

TONS OF NEWSLETTER

Home to the Spring Session of the Raleigh Dart League for week #10, Wednesday, March 28, 2018 Issue #JK714
The "Lately Pretty Much Just A Moderate 'D' Thrower In An 'A' Player's Clothing" Edition

NOW THIS WOULD BE A STATISTIC TO HAVE... (but is unrealistic)

So every week we report the All-Star Point Average here in the newsletter, but as we all (should) know, that statistic is mathematically pretty meaningless. It's an "average" derived from a hodgepodge of games of different lengths, including different numbers of participants, and with half of the sets including games of indeterminate length. Additionally, sometimes different players play each set with varying levels of regularity. The number is, thus, a statistically inaccurate depiction of something, such that most people don't even recognize the number for what it really is. But... if you understand what it is you're seeing in this number, and what it does and doesn't represent, it's still a fun little number that does somewhat parallel darting success (although the trivia question from last week, answered below, certainly shows that that isn't always true - ha!). -- -- -- So what do I think the more useful statistic would be? Well, pretty obviously, it would be all-star points "PER TURN", as opposed to "per game." Can you imagine, though, trying to get the RDL membership to report the number of turns each player throws in a night of darts?!?! Hahahahahahahahaha!! Least possible pipe dream ever. -- -- -- But wouldn't that be a much better and more meaningful number? Trust me, it would. My best ASP average seasons have come when I throw continual turn strings such as 2,1,1,2,1,7(!). That's only 2.3 marks per turn, but it's 1.5 ASPs for the game! Repeat a couple times and my ASP numbers rise. Woowoo, right? Uh, not really. If we had ASP/turn numbers instead, my average would be exposed as the weaker performance that it really was.

THE ABSOLUTE MODEL OF EFFICIENCY

Given that he has been the RDL All-Star champ for 12 consecutive seasons (and 16 times overall in the past 19 seasons, finishing 2nd in each of the other 3), everybody here knows that **Robbie Phillips** of Element XXX hits a lot of big turns. But I'm guessing most people don't really realize just exactly how high of a per turn average his ASPs represent. I am 100% certain that he is the most ruthlessly efficient thrower in RDL history, and that if we had the statistic above, his margin of lead in this category would double, if not triple or even quadruple. Yes, he really is THAT efficient in his wins. He never throws extra darts, and I would hazard a guess that he throws fewer turns in a season than anyone else in any division. Yet, he still wins the ASP title. Often by a lot. Don't believe me on the turns thing? Well consider this tidbit: this season Phillips's singles cricket games have been 24, 15 (loss to a 17-darter), 16, 14, 20, 15, (unknown number), and 19 darts. That's only 29 full turns in the seven games for which I have his dart counts. That's only a little over 4 turns per game. And he generally averages 4 full turns or less in each of the other sets too, on an every-week basis. That means he is only getting maybe about 15 to 17 full turns per night, every night. How many of you threw that many turns in just your SCKt game this past week? Most of you, right? And even with that extremely limited window of throws, he still walks away with the leaguewise ASP title season after season. Oh, if only we had that ASPs per turn statistic...

YEP, MAKE SURE WE HAVE PHONE NUMBERS...

Every now and then I sort of poke at the teams that only list one or two phone numbers on their preseason rosters. I give reasons as to why you should give us more. And those teams ignore me anyway. Well, last week, one of our teams sent me a one-page scoresheet scan (that was thus incomplete) and the person who sent it to me wasn't on email throughout Friday. Because I had a phone number for that non-captain sender, I was able to shoot them a heads-up text, and they were alerted in time to get the complete sheet turned in, before the mail deadline. Good thing they had given us extra numbers, eh? I'm just sayin'...

THE CENTER OF THE COLLEGE SPORTS UNIVERSE!

You probably all know my alma mater, The University of Michigan, is in the basketball Final Four. But did you know that UofM is also in the hockey Frozen Four? Two national semis at once, baby!

**There are more stories and other items on pages 5 & 8.
You'll find the regular weekly predictions, the RDL trivia column, etc. Check 'em out. Or don't... either way is cool.**

RDL HEADLINES

"A" Division: Alliance sweeps DCKt to take down Fringe, while Triple D wins a 2nd straight and tightens up the middle of A
"B" Division: Diddle barely escapes Menace with a 501 sweep; Niners take out McGavin, bringing them closer to the pack
"C" Division: Bunkers hand Trippin' their 4th 13-11 loss, stay within one loss of lead team; Bandits cruise after tied 301 set
"D" Division: WINNAU holds off Cheap Shots with a final-501 winner, jumping to the D lead; Hump Day jumps all over the Garage in singles, taking away their chance to move into 1st
"E" Division: Rangers' win streak reaches 3, bringing the team back to 0.500; Machine rolls big, locking into a top-two spot
"F" Division: Serious snags five doubles, stays within reach of idle Show Me; Bulls Up slowly pull away from Sofa Kings, likely cutting F race to 3 teams after Coaching falls to Walking
"G" Division: Just A Bit & Old Darting join the group of 4-win teams chasing I'm about fighting for 2nd place for the season
"H" Division: Down go the Bombers! Buddies sweep 501, stun the previously undefeated H leaders; All About & Eazy Duzit both win shorthandedly, establish themselves as H's #2/3

Name the band/singer? the song? Last week's answers: Song 1 = "Steal My Sunshine" by Len; Song 2 = "Sunshine of Your Love" by Cream; Song 3 = "Good Day Sunshine" by The Beatles. And the theme? Pretty obviously, it's sunshine! Spring has sprung! Daylight savings time is here! It's the season for sunshine, and al fresco dinners, and driving with the top down on the convertible. Or at least it will be soon, I suppose... It's not lost on me that these sunshine songs were in the issue on the day that some parts around here experienced a brief wintry mix. [Not a hugely popular week, with fewer guesses than usual. And within those guesses, only longtime lyrics gamer Pete Rutten was able to get as many as two bands and songs, along with the theme. Clearly, Pete was the week's top lyrics dog. - JK]

Week 10, song #1 lyric: "Get up, Everybody's gonna move their feet, Get down, Everybody's gonna leave their seat"

Week 10, Song #2 lyric: "The legend lives on from the Chippewa on down, Of the big lake they called 'gitche gumee', The lake, it is said..."

Week 10, song #3 lyric: "It was 1989, my thoughts were short my hair was long, Caught somewhere between a boy and man"

DIVISIONAL TEAM STANDINGS and MATCH RESULTS FROM WEEK 9 (3/21/18)

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs

"C, D" Divisions = 3.5 or more ASPs

"E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs

Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

for Division "A" (8 teams / division):

Singles win %-age: min. of 19 Singles Games Played

All-star pt. Average: min. of 37 Total Games Played

for all other Divisions (7 teams / division):

Singles win %-age: min. of 16 Singles Games Played

All-star pt. Average: min. of 32 Total Games Played

PENALTY LOG - All the penalties assessed this season.

Mail (16 pts.): Walking That Wire (F,wk.3), Old Darting Bastards (G,wk.4), Brown's Bombers (H,wk.4).

Ineligible Player (any match win, all points, all statistics):

Pat's Blue Ribbon (C, wk.1, 10 pts.).

RDL WEBSITE - www.raleighdartleague.org

Chalk It Up @ Eazy Duzit (The Big Easy)		Div.	Eazy Duzit @ All About That Bull! (Cleveland-Clayton)		
BYE - Tips & Shafts			BYE - Ballistic Behavior		

PREDICTIONS FOR THE WEEK

Oh, the week that almost was... I managed to equal my season best of 19-6 (that's a little sad as a best week), but four of those six incorrect picks hinged on a single dart. So I was soooo close to ringing up just a monster week. Dangit... so close. Anyway, that brings me to 147-78 for the season, for a correct pick rate of 65.3%. I'm still barely hanging on in D division, with a paltry 14-13 record there so far... can't you D folks work with me just a bit in that tangled mess you call a season race?

Match of the week: (F Div.) Show Me Your Tips @ Why So Serious? Here we go with the top two in F squaring off. Serious hasn't lost since Show Me swept 501 to come from behind against them 7 weeks ago.

Division-leading Show Me has only really 'taken control' of one match in the last month, so I think I'm going with the Serious upset here, 13-11.

Match #2: (H Div.) All About That Bull! @ Brown's Bombers. All About is riding a four-match win streak during which they've looked like H's best team. Meanwhile, the division-leading Bombers just took their first defeat and have left the door open just a bit... IF All About can come through tonight. I think they do if they're aren't shorthanded, 13-11.

Match #3: (D Div.) Garage Inc. @ WINNAU. The crazy world of D is STILL separated by only two matches from top to bottom. While Garage has already had its second bye, these two still among the only three D teams with only 3 losses so far. Huge match here. WINNAU it is, 14-10.

Match #4: (G Div.) Irish Ton @ Chalker's Nightmare. Next-to-first is still only 1.5 matches from next-to-last in G, so any team in that group could still end up in any of F, G or H next season. Any dart seemingly could alter the standings in big ways. Irish moves on in this one, 14-10.

Match #5: (B Div.) Kiss My... @ Shooter McGavin. All but two teams in B are somehow below 0.500. And McGavin, sitting in 2nd, is only two matches ahead of that big messy pack. I so want to pick against them and further tighten up the race for 2nd... but.. McGavin, 14-10.

Match #6: (A Div.) Triple D Bronze Balls @ Darty Minds. Triple D has started a run toward reclaiming their previous #3 spot, and now they get Darty without a top gun in attendance. Triple D it is, 13-11.

Match #7: (D Div.) Hump Day! @ Cheap Shots. This is D, so 2nd vs. 6th is right in the thick of the title fight. Because... why not? I'm thinking the Cheapies get back on track, but it'll be close. 13-11.

Match #8: (H Div.) Chalk It Up @ Eazy Duzit. After an 0-2 start, Eazy Duzit is 4-1 with the only loss coming at the hands of Brown's Bombers. I think Eazy has really brought it together... ED, 14-10.

Match #9: (C Div.) One Armed Bandits @ We Be Trippin'. The Bandits are just off the lead, but tonight's sub-0.500 opponent is right in every match, every week. The Bandits win, 13-11, of course.

Match #10: (D Div.) Projectile Dysfunction @ Inglourious Darters. Two teams with a combined losing record, with both right in the title chase. I say it repeatedly... because D, duh. Inglourious, 15-9.

Match #11: (A Div.) Monkey Business @ Lunatic Fringe. If Darty happens to fall in match #6 above, the fight for #3-#7 ramps up in a big way. This could be an important one. Monkeys move up, 13-11.

Match #12: (F Div.) Philthy Coaching @ Bulls Up. With somebody losing the match of the week, it's key for Bulls Up to win here to get a chance to take advantage. I think they do just that, 15-9.

And the remaining 13 matches, sorted by division:

A Division: Element XXX 16, Alliance 8; Appetite 18, Dartistic 6.

B Division: Diddle 15, Nine Lives 9; Thursday's 14, Beer Bellies 10.

C Division: The Bunkers 13, Big Bulls 9; DD 214 16, Pat's Blue 8.

E Division: Double In, Stumble Out 14, Shark Shooters 10; Red-eye Rangers 14, Death Throw 10; Game of Throws 15, Reefers 9.

F Division: Walking That Wire 13, Sofa Kings 11.

G Division: I'm about 15, Gretzky 9; Just A Bit 14, De Ducks 10.

H Division: Dart Buddies 13, Ballistic Behavior 11.

Last week's question: *Alright, we're going to kick off this season's column with a 'guest offering', which has actually been posed by new RDL Secretary Andrew Borgna. Borgna, who won the H division ASP Mug last season, asked me this: "Am I the first RDL player to win a divisional ASP mug while posting a losing singles W-L record?" So, I'll ask you guys... Is Borgna the first to pull off such an 'interesting' feat?* (And as usual, this question only encompasses the 44 seasons prior to this one, as that's how long my full statistics record covers. Pretty soon, I'm just going to start referring to my time here as 'the modern era', especially since my time now covers almost two-thirds of the time, and way more than two-thirds of the darts thrown given the league's growth, since the RDL even threw its first dart. - JK)

The answer: Well, it turns out that Borgna is *not* the first to ever win a divisional ASP crown with a losing singles record, but he is the new holder of the record for lowest singles win percentage by a divisional ASP champ. In my 44 seasons as statisticians, we've crowned 341 divisional ASP titles, and of those 341, 323 won greater than 60% of their singles games, leaving a lonely 18 in the 60%-and-under crowd. Those 18, in descending order by

win percentage: Phil Robertson (0.600, Fa17 C div), Aaron Fitzgerald (0.600, Fa 15 C div), Jack Dowling (0.600, Fa98 C div), J.J. White (0.583, Sp14 D div), Jeff Watson, Sr. (0.579, Sp16 E div), Angelo Azevedo (0.579, Fa14 E div), Mitch Colton (0.579, Fa08 G div), Phil Brown (0.577, Sp09 E div), Jimmy Davis (0.571, Fa16 B div), Jenny Beebe (0.571, Sp15 H div), Paul Spaulding (0.571, Fa12 G div), Adam King (0.550, Fa00 E div), Brad Adams (0.529, Fa16 D div), Jerry Minx (0.500, Fa13 B div), Paul Sullivan (0.500, Sp98 G div), Butch Smith (0.500, Sp98 E div), Bill Buckley (0.474, Fa05 E div), and finally, the originator of this question... Andrew Borgna (0.444, Fa17 H div). Thus, it was Buckley who paved the way, and now the club has expanded to just him and Borgna. Incidentally, Buckley and Borgna are also the only two (of these 18 at least) who had losing overall (singles+doubles) records for the season (as all of the other 16 were also at or above 0.500 in doubles except Phil Brown, who still managed to reach 0.500 overall).

This week's question(s): **(I told you last week that I smelled a trivia question coming on...) What is the earliest week of a season that the entire RDL has been left with 0 winless teams? What is the earliest we've reached a point with 0 undefeated teams?**

Spring 2018 RDL Top Singles+Doubles Records (League-Wide) (through week 9)

(There are no missing statistics, as all scoresheets have been received so far.) (Game minimums required for these listings: 18 for division A, 14 for all others)
