Home to the Fall Session of the Raleigh Dart League for week #2, Wednesday, August 15, 2018 Issue #JK722  
The "This Issue Brought To You In Part From Ocho Rios!" Edition

## ***YEP, THIS TONS IS JUST A LITTLE LATER THAN USUAL...***

Well, too bad, I say. Why? Because last week, while you schleps were hanging out in Raleigh dart bars, I was vacationing in flippin' Jamaica! Woowoo!! Oh, it was so glorious. A full seven-day vacation too - I don't think I've taken seven days to go anywhere in over a decade. My wife and I are good at finding four-day and five-day weekends, but seven dang days! So nice. ... And I had every intention of having the Tons all started while I was there (yes, I said 'started', not 'completed'... let's not go nuts here, I was in a beach paradise). But then early Friday morning while I was confirming scoresheet receipts, my laptop just basically ate itself and wouldn't turn on anymore. Crap. Thus, I had to wait until I got back home to my 11-year-old duct-taped-together-screen laptop (arriving home technically on Monday - eek). Thus, you get your Tons now instead of earlier. And odd side note - I think it was the humidity, as my laptop is back working again! Crazy.

### **IMPORTANT NOTE FOR "H" DIVISION TEAMS**

There was an error made on the H division schedule, bar list, etc. (basically all of the H division materials handed out at the preseason captains' meeting). It completely slipped past both Membership Director Heather Bohanan and myself, but team H6/ Dr.unks is NOT, I repeat NOT, playing at the Triple Barrel Tavern in Fuquay-Varina. Rather, they are playing at a bar of the same name in Garner. It is located at 25 Old Drug Store Road, Garner, NC 27529. And yes, this bar has been in the league previously under at least two other names. (Note: this correction IS reflected in the materials included on pages 8 and 9 of this newsletter, so saving this issue could be handy.)

### **PLAYER NUMBER REMINDER FOR SCORESHEETS**

An important reminder to everyone: do NOT just take your preseason captains' meeting roster as the final roster for ANY more matches starting right now. It's a great resource for contact information and stuff, but rosters change on a weekly basis all the way up to week 6. The number of times I get messages from teams saying "well, I put their other guy on the list as #38... no idea who he is and I've never heard of him, but I guess you'll know if he's legal." Oh, you mean player #38 who has been on their team's roster for the last three issues of the Tons? That guy?

### **A FEW MORE IMPORTANT REMINDERS**

== Any throw in 501 or 1001 is never going to be a "High In".  
High Ins are for 301 only, as only 301 has a double-in requirement.  
== ASPs in 1001 do NOT count. But you may use an added game in the Total Games Played column on the back of the sheet to help indicate who participated in 1001, if you would like to do so.  
== Losing teams are NOT required to send in their scoresheets. I do recommend they keep a copy in case the other team's is lost.

### **AND A BIG '01 REMINDER...**

As stated in the item immediately above, High Ins are only from 301 games. And please do not forget that **"High Ins" only count on your first turn at the line in a game of 301.** This means that a 160 to start scoring on your fifth turn is really quite impressive, but is NOT a High In. Please do NOT call in throws like that as "High Ins". It would be awful if an award went to the wrong person because you were ignorant of the rules. So don't be.

**Please see additional items elsewhere in the Tons: pages 7/8 - schedules, page 6 - reminders, page 9 - contact info, etc.**

### **RDL BOARD NOMINATION DEADLINE**

If any of you would like to nominate a league member for an RDL Board position, please note that the deadline for return of your team's nomination ballot is THIS FRIDAY, August 17th. See the ballot for specifics on ballot return methodologies.

### **DON'T FORGET 1001 PLAYER LISTS**

We very nearly had a team take a penalty in week 1 for yet again failing to include the names of the participants in a 1001 game. Luckily for them, they submitted an updated scoresheet prior to the return deadline. We have to know who played in that final game to make sure there are no ineligible players for either team, so inclusion of those players is MANDATORY.

### **CORRECTION TO MY WEEK 1 "FAVORITE NEW TEAM NAMES" COLUMN...**

Last week, I wrote that I loved We're Sexy & We Throw It! as a team name... and that's still true. Sadly, I also wrote that while I expected that name to have been used in leagues previously, that I hadn't seen it here in RDL. Well... WRONG! Turns out that name indeed should have been included on this season's 'retread' list, as that name was used by Julie Wilcox's B division team back in the Fall 2012 season. Wah, wah, waaaaaah...

### **RDL HEADLINES**

"A" Division: The heavyweights throw their weight around, while Fringe got the closest (but most critical) win of week 1  
"B" Division: Dartistic jumps all over Niners early; Dead Beats show up short, but still grab important win with DCKt sweep  
"C" Division: Inglourious and the Cheapies ring up big digits, while The Bunkers bide their time until a 501 sweep for a win  
"D" Division: Big Bulls' sweep of DCKt was the only thing keeping the first week in D from being all nailbiter matches  
"E" Division: Show Me picks up where they left off last season, showing others instead; Serious & Hump Day trade 01 sets  
"F" Division: Schlitz wins an early showdown between the two halves of the Pantana's squad that turned itself in two teams  
"G" Division: Squeaker city in G division, as 3 of the 4 matches are decide by one point (in shorthanded matches) or in 1001  
"H" Division: Despite some emails and texts, still one result in H out there waiting to be shared; Diddled What gets an oh-so-important 1001 win over Ballistic in key early matchup

Name the band/singer? the song? Do you know the theme? This is one of the most popular items, so obviously it's back for a 16th season...  
Week 2, song #1 lyric: "I want to love you, and treat you right, I want to love you, every day and every night, We'll be together"  
Week 2, song #2 lyric: "Good friends we had, Oh, good friends we've lost along the way, In this great future you can't forget your past"  
Week 2, song #3: "So don't treat me like a puppet on a string, Because I know how to do my thing, Don't talk to me as if you think I'm dumb"

**PREDICTIONS FOR THE WEEK**

As with most recent seasons, the amount of stuff that goes into the week 1 newsletter prevents me from having enough space to include both the season-long and the weekly picks. But I still do them both, and then report the week 1 results to you guys here, so that we have a full season of picks. And check out how close I was to a GREAT start! I put up a 17-9 record (with one match still unreported), which is just decent... but... in those 9 losses were THREE 1001 losses and FOUR more decided in the final game. I could've had soooo many more right with just a single crossing of the wire. Things might turn out ok this season, eh? Anyway, on to our best guesses at what might be interesting in week 2.

== Two 1-0 teams ==

**Match of the week:** (C Div.) The Bunkers @ Inglourious Darters. Great first wins for both of these teams, but I have to say that the Inglourious ones played a bit like the juggernaut I predicted. As long as they avoid their common 501 naps, they should be good. 15-9.

**Match #2:** (G Div.) Coach's Crew @ Wayne Gretzky. The Crew put up a bit of a number of the new team in the division, while Gretzky hauled in a critical nailbiter win over the Irish. Advantage Gretzky on that one, but the Crew is still one of my picks to move up to F. Crew it is, 14-10.

**Match #3:** (E Div.) Coral Reefers @ Why So Serious? Ok, in my preseason picks, I went with Show Me in E, and they ca-ruised! to a big week 1 win. Thus, if I'm right, these two squads currently hold... a leg up on the race for 2nd. (yes, after ONE week). I'll go Reefers, 13-11.

== A 1-0 team and an 0-0 team ==

**Match #4:** (C Div.) Menace 2 Sobriety @ Cheap Shots. Menace sat last week, while Cheapies surprised me a bit with a big ol' whoopin'. I'm still going Menace, but with a lot less conviction than planned, 14-10.

**Match #5:** (F Div.) Bulls On Parade @ Taylor Wants a Ton! I didn't know what to expect from Parade, but they showed up big last week.

I'm still thinking Taylor is too much for them here though. 15-9.

**Match #6:** (B Div.) One Armed Bandits @ Kiss My Tips. Huge W for the Bandits last week (with a lot of ASPs!), but I'm still thinking the idle-in-week-1 Kiss My is a contender. I'll take Kiss My, 14-10.

== Two 0-1 Teams ==

**Match #7:** (E Div.) Hump Day! @ Bulls Up. Oh, so close for both of these teams in week 1, which would make an 0-2 start even that much tougher to swallow. Bummer for the Bulls... Hump Day, 14-10.

**Match #8:** (G Div.) Irish Ton @ The Liquor Posse. The Irish nearly pulled it out in week 1, while The Posse held back a bit of their top firepower. If that's the way this goes, then... Irish Ton 15, Posse 9.

**Match #9:** (C Div.) Rif Raf @ Garage Inc. Garage was tied until 501 last week. Rif Raf was tied... until the first game in 301. But last week is not this week, and I'm taking a Rif Raf bounceback, 13-11.

== MAYBE?? two 1-0 and two 0-1 Teams? ==

**Matches #10 & #11:** (H Div.) The Eye of the Bull @ Dr.unks; Tips & Shafts @ Dartholes. Well, once we have the missing week 1 result, we'll know if these are actually big matches... Anyway... Dr.unks 16, Eye of the Bull 8; Tips & Shafts 13, Dartholes 11.

**And the remaining 16 matches, sorted by division:**

A Division: Appetite for Destruction 20, Hoptimistic 4;

The Overall Element 20, Shooter McGavin 4; Lunatic Fringe 15, North Ral. Alliance 9; Darty Minds 16, Spank That Monkey 8.

B Division: Dead Beats 15, Nine Lives 9; Dartistic 15, Fore 9.

D Division: Just The Tip 14, Projectile Dysfunction 10; Big Bulls 14, Game of Throws 10; Stumble Out 13, Sharky's Machine 11.

E Division: Red-eye Rangers 15, Death Throw 9.

F Division: Sharks 15, Just Playing 9; Schlitz 14, Sofa Kings 10.

G Division: Scorekeeper 11, Bombers 9; Nightmare 13, All About 11.

H Division: Ballistic 14, Ducks 10; Diddled What 14, Thow It 10.

**OUR SCORESHEET RETURN DEADLINE AS OF 2017!!**

The weekly deadline for submission of your scoresheets is no longer on Saturday. **The new deadline is 11:59 p.m. Friday** (unless you had a rescheduled match - then it's within 2 days of the day you played).

**TIEBREAKER = MATCH WIN, NOT POINT**

Don't forget that the tiebreaker game (1001) does not score a team point. Matches decided in 1001 should be recorded as 12-12 (or 11-11, or whatever your tie is), with one team winning & one losing.

**TIE SCORE? INDICATE WINNER**

Also don't forget that if your match goes to 1001 you need to indicate the winning team in some fashion (circle, "+" sign, etc.).

**TEAM NAMES ON YOUR SCORESHEETS**

Every season there are several instances of teams listing the team names on opposite sides of the scoresheets (meaning that one team's name is written above the other team's players). Obviously, I will eventually figure these out when the names under a team name aren't on the roster, but it would be cool if you simply indicate the error in some way (or simply flip the names - I would rather an away team be on the home side and vice versa than have the wrong people AND **THUS BACKWARDS FINAL SCORE** under each side). Thanks.

**LOSING TEAM'S SCORESHEET RESPONSIBILITIES**

Just a quick note to the new captains: you are NOT responsible for sending in the scoresheet if you lose the match. I DO, however, recommend that you save your copy in case the other team loses theirs - that way, I can still get yours and update the statistics. Oh, and... **CHECK THE OTHER TEAM'S SHEET FOR ACCURACY!!!**

**DOUBLE-CHECK PLAYER NAMES**

Please double-check the spelling of the name of each player on your team in the lists on page 10. If anybody's name needs to be corrected, shoot me an email or leave a message on the VoiceMail.

**KEEP YOUR INFO CURRENT**

Captains, please do not forget that if you change your phone number, I can't reach you, and other captains (who might be forfeiting!) can't reach you. Keep me updated. Thanks.

**NOTE ON EMAILED TONS SIGNUPS**

If you would like the Tons emailed to you, it's pretty simple. Just email me directly (see page 4) and let me know that you want to be added to the list. I do ask, however, that you also tell me who you are when you email me (as email addresses often are pretty anonymous). I use Yahoo (and GMail) address books, and they are sort of based on last names, and I have far too many people to put in one address book. Having both names helps me track who is in which address book so that I can add and delete people easily when they request it. Thanks. JK

**EXTRA NOTE ON EMAILED TONS SIGNUPS**

If you are already on the mailing list, there is no need to sign up for the Tons again. And again. And again...

Also, if your address bounces my email three weeks in a row, I will indeed remove you from the list. Just for list maintenance...

**WHAT SCOREKEEPERS CAN SAY DURING CRICKET**

It is now official RDL policy that **during cricket, the scorekeeper may only tell the thrower how many of each number has been hit during this turn**, and may not report any more of the situation (whether a number is now closed, new point total, points still needed, etc.).

**CAPTAINS PLEASE READ THIS**

What follows here is a list of very important reminders for all of you. I have provided the greatly shortened versions of each of these reminders, so that you can read the entire list quickly.

1. Indicate who the 'blocker' players are. Simply writing 'blocker' is not sufficient. And you may NOT pick the same player to fill both blocker slots in any one section a team is short by two players.
2. Indicate which players of both teams took part in 1001 games on the front of the scoresheet. This is now MANDATORY, and allows us to check for ineligible players, record statistics, etc.
3. Don't forget to make extra copies of your scoresheet blanks.
4. Save a copy of each of your completed scoresheets.
5. The guidelines for Hot Darts to list (in terms of fast games and such) are on page 4 of every issue of the Tons of Newsletter.
6. While the scoresheet no longer has the bar ratings scoreboard, it does still have a box for comments. Those comments are indeed passed on to the Board every few weeks, so by all means point out things that you think need to be changed.
7. If you know beforehand that your team will be forfeiting, be a nice guy and call the other team and host establishment in advance.
8. NEVER play a player that has not received approval from both the Memb. Director (Heather Bohanan) & Treasurer (Bohanan is currently doing this part too). This includes getting approval even if simply using a player slot for which you've already paid.
9. If a player didn't play in any of the four primary sections of the match, that player is ineligible to play in 1001.
10. Wednesday player additions and/or changes are not allowed. Those must all be completed no later than Tuesday of each week.

**MANY SCORESHEET RETURN PATHS AVAILABLE**

Still an old school U.S. Postal Service fan? That's fine, as we still accept scoresheets via that method (and my address is actually on the back of the scoresheet so you can't lose it).

Or maybe you actually own a piece of technology, be it new or even not all that new... we likely have you covered too. We accept scoresheets through several additional "modern" methods:

-- You can fax it to me (the fax number is in the newsletter every week, and is also on the back of the scoresheet).

-- Or you can use your scanner and email me an image of the sheet (my email addresses are in the Tons every week and also on the back of the scoresheet).

-- You can even shoot me photos of your scoresheet if you want to take care of returning it immediately! Just make sure you have good lighting, you're close enough to the sheet, and it's IN FOCUS. (note: out-of-focus or overly dark photos will not be acceptable... duh).

*If you use any of these last three modern electronic methods, I'll even email you a quick confirmation of receipt if I have your email address (thus eliminating any worry on your end :o).*

[Quick note if you do actually decide to send me a hard copy via the snail mail side of things. Buying a \$1.35 certificate of mailing could prove to be a nice piece of evidence if your scoresheet ever gets lost in the mail. Do NOT send your scoresheet by certified mail - I do NOT want to have to go to the post office repeatedly to sign for your scoresheets.]

**NO CALL-IN REQUIREMENT FOR MATCH RESULTS**

As of the Fall 2017 season, winning teams are no longer required to call in match results each week. The league will still have the Voice-Mail number for now (meaning that you can still call in tournament match results if you want), but no regular season weekly calls are needed. In fact, it's probably likely that that VoiceMail will not be checked with anywhere near the regularity that it once had.
