The "What An Absolutely Embarrassing Time This Has Become" Edition

"H" DIVISION DROPS TO 6 TEAMS

The somewhat ignominious history of Dartholes (team H7) has come to a bit of an end (at least for this season). After a week 1 debacle in which they shared in a double no-notification postponement of a match, they played two full matches in weeks 2 and 3. Then came an odd week 4 in which they simply decided to forfeit the entire 501 set, followed by a week 5 full match forfeit. Then they didn't bother to show up for their week 6 match, but their opponents were nice enough to grant them a reschedule date... for which they also did not show up, finally taking their second forfeit loss. They played their week 7 match, then had a bye in week 8 that was created when The Eye of the Bull folded without ever throwing a match, and then they forfeited their week 9 match. So, that's it, that makes 3 forfeits, and the Dartholes have been removed from match play for the remainder of the season. Thus, they go down as having played 3.75 matches while effectively forfeiting 4 times (since they skipped the same match twice). // // // All remaining matches that involved the Dartholes have been changed to automatic forfeits, and all of those results are already reflected in the H division standings on page 2. Additionally, the minimum game requirements for singles win percentage and all-star point average have been updated in the weekly box on page 4.

RDL TRIVIA

Last week's question(s): *How many people have played in the RDL in every season since I took over as statistician in the Spring 1996 season? Who are they?*

The answer: Alright, I'm going to alter this question just a bit here... I wrote "how many have played" and I'm going to change it to "how many have been on a roster" in each and every season that I've been the statistician (that's 46 seasons, by the way). The reason I'm making that change is that we have a player on a roster this season who has yet to throw a game, but who IS an active member of the roster (and to be honest, the search algorithm that I used simply returned the names of people that have indeed been on a roster for all 46 seasons). So, with that caveat in place, the answer is: 14 people! Those 14 super-diehards are Tom Brown, Gary Burney, Bob Carawon, Randy Deemer, Bob James, Jason Kilts, Joe Kunesh, Chuck Rouse, Pete Rutten, Mark Sellers, Mike Seward, Butch Smith, Bob Terry, and Charlie Wilkinson (who prompted my disclaimer above, as he has yet to throw a game this season).

This week's question: **Most league members probably (correctly) assume that the Upper Deck has hosted the most RDL teams over my 46 seasons here as statistician. But can you name the next five establishments in terms of number of teams hosted?**

JUST SMILE AND SHAKE HANDS...

Jeff Cashin of Just the Tip shared an "excellent" finish to their week 8 match: "For fun, the winning throw was interesting. Andy's [Andy Nourse] previous turn he hit a 1.... Yes, 1 total in 3 darts. Then he went out from 50 in this sequence... 2... double 7... double 17... I had to do the math twice at least. I would rather be lucky right? Oh, it gets a little better. So Andy and Steve were at 151 when Andy hits the 1... in 3 darts remember, then Steve hits a ton, then Andy went out as stated. We are still laughing. Other team, not so much." [Fun side note from the statistician: yep, that was Andy's first 501 of the season. With style! - JK]

SOME IMPORTANT MATCH FLOW REMINDERS

Ladies and gentlemen, let's go back over a few things that really should be assumed to be the way you do things, but kind of are not for some of you. #1 - be on time... walking in at 8:08 all the time isn't cool. At all. #2 - don't disappear before the start of every set. The opposition shouldn't have to track down the captain to list, and it isn't their job to find your players once the sets are ready to go. And #3 - do not run to the board as a group every time your teammates throw a dart. That is just too distracting/rude, and needs to be dropped for your repertoire.

p.s. to captains: share this list with your team members!

RDL HEADLINES

"A" Division: Element rings up this season's second 24-pointer; Alliance outlasts Fringe in a very tight back-and-forth affair
"B" Division: Dead Beats win by 8 points despite being short TWO players!; Dartistic sweeps doubles, takes over the B lead, setting up this season's first super-showdown tonight
"C" Division: Inglourious yanks one out of the fire by taking the last four doubles to stun The Bunkers (wait, Inglourious was good at the end of a match?!); Rif Raf gets big 1001 wirl
"D" Division: Oh, come ON! An entire division sitting within 5-3 to 3-5, with only 13 points from first to last?!?!; oh, and... last week's 1st place team just lost 20-4... because... D, duh
"E" Division: oh, Serious barely escapes Reefers, on strength of their 10-2 cricket advantage; Rangers and Bulls Up also both narrowly escape, as 13-11 was the biggest edge in wk09
"F" Division: Sharks and Schlitz move into the top two spots when lays a big-time whoopin' on previous leader Taylor
"G" Division: Scorekeeper shows up short, ends up falling to 7th place team, losing half their lead on Nightmare; Gretzky skates around Coach to pass them and jump into 3rd place
"H" Division: the now-smallest division just got interesting, as Ballistic just handed the Ducks their first loss of the season

Name the band/singer? the song? Last week's answers: Song 1 = "My Favorite Mistake" by Sheryl Crow; Song 2 = "Oops!... I Did It Again" by Britney Spears; Song 3 = "It's A Mistake" by Men At Work. And the theme? Well, making a mistake, of course. And this one was inspired by the team that marked the 1001 win for the opposing team and then didn't respond when my confirmation noted that they were sending it for the opposition. Oops... (but hopefully not again, eh?!). [Mikey Hindle was the star this week, nailing every bit of it, including the theme exactly (right down to the inspiration). Friggin' nice, Mikey. Color me impressed. But it was also pretty awesome that longtime RDL member (and Board member!) Julie Payne popped in with a nearly perfect set of guesses this week as well. - JK]

Week 10, song #1 lyric: "I'm bulletproof, nothing to lose, Fire away, fire away, Ricochet, you take your aim, Fire away, fire away"
Week 10, song #2 lyric: "But then I spent so many nights thinking how you did me wrong, And I grew strong, And I learned how to get along"
Song #3: "And you cast your fears aside, And you know you can survive, So when you feel like hope is gone, Look inside you and be strong"

DIVISIONAL TEAM STANDINGS and MATCH RESULTS FROM WEEK 9 (10/3/18)

(Home team listed second in each match.)

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.
 "A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs
 "C, D" Divisions = 3.5 or more ASPs
 "E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs
 Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).
Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

**SEASON-LONG TROPHY DART
MINIMUM GAMES PLAYED REQUIREMENTS**

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:
for Divisions "A" & "G" (except team G4) (8 teams / division):
Singles win %-age: min. of 19 Singles Games Played
All-star pt. Average: min. of 37 Total Games Played
for team G4 (due to 1 forfeit received):
min. of 18 Singles Games Played, 35 Total Games Played
for Divisions "B", "C", "D", "E", and "F", and also team H7 (7 teams / division):
Singles win %-age: min. of 16 Singles Games Played
All-star pt. Average: min. of 32 Total Games Played
for teams H2, H3, H5 and H6 (due to 1 forfeit received):
min. of 15 Singles Games Played, 30 Total Games Played
for teams H1 and H4 (due to 2 forfeits received):
min. of 14 Singles Games Played, 27 Total Games Played

Dr.unks	@ You Diddled What?!	(Upper Deck 16&17)
We're Sexy / Throw It!	@ Tips & Shafts	(Brown's Billiards 5&6)
BYE - Ballistic Behavior		

PREDICTIONS FOR THE WEEK

Aw, man... another 15-10 week. Not so great. And once again, six of those ten incorrect picks would have flipped result or at least gone to 1001 with one friggin' dart. The parity around here is a little nuts sometimes. That takes me to 154-76 for the season (67.0% correct), which isn't all that great at first glance... but when you note the fact that I'm a ridiculously awful 10-17 (yes, 10-17, not a typo) in D division, it looks like I've mostly figured out the other divisions. But D? Not so much.

Match of the week: (B Div.) Dead Beats @ Dartistic Freedom. Well, here we go... Quite possibly the first true head-to-head battle for a division title this season. Sure, later upsets could happen, but these two having matching W/L records, are way ahead of all but one chase team, and are separated by only 2 points. Awesome. I'm going to go with the Dead Beats, but only if they aren't shorthanded again, 13-11.

Match #2: (H Div.) You Diddled What?! @ Make Ducks Great Again. There are a couple others teams still in play here in H (and the season has been effectively shortened by forfeits), but this one is at least going to "feel" like an early version of a head-to-head title fight. And it might actually be just that. I think it's Diddled's turn this time, 13-11.

Match #3: (F Div.) Schlitz & Giggles @ Taylor Wants a Ton! F still has four teams with serious title aspirations, so any match within that group is going to be huge. Each of these contenders has gotten just pounded in one of the last two weeks... hmmm... I'll go Schlitz, 14-10.

Match #4: (G Div.) Wayne Gretzky @ Chalker's Nightmare. With Scorekeeper losing to the 7th-place team last week, these two are all of a sudden back in the title fight! Nightmare stays in that fight, 14-10.

Match #5: (E Div.) Bulls Up @ Show Me Your Tips. Serious hasn't escaped just yet, so this pairing of #2v#3 is a critical one. Does Bulls Up keep their slim hopes alive? Or does Show Me stay right on the heels of Serious and set up a showdown next week? Show Me, 13-11.

Match #6: (A Div.) Appetite for Destruction @ Darty Minds. This is very possibly a heads-up fight for 2nd in A. I'm going to gamble that Appetite shows up with their full roster, and take them, 13-11.

Match #7: (D Div.) Double In, Stumble Out @ That's a Huge Cork! The two teams that have already had their second byes could *both* be 4-4 by the end of tonight. And one win out of first! Cork, 13-11.

Matches #8 & #9: (G Div.) Irish Ton @ All About That Bull!; Coach's Crew @ Brown's Bombers. There are presently five teams in G that are 5-4 or 4-5. And most of them could still be considered contenders...and yet one of them is likely headed to H in the spring! I'm thinking the 5-4 teams win here: Irish Ton, 14-10; Crew, 13-11.

Match #10: (C Div.) The Bunkers @ Cheap Shots. At first glance, this is 2nd place team against a next-to-last team. But that next-to-last just had the #1 team down headed into 501. Cheapies, 14-10.

Match #11: (D Div.) Game of Throws @ Projectile Dysfunction. One of these teams is tied for first. The other is tied for last. And they're separated by only 2 matches & 13 points. I'll go Game, 13-11.

Match #12: (E Div.) Why So Serious? @ Red-eye Rangers. The not-so-Serious ones haven't lost since week 3, but geez, they make it interesting sometimes. They'll get by again, but only about 14-10.

And the remaining 13 matches, sorted by division:
 A Division: Element 15, Lunatic Fringe 9; North Ral. Alliance 19, Shooter McGavin 5; Spank That Monkey 17, Hoptimistic 7.
 B Division: Nine Lives 12, Fore 11(!); DD 214 14, Kiss My Tips 10.
 C Division: Garage Inc. 14, Menace 10; IngLOURIOUS 15, Bangin' 9.
 D Division: Big Bulls 13, Just the Tip 11.
 E Division: Hump Day! 15, Death Throw 9.
 F Division: Playing 13, Old Darting 11; Parade 15, Sofa Kings 9.
 G Division: Don't Hit the Scorekeeper 17, The Liqour Posse 7.
 H Division: Ballistic Behavior 16, We're Sexy & We Throw It! 8.
