

Tons of Newsletter

Home to the Fall Session of the Raleigh Dart League for week #4, Wednesday, September 4, 2019 Issue #JK756
The "Hey, Have You Met Rich B.'s New Girlfriend, The Dart Groupie?" Edition

NO ELECTION BALLOTS YET AGAIN...

Just like three years ago and one year ago when we had exactly ZERO nominations for the RDL Board. Both times I said it would be nice to have more willingness in the membership to step up, but just like those two previous times, the five current Board members have agreed to return for 2020. Which is a double bonus for you guys... In addition to having five experienced volunteers willing to run your hobby for you, the logical extension of the rule (that there simply isn't a ballot at all when no offices have any nominations) means that there will be no election ballot with a mandatory return this season. No ballot, and thus no ballot penalties. But the one thing you really SHOULD try to do in this case is find your nearest Board member and try to suck up to them with a beer or two. It's pretty clear that the league really needs these five to remain happy and willing, no?

SADLY, WE ARE THREE FOR THREE

Captains (and all other team members)... come on, now. We are three weeks into the season, and in *all three weeks* I've received requests to go back and correct or add to scoresheets (generally with ASP listings). I tell everybody over and over to check BOTH sheets before signing and walking away. And lots of you simply ignore that advice and then necessitate a bunch of emails asking others to try to remember things you think are missing. Note: the absolute default here is that if the opponents can not distinctly remember something happening, then it doesn't get added. If they just aren't sure, then nope it's not going to be included.

THAT'S A LOT OF DARTER!

One of the best types of things that ever show up here in the Tons are the silly little goofinesses we all notice, but sometimes get lost in translation. Luckily, here's one that is pretty visually appreciable. In the week 1 match of Shark Shooters @ Treble Yell in E division, Greg Svede (6' 9" tall) took on Jerry Updyke (6' 6") in 301. If anyone tops 13.25 feet of darters in a singles game, *please* let me know... [Hmmm... might need a contest for top doubles total now, right?!]

A FEW IMPORTANT '01 REMINDERS

== Any throw in 501 or 1001 is never going to be a "High In".
High Ins are for 301 only, as only 301 has a double-in requirement.
== ASPs in 1001 do NOT count. But you may use an added game in the Total Games Played column on the back of the sheet to help indicate who participated in 1001, if you would like to do so.
== As stated in the first bullet above, High Ins are only from 301 games. But also, please do not forget that "High Ins" only count on your first turn at the line in a game of 301. This means that a 160 to start scoring on your fifth turn is really quite impressive, but is NOT a High In. Please do NOT call in throws like that as "High Ins". It would be awful if an award went to the wrong person because you were ignorant of the rules. So don't be.

QUICK BLIND DRAW UPDATE

I've updated the info. for the Monday blind draw at the Pickled Onion #2 on page 4. The current blind draw list is on page 4 weekly.

RDL HEADLINES

"A" Division: the top four in A handle business again, now just one week from a potential giant top/bottom 4-match gap
"B" Division: Rif Raf squeezes out a 1001 win to join a trio of 3-0 lead teams; Kiss Our outlasts Methodical for key win
"C" Division: Boom Baby needs to ride '01s past Nine Lives to remain undefeated; Flightless takes out Bulls Up to start the season with a second win; Show Me bounces back strong
"D" Division: Serious drills previously unbeaten Big Bulls, finds themselves alone at the top when Don't Know stops the Machine; Just The Tip rolls to big win, rejoins the top three
"E" Division: Game of Throws is averaging less than 13 per week, but 3-0 is 3-0 and they clearly can hit in clutch spots; Hump Day dumps all three DCkts, then escapes with 1001 win
"F" Division: Irish Ton runs through DCkt to hand Happy Crew their first loss; Dr.unks and the Shane Gouge show get by the Kings; 2-0 Rangers find themselves alone at the top of F
"G" Division: like several other teams this week, Is It In Again? uses a DCkt sweep to manage narrow win, and take G lead; Wire gets win #1, and Kings outlast Gretzky in the last 501
"H" Division: We Throw It hits the win column; and for the rest about H, see the item directly below this one...

"H" DIVISION IS SUPER INTERESTING

In my preseason picks, I noted that Tips & Shafts, the Ducks, and the Dart Knights had all made roster additions that brought them to about equal with Coach. I further identified this quartet in the week 2 Match of the Week, and then more in the week 3 predictions. Well, three weeks into the season, those four teams have now faced all of the others in this group. And they did not disappoint in the drama department!! In week 2, the Tips put up a 14-10 win over the Dart Knights in the only one of these six pairings that couldn't have flipped on a single dart. Two 12-12 results, a 12-11 result, two 13-11 results, and the one 14-10 result. And all four teams have both won and lost, so this story is just starting to be told... And now the one additional question that really must be asked/answered: will the 2-0 Replacements handle them all, get handled, or just make this a five-pack of awesome?

Name the band/singer? the song? Last week's answers: Song 1 = "Don't Talk to Strangers" by Rick Springfield; Song 2 = "Talking in Your Sleep" by The Romantics; Song 3 = "She Talks To Angels" by Black Crowes. And the theme? Pretty obviously, this one was about talking (or not talking), and was inspired by last week's story about the soon-to-be-chalker who was talking to the thrower before assuming full 'chalker' position/status (or not :o). [Anyway, this week's lyrics game rock star was Pete Rutten, as he was the only entrant who hit all three songs and artists (although he only picked up on the talking part of the theme, not making my big crazy leap to the chalker story). - JK]

Week 4, song #1 lyric: "You and me, We used to be together, Everyday together always, I really feel, That I'm losing my best friend"

Week 4, song #2 lyric: "Feel the rain on your skin, No one else can feel it for you, Only you can let it in, No one else, no one else"

Week 4, song #3 lyric: "What would you do if my heart was torn in two? More than words to show you feel, That your love for me is real"

DIVISIONAL TEAM STANDINGS and MATCH RESULTS FROM WEEK 3 (8/28/19)

(Home team listed second in each match.)

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs

"C, D" Divisions = 3.5 or more ASPs

"E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs

Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

for Divisions "A", "B" and "D" (8 teams / division):

Singles win %-age: min. of 19 Singles Games Played

All-star pt. Average: min. of 37 Total Games Played

for Divisions "C", "E", "F", "G" and "H" (7 teams / division):

Singles win %-age: min. of 16 Singles Games Played

All-star pt. Average: min. of 32 Total Games Played

PENALTY LOG - All the penalties assessed this season.

Preseason captains' meeting (5 points):

Death Throw (F, wk.1), Darty B's (H, wk.1).

Tips & Shafts @ We're Sexy / Throw It! (Amer. Legion F-V 1&2)		
The Replacements @ Neighbor.Dart Knights (Neighborhood 3&4)		
BYE - Not Dead Ducks Yet		

PREDICTIONS FOR THE WEEK

Another pretty strong week to add to a pretty strong start. 21-6 last week brings me to 62-19 so far (76.5% correct). And as has become the standard around here, FOUR of my six incorrect picks would have flipped on a single dart (one 12-12 and three 13-11s), and another could have gone to 1001 with just one more dart. The RDL ladder system, paired with the vigilance and dedication of the membership director, has built one of the most parity-laden local sporting endeavors I've ever seen.

Match of the week: (B Div.) Darty Minds @ Atonsamongus. These two tangled in A over the past few seasons, so the fact that they are laying waste to B this season is not a shocking revelation. But the fact remains that they still had to go out and DO it, since expectation scores exactly zero points. And they have. And now they're rewarded with a head-to-head tangle for the top non-A spot in the league. Atons, 14-10.

Match #2: (C Div.) Flightless Boards @ Boom Baby. Flightless took out Bulls Up last week to earn the right to take on Boom Baby for sole possession of the C lead. Boom Baby actually looked a bit mortal last week, bringing some measure of excitement to this one, but I still think they are clearly the team to beat. Boom Baby rebounds and wins, 15-9.

Match #3: (H Div.) Not Dead Ducks Yet @ The Replacements. Ok, the top four returning teams from last season are done beating each other up, and the as-yet-undefeated Replacements get to find out where they really rate. I'm thinking they rate well, but not well enough. Ducks, 14-10.

Match #4: (E Div.) Loaded Darts @ Hump Day! Only Game of Throws has fewer losses than these two, and these two are both averaging more per week than Game. Could be a critical pairing. Loaded Darts, 13-11.

Match #5: (D Div.) Just The Tip @ Sharky's Machine. FOUR 2-1 teams are chasing the 3-0 Serious. That herd of 2-1s thins itself out a touch in this one, and this one really could go the distance. Just The Tip in 1001.

Match #6: (B Div.) Rif Raf @ Kiss Our Inconsistency. Rif Raf has a

chance to get into an undefeated top-two at the top of B, but they have to get past Kiss Our first. Won't be easy, but they do, 13-11.

Match #7: (F Div.) The Happy Crew @ Kings of the Board. Not only is this two strong F competitors, it's also basically two halves of one team from last season. Serious bragging rights. Kings, 13-11.

Match #8: (B Div.) DD-214 @ Methodical 2.0. We're to that point in the season where we starting having the "somebody's sure to get their first win" matchups. I think I'm going with DD-214 here, 14-10.

Match #9: (G Div.) Make Darts Great Again @ Darty Sanchez. Lots of 1-loss teams near the lead in G. About to be one less after this. Despite their stumble last week, I'm taking Make Darts, 14-10.

Match #10: (E Div.) Shark Shooters @ Is It In? These two both already have two losses, but this division (with no team averaging above 14) might be won by a 2- or 3-loss team. Sharks get it, 13-11.

Match #11: (D Div.) Projectile Dysfunction @ Big Bulls. Projectile is in 6th and has 2 losses already, but they have more points than Big Bulls and I'm feeling like PD is about to bounce back a bit, 13-11.

Match #12: (E Div.) Beat My Cork! @ Treble Yell. As I've already noted in the other E match writeups, this division is about as flat as it gets. Everybody's still in the race for first. Or last? Treble, 14-10.

And the remaining 15 matches, sorted by division:

A Division: Unstable Elements 17, Dead Beats 7; Neighborhood Bullies 19, Dartistic Side of the Moon 5; North Ral. Alliance 18, Irrelevant Elements 6; Lunatic Fringe 17, Things That Bounce 7.

B Division: Shooter McGavin 13, Consistently Inconsistent 11.

C Division: Show Me 15, Cheap Shots 9; Bulls Up 13, Nine Lives 11.

D Division: Serious? 15, Menace 9; Don't Know 14, Ma and Pa 10.

F Division: Rangers 14, Down To F! 10; Dr.unks 15, Irish Ton 9.

G Division: Coral Reefers 15, Wayne Gretzky 9; Again? 15, Wire 9.

H Division: Coach 16, We Throw It 8; Tips & Shafts 18, Darty B's 6.
