Home to the Fall Session of the Raleigh Dart League for tournament weeks #15/16/17, Wednesdays, November 15 & 29, and December 6, 2017 Issue #JK703 - The "Call Yourself Whatever You Want... King, Queen, Princess..." Edition

👉 **IMPORTANT TOURNEY, BANQUET, SP'18 INFORMATION** 👈

Included below on this page is a list of very important reminders for you to keep in mind during the divisional tournaments.

There are also reminders relating to the banquet, as well as to the Spring 2018 season. Please check them out.

TOURNAMENT ELIGIBILITY

Unlike in many previous years, simply having your dues paid is no longer enough for a player to be eligible to play in the postseason tournaments. Now a player must also take part in four regular season matches. Please note the far right column on page 10 for your division to see who is/isn't eligible for play in your tournament matches (players with 4+ are eligible). There are 42 total players that that are tournament-ineligible: 7 in A division, 5 in B, 2 in C, 4 in D, 2 in E, 5 in F, 3 in G, and 5 in H (plus the 9 members of team H8).

FINAL DIVISIONAL STATISTICS

Final statistics are available for all 8 divisions in this issue of the Tons of Newsletter, as all scoresheets have been received already. Please check your entire team's statistics for accuracy. **If there are any discrepancies with any of your team's statistics, and you want a recheck of the records, I'll give everyone through this Sunday (Nov. 19th) to let me know about them. After that, all statistics will be considered FINAL.** That way, the trophy shop can have sufficient time to fill our rather large order. Thanks.

TOURNAMENT MAIL-IN NOT NECESSARY

It is NOT necessary for you to mail me your tournament sheets, but PLEASE email or text me the match score & perfect throws. Thanks.

TOURNAMENT TONS NOTE

There will only be one edition of the Tournament Tons of Newsletter, so hang on to this one for all 3 matches!

RDL HEADLINES

"A" Division: Element dumps an 11-3 lead by losing the last 5 doubles to end their unbeaten streak at 67 weeks; Jason Coe pops the last 501 winner, likely keeping the Monkeys in A
"B" Division: Is Dallas Hudson's 1001 double-2 in a head-to-head for the B crown one of the most meaningful single darts in RDL history? Seriously... a 1001 for the whole season...
"C" Division: Tell me that didn't just happen... tell me Darty McDart Face did not just forfeit away 2nd and a spot in B
"D" Division: Pat's gets clutch tiebreaker win in what amounts to a match pairing for the chance to probably climb to C div.
"E" Division: Inglorious squeezes past Death Throw, finally takes hold of the division title they seemingly had all season
"F" Division: Inappropriate gets swept in 501 by the Hunters, and the Reefers climb from 4th to 2nd (at 7-5!) with their win
"G" Division: Is It In? nearly yanks title from Bulls Up!'s grasp, even after they... sat their singles champ in both singles?!
I'm thinking Walking would've liked for him to have played...
"H" Division: Just A Bit rolls through 501 to haul in #2 spot

DIVISIONAL TOURNAMENT REMINDERS!!!!!!

-- Tournament matches start at 7:00 p.m.!!! Plan accordingly!
-- In the tournament, failure to field at least 4 players by 7:15 p.m. will result in forfeit of the match. (Note: teams are not allowed until the 8:15 p.m. time used in the regular season.)
-- **NO MATCHES ARE ALLOWED TO CHANGE VENUE!!!!**
Relocated matches will be ruled double forfeits!!
-- All points are decided in a best-of-three format (except 1001).
-- ADO rules on diddles = winner of the coin toss determines throwing order in the 1st game, loser of first game decides in 2nd game, loser of original coin toss decides in 3rd game.
-- CALL IN THE WINNING SCORE TO THE VOICEMAIL!

Name the band/singer? the song? [The week 14 lyrics set is one of the most popular sets of newsletter song lyrics in recent seasons. A big set of lyrics, with a long unifying theme, listed in order by the tie-in or the singer/band. People seem to really like playing along with this one. And if you still want to go back to last week's issue and play along now, it's time to stop reading this item... But if you're still reading now, you just want the answers...] So, here are Last Week's Answers: First, the theme was bands named after a member of the band. The songs were listed in order by the band name/singer's last name, alphabetically. Song 1 = "Eye in the Sky" by Alan Parsons Project; Song 2 = "Midnight Rider" by Allman Brothers Band; Song 3 = "Bittersweet" by Big Head Todd & the Monsters; Song 4 = "I'll Be There For You" by Bon Jovi; Song 5 = "Glad All Over" by Dave Clark Five; Song 6 = "Crash Into Me" by Dave Matthews Band; Song 7 = "Rhiannon" by Fleetwood Mac; Song 8 = "Love Stinks" by J. Geils Band; Song 9 = "Blinded by the Light" by Manfred Mann's Earth Band; Song 10 = "The Living Years" by Mike & the Mechanics; Song 11 = "Black Magic Woman" by Santana; Song 12 = "Mrs. Robinson" by Simon & Garfunkel; Song 13 = "Gimme Some Lovin'" by The Spencer Davis Group; Song 14 = "Fly Like An Eagle" by Steve Miller Band; Song 15 = "Ain't Talkin' Bout Love" by Van Halen; Song 16 = "Headed for a Heartbreak" by Winger. [And holy cow, did I get two amazing sets of answers this time around. Lots of people get "some", but Pete Rutten hit 13 of these 16! And newcomer (to the lyric game) and serious player Josh Hansen hit 14.5, plus hit the theme once I told him it was in the bands, not the songs. Holy crap! Color me impressed. Longtime player Paul Jacobi responded instead with a 25-song lyric set of his own that maybe I'll share at some point. - JK]

TOURNAMENT RESULTS - *SEND ME YOUR SCORES!*

Captains, please don't forget to either email or text me your match scores after your tournament matches. You don't need to mail/fax/scan me your sheet, but do shoot me a message with who won and what the score was. Also, don't forget to include any perfect throws with your message too - your players will want their tournament awards as much as (or more than) their regular season awards. Finally, if anybody does anything really good, or if something especially interesting or funny happens, tell me about that stuff too.

TOURNAMENT PAIRINGS UPDATES

We don't use the VoiceMail system to anywhere near the same extent as we used to do, so I won't be putting the pairings on there, but I will be sending updated tournament brackets to the email list each week. Plus, I'll bet Phil will post it on the website.

**Start getting your team together for the Spring season now!!
Info. is listed on page 1, and will also be in the banquet Tons.**

TOURNAMENT DIDDLE RULE CLARIFICATION

For many years, the RDL has used the standard old ADO-style of diddling in best-2-of-3 matches: flip a coin, winner of the toss gets to choose diddle order in game 1, loser of game 1 gets to choose diddle order in game 2, and the loser of the toss gets to choose diddle order in game 3 if it's necessary.

**ONE LAST TIME - REMEMBER... TOURNAMENT
MATCHES START AT 7:00 P.M., NOT 8:00 P.M.!!!
(And a note on this one... teams are NOT allowed
until 8:15 to field four players. 7:15 is the deadline.)
(Believe it or not, teams have tried to use that...)**

PERPETUAL PLAQUES

Don't forget: RDL offers 'perpetual plaques' for all fast games, ins/outs, & perfect throws (as well team regular season wins, if you want). They're large boards that hold multiple plates. If you would like more details, or to include your name on the list for this style of award, contact VP Maridy Knight BY NOV. 19TH if you want one this season (unless your first award is a semis or finals perfect throw...). Her contact info is on page 4. [If you have already started a perpetual plaque, you don't have to 'sign up' again this season - you'll receive plates for your large plaque until it's full, whether you like it or not.]

 This is the only Tons that I will send during the tourney, but as with the first round matches, I will send updated pairings to the league email lists.

RDL TRIVIA

Last week's question: (the last of the season) *What is the greatest number of consecutive team match wins (in any division) any RDL member has had to start his/her time in our league? (or, in other words, the longest team winning streak to start a player's RDL career)*

The answer: This question might be the biggest landslide answer in the history of the trivia column. **John Kramer** (of Element) joined the team in week 3 of the Spring 2016 season, and until this past week, he had never been in an RDL match that his team lost! (yes, that was some pretty awful timing for the question, as our team dropped an 11-3 lead last week, ugh) Regardless, that means that Kramer did not lose a match for the first SIXTY-TWO weeks of play that he was in the RDL. And every week was in flippin' A division! In digging through the records, I haven't even found somebody else who ever even reached twenty yet...

TOURNAMENT PREDICTIONS

YES!! I managed to sneak in an 18-7 record last week (with yet another match dumped to forfeit), which brings me to greater than 70% correct for the season (255-109). And geez, I nearly did so much better last week too... my 7 incorrect picks included three lost 1001s, two 13-11s, a 13-10, and a 12-8. Just a few wires crossed and I'm putting up a huge number there. Oh well. On to some tournament picks!

"A" Division: Element just blew an 11-3 lead, but without the league's winningest player at the match. Thus, I obviously have to go with my own team to take this one again. Appetite will almost certainly be our finals opponent, and the Dead Beats and Fringe will each make the semis.

"B" Division: Ok, B has become quite an interesting one, in almost every match every week. In the end though, anything but a third 1001 between Methodical and Dartistic would be robbing the viewers of what simply must happen. And I'm going to take Dartistic until they win one! Kiss My escapes Menace, and Thursday's beats Niners twice in a row.

"C" Division: Good thing Flightmare just likes to come out and play, as the drama here is almost over before it starts. The only thing more certain than this is the H result. The other top three seeds will advance from the quarterfinals, and while I would love to pick McDart Face to advance to the finals, I just can't pick a team that forfeited away 2nd.

"D" Division: Now, let's be clear here... I love the Bandits. Have for years (much like all but one of their opponents ever). But they presently feel like one of the least "certain" teams to win a division by 3 or more matches in quite a while. In the end, I guess they'll still win, but they'll barely outlast Pat's. Dysfunctional and Armed will advance once too.

"E" Division: Remember about a month ago, when Inglourious looked like they were going to walk away with everything? Easily? Well, those times are gone, and I'm now picking WINNAU to slide past them in the finals! I guess I will put Game of Throws and Death Throw into the semis with those, but this division has the feel of some potential upsets.

"F" Division: Have the Bull Hunters won this yet? No? Well, they will soon. Despite last week's scare, they're just too good once this all goes to a best-of-three format. Interestingly, I think their rematch with Inappropriate in the semifinals will be their biggest hurdle again. They'll take out Scorekeeper (who will have gotten by the Reefers) in the finals.

"G" Division: Alright, first off, all four top seeds make the semis. But then this could get interesting. All of the top four really have the talent to make that two-week post-Thanksgiving run, and all four (well, ok, probably not Bulls Up!) have the potential to just lay an egg too. Way interesting. In the end, I guess I will go with a Walking-Bulls Up final, but not with great conviction. I think I'll take Walking to grab the Mugs.

"H" Division: Why So Serious? Well, it's not. This tournament is really pretty much anything but serious. Serious? No. Over before it starts? Probably. Ballistic & Just A Bit will advance, with Ballistic going to the final. And the other quarterfinal? All About, in maybe a 5-on-4 match?

Dark Horses: Just about anybody in D, but Armed and Hammered more than most. Is It In? and Irish Ton in G. And Nine Lives in B division.

Surest things: Why So Serious? in H, duh. Flightmare in C, duh. Bull Hunters in F, duh. And then just to spice things up a bit, I'm going to add in my own Element team in A! When was the last time I did that?

TWO IMPORTANT QUICK NOTES TO CAPTAINS/TEAMS

We will revisit these next season more fully, but this info came to me really late, and most of this Tons was finished. Not much room left.

#1 - Take a little time to read the rules. Simply relying on others to tell you what the rules are isn't a defensible position. What will it take? 30 minutes? How long do you stay after and drink? Do that one less time.

#2 - Shorthanded teams that manage to get to 1001 do NOT have to skip a throw each round. Never have under RDL rules, ever. The other team can just drop down to the same number of throwers in that game. (This might've just affected next season's team/division assignments.)

WHO DIDN'T PLAY?! A few great ones this time around!

Some seasons this is one of my favorite items - the one where I report which individual leaders sat out sets in the final week. Although we can never be certain of the reason that somebody sits out, I'm sure we all have our guesses, and knowing who to guess about is lots of fun.

Many recent seasons have had pretty diverse sit-out reasons and outcomes. From sitting out to avoid losing, to sitting out and costing yourself a shot at the minimum games, to being absent and losing out, to being absent and gaining from it, recent seasons have had most everything. And while this season doesn't have all of those, it's surely one of the more interesting season lists in quite a while! Awesome!

Ok, first thing we're going to do is summarize any ASP winners who sat, and this one has a couple interesting storylines. First up (and certainly not strategic, but still interesting), the Inglourious Darters in E sat ladies' leader Kris Kilsdonk in DCKt, and her teammate Deborah Blackwelder had a big night and passed her for the award. Not any level of underhanded, but it could make for some spicy team smack talk.

Far more intriguing is this trio... Phil Robertson of Flightmare in C (sitting only his 2nd game of the season, both in the last 2 weeks, and both in '01s), Ken Trefzger of One Armed Bandits in D (who sat 501, for only his 2nd sat set of the season), and Jeremy Limerick of Inglourious Darters in E (sitting 501 for the 4th time this season, and with the team still needing a 501 to clinch the entire E season race). Hmmm...

And while those ASP sitters are quite a good set of things about which we can theorize and chuckle, the singles award leaders have provided us with some even better stories! A completely innocent one, a smilingly suspicious one, a painfully backfiring one, and then one unlike any we've ever seen previously... lots to talk about here...

First, the completely innocent one... Pop That Cork! in C sat ladies' leader Dawn Hamilton in SCKt, but all that meant was that her own captain couldn't catch her with a win in the next set. Protect an award from yourself by listing someone else out? Clearly not nefarious, and thus not worthy of any more ink here, as there are such good others.

Ok, next up, the smilingly suspicious one. In G division, Is It In?'s Dylan Musil sat out BOTH singles, and these just happen to be the first singles he sat out all season (and this absence actually might've affected the G season race in the end, right?).

And then there is the uber-painful one. Steve Polenz of Menace 2 Sobriety in B division didn't sit a singles game all season. Until 301 in week 14, that is. The problem? Sitting that game meant that Dallas Hudson of Methodical Madness could win two games and pass Polenz by 0.003 in terms of win percentage. Care to guess what happened? Turns out, math are hard. Enjoy the Mug, Dallas.

Which brings us to the first ever "anti-inclusion" in this list. Chad Massengill of my team, The Cardiac Element in A division, obviously did not play in week 14. But why, you ask, is Massengill considered an anti-inclusion in this list? Because Massengill is the first player to my knowledge to go to great extremes to try ensure that the exact opposite of him sitting out happened. You see, Massengill knew that he would be out of town months in advance of week 14. So, our team asked our opponents for a reschedule months in advance (although more because we thought the match might decide the A race). Our opponents opted to exercise their right to not explore a reschedule as a possibility. And thus, Massengill sat out week 14. Just not because he wanted to miss the match, duck competition, or protect anything.

(There are no missing statistics, as all scoresheets from the entire season have been received.) (Game minimums required for these listings: 15 for team E; 16 for all A/D/F/G div. teams and teams E1-E6 and H2-H4; 18 for teams B8,C3,C5,H1,H5,H6,H7; 19 for teams B1-B7, C1,C2,C4,C6,C7,C8, and H8)
