

Tons of Newsletter

Home to the Spring Session of the Raleigh Dart League for week #9, Wednesday, March 20, 2019 Issue #JK745
The "Some Teams Don't Even Get Fouls Called On Them When They're Trying To Intentionally Commit Them" Edition

ANOTHER PRETTY KEY REMINDER: 1001 PLAYERS

RDL rules state that the team with the fewest players left at the time of 1001 (who actually did throw in the four primary sets), must play all of its players in the tiebreaker. And the opposing team has to play "at least that many". But a bit of a sticking point arises every now and then when a team has a player who has to leave the match early, or gets sick, or "something", and the opponents want to make sure that the team with the player who might be out isn't just trying to duck the rule. It's a pretty tough one to decipher at times, and there won't be any easy answer, *especially* if the situation involves a player who is still present at the establishment (such as a player who has a sickness or injury). RDL rule G.3.f states that "the team with the fewest players present must play all their players," but RDL rule G.3.d states that "any player may be excused from play." Sort of a contradiction, right? Well, the reality is that life is fluid and the rules have to try to balance both "fair play" and "real life issues," because we're all just people and this is just a game, but it's also a competition that we all sign up to play. In the end, the Board (and the rest of the league) really just have to rely on the good intentions of its members. We certainly don't want to tell anyone they can't leave a match to go to work, or to relieve a babysitter... and we don't want to tell someone with a sickness or an injury that they have to participate (which is why "any player may be excused from play"). No easy answer here... what if the injured person is riding with someone else in the match, right? So all we can really do is ask teams to list all of its players if they're honestly available, and to ask their opponents to trust them if they say that a player isn't available to play. Karma seems to know its way around at times, so if any teams start abusing this situation (from either side), their turn in the "what comes around, goes around" state of things will find them eventually.

RDL TRIVIA

Last week's question: *(This is pretty great... we have another reader-submitted question! This one comes from Mike Seward of Darty Minds.) What is the greatest number of 6-Bulls recorded by a league member, and who has it? (As with all questions of this type, we are only considering the last 46.5 seasons, as that's the length of time I've done the newsletter, and records from before that time are a bit less complete. Ok, a LOT less complete.)*

The answer: Ok, in addition to the 46.5 seasons for which I've been statistician, I was able to cobble together partial information for 15 additional earlier seasons. And that info has brought us just a bit more 6-Bull knowledge. In my time here, there has been a total of 79 6-Bulls (regular season and tournaments combined), and we picked up 4 more from the older newsletters. So, I have record of 83 total 6-Bulls, and those have been thrown by 72 different people. And only 8 of those 72 people have hit more than one. 6 of the 8, Scott Butters, Steve Hoffmann, Sid Mitchell, Tim Mozzetti, Trey Rodgers, and Wil Tan, each have hit 2. Leaving only two throwers with more than 2: Robbie Phillips with 3 6-Bulls, and then... Mike Seward with 4 (one each in the Sp04, Sp07, Fa11 and Fa16 seasons). Yep, the question author turned out to be the answer...

This week's question(s): **While we're on a perfect throw run, let's go with these: How many people are in the RDL Ton-70-In Club? And how many are in the RDL Ton-70-Out Club?** (and, of course, only in our last 46.5 seasons plus partial older extras)

Extra RDL Trivia note: If you remember, the week 7 question (answered in the week 8 newsletter) asked how many host establishments the league has had in the last 47 seasons. Page 6 of this edition of the newsletter provides a very expanded version of the amazing answer of 126 establishments. So flip on over there if you want to revisit the places on our 23-year memory lane.

FOR THE NEXT TWO WEEKS...

... the RDL (and darts in general) is just a way to pass some time waiting for Thursday through Sunday. Man, I love March.

RDL HEADLINES

"Leaguewide": we got only our third penalty of the season last week; only two undefeated and two winless teams remain (not counting the H team that dropped out after just 1 week)
"A" Division: Element, Bullies and Alliance all roll, cementing their lead a bit; Monkeys ride a final game Persson 180 to a come-from-behind win, move 2 matches up on Darty Minds
"B" Division: Irrelevant barely holds on to their B lead with a narrow victory over the last place team; Things and Rif Raf win, but McGavin falls second match back, losing to DD 214
"C" Division: Inconsistent squeaks out a critical win over the Cheap Shots (their 2nd loss in a row!), creating a three-team lead group at 5-2 when Bangin' breaks down the Machine
"D" Division: Show Me only wins one set, but their 6-0 DCkt dropped Big Bulls, giving Show Me a two-match lead; after a 1-3 start, WINNAU wins third straight and moves into 2nd
"E" Division: Serious drills Taylor, finds itself a little more alone when the Sharks fall to the Rangers, and when previously winless Nightmare takes out Just the Tip (eek, sounds dirty!)
"F" Division: Parade gets the win of the week, outrunning the Humpers to open up a two-match lead on the pack; 'Keeper and Death Throw both win, keep hold of their top-half spots
"G" Division: All About comes within a dart of a second big upset in a row; Dr.unks falls for the second straight week; Quackers yank Wire from serious title contention in a 1001
"H" Division: Sanchez races to 6-0 lead on Coach, then barely hangs on for the win; Tips drop Grip, join the main title fight

Name the band/singer? the song? Last week's answers: Song 1 = "Lady" by Styx; Song 2 = "Lady" by Kenny Rogers (or Lionel Richie); Song 3 = "Lady" by Little River Band. And the theme? Well, three songs of the same name that aren't covers of each other... in this case, it was all about the ladies. [Had quite a few good guesses this week, but it's pretty apparent that the Kenny Rogers/Lionel Richie song isn't in the main listening list for our membership (which is probably a good thing, no?). In the end, only lyric quiz heavyweight Mikey Hindle hit the entire set - and he even had an add-on that it might've been inspired by International Women's Day! If only I was that organized... - JK]

Week 9, song #1 lyric: "Times have changed and times are strange, Here I come, but I ain't the same"

Week 9, song #2 lyric: "Life is old there, older than the trees, Younger than the mountains, blowing like a breeze"

Song #3 lyric: "I'm sitting in the railway station, Got a ticket to my destination, On a tour of one-night stands my suitcase and guitar in hand"

DIVISIONAL TEAM STANDINGS AND MATCH RESULTS FROM WEEK 8 (3/13/19)

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.
"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs
"C, D" Divisions = 3.5 or more ASPs
"E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs
Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).
Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:
for Divisions "A" (except team A4) and "B" (8 teams / div.):
Singles win %-age: min. of 19 Singles Games Played
All-star pt. Average: min. of 37 Total Games Played
for team A4 (due to 1 forfeit received):
min. of 18 Singles Games Played, 35 Total Games Played
for Divisions "C", "D", "E", "F" and "G" (7 teams / division):
Singles win %-age: min. of 16 Singles Games Played
All-star pt. Average: min. of 32 Total Games Played
for team H5 (due to 1 forfeit received):
min. of 15 Singles Games Played, 30 Total Games Played
for all other "H" division teams (due to 2 forfeits received):
min. of 14 Singles Games Played, 27 Total Games Played

BYE - Another Coach Creation			BYE - Tips & Shafts		

PREDICTIONS FOR THE WEEK

Alright, well, we're missing one result from last week, but beyond that the week was pretty much like all the rest. 17-7 for the week so far, with three of my incorrect picks flipping on a single dart, and two more going to 1001 with just one dart. So... yeah... whatever. I'm at 135-65 for the season, for a correct pick rate of 67.5%. Maybe most importantly, I was 4-0 in B division last week, so I'm finally up to 18-14 there, with no worse than a 3-5 record in any team in that ridiculous division of messiness.

Match of the week: (B Div.) Rif Raf @ Irrelevant Details. In a division that is almost purely defined by last-game match-deciders, these two division leaders revisit a critical pairing (that, of course, went to 1001 the first time around). If Rif Raf wins, B will become a direction-less free-for-all. Alas, I'm thinking Irrelevant takes it in the last of the 501s.

Match #2: (C Div.) Double In, Stumble Out @ Cheap Shots. This match is big either way, but it becomes much bigger if Stumble won the as-yet unreported week 8 match. The Cheapies are the lead team of a trio of 5-2 leaders, and Stumble Out could be right behind them and still in control of their own fate. Cheapies use their SCKT advantage, 15-9.

Match #3: (E Div.) Game of Throws @ Shark Shooters. Serious is still in the driver's seat, but there is plenty of time for a team (or two) to make a Serious run at them. Here we have the top two contenders, fighting for the top chase position. Game gets a repeat of their 13-11 wk02 win.

Match #4: (G Div.) Dr.unks @ Banging the Wire. Two weeks ago, Dr.unks was undefeated and dominating G. Uh, not so much now... And the two teams that beat them are still in the division's bottom three! Can they finally right the ship and re-challenge the Irish? Yep. 14-10.

Match #5: (E Div.) Just the Tip @ Taylor and the Swinging Richards. Behind Serious, there is quite of tangle of teams trying to sort themselves out. These two basically sit at the bottom of that tangle, facing must-wins each week to stay in the divisional title race. Tip gets payback, 13-11.

Match #6: (D Div.) Projectile Dysfunction @ Bulls Up. Next-to-1st and next-to-last are the only D teams not within a 1-match span. Is this a fight to avoid a drop to E? Or to climb to C?! Bulls Up, 13-11.

Match #7: (F Div.) Sofa Kings @ Accoutrement Stuff. F has been split into a top-four/bottom-three grouping. It's entirely possible this is a head-to-head battle to stay in F in the fall. Kings, 13-11.

Match #8: (G Div.) Quackers @ Wayne Gretzky. The group of 2-5 teams at the bottom of G are a little bit hot lately, handing the top teams a few losses. Gretzky makes it two wins in a row here, 14-10.

Match #9: (B Div.) Things That Bounce @ Shooter McGavin. If Rif Raf can come through in the match of the week, this becomes a big part of the fight for the B lead. I'm going with the Things, 14-10.

Match #10: (A Div.) North Raleigh Alliance @ Lunatic Fringe. The Alliance is just a win or two from locking down a top-three slot, and pushing the Fringe back is the next task on the list. NRA, 14-10.

Match #11: (G Div.) Old Darting Bastards @ All About That Bull! In their last two matches, All About beat one of the top two (13-11) and narrowly lost to the other (11-13). Here they upend ODB, 13-11.

Match #12: (B Div.) One Armed Bandits @ Red Eyed Jedis. A B team or two is likely to end up in C next season. Will one (or both) of these teams be in the dropping pair? I'll go Jedis in a tiebreaker.

And the remaining 13 matches, sorted by division:

A Division: The Unintimidated Element 17, Dartistic Abandon 7;

Dead Beats 14, Darty Minds 10; Bullies 16, Jameson's Monkeys 8.

B Division: DD 214 13, Kiss This Crüe 11.

C Division: Nine Lives 15, Machine 9; Inconsistent 15, Menace 9.

D Division: Show Me 14, Garage, Inc. 10; WINNAU 15, My Cork 9.

E Division: Why So Serious? 15, Chalker's Nightmare 9.

F Division: Hump Day! 15, Reefers 9; Parade 16, Death Throw 8.

H Division: Sanchez 17, We Throw It 7; Tips 15, Dart Knights 9.

EXPANDED ANSWER FROM THE WEEK 7 RDL TRIVIA QUESTION

Below are all 126 host establishments that the RDL has used in the last 47 seasons, along with past names (for those that have changed identity and/or owner without moving or becoming something very different). For each establishment, we've also included the number of those 47 seasons during which that establishment was used, how many total teams that establishment hosted in that span, and the most recent used for each.

And here are a few summary highlights that you might find kind of interesting...

4 establishments have been in every season: High Park Bar & Grille, Sharky's Place, Snooker's-RW, Upper Deck

5 have signed up 100+ teams total: High Park Bar & Grille (188), Mac's Tavern (100), Sharky's Place (164), Snooker's-RW (137), Upper Deck (280)

Record number of teams: 68, Spring '10 Lowest number of teams since the start of 1996: 47, Fall '04

Record number of establishments: 33, Spring '10 Lowest number of establishments since the start of 1996: 18, Spring '96

Total number of teams in these past forty-seven seasons: 2654

Total number of establishment seasons (adding up each season's number of establishments): 1194

Average number of teams per establishment over the past forty-seven seasons: 2.22
