

# TONS OF NEWSLETTER

Home to the Spring Session of the Raleigh Dart League for week #2, Wednesday, January 31, 2018 Issue #JK706  
The "Sometimes Nice Guys Finish First... But Sometimes They Finish In The Penalty Column" Edition

## A PAINFUL REMINDER... WITH AWESOMENESS

Ok, everybody, today's top item is a reminder that you need to make sure you check your stuff. All your stuff. Not just the captain's phone number on the schedule and the final score at the end of the night. I had to dole out a penalty this week that caused me pain, primarily because of how awesome the people involved handled it after the fact. Pat's Blue Ribbon took an ineligible player penalty this week, and lost all their points and statistics from the match. And it was just a compilation of little not-quite-checked stuff with no malicious intent by anyone. But it's a penalty just the same. -- Before the season, Jeff Cashin (captain of Pat's Blue) asked Erin Hartmann (captain of another team out of their same home establishment) to register his team "with the same lineup as last season". She was very nice and agreed. The problem was that Hartmann had the preseason captains' meeting lineup for Pat's Blue, but not any lineup after week 1 (Pat's Blue actually added a tenth player for week 1, and he was now missing from this season's roster). Then, when the rosters were sent out, Cashin didn't think to check the names on theirs because it was a simple "same". So they played... and then realized the error. *And here is where the awesomeness comes in...* The first email that I/the Board received was from Cashin, explaining their error before the penalty was even officially assessed. He wrote to apologize and to find out what steps/timing were convenient for fixing it for week 2. What did Cashin NOT do? He didn't even mention that another person could be in any way at fault at all, and took complete responsibility on himself. Seriously? How many of this season's teams could resist at least trying to slough off some of the blame, in an attempt to weasel back some points? 70%? 80%? 90%? Not Cashin, not a single word about it. *So how did we find out about Hartmann registering the team one short?* Because she emailed us too, with a lengthy apology and taking full blame for the situation as well! She told us exactly what went down and exactly why she felt so awful. No "well, they should've checked their own stuff" or "I was doing them the favor, not vice versa" in her message. Just another attempt to take full blame. In the end, a team got penalized and lost some points. But a lesson was learned by two groups... the teams involved learned that they need to super-double-check stuff... and the rest of the teams in the league learned which two teams are definitely on the "take-responsibility" and "can-be-trusted-not-to-point-fingers-and-whine" lists. Two lists that probably aren't all that crowded on some nights, I'm sad to say.

### WHICH BRINGS US TO...

... an important reminder to everyone: do NOT just take your preseason captains' meeting roster as the final roster for ANY more matches starting right now. It's a great resource for contact information and stuff, but rosters change on a weekly basis all the way up to week 6. The number of times I get messages from teams saying "well, I put their other guy on the list as #38... no idea who he is and I've never heard of him, but I guess you'll know if he's legal." Oh, you mean player #38 who has been on their team's roster for the last three issues of the Tons? That guy?

### A FEW MORE IMPORTANT REMINDERS

== Any throw in 501 or 1001 is never going to be a "High In". High Ins are for 301 only, as only 301 has a double-in requirement.  
== ASPs in 1001 do NOT count. But you may use an added game in the Total Games Played column on the back of the sheet to help indicate who participated in 1001, if you would like to do so.  
== Losing teams are NOT required to send in their scoresheets. I do recommend they keep a copy in case the other team's is lost.

### AND A BIG '01 REMINDER...

As stated in the item immediately above, High Ins are only from 301 games. And please do not forget that **"High Ins" only count on your first turn at the line in a game of 301**. This means that a 160 to start scoring on your fifth turn is really quite impressive, but is NOT a High In. Please do NOT call in throws like that as "High Ins". It would be awful if an award went to the wrong person because you were ignorant of the rules. So don't be.

**Please see additional items elsewhere in the Tons: pages 7/8 - schedules, page 6 - reminders, page 9 - contact info, etc.**

### WE MADE IT EXACTLY ZERO WEEKS...

... before "BLOCKER" made his first appearance as a player, with no description as to who it was (and no Total Games Played from which I could deduce it). Aw, dangit. Info-chasing time... And I'm *definitely* calling out the offender: the One Armed Bandits in C division! (Note to Big Bulls: don't laugh too hard here... the fact that it was incomplete on their sheet immediately calls you out as a team that doesn't check the opponents' sheet). Maybe I'll hit up Britt and the Rules Committee to see if we need a penalty for this stuff... maybe that would help to end these...

### RDL HEADLINES

"A" Division: Oh, A division is deeeep this season... the top three teams stayed static, while the other five bulked up! Going to be big fun here... two upsets already in the books... or maybe they're not upsets, but rather just a new order?  
"B" Division: Diddle Diddle sneaks by Kiss My in what was likely a big matchup; Thursday's races out to the early B lead  
"C" Division: C starts as 1 of 2 divisions with no team above 14 points in wk01; Big Bulls were shorthanded? No way, right?  
"D" Division: Inglourious drops a shorthanded bomb on the Cheapies; Projectile sweeps 501/1001 to reel in the Humpers  
"E" Division: Wow, closest division after week 1; only Game ever seemed to be even a little in control of a week 1 match  
"F" Division: Coaching comes back from an 11-5 hole to stun Serious?; Scorekeeper thumps Walking in cricket for big win  
"G" Division: The drought is over for the Ducks!; Irish Ton and I'm About each ride 501 sweeps to victory in even battles  
"H" Division: Some thumpings in H, as 4 of the 6 doubles sets in the week were 6-0 sweeps; Chalk wins the only close pair

Name the band/singer? the song? Do you know the theme? This is one of the most popular items, so obviously it's back for a 15th season...

Week 2, song #1 lyric: "I could stay awake just to hear you breathing, Watch you smile while you are sleeping"

Week 2, song #2 lyric: "Cause we're young and we're reckless, We'll take this way too far, It'll leave you breathless, Or with a nasty scar"

Week 2, song #3 lyric: "So, so you think you can tell, Heaven from hell, Blue skies from pain, Can you tell a green field, from a cold steel rail?"

**DIVISIONAL TEAM STANDINGS and MATCH RESULTS FROM WEEK 1 (1/24/18)**

(Home team listed second in each match.)

## "HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.  
 "A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs  
 "C, D" Divisions = 3.5 or more ASPs  
 "E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs  
 Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).  
*Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.*

## SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:  
*for Division "A" (8 teams / division):*  
**Singles win %-age: min. of 19 Singles Games Played**  
**All-star pt. Average: min. of 37 Total Games Played**  
*for all other Divisions (7 teams / division):*  
**Singles win %-age: min. of 16 Singles Games Played**  
**All-star pt. Average: min. of 32 Total Games Played**

## PENALTY LOG - All the penalties assessed this season.

**Ineligible Player (any match win, all points, all statistics):**  
 Pat's Blue Ribbon (C, wk.1, 10 pts.).

## RDL WEBSITE - [www.raleighdartleague.org](http://www.raleighdartleague.org)

### PREDICTIONS FOR THE WEEK

As with most recent seasons, the amount of stuff that goes into the week 1 newsletter prevents me from having enough space to include both the season-long and the weekly picks. But I still do them both, and then report the week 1 results to you guys here, so that we have a full season of picks. And this was not a great start for me... I put up a somewhat sad 15-10 record in week 1, I got at least one pick wrong in every division, and I'm a pathetic 0-3 in F division. Wow, that is not good. This week, as per usual, we focus on pairings of 1-0 or 0-1 teams. Sometimes we add in some matches in which a 1-0 team is facing a bye team, but somehow ALL seven week 1 bye teams are facing teams that took a loss. The odds of that are just nuts... but that's where we are... sooooo...

== Two 1-0 teams ==

**Match of the week:** (E Div.) Coral Reefers @ Sharky's Machine. In a division where no team scored outside the range of 10-14 points in week 1, it's pretty clear that every match could be big. Especially ones where both teams have built a slight edge so far. Machine inches ahead, 13-11.

**Match #2:** (A Div.) Appetite for Destruction @ Darty Minds. The top team in the A standings takes on the team with the most convincing week 1 A division upset. Will the top team continue their standard trek, or does the upset train make another stop? Appetite is just too good, 16-8.

**Match #3:** (G Div.) I'm about to Ton! @ De Ducks Part Deux. Some pretty new ground for these teams compared to their recent runs. The Ducks actually just broke a 14-match string, so they're certainly in a good mood. That mood is maybe about to get interrupted though, 14-10.

**Match #4:** (D Div.) Inglourious Darters @ Stick a Cork In It! Big win for the Corkers, taking down a strong WINNAU squad. But Inglourious put up one of the three 20+ scores leaguewide last week. Can those without glory keep that glorious roll going? Hmm... I guess so? But only 13-11.

**Match #5:** (A Div.) Monkey Business @ Element XXX. The Monkeys

got the biggest upset anywhere in week 1. Or was it?? Geez, I hope they're not in line to do it twice in a row. I'll take my own team, 16-8.

== Two 0-1 Teams ==

**Match #6:** (E Div.) Shark Shooters @ Red-eye Rangers. A pair of heartbreaker losses for these teams, in what is clearly a very tight division. A second tight loss would be agonizing. Rangers, 13-11.

**Match #7:** (G Div.) Chalker's Nightmare @ Old Darting Bastards. In a perfect example of all-star-points-mean-little, Nightmare leads G in ASPs by a bunch. And they're in last place. Old Darting, 14-10.

**Match #8:** (A Div.) Dartistic Pursuits @ Triple D Bronze Balls. Is it possible that Triple D could fall to 0-2 and be fighting for last in A? Surely, that can't happen. Can it? I'll still take Triple D, 15-9.

**Match #9:** (D Div.) WINNAU @ Cheap Shots. Ok, I'm chalking up week 1 for Cheap Shots to one of those rare snowball/quicksand weeks. One thing just led to another... Still, it's WINNAU, 14-10.

**Match #10:** (A Div.) Lunatic Fringe @ North Raleigh Alliance. In what looks to be the deepest A division in many years, being just really good might actually be sub-par. Holy cow. Fringe it is, 15-9.

**And the remaining 15 matches, sorted by division:**

B Division: Nine Lives 14, Shooter McGavin 10; Kiss My... 13,

Traveling Beer Bellies 11; Diddle Diddle 16, Menace 2 Sobriety 8.

C Division: The Bunkers 14, We Be Trippin' 10; Rif Raf 12,

Big Bulls 10; One Armed Bandits 14, Pat's Blue Ribbon 10.

D Division: Garage Inc. 13, Hump Day! 11.

E Division: Double In, Stumble Out 14, Death Throw 10.

F Division: Sofa Kings 13, Bulls Up 11; Philthy Coaching 13,

Walking That Wire 11; Scorekeeper 14, Why So Serious? 10.

G Division: Wayne Gretzky 14, Just A Bit Outside 10.

H Division: Brown's Bombers 16, Dart Buddies 8; All About That

Bull! 14, Ballistic Behavior 10; Tips & Shafts 14, Eazy Duzit 10.

**NEW SCORESHEET RETURN DEADLINE!!**

The weekly deadline for submission of your scoresheets is no longer on Saturday. **The new deadline is 11:59 p.m. Friday** (unless you had a rescheduled match - then it's within 2 days of the day you played).

**TIEBREAKER = MATCH WIN, NOT POINT**

Don't forget that the tiebreaker game (1001) does not score a team point. Matches decided in 1001 should be recorded as 12-12 (or 11-11, or whatever your tie is), with one team winning & one losing.

**TIE SCORE? INDICATE WINNER**

Also don't forget that if your match goes to 1001 you need to indicate the winning team in some fashion (circle, "+" sign, etc.).

**TEAM NAMES ON YOUR SCORESHEETS**

Every season there are several instances of teams listing the team names on opposite sides of the scoresheets (meaning that one team's name is written above the other team's players). Obviously, I will eventually figure these out when the names under a team name aren't on the roster, but it would be cool if you simply indicate the error in some way (or simply flip the names - I would rather an away team be on the home side and vice versa than have the wrong people AND THUS BACKWARDS FINAL SCORE under each side). Thanks.

**LOSING TEAM'S SCORESHEET RESPONSIBILITIES**

Just a quick note to the new captains: you are NOT responsible for sending in the scoresheet if you lose the match. I DO, however, recommend that you save your copy in case the other team loses theirs - that way, I can still get yours and update the statistics. Oh, and... **CHECK THE OTHER TEAM'S SHEET FOR ACCURACY!!!**

**DOUBLE-CHECK PLAYER NAMES**

Please double-check the spelling of the name of each player on your team in the lists on page 10. If anybody's name needs to be corrected, shoot me an email or leave a message on the VoiceMail.

**KEEP YOUR INFO CURRENT**

Captains, please do not forget that if you change your phone number, I can't reach you, and other captains (who might be forfeiting!) can't reach you. Keep me updated. Thanks.

**NOTE ON EMAILED TONS SIGNUPS**

If you would like the Tons emailed to you, it's pretty simple. Just email me directly (see page 4) and let me know that you want to be added to the list. I do ask, however, that you also tell me who you are when you email me (as email addresses often are pretty anonymous). I use Yahoo (and GMail) address books, and they are sort of based on last names, and I have far too many people to put in one address book. Having both names helps me track who is in which address book so that I can add and delete people easily when they request it. Thanks. JK

**EXTRA NOTE ON EMAILED TONS SIGNUPS**

If you are already on the mailing list, there is no need to sign up for the Tons again. And again. And again...

Also, if your address bounces my email three weeks in a row, I will indeed remove you from the list. Just for list maintenance...

**WHAT SCOREKEEPERS CAN SAY DURING CRICKET**

It is now official RDL policy that **during cricket, the scorekeeper may only tell the thrower how many of each number has been hit during this turn**, and may not report any more of the situation (whether a number is now closed, new point total, points still needed, etc.).

**CAPTAINS PLEASE READ THIS**

What follows here is a list of very important reminders for all of you. I have provided the greatly shortened versions of each of these reminders, so that you can read the entire list quickly.

1. Indicate who the 'blocker' players are. Simply writing 'blocker' is not sufficient. And you may NOT pick the same player to fill both blocker slots in any one section a team is short by two players.
2. Indicate which players of both teams took part in 1001 games on the front of the scoresheet. This is now MANDATORY, and allows us to check for ineligible players, record statistics, etc.
3. Don't forget to make extra copies of your scoresheet blanks.
4. Save a copy of each of your completed scoresheets.
5. The guidelines for Hot Darts to list (in terms of fast games and such) are on page 4 of every issue of the Tons of Newsletter.
6. While the scoresheet no longer has the bar ratings scoreboard, it does still have a box for comments. Those comments are indeed passed on to the Board every few weeks, so by all means point out things that you think need to be changed.
7. If you know beforehand that your team will be forfeiting, be a nice guy and call the other team and host establishment in advance.
8. NEVER play a player that has not received approval from both the Memb. Director (Heather Bohanan) & Treasurer (Bohanan is currently doing this part too). This includes getting approval even if simply using a player slot for which you've already paid.
9. If a player didn't play in any of the four primary sections of the match, that player is ineligible to play in 1001.
10. Wednesday player additions and/or changes are not allowed. Those must all be completed no later than Tuesday of each week.

**MANY SCORESHEET RETURN PATHS AVAILABLE**

Still an old school U.S. Postal Service fan? That's fine, as we still accept scoresheets via that method (and my address is actually on the back of the scoresheet so you can't lose it).

Or maybe you actually own a piece of technology, be it new or even not all that new... we likely have you covered too. We accept scoresheets through several additional "modern" methods:

-- You can fax it to me (the fax number is in the newsletter every week, and is also on the back of the scoresheet).

-- Or you can use your scanner and email me an image of the sheet (my email addresses are in the Tons every week and also on the back of the scoresheet).

-- You can even shoot me photos of your scoresheet if you want to take care of returning it immediately! Just make sure you have good lighting, you're close enough to the sheet, and it's IN FOCUS. (note: out-of-focus or overly dark photos will not be acceptable... duh).

*If you use any of these last three modern electronic methods, I'll even email you a quick confirmation of receipt if I have your email address (thus eliminating any worry on your end :o).*

[Quick note if you do actually decide to send me a hard copy via the snail mail side of things. Buying a \$1.35 certificate of mailing could prove to be a nice piece of evidence if your scoresheet ever gets lost in the mail. Do NOT send your scoresheet by certified mail - I do NOT want to have to go to the post office repeatedly to sign for your scoresheets.]

**NO CALL-IN REQUIREMENT FOR MATCH RESULTS**

As of the Fall 2017 season, winning teams are no longer required to call in match results each week. The league will still have the Voice-Mail number for now (meaning that you can still call in tournament match results if you want), but no regular season weekly calls are needed. In fact, it's probably likely that that VoiceMail will not be checked with anywhere near the regularity that it once had.

## SPRING 2018 RDL SCHEDULES FOR ALL DIVISIONS

The schedules for all divisions, on this page and the next, were provided by Membership Director Heather Bohanan. Also included on page 9 are the contact numbers for all the captains and their bars. That way, any of you who need to contact a captain of another team for whatever reason (rescheduling, fun matches, emergency changes in home establishments, etc.) will know who to call and how.
