching Tom Seaver 9; Death Throw 14, Game of Throws 10; WINNAU 16, Shark Shooters 8.

F Division: Bull Hunters 18, Plumber's Quacks 6.

G Division: Bulls Up! 16, Buddies 8; Irish Ton 16, Cold Blooded 8.

H Division: Brown's Bombers 14, Tips & Shafts 9.

Last week's question: *We all know that in the week 1 issue of the Tons each season, I list all of the new team names (along with the team's name from the previous season), so that people can track who they are playing and not be surprised. But I also pick my own personal favorite new team names each season, including a lone top new team name of the season. It would be a tragedy if none of those great names ever hit awards, so... How many of my #1 favorite new team names have won a regular season or tournament title the season I picked them as my favorite? (This question will be fun just due to re-living all those awesome names.)*

The answer: Yep, I was right... reliving these team names was pretty great. But I also sort of came to the conclusion that the teams that have new teams often aren't the ones that have been winning, or that have gotten their team formula just about right. Thus, my favorite-named teams have not generally won all that much... But I still love them all just the same!! It turns out that I started picking favorite new team names in the Spring 2003 season, so this season's pick made for a nice even 30 winners. And of those 30, only 2 won their regular season title, and only 4 won a set of tournament mugs (with one team residing in both of those sets). Our lone season/tournament-sweeping great name was Sp08's Random Precision in B division. Fa13's Your Mom won the regular season G title, while Fa03's Tres Equis, Sp05's The Elements of Style, and Fa11's Black Mug Society (fittingly) won tournament mugs. All three of those other mug winners also finished second during their regular seasons, and we gave second place plaques then, so they got a second piece of hardware with their awesome names on them. Sp04's Well Hungarians, Fa05's The Hostile Amish, and Sp14's Inconceivable! also pulled in second place plaques. Just for fun, here are the other 22 team names that I've loved, with each for its own reason (some were simply timely references, but some will live on forever): Sp03 - Evicted; Fa04 - Got Pepsi?; Sp06 - Tir na hOg; Fa06 - Capital Punishment; Sp07 - Never A Dull Moment; Fa07 - The Misplacements; Fa08 - Nice Dittles; Sp09 - 95% Drunksten; Fa09 - Fighting Chuck Norris (which they later changed to the very boring Pride and Glory); Sp10 - Pounding the Neighbor's (best misplaced apostrophe in team name history); Fa10 - Duckin' D'Oh! Nuts; Sp11 - Antique's Roadshow; Sp12 - Carry Oakie; Fa12 - Ted's Blue Waffle Emporium; Sp13 - She Doesn't Look Druish; Fa14 - To B or not to B...; Sp15 - Something Inappropriate; Fa15 - Shooter McGavin; Sp16 - #thecork (and you had better pronounce this brilliant little entry correctly); Fa16 - Game of Throws; Sp17 - Beer View Mirrors; and this

"A" Division: Element wins first four 301 games in roughly 4 minutes on the way to big win over Dead Beats; Appetite slowly pulls away from Fringe to keep title hopes; Alcohol leapfrogs Monkeys with 5 doubles
 "B" Division: Dartistic and Methodical each post solid victories on the way toward a potential week 14 showdown for the division; Thursday's on-again/off-again attendance sends them to another shorthanded loss
 "C" Division: Flightmare shortens the Long Shafts, then clinch the season with help from the unlikely of places; Ghosts take down McDart Face in 1001 for their first win!; McGavin also lost (badly), to Fire For Effect
 "D" Division: Hump Day! uses the extra leg to yank Pat's Blue one step closer to the pack, leaving the Bandits on the brink of clinching season crown; Dysfunctional takes a contentious one to keep a grasp on third
 "E" Division: WINNAU eases past IngLOURious, evening their records and pulling within 12 points of the E lead; Sofa Kings dogpaddle past the Sharks in 1001 to set up an amazing pack of four 3-win teams here
 "F" Division: the Bull Hunters clinch what seemed inevitable when they plod past Scorekeeper, and the Reefers get taken out behind the woodshed by Show Me; shorthanded Quacks nearly get off the schneid
 "G" Division: Irish Ton invites Walking over, then shows no hospitality with a straight-up 12-0 cricket whooping; Nightmare doubles up the Buddies to increase their chances at avoiding a bottom-two finish
 "H" Division: Serious wins yet again, having scored below 16 only once all season (and that was only down to a 15); shorthanded All About upends Just A Bit, leaving Ballistic controlling its own 2nd place fate

season's favorite - Cold Blooded and Thin Skinned (no regular season title coming here, but maybe they can put together a surprise tournament run?)

This week's question: **Last week, Simon Healy of Dartistic Expression had one of the best half-hours of darts in RDL history, pitching a T77 and a 9m in his 9-dart 301 and 13-dart SCKt games. That means he only threw 24 darts in both of his singles combined, counting the frickin' diddles! In honor of that, and mostly in response to a great idea for a question from Simon's captain Fon Denton, I ask you this: Has anyone ever won both the fast singles 301 and fast singles cricket game for the season in the same night? Since we started giving divisional fast games (as opposed to leaguewide-only) in the Spring 2007 season, we'll accept answers that are for just one division... but since Healy's games are also both leaguewide fast to this point, it's the leaguewide achievement in which I'm really most interested.**
