The "30.5 Per? That's Pretty Excellent, I Think. And We Even Left Several More On The Table." Edition

NEXT WEDNESDAY IS HALLOWEEN! IS YOUR TEAM AVAILABLE (ENOUGH) FOR YOUR MATCH?

Obviously, not everyone has kids of an age that they still go out trick-or-treating. But there are certainly some of us in that stage of parenting, and there are also people who simply have their own plans for Halloween. Either case might leave your team down a few throwers, so you had better talk it over with your team right now, in case you need to ask your opponents for a reschedule. No team is "forced" to reschedule a match for this reason, but a whole bunch of teams are probably pretty willing if you give them enough notice. If you DO reschedule, please do TWO important things: #1 - email me with your new match date so that I know not to expect your scoresheet in the standard time window for week 13; and #2 - call and notify the host establishment, since many set their staff up around the expectation of dart matches. There are, in fact, already four week 13 matches rescheduled. They are: Tuesday, October 30 = Rif Raf @ Bangin' the Neighbors, Garage Inc. @ Cheap Shots, Sharky's Machine @ Just the Tip; Thursday, November 1 = Fore, bounce-outs @ DD 214.

WHAT'S YOUR RECORD SCORE?

Last week, in a singles cricket game during the Element-Darty Minds match, Chad Massengill defeated Ron McCarthy with a final point tally of 1598-1585. Yes, 3183 points scored, in addition to the 36 marks on the numbers. Given that a huge portion of Massengill's points were scored on 15s, chalker Mark Knight (who only rarely drinks) probably wouldn't be blamed much if he started now...

See pages 5 and 6 for more articles and stories (and match predictions!). Some of the articles are pretty important. Other ones... not so much... but still maybe worth a read.

Name the band/singer? the song? Last week's answers: Song 1 = "Brass Monkey" by Beastie Boys; Song 2 = "Red Solo Cup" by Tot Keith; Song 3 = "Red Red Wine" by UB40. And the theme? Well, after the previous week's theme of empowerment and standing up for yourself (especially for females), somehow I just had the phrases "I liked beer" and "Still like beer" stuck in my head. No idea how the two are related of course... certainly wasn't anything all over the media for many weeks. Anyway, last week's theme was obviously drinking. Because many of us have liked to drink, and still like to drink. Here's to hoping your drinking has never led to you doing anything horrible. [And seriously? The theme is drinking and I get ZERO lyrics guesses for the week. Usually I receive several, and while I admit that maybe about once per season I have a week that just doesn't strike a chord with anybody, I never thought it would be the drinking lyrics week! - JK] Week 12, song #1 lyric: "If you are confused, check with the sun, Carry a compass to help you along, Your feet are going to be on the ground" Week 12, song #2 lyric: "You've been told, so maybe it's time that you learned, You've been sold, maybe it's time that you earned" Week 12, song #3 lyric: "Take me in, into your darkest hour, And I'll never desert you, I'll..."

LAST REQUEST - END OF SEASON BANQUET PROPOSALS

It's almost RDL banquet time again! The Board is soliciting bids for the Fall 2018 banquet, to be held Saturday, December 8th, from 11 am until the Blind Draw concludes (usually around 6 pm). Bars are not required to close to regular patrons; however, if there will be non-RDL persons there, it's necessary to ensure sufficient room for RDL members/guests, and that food paid for by RDL is reserved for RDL.

In order for your proposal to be considered, you will need to provide for the following: ➤ Facility should be available for set up by 9:30 a.m. the morning of the 8th. ➤ Bar should open by 11:00 a.m., food served approximately at 12 noon ➤ Menu requirements: buffet style meal – the particulars of the menu are up to the establishment, however it should be more extensive than subs and appetizer ➤ Plan to feed 150 people. ➤ Complimentary non-alcoholic beverages, soft drinks, tea, etc ➤ Some type of beer special would be greatly appreciated. ➤ Seating for 80+ ➤ Space to accommodate a total of 8+ dart boards for the Blind Draw. (If your establishment already has boards, they will count toward the total of 8. ➤ PA system. ➤ Adequate staff. ➤ Adequate parking that is close by, free and not time-limited (ex., 2 hr zones) ➤ Bid proposal must be for the total to be charged, incl. menu items, taxes, gratuity, & any other charge.

If you have interest in submitting a bid or receiving further info., please contact Maridy amaridy16@gmail.com or (919)-417-7828.

RDL HEADLINES

"A" Division: Element plods away from Darty to likely lock in the A title; Hoptimistic settling in, gets 2nd near hit in a row
"B" Division: Dead Beats only bring four, but get a big win as they keep their ever-slimmer title hopes alive; Fore squeezes past Bandits in a big pairing in the race to avoid a drop to C
"C" Division: Inglorious bounces back (a little) with sort of tight win over last-place Menace; Rif Raf, without a couple of their key pieces, take out Cheap Shots to leapfrog into 2nd
"D" Division: Machine sweeps 501 to come back on five-player Projectile to keep top spot; week 11 D results sort of drew a line in the middle of the very tight standings mess, leaving four title competitors & three trying to avoid the bottom-two
"E" Division: Show Me ends Serious's 4-match win streak, and creates an excellent three-team title fight when Bulls Up drops the Hammer on the Rangers (Bulls Up @ Serious, week 14)
"F" Division: Sharks barely escape a bottom-three team in 1001 Taylor and Parade DID fall to the other two of that bottom trio
"G" Division: Gretzky takes out Scorekeeper (in a match that startled me a bit for all the wrong reasons when watching it); Nightmare fails to capitalize, losing to the then-winless Posse!
"H" Division: two H matches... two teams that were lower in the standings beating teams above them... by 22-2 & 20-4 scores!

THE BEST EVER?

Brad Adams of Just the Tip in D division might be the best dart thrower in the history of the universe. Or maybe Double In, Stumble Out just thinks he is so amazing that his throws must be better than everyone else's? Either way, fine by me, but I admit that when Stumble Out's scoresheet arrived with a "7B" listed for Adams, I paused for a moment... 7-Bulls are pretty pro.

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.
"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs
"C, D" Divisions = 3.5 or more ASPs
"E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs
Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).
Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

PREDICTIONS FOR THE WEEK

Oh, dang... I was just starting to think my picks might be on a bit of an upturn, and then I drop my worst week of the entire season. A lowly 13-11 last Wednesday. That's pathetic. Sure, some of them were once again results that could flip on a single dart, but I got so many picks wrong that you just can't ride that excuse for this showing. That drops me to 183-96 for the season... ugh. And even if I hit all 9 remaining D matches, I still can't finish any better than 0.500 for the season there.

Match of the week: (G Div.) Irish Ton @ Don't Hit the Scorekeeper. Gretzky's win last week opened the door for Nightmare to jump to the G lead. Instead, they lost to a previously winless team, and Scorekeeper still sits atop G. However, Irish won big last week, and can now win G by winning out, regardless of others' results. Alas, it's 'Keeper, 14-10.

Match #2: (D Div.) Game of Throws @ Sharky's Machine. Machine's 501 sweep is the only reason that Game didn't take over first in D last week, while on the bye, with a... 5-4 record. Yes, that's right, if the Machine had lost those 501s instead, Game would be in first at 5-4. Regardless, this is still a matchup for first(ish) in D! Game in 1001?

Match #3: (E Div.) Hump Day! @ Show Me Your Tips. If Bulls Up does them a week 14 favor, then Show Me's point advantage might actually carry them all the way back up to the E crown if they can win out. Exactly zero of their remaining matches can be considered cake walks, and the first big hurdle is right here. Show Me escapes, 14-10.

Match #4: (F Div.) Shark Shooters @ Bulls On Parade. Oh, the Sharks nearly donked away their lead last week... but it's not like Parade would have taken advantage, since they lost to the last place team. Both teams are still in the four-team title fight anyway. Sharks win, 13-11.

Match #5: (C Div.) Inglourious Darters @ Cheap Shots. This was sooooo going to be the match of the week. Then the Cheapies fell on their faces last week. Now it's match #5... sigh. Inglourious, 14-10.

Match #6: (B Div.) DD 214 @ Dead Beats. Dartistic isn't quite home free yet, so this matchup of #2 vs #3 teams could still prove pretty important. Will Dead Beats have enough players for this 12-9 win?

Match #7: (G Div.) Coach's Crew @ Chalker's Nightmare. This one could have been HUGE. But these two joined 'Keeper in losing to bottom-half teams last week. Opportunity missed. Nightmare, 14-10.

Match #8: (D Div.) That's a Huge Cork! @ Projectile Dysfunction. If Game wins tonight, the Cork-Game match next week becomes just a monster matchup! As long as... Cork wins here. They do, 13-11.

Match #9: (E Div.) Red-eye Rangers @ Coral Reefers. And poof! This pairing of pretty decent E teams is all of a sudden a fight to avoid a bottom-2 finish. How did that even happen? Rangers, 13-11.

Match #10: (G Div.) All About That Bull! @ Brown's Bombers. Another pairing that is likely mostly going to determine who might drop a division in the spring. I think I'm going with All About, 13-11.

Match #11: (D Div.) Big Bulls @ Double In, Stumble Out. Even while presently sitting in fourth place, Stumble Out might have a real title shot. But I think Big Bulls have a 1001 upset in them tonight!

Match #12: (A Div.) Appetite for Destruc. @ Spank That Monkey. Time for Appetite to regroup for a few weeks before a tourney run? Or is Monkey climbing into the top half of A? Appetite it is, 15-9.

And the remaining 13 matches, sorted by division:
 A Division: The Overall Element 14, North Raleigh Alliance 10; Fringe 17, Shooter McGavin 7; Darty Minds 18, Hoptimistic 6.
 B Division: Dartistic 16, Kiss My Tips 8; Nine Lives 11, Bandits 10.
 C Division: Bangin' 13, Menace 11; Rif Raf 14, The Bunkers 10.
 E Division: Why So Serious? 17, Death Throw 7.
 F Division: Taylor 14, Just Playing 10; Schlitz 15, Old Darting 9.
 G Division: Wayne Gretzky 14, The Liqour Posse 10.
 H Division: Diddled 16, Tips & Shafts 8; Dr.unks 17, Throw It 7.

RDL TRIVIA

Last week's question: *How many of the prior 45 seasons (my tenure as statistician) have ended with no undefeated teams and no winless teams (yes, including the divisional tournaments)?*

The answer: Wow, it turns out that it's pretty rare for a season to end with neither an undefeated team nor a winless team. In my 45 seasons here with the Tons, we've had at least one undefeated team in 26 seasons, while we've had at least one winless team in 28 seasons (teams that are removed from play before ever throwing a dart are not counted here). But only SEVEN times have those two things coincided such that every team had both a win and a loss. Those happened in the Fall 1998, Spring 2004, Spring 2006, Fall 2013, Spring 2014, Fall 2014, and Spring 2018 seasons. Yep, that's right... of the seven seasons that this happened, three of them were right in a row from Fa13-Fa14 - evidently the golden age of parity! Only 3 teams (1 undefeated, 2 winless) keep this season from joining that list as well.

This week's question: **What is the worst record to ever (in my 45 seasons as statistician) finish in a top-two position in the division (presumably earning the right to climb up a division if the team numbers/rosters stay something close to static)?**

SERIOUSLY? YOU THINK THAT'S ALL OK?

Last week after my match, I wandered around a bit and watched some other matches complete. And one of the matches absolutely struck me. I admit that I was a little dumbfounded and surprised. And thus I'm writing a few reminders here for everyone, although I'm guessing that not "everyone" needs them - either way, I'm still putting them here in print, so you can never say that I haven't...

#1 - If your team doesn't have six players for your match and you are forced to use a blocker, the other team may choose ANY other player in that set to be the blocker (unless that person is already listed in that game). This means that if you put your blocker in the first game of doubles, the opposition can absolutely pick a player from the second game as the blocker.

#2 - If you find yourself wandering around loudly complaining that a team has bad sportsmanship because they picked a blocker from game #2 to play in the shorthanded game #1, trust me... there is definitely some bad sportsmanship happening. Just not by the person or team on whom you are trying to drop that tag.

#3 - Disappearing in the middle of a game to go to the bar for several minutes, without at least telling your opponents that you will be gone (much less asking them) is not very cool. At all. And copping an attitude when your opponents ask where the other guy went? Oh, that makes that person extra special too. And also wrong.

#4 - If you walk around loudly saying "oh, shh, I'm not supposed to talk during a game" after bystanders have just watched you (as the CHALKER) swig a beer between darts on the possible game-winning throw, turn to face the throwers while they are throwing, and also sing loudly between turns and even into a player's turn, then you probably need to know that pretty much all of the bystanders (and certainly your opponents) are thinking you're something that rhymes with tick. (Uh, no, it's not "stick".)

And honestly, I could go on... but probably the only people still reading at this point are those that don't need these reminders...

AND NOW THE FLIP SIDE OF THAT COIN...

Last week, Appetite for Destruction played their match at Lunatic Fringe's home boards instead of their own, unlike the original A div. schedule. Why? Because 7 weeks ago, the A/C at Fringe's boards was on the fritz, so on the spur of the moment they checked with the establishments and just flip-flopped their nights because the boards were open 7 weeks later. They just worked it the hell out... at the match... like adults... with no complaining. Refreshing, no?

IF YOU HAVE A LEGITIMATE RULE CHANGE IDEA...

... it turns out that the current RDL Board really DOES listen to your ideas and discuss them for possible inclusion in the RDL rules and/or by-laws. Now, drunken rants that don't really have any basis in logic or fairness? We prefer that you keep those to yourself (although I will politely accept them from you, and maybe send them on to the board if they aren't "too" stupid, so that they can choose to ignore them of their own accord). But if you have a legitimate need or want or idea for the league, please do send them along (either to me, or to the Board directly). There is no guarantee at all that the Board will adopt your idea, but I *can* guarantee you that they will at least discuss it fairly and openly before making their decision. The current five on the Board include honestly some of the more active and serious Board members the league has had in the past few decades - they legitimately care for the league and are willing to take the time to address anything that might make our nights out even just a small bit better. Pretty excellent.

THE LITTLE THINGS MAKE ME SMILE

I love that Inglorious Darters misspell their own team name on their scoresheets. Now, I know it's because Jeremy Limerick used the weird spelling from the movie Inglorious Basterds, and most probably don't even notice (including his own new captain, Deb Blackwelder), but I still think it's funny.

Also, sometimes doubles listings are written in just such a way that they list somebody/something famous. In week 10 alone, we had:
for fans of The Office: Michael/Scott winning 501 for Appetite
for football fans, Jeff/George winning 501 for DD 214
for old song/TV fans, Steve/Laurence losing DCKt for the Ducks

I'M A SAP... I LOVE WEDDINGS... AND THIS ONE WAS A "DART" WEDDING!!

Two weekends ago, I had the very distinct pleasure of attending a beautiful outdoor wedding. The day was glorious, the setting was wonderful, and the reception afterward was full of sweetness and love and good friends. And... oh, right... this wasn't supposed to be about how MY day was that day (it was great, by the way)... Instead, it's supposed to be time to congratulate not just one, but TWO RDL members - they married each other!! Yes, a blissful union created right here at our hobby. Awesome. **Jason Coe** (of Spank That Monkey) somehow tricked **Stephanie Kramer** (also of Spank That Monkey) into saying yes, and he was so good at his ruse that she actually looks glowingly happy about it. Way to be, Jason... And thanks for letting me attend, and smile, and cry a little... and see my teammate John (father of the bride) in a full-on suit. It was fabulous. [Side note: yes, that is teammate Keith Gibbs in the left photo, performing the ceremony. Quite a team-centric affair!] (And now I will leave all of you to go off and make your little jokes about weddings and monkey spanking... what an unfortunate season for their captain to have chosen that name...)
