The "Sometimes Things Really Do End Up In Sort Of A Quicksand Situation" Edition

## ***THE WEATHER THAT WASN'T, and a bit of a Board defense***

Pretty nice of Mother Nature to mostly spare us over this past week of possible hurricane-related weather and such, no? Sure, there were some power outages, and some areas got quite a bit of rain... but all in all, the Triangle escaped mostly unscathed. But even the areas that DID encounter some issues encountered them a full day or more AFTER last week's dart matches. Aaaaand... it's right about here that I'm going to willingly risk making a handful of Tons readers upset with me (those people will, of course, not be named, but they will likely see themselves in the commentary anyway, and they'll be upset that I do not agree with them and said so in print). You see, this past Wednesday alternated between a little bit drizzly and really nice and sunny... kind of a great day to play darts. And we knew from the weather reports that Wednesday would be just that. Additionally, while nearly a fifth of the gas stations in the Triangle ran out of fuel for sale for a day or two, the other four-fifths of the stations did not. Thus, there was no weather issue and there was no gas issue for our match date. The only real problem that anyone seemed to encounter was the people, and by "the people" I mean all those people we all know who have a habit of catastrophizing every last thing that the sensationalizing news coverage brings us. And then those people all start stirring each other up, racing out to buy up all the water (hint to those with city water: it still works unless the most catastrophic things in recorded history hit the Triangle), and waiting in line to top off that last two gallons of gas in their cars. The water and the gas... about those I don't really care. But the 'stirring up all the others', about that part I care. It ends up with emails to me, emails to the Board, messages on Facebook, etc., with people either repeatedly asking what the plan is, or campaigning for the Board to jump in with their hysteria and cancel matches.

### **Which brings me to my Board defense...**

I think it's a little silly that *any* of you might assume the Board does not take their duties VERY seriously. Not only are they the only people willing to step up and run things for the league, they do so with a high level of conscientiousness and thoughtfulness. They track news, traffic, weather, etc., and they weigh all factors when discussing league matters. And they DO discuss these things, sometimes at great length. They are quite aware that their decisions affect the schedules and travels of 500+ people every season, and they make zero rash decisions. Thus, when you start firing off emails and generic Facebook pleas, you really HAVE to know that your devoted Board members are already discussing and considering the possible actions. And when match days fall on partly sunny, warm, comfortable days, they know that they have simply no reason to make a blanket ruling that 500 people need to go through the hassle of rescheduling if they don't feel the need to do so (if your teams contact each other and agree to it, that's different - that's just teams working out their own stuff). And they will continue to go about their business making these even-handed decisions, even when the catastrophizers try to whip up the general populace.

Kudos to the Board, not just for this week, but for every other week when they handle business and none of you/us ever even know it.

### **GOT AN NCSU TEAMMATE?**

Well, if they're on the RDL email address list and have it sent to their NCSU address, they aren't receiving the Tons. For the past 3 or 4 weeks, all NCSU email addresses have bounced my Tons emails. I don't know if it's because I blind-copy the list, or it it's because of the attachments, or if it's because sometimes there is no text body in the message, but for whatever reason, their domain denies my emails. Just a heads up in case your team is asking...

### **SOMETIMES CAPTAINS MAKE ME PROUD**

You all know that I appreciate it when you take with your score-sheets, writing legibly, making sure you include last name initials when players have the same first name, etc. And in that vein, I want to point out a very minor thing on a scoresheet, that is not at all a minor thing in terms of accurate statistics, that came back from one of our matches last week. Bulls Up, in their E division match with Death Throw, had a listed player not end up being present, and the result was that they forfeited that point. But they didn't just mark it as a point and move on... rather, they indicated very clearly that the game was an unplayed forfeit. Perfect! The point counts, but there are no individual stats from a "non"-game.

### **RDL HEADLINES**

"A" Division: Appetite drops the last four doubles after leading 9-7 for the second week in a row; with the wins by Alliance and Darty, the 2nd-4th teams in A are separated by only 3 pts.  
"B" Division: Dartistic goes full double sweep to grab a point lead over Dead Beats; DD outlast Fore, stays in the lead trio  
"C" Division: Menace hands The Bunkers their 3rd consecutive defeat; Rif Raf squeezes by Bangin', within a match of C lead  
"D" Division: Stumble's third straight close win keeps them on one loss, and now they sit alone there since Cork was able to sneak past Game in the final 501 on captain Jeffcoat's winner  
"E" Division: Hump Day's resurgence continues with a third straight win; Show Me and Bulls Up both win, take their spots in a four-way glut of 3-2 teams chasing down Serious  
"F" Division: Schlitz comes from behind on the Sharks, giving them critical wins over both of the other 1-loss teams already  
"G" Division: marquee G matchup goes unreported from week 5; Crew snags five doubles from Irish to slide themselves into the #3 spot (or maybe #2?); Gretzky flies away from Bombers  
"H" Division: two of three week 5 H matches get postponed; Ballistic handles their Tips & Shafts easily, and in public...

Name the band/singer? the song? Last week's answers: Song 1 = "Riders on the Storm" by The Doors; Song 2 = "Against the Wind" by Bob Seger (but really by Paul Anka); Song 3 = "Ridin' the Storm Out" by REO Speedwagon. And the theme? Ummm... Hurricane Florence, maybe. Possibly one of the most obvious themes we've ever had, no? [Both Pete Rutten and Paul Jacobi nailed this whole set, and Jacobi even sent back another lyrics set of his own. And side note... that's about 700 songs in the quiz history, and our first REO sighting. - JK]

Week 7, song #1 lyric: "She grew up in an Indiana town, Had a good lookin' momma who never was around, But she grew up tall..."

Week 7, song #2 lyric: "I said, no, no, no, Yes, I been black, But when I come back, you'll know, know, know, I ain't got the time"

Song #3 lyric: "I don't know what's worth fighting for, Or why I have to scream, I don't know why I instigate, And say what I don't mean"

**"HOT DARTS" LISTING GUIDELINES**

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.  
 "A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs  
 "C, D" Divisions = 3.5 or more ASPs  
 "E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs  
 Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).  
*Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.*

**SEASON-LONG TROPHY DART

### PREDICTIONS FOR THE WEEK

Alright, we're missing 5 match results from last week (either from postponement or lack of reporting), so we only have 21 results. And I put up a pretty strong 16-5 prediction record in those matches (with 4 of the 5 wrong ones within one dart of flipping the result or at least tying). That takes me to 99-50 for the season, and on a slight upswing...

**Match of the week:** (B Div.) DD 214 @ Dartistic Freedom. All but three B teams are sub-.500 at this point, so those three 4-1 teams already kinda know that the title race will be decided among them. Here, DD and Dartistic tangle for the first time (so the real winner in this one might be Dead Beats). It looks like Dartistic has really turned it on lately... 15-9.

**Match #2:** (F Div.) Shark Shooters @ Taylor Wants a Ton! We don't have a result for Taylor from week 5 yet, but as far as we know, this is still a pairing of 1-loss teams at the forefront of F division. Both of these teams had their lone stumble in 13-11 losses to Schlitz, so they've had really similar paths to this point. I'm thinking the Sharks eke it out, 13-11.

**Match #3:** (G Div.) Coach's Crew @ Don't Hit the Scorekeeper. Either Scorekeeper or Nightmare will win (or already has won) their 5th match so far in their week 5 pairing, leaving the loser of that pairing in the large group of 4-win teams chasing the leader. Regardless of who won/wins that one, this pairing is 2 of the 4 teams controlling G. Keeper wins, 14-10.

**Match #4:** (E Div.) Bulls Up @ Why So Serious? Serious has fought their way to a single loss after five matches, which puts them just one match up on FOUR chase teams (and three of those match or exceed their point total). Here, one from that chase group gets a shot. Serious in 1001.

**Match #5:** (D Div.) Double In, Stumble Out @ Game of Throws. Not quite the four chase teams like in E, but there are still three teams just one match behind Stumble Out. Game is one of those, but... how do they lose so many SCKts but then win DCKts? I have to take Stumble, 14-10.

**Match #6:** (A Div.) Appetite for Destruction @ The Overall Element.

Appetite is on a brief downturn, but make no mistake... when these teams both fully show up, this matchup is money. Element, 14-10.

**Match #7:** (E Div.) Red-eye Rangers @ Show Me Your Tips. As noted in match #4 above, there are four 3-2 teams making up the top chase group. Two more 3-2s tangle in this one. Show Me, 14-10.

**Match #8:** (F Div.) Schlitz & Giggles @ Bulls On Parade. Parade is only 1 match behind the lead trio, but Schlitz has already rebounded from their week 2 loss by beating BOTH other top teams. S&G, 15-9.

**Match #9:** (A Div.) Spank That Monkey @ North Raleigh Alliance. 2nd through 5th in A is presently separated by a total of 1 match and 7 points. Getting to be quite a mess around here! NRA, 13-11.

**Match #10:** (C Div.) Rif Raf @ Menace 2 Sobriety. If Garage wins the postponed C match, every C team will be 2-3 or better. Thus, even this 3-2 vs. 2-3 matchup has huge ramifications. Rif Raf, 13-11.

**Match #11:** (D Div.) Big Bulls @ Sharky's Machine. Another 3-2 vs. 2-3 pairing with importance for both ends of the division due to the standings tightness. Big Bulls stay in 2nd (or better?), 14-10.

**Match #12:** (E Div.) Hump Day! @ Coral Reefers. The Humpers are right in the thick of the pack described in match #4, and they're now looking for a 4th straight win. They're rolling, so I'm in, 14-10.

#### And the remaining 14 matches, sorted by division:

A Division: Fringe 18, Hoptimistic 6; Darty Minds 20, McGavin 4.

B Division: Dead Beats 15, Bandits 9; Fore 14, Kiss My Tips 10.

D Division: That's a Huge Cork! 14, Just the Tip 10.
