The "Some People Get Stuff Even When They Don't Earn It, Because That's Just The Way Privilege Works" Edition

WHO FORGETS TO THROW ALL THREE DARTS?

Ok, so this past week, I had a team ask me the following question: "Quick question, when a player only throws 2 darts and thinks his turn is over, can or should the scorekeeper let him know?" --- And I responded with the following: "Do you mean if the person comes up to pull his darts thinking he busted? Such as if I was on 10, threw a single-5, then a triple-1, then walked up to pull my darts, thinking I had busted? In that case, no, the scorekeeper should just let the thrower do what they do. And once the player touches a dart in the board, that turn is over, and the scorekeeper writes the 8, leaves 2, and readies for the next thrower. Stopping the thrower and saying it's not a bust is absolutely advice. If the chalker doesn't move and the player asks the chalker what is left before touching a dart in the board, then the chalker should answer with "2" and leave it at that. If the thrower is paying attention, in that case he should go back and throw the third dart. But the chalker shouldn't say or do anything unless asked specifically." --- And that answer is all well and good and accurate, and you can all file that away as a proper way to react in that instance. But this is where this story comes back to the title that started this item... The team then emailed me back to say "Well, funny enough, it happened in cricket. He threw 2 darts and proceeded to the board to pull them. Since it was in the middle of the game, there was no way he could have thought he won. Just to be clear no one was offended and we all found it pretty funny." Ummm... Seriously, who forgets to throw the third dart?! Just flat out forgets. Isn't that dart still in your hand somewhat of a reminder/clue?

RDL TRIVIA

Last week's question: *How many times has a player been deemed ineligible for individual awards because that player dropped to join a team more than two divisions below where they had just ranked in the top half in either win/loss percentage or all-star point average? (for example, player in top half of B dropping down to E, etc.)*

The answer: In all the years since this rule was put into effect (I think it was around 2007?), it has only been enacted in 3 seasons, with 7 players tagged as ineligible for awards. In the Fall 2009 season, Keith Gibbs dropped to D, and Shane Murray dropped to F. In the Spring 2020 season, Randy Wilcox dropped to E, and both Tom Winters and Jim Lewis dropped to H. And finally, in the Fall 2011 season, Vicente Martinez dropped to F, and Shane Nelson dropped to G. Which means that we haven't had a player ruled ineligible for an individual award in any of the last 16 seasons.

This week's question: **Since I started writing the newsletter (this season makes 48 seasons), have there been more undefeated or more winless teams? I suppose we'll dump the teams that folded in the first half of the season for this particular question.**

OH, BUMMER!

The guys on North Raleigh Alliance would like to ask that anyone who is so inclined please send some thoughts/prayers/wishes toward their teammate Jim Kerr. He was involved in a pretty bad motorcycle accident Friday night, and he is going to be laid up for quite a while. Mostly leg damage, so he'll end up ok, but still a long recovery road ahead. [Also yes, I will admit that my first inclination was to title this item "Oh, snap!" And yep, we could only drop that one because he actually is expected to be alright.]

NC STATE CHAMPIONSHIP RESULTS - PAGE 6

I had to pilfer them off online brackets, and no payouts or youth results are available, but you have everything that I have so far...

ONE MORE RELOCATED "E" MATCH

Due to the Capital City Tavern renovations, Treble Yell's home match this Wednesday will be relocated. This last one to Uppe Deck 16&17.

RDL HEADLINES

"Leaguewide": still 4 undefeated and 2 winless teams remain; all fast game categories now have a leader, except for DCKt in two divisions; every division from E to H has at least 3 teams within one match of first place (and E has flippin' 5!!)
"A" Division: Dead Beats send full-on notice, claiming their 5th straight victory, beating both teams right in front of them in consecutive weeks, and setting up a run at finishing 3rd
"B" Division: Atons and Darty Minds just cruising, lining up the big rematch next week; Inconsistent dumps Rif Raf, takes over 3rd place of 8 despite having a losing record (no, really)
"C" Division: Show Me narrowly escapes Flightless in a critica pairing in the race to climb to B next season; Bulls Up win big, keep their names right in the mix for that 2nd spot also
"D" Division: Serious continues holding on to (and extending) this season's biggest division lead; Projectile & Don't Know win nailbiters, keep hopes alive for their own top-2 finishes
"E" Division: Treble sneaks by Loaded, leaving them both with 3 losses; Hump Day & shorthanded Game win, keeping them with 3 losses; and poof! this season's greatest race is born
"F" Division: Rangers, as is their norm, slide by with a narrow win (this time over the last place team); Dr.unks pulls out a tight one, keeping their title fates within their own control
"G" Division: Sofa Kings come up with the most critical 501 sweep of the season to snatch victory away from Sanchez, create a near dead-heat for the G crown with 5 weeks to go
"H" Division: Oh, I soooo told you all this foursome at the top of H was going to create a story... Coach, now 2-0 against the Ducks, and just one point behind the Ducks and Tips

Name the band/singer? the song? Last week's answers: Song 1 = "Kiss" by Prince; Song 2 = "Kiss On My List" by Hall & Oates; Song 3 = "Kiss Me" by Sixpence None the Richer. And the theme? It's really just the simplicity of a kiss. I simply heard the Sixpence song, and I love that one so much that I decided to build a trio on that basis alone. [Kind of a tough set, it appears, although honestly I didn't think it would be. Only Mikey Hindle got even more than one of the songs, and he nailed the whole thing. Clearly his week. - JK]
Week 10, song #1 lyric: "And you've gone too far, 'Cause you know it don't matter anyway, You can rely on the old man's money"
Week 10, song #2 lyric: "Maybe get a blister on your little finger, Maybe get a blister on your thumb"
Week 10, song #3 lyric: "And everyone who knows us knows that we're fine with this, We didn't come from money"

DIVISIONAL TEAM STANDINGS and MATCH RESULTS FROM WEEK 9 (10/9/19)

(Home team listed second in each match.)

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.
"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs
"C, D" Divisions = 3.5 or more ASPs
"E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs
Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).
Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

*for Divisions "A" (except team A2), "B" and "D"
(8 teams / division):*

Singles win %-age: min. of 19 Singles Games Played

All-star pt. Average: min. of 37 Total Games Played

for team A2 (due to 1 forfeit received):

min. of 18 Singles Games Played, 35 Total Games Played

*for Divisions "C", "E", "F", "G" and "H" (except
teams H2 and H3) (7 teams / division):*

Singles win %-age: min. of 16 Singles Games Played

All-star pt. Average: min. of 32 Total Games Played

Coach Never Walks @ We're Sexy / Throw It! (Amer. Legion F-V 1&2)		
Tips & Shafts @ Darty B's (Snooker's 3&4)		
BYE - Neighborhood Dart Knights		

PREDICTIONS FOR THE WEEK

Another typical week for me, even though I did get one or two more wrong than usual. 18-8 for the week (we dumped the remaining match to a forfeit), with all but one of those incorrect picks flipping or tying on a single dart. So... much... parity. Makes it fun though. What isn't fun is picking matches with Banging The Wire in them... I'm at least within one pick of 0.500 or better with every other team in every division. But not Banging. Ugh. I've fallen to 177-63 for the season (73.8%).

Match of the week: (E Div.) Shark Shooters @ Hump Day! E has become an *amazing* 5-team free-for-all fight for the title. And here we are treated to a pairing of the only team with fewer than 3 losses and the division point leader. Just a monster matchup. But how the heck are the Sharks in first with losing 301 and SCkt records?! I'll go Hump, 13-11.

Match #2: (H Div.) Not Dead Ducks Yet @ Tips & Shafts. H division has shaped its own incredible title chase, with 3 teams separated by ONE POINT after 9 weeks. Seriously, one damn point. And here are the two that hold that "huge" lead. I think the Ducks get 'em again, 13-11.

Match #3: (F Div.) Dr.unks @ Kings of the Board. The Rangers sit one loss ahead of this pair, but the Rangers' biggest score of the season is just 15, so it feels like they're always on the edge. Plus, both of these teams still get their shots at the leaders. I'm going with the Dr., 13-11.

Match #4: (H Div.) Neighborhood Dart Knights @ Coach Never Walks Alone. The Dart Knights have fallen off the pace, now going 0-4 against the Ducks & Tips. But you know who they did beat? Yep, again, in 1001.

Match #5: (E Div.) Game of Throws @ Treble Yell. You know that story in the match of the week above? Well, here are two more of the awesome five-some. Treble has won 4 of their last 5, and I'm feeling them... 14-10.

Match #6: (G Div.) Is It In, Again? @ Darty Sanchez. Again has already had their bye, but they're still only loss behind the two leaders. Can they take out this one of the leaders again? Not this time. Sanchez, 14-10.

Match #7: (F Div.) Red-eye Rangers @ Death Throw. The Red-eyes run F right now, but while Death Throw is 0.500, they're on a 3-match win streak. The Rangers escape here, but just barely, 13-11.

Match #8: (C Div.) Flightless Boards @ Bulls Up. The race for 2nd in C is actually pretty interesting, and it's the winner here that will be racing with Show Me for that spot. Bulls Up gets payback, 14-10.

Match #9: (G Div.) Wayne Gretzky @ Sofa Kings. The Sofa got a huge clutch win last week to even up the title race, but they better not let a lull slip in here, as Gretzky is rolling a bit lately. Sofa, 13-11.

Match #10: (A Div.) Dead Beats @ The Neighborhood Bullies. At first glance, this match isn't that meaningful. But after an 0-4 start, the Beats are on a 5-win run! The Bullies are too deep though, 17-7.

Match #11: (D Div.) Why So Serious? @ Big Bulls. I guess this is about as close as D is going to get to a match of any importance in the title chase. But still, it's really not that important... Serious, 15-9.

Match #12: (D Div.) Projectile Dysfunction @ Menace 2 Sobriety. If the Big Bulls lose the match above, either of these two could still finish 2nd. And they could also still get dropped to E. PD in 1001.

And the remaining 15 matches, sorted by division:

A Division: Unstable Elements 16, Dartistic Side of the Moon 8; North Raleigh 16, Things 8; Lunatic Fringe 19, Irrelevant 5.

B Division: Atonsamongus 15, Consistently Inconsistent 9; Darty Minds 17, DD-214 7; Rif Raf 15, Shooter McGavin 9; Kiss Our Inconsistency 14, Methodical 2.0 10.

C Division: Show Me 17, Bandits 7; Boom Baby 18, Nine Lives 6.

D Division: Don't Know! 13, Machine 11; Just the Tip 14, Ma 10.

E Division: Loaded Darts 14, Is It In? 10.

F Division: The Happy Crew 14, Irish Ton 10.

G Division: Make Darts Great Again 13, Banging The Wire 11.

H Division: We're Sexy & We Throw It 17, Darty B's 7.

Fall 2019 RDL Win Percentage & All-Star Point Average Leaders (by division) (through week 9)

WEEK-BY-WEEK SCORE TABLE - To see how your team has performed against other opponents, find your team in the left column, then read across to the right week by week. Each week lists the team number of the opponent as well as the match result and points scored for your team. An upper-case opponent number is a home match for your team, while a lower-case opponent number is a road match for your team. To see what the opponent scored in any given week's match (because sometimes matches have fewer than 24 total points when a blocker is involved), just find the score on the corresponding opponent line for that same week. (Match forfeits are listed in italics.)
