Home to the Fall Session of the Raleigh Dart League for week #9, Wednesday, October 3, 2018 Issue #JK72
The "Ever See A Tournament Run EVERY Event On Time Before? No? Should've Come This Weekend" Editi

A SIGNED SHEET IS FINAL, RIGHT? (This is priceless...)

In one of the most awesome gaffes I've ever seen here in the RDL, we had an H division team mark down the opposition as the winner of the match (in 1001), and then send in that signed version of the scoresheet. And then not respond in any way when my confirmation email said something to the effect of "scoresheet received from you on behalf of your opponents - I'm copying their captain so he knows that you sent it in." I would have absolutely gone on and printed up this newsletter with the result showing a win for the team that actually lost, as I had no way of knowing that what was sent to me was an inaccurate result. Only because I happened to be hanging out with two members of the losing team this weekend at the state championships did I even find out that it was wrong. Because they are completely honest folks who want to win on the dartboard and not on some goofy paperwork technicality, they of course insisted that I list the match with the correct outcome. Thus, that is what is reflected on page 2 in the H standings. But... let's raise two questions here (which might be for the Board or the Rules Committee): #1 - if they wanted to stand by the result, would the win/loss be upheld in this reverse fashion because the sheet was signed?; and #2 - should there be an addition to the "proper return of scoresheet" rule to include penalties for sheets that aren't correct and thus only of slightly more value than a sheet that isn't returned on time at all? And it's right about here that most of you are probably saying 'oh, you would just send a grievance to the Rules & Grievances Director and he would handle it because he knows the rules better than we do, and he'll just want things to be right.' And you're almost certainly right, *especially* in this case... Why this case in particular? Because the offending party who turned in the backward result IS the Rules & Grievances Director! :o) Ha! :o) Ha! :o) Hard to picture him holding you to a higher standard if you make the same mistake on one or your future sheets, eh?

CLARIFICATION ON CHALKERS

In response to a recent incident, an important clarification:
ANYONE can chalk a game for you in your RDL match, as long as both captains/teams agree to the chalker. It is NOT required that all chalkers be members of one of the two teams playing. Heck, if you can sucker a quick mathematician that is good at standing still into chalking your games, I highly recommend it!

RDL TRIVIA

This is the favorite newsletter item for many of you, so it's time to bring it back! The Tons is starting to get a little space now, thus this item's return. I'll put a question here, anybody that is so inclined can shoot me a guess by email (or in person, of course), and then next week I'll include the answer (as well as recognition for those that give the best answers). Question topics are basically "anything I think to look up", so let's have at it.

This week's question(s): **How many people have played in the RDL in every season since I took over as statistician in the Spring 1996 season? Who are they?** (And before you ask, yes, I've really been writing the newsletter for 46 seasons. So maybe I have no life. Or maybe... I just enjoy making fun of you guys so much that I keep coming back for more!!)

LOCAL ADO 501 QUALIFIERS - see calendar on pg. 4

Carolina Dart Association has set 3 501 Local Qualifiers for the upcoming National Qualifier on 11/17. All local qualifiers AND the National Qualifier are being held at The Upper Deck. Winners of the National Qualifier go to the 501 Nationals in Las Vegas in 2019.

RDL HEADLINES

"A" Division: Darty rings up a 12-0 sweep of '01 to shoot down the NRA with prejudice, establish themselves in the #2 slot; Fringe rolls Monkey in cricket, muddying the middle of A
"B" Division: Dead Beats and DD 214 both cruise, Dartistic gets by, and the top half of B opens a gap on the bottom half
"C" Division: Inglourious breaks from their formula, actually comes from behind for a win; Cheapies outlast Bangin' to jump up to 2nd; Bunkers end 4-match slide with a 1001 win
"D" Division: Just the Tip sweeps 501, foiling Game's shot at moving into 1st; Big Bulls and Machine both survive in tie-breakers to put themselves into the mess of 4-3 challengers
"E" Division: Serious blasts Hump Day in cricket to tighten their hold on the lead; Show Me and Bulls Up flex a little muscle to establish themselves as top two title challengers
"F" Division: Just Playing finally hits win column by blowing the doors off Schlitz's hopes of holding on to 2nd; Shark and Parade both move on, each defeating lower-half teams
"G" Division: THREE top G teams each win despite fielding shorthanded lineups; only 2 matches separate 2nd from 7th
"H" Division: Ducks pushed to the last 501 by 2-win Throw It, but they remain undefeated; Ballistic wins in 1001... we think

FLYER RETRACTION

For anyone who didn't see my post-Tons email last week, the flyer that ran on page 6 was for a tournament series that was canceled right after I ran the issue. Disregard that flyer, and I will be sure that any future replacement flyer is more finalized.

Name the band/singer? the song? Last week's answers: Song 1 = "Alone" by Heart; Song 2 = "Dancing With Myself" by Billy Ido
Song 3 = "Owner of a Lonely Heart" by Yes. And the theme? Pretty simply, it's all about being alone. Which is exactly what one of the H teams recently found itself... twice... both times left with no match to play by the same opponents. I guess that means the absent team was inspiring in more ways that one - they inspired a lyrics quiz from me, and I'm betting they inspired some choice words by the team that actually did bother to show up... both times. [Both Pete Rutten and Paul Jacobi nailed all the songs and artists, and Jacobi got the theme well. Rutten went a little more specific (to me) and tagged it to my team being the only 7-0 team... which is cool, but partly created by my as team simply having the good fortune of no byes this season. The Ducks are now 7-0 too, just a week later, in their 7-team division. - JK]
Week 9, song #1 lyric: "Did you know when you go it's the perfect ending, To the bad day I was just beginning. When you go, all I know is..."
Week 9, song #2 lyric: "I played with your heart, got lost in the game, Oh baby, baby, Oops, you think I'm in love, That I'm sent from above"
Song #3 lyric: "Jump down the shelters to get away, The boys are cockin' up their guns, Tell us general, is it party time?, If it is can we all come"

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs
"C, D" Divisions = 3.5 or more ASPs
"E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs

Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

PREDICTIONS FOR THE WEEK

Oh, man! Had my best week of the season last week with a 21-5 record, and I lost THREE of those five in 1001s. Dangit! That could've been a straight-up monster week with just a few darts. Wow... And it's starting to get a little crazy how often I get the wrong team in tiebreakers - it's obvious those teams are pretty even (since they, ya know, tied), but how do I keep guessing the wrong group in those team games?! Ugh. Anyway, that week takes me to 139-66 (67.8% correct) for the season.

Match of the week: (D Div.) Sharky's Machine @ Double In, Stumble Out. Oh, flippin' wow, D is getting crazy... not one single team has more than 4 wins (and three of the four 4-win teams already have a third loss). Stumble Out is the only team that still has only 2 losses, so they're definitely still driving at this point. And they drive onward here, 14-10.

Match #2: (D Div.) Big Bulls @ Game of Throws. And joining that pair of teams in the match above, are these two 4-win D teams. The difference with these two is that they both have enough points to slide up into the lead with a win if Stumble happens to... stumble. :o) Sadly, this one could well be affected a lot by attendance. I'll go with Big Bulls, 13-11.

Match #3: (E Div.) Bulls Up @ Hump Day! With Serious two matches ahead, this battle between still-dangerous 3-loss teams might effectively be an elimination match in the title chase. Winner is still very much in the race, while the loser might hit also-ran status. Bulls Up it is, 14-10.

Match #4: (F Div.) Taylor Wants a Ton! @ Bulls On Parade. Taylor sits alone with one loss, but they've given away any leverage in ties due to mail penalties. That makes every week a near must-win for them to hold onto first. I think they get one here, but it won't be easy. 13-11.

Match #5: (C Div.) Inglourious Darters @ The Bunkers. The Bunkers are all over the place from week to week, and while I'm not sure they're title contenders any more, they remain a dangerous hurdle for anybody. I think Inglourious will be up to the task (at least until 501). ID, 14-10.

Match #6: (A Div.) Darty Minds @ Spank That Monkey. Either Darty is going to win and fully knock Monkey out of the race, or A is going to get messy again. I just have to go with Darty here, 15-9.

Match #7: (C Div.) Garage Inc. @ Rif Raf. Both of these teams are trying to overcome very slow starts to the season, and one or both are actually still in the fight for 1st. Until now maybe. Garage, 13-11.

Match #8: (A Div.) North Raleigh Alliance @ Lunatic Fringe. A has certainly become a 6/2 separation in teams. Even though these two are presently #5 & #6, things can change quickly. Fringe, 13-11.

Match #9: (H Div.) Dartholes @ Tips & Shafts. Alright, with Eye of the Bull never throwing this season, this match sort of becomes "that match". Nobody wants to lose "that match". Dartholes, 14-10.

Matches #10 & #11: (G Div.) Chalker's Nightmare @ All About That Bull!; Wayne Gretzky @ Coach's Crew. Scorekeeper has put themselves two matches ahead of the pack with six weeks to play. Probably only time for maybe two teams to put together a serious challenge. And those two might well be the winners of these two critical matches. Nightmare keeps 2nd, 15-9; Crew keeps 3rd, 13-11.

Match #12: (B Div.) Kiss My Tips @ One Armed Bandits. In what has become a pretty competitive B lineup, the loser here might actually be headed down to C in the spring. Yikes. Kiss My, 13-11.

And the remaining 14 matches, sorted by division:
 A Division: Appetite 19, Hoptimistic 5; Element 18, McGavin 6.
 B Division: Dead Beats 15, Nine Lives 9; Dartistic 14, Fore 10.
 C Division: Cheap Shots 14, Menace 2 Sobriety 10.
 D Division: Just the Tip 13, Projectile Dysfunction 11.
 E Division: Rangers 16, Death Throw 8; Serious 15, Reefers 9.
 F Division: Sharks 15, Just Playing 9; Schlitz 14, Sofa Kings 10.
 G Division: Scorekeeper 14, Bombers 8; Irish Ton 16, Posse 8.
 H Division: Ducks 14, Ballistic 10; Diddled What 16, Throw It 8.
