

Tons of Newsletter

Home to the Spring Session of the Raleigh Dart League for week #5, Wednesday, February 20, 2019 Issue #JK741
The "Extended Warranties Are A Pure Suckhole Of Waste... Right Up Until The One Time They Aren't" Edition

FIFTH WEEK CAPTAINS' MEETING CANCELED

Next Monday night *would have* been the fifth week captains' meeting. But, because you guys are all pretty much playing nicely and handling your business well, we don't need to have a meeting right now. I will miss yelling at you guys and telling you what a mess you're making of things, but having yet another season with no issues to handle is a pretty good consolation prize.

This coming Monday IS still the deadline for roster additions or replacements. There will not be a Board member sitting at the Upper Deck, so you can't just wander in and do a last-minute in-person addition; but you *can* take all the way up to 8:00 p.m. Monday to complete roster changes/additions that you have initiated well before that time point. (Translation? Don't expect that if you request an addition from the Membership Director at 7:48 p.m. that there will be sufficient time to get approval, receive a PayPal invoice, and get your payment in, all in a too-tight-to-be-acceptable 12-minute window, or something like that.)

ROSTERS ARE NOT STATIC YET

Captains, please remember that the rosters you have in this issue of the newsletter (and in any previous lists this season) are NOT yet finalized. Teams are still adding, dropping, and replacing players each week. What does this mean to you? It means "don't go print up your scoresheets for the whole season thinking that the rosters you have are going to be the rosters when you play each team." Wait until after the week 7 issue comes out (because that will include all changes/additions right up through the last day to make those changes (which is the Monday before the 6th week of play). Just fill in your sheet using the current set in the newsletter each week until then. [And yes, when you make big old question mark notes next to players that you hadn't typed into your sheet, after those players have been on a team's roster for a couple weeks, I know that you are one of the teams that either doesn't read the Tons, or just ignores what I type. So, thanks...]

NOW THIS WAS FRIGGIN' FUNNY

The RDL Facebook page is one of the best places to find a new team, to recruit teams to your host establishment, etc. There's no guarantee that you'll always get what you want from there, but it works out often enough that I think it's fair to recommend as a place to see and be seen if you need RDL-centric information. And every now and then, you get a great chuckle... Recently, a new arrival to the area named Jack Lee left a post there asking "Does anyone need a sub this season?" Mike Hall (of Lunatic Fringe most seasons, but not this one) replied with "I'll take a regular #13 Mike's Way please, no onion." Ha! Beautiful. [And if your team needs a sub, I think Jack's still looking. His post is on the RDL site...]

A FEW MORE IMPORTANT REMINDERS

== Any throw in 501 or 1001 is never going to be a "High In"
High Ins are for 301 only, as only 301 has a double-in requirement.
== "High Ins" only count on your first turn at the line in a game o 301. A 160 on your fifth turn is impressive, but NOT a High In
== ASPs in 1001 do NOT count. But you may use an added game in the Total Games Played column on the back of the sheet to help indicate who participated in 1001, if you would like to do so.

RDL HEADLINES

"Leaguwide": The super comeback is alive and well in RDL-land, as three more teams win after trailing by 11-5 scores
"A" Division: Alliance squeezes past the Dead Beats, creating a very clear three-team lead trio; Darty Minds come from behind on Dartistic Abandon in doubles for their first win
"B" Division: All four B matches go to the very last dart of the match, with two 12-12s and two 13-11s; B now separated by the smallest margin from first to last in any division (by a lot)
"C" Division: For the second week in a row, no C team scores more than 13 points; all three wk04 matches won with serious comebacks in doubles; Bangin', Menace stay close to the lead
"D" Division: Show Me breaks open an 8-8 tie with Cork to stay undefeated; Bulls Up runs the last four doubles on Big Bulls to set up a showdown with their rivals; Garage grabs win #1
"E" Division: Game and Serious both roll another opponent, now already sit two losses ahead of every other team in the division; Sharks have their best week yet, take over #3 spot
"F" Division: Parade ekes past Scorekeeper in a battle of two previously unbeaten; Hump Day handles the Kings, moves into a top-two slot; Reefers clinch first win before 501 starts
"G" Division: Dr.unks pulls off the first 12-0 singles run of the season; Old Darting rips off five doubles to join the 3-team 2-1 group that is trying to at least keep Dr.unks within sight
"H" Division: Grip It gets a critical win in back-and-forth affair with Coach that decided the lead in H; Sanchez wins again, making it clear they'll be staying in the thick of the title chase

LET'S CLEAR UP A BIT OF 'BLOCKER' CONFUSION

When a team is shorthanded and a "blocker" is used, that game DOES still count for the player chosen. It is a game played, the win or loss does count for that player's statistics, and any all star point throws do count. The ONLY thing that doesn't count is the point for the team in the match score / season standings if the blocker happens to win. ===== This means that it IS indeed possible for a player's season statistics to include more games in a set than the number of matches that player's team has had (i.e., a player can have a record like 4-0 in 301 after only 3 weeks).

Name the band/singer? the song? Last week's answers: Song 1 = "Couting Blue Cars" by Dishwalla; Song 2 = "The Reason" by Hoobastank; Song 3 = "Iris" by The Goo Goo Dolls. And the theme? Bands whose names are pretty much nonsense. [Oh, huge kudos to Mikey Hindle (who might be the top lyrics game all-star from over the years, so maybe not that surprising), who hit the entire set plus theme. Nobody else topped "2 songs/1 artist". Was a pretty tough set, but one that makes you go "aw, dang" when you hear the songs. - JK]
Week 5, song #1 lyric: "That's great, it starts with an earthquake, Birds and snakes and aeroplanes, Lenny Bruce is not afraid"
Week 5, song #2 lyric: "Harry Truman, Doris Day, Red China, Johnnie Ray, South Pacific, Walter Winchell, Joe DiMaggio, Joe McCarthy..."
Song #3 lyric: "How can I help it if I think you're funny when you're mad? Trying hard not to smile, though I feel bad, I'm the kind of guy..."

DIVISIONAL TEAM STANDINGS AND MATCH RESULTS FROM WEEK 4 (2/13/19)

(Home team listed second in each match.)

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs

"C, D" Divisions = 3.5 or more ASPs

"E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs

Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

for Divisions "A" and "B" (8 teams / division):

Singles win %-age: min. of 19 Singles Games Played

All-star pt. Average: min. of 37 Total Games Played

for Divisions "C", "D", "E", "F" and "G" (7 teams / division):

min. of 16 Singles Games Played, 32 Total Games Played

for team H5 (due to 1 forfeit received):

min. of 15 Singles Games Played, 30 Total Games Played

for all other "H" division teams (due to 2 forfeits received):

min. of 14 Singles Games Played, 27 Total Games Played

PENALTY LOG - All the penalties assessed this season.

Mail (16 pts.): either team H3 or H6 (F,wk.4).

Ineligible Player (any match win, all points, all statistics): The Groupers (H, wk.1, 11 pts.).

<i>Tips & Shafts @ The Groupers - automatic forfeit</i>	
Grip It Lightly @ Darty Sanchez (Lucky B's)	
BYE - The Neighborhood Dart Knights	Div.

PREDICTIONS FOR THE WEEK

Alright, this is getting just ridiculous. I only posted a 14-11 record last week (with one result still out there), but of my 11 incorrect picks, EIGHT were 12-12 or 13-11!!! And another was 14-10 with the win clinched in the last game. I'm not sure I've ever seen a season where so many matches, in so many divisions, came right down to the wire. Parity, parity, parity... (Translation: *nightmare* for the prediction guy.) Damn Membership Director and her divisions... Sad 66-35 for the season now.

Match of the week: (A Div.) North Raleigh Alliance @ The Unintimidated Element. Only four weeks into the season, A division has a glowing separation line in it... three 4-0 teams, and five teams 1-3 or worse. Here is the first of the big money pairings within the undefeated trio paving the way. Kinda have to take my own team, of course. Element, 16-8.

Match #2: (D Div.) Show Me Your Tips @ Bulls Up. This rivalry is back yet again, this time with the D rung of the ladder on the line. If only Bulls Up hadn't stumbled in week 2, this would have easily been the match of the week. As it stands now, the D race becomes VERY interesting if Bulls Up wins here. So let's go with it! Bulls Up, 13-11.

Match #3: (C Div.) Cheap Shots @ Menace 2 Sobriety. The top 3 in C have each had a bye already, and the Cheapies sit one match ahead of the others (including tonight's opponent, Menace). The Cheapies seem to have a little bit of a roll here to start with, so I'll take 'em, 14-10.

Match #4: (B Div.) Shooter McGavin @ Irrelevant Details. B division is easily the tightest in the league so far, with only 2 matches and 17 points separating the entire group of teams. Two of the three leaders at 3-1 tangle here in what is now a huge early matchup. Irrelevant, 13-11.

Match #5: (G Div.) Old Darting Bastards @ Irish Ton. Monster start in G for Dr.unks, but there is a full trio of teams a match and a half back of them. One of them gets dropped back a step in this one. ODB, 13-11.

Match #6: (E Div.) Shark Shooters @ Why So Serious? Serious and

Game are already 2 losses ahead of every other team in E. If Serious handles the Sharks, the pack falls even farther back. Serious, 14-10.

Match #7: (H Div.) The Neighborhood Dart Knights @ Grip It Lightly. Grip It got a huge win last week, and I'm guessing the Dart Knights won too, so this is a big pairing in the H race. Grip It, 14-10.

Matches #8 & #9: (B Div.) Red Eyed Jedis @ Things That Bounce; Kiss This Crüe @ One Armed Bandits. The two 2-2 teams in the middle of the uber-close B race each face one of the three 1-3 teams behind them. Kind of a swing week for all four teams here. I expect the Bouncy Things to just barely outduel the Jedis, 13-11; while Kiss This finds their way to a 14-10 win decided in the final 501.

Match #10: (C Div.) Nine Lives @ Bangin' the Neighbors. It's not all that often that a 2nd vs 6th matchup (after the first couple weeks) is teams separated by just one match. I'll go upset... Niners, 13-11.

Match #11: (A Div.) Jameson's Monkeys @ Dead Beats. Quite possible the winner here will be at 2-3, and in 4th place in A. Being in the top half of A is a big damn deal. Maybe... Monkeys, 13-11.

Match #12: (G Div.) Banging the Wire @ Wayne Gretzky. One G team has more than 2 wins, and one has less than 1 win. The rest are in a big central pile. Time for one to start a move. Wire in 1001.

And the remaining 13 matches, sorted by division:

A Division: Bulls 18, Darty Minds 6; Fringe 15, Dartistic 9.
 B Division: Rif Raf 14, DD 214 10.
 C Division: Consistently Inconsistent 14, Sharky's Machine 10.
 D Division: Projectile 14, Garage, Inc. 10; Big Bulls 15, Cork 9.
 E Division: Game 15, Nightmare 9; Rangers over Taylor in 1001.
 F Division: Don't Hit the Scorekeeper 15, Coral Reefers 9; Death Throw 13, Accoutrement 11; Bulls On Parade 16, Sofa Kings 8.
 G Division: Dr.unks 16, Quackers 8.
 H Division: Tips & Shafts 14, We're Sexy & We Throw It 10.

Spring 2019 RDL Win Percentage & All-Star Point Average Leaders (by division) (through week 4)
