CONFIRMATION EMAILS/TEXTS THIS WEEK

Just a quick heads up to all of the captains out there: during this week's matches and the time during which you will be sending me your scoresheets, I will be away at a meeting. It is entirely possible that I will be able to respond to scoresheet emails and text in a relatively normal fashion. But it's also possible that some of those might be delayed a little while based on what I'm doing or how busy I am. Not a big issue for me either way - I just didn't want anybody freaking out and worrying if I don't get back to you for a bit after you send me your sheet.

RDL TRIVIA

Last week's question: *Ok, digging out the answer to this last question led me to another that I found pretty interesting (and in light of last week's top story, it's pretty timely, I think). In the 48 seasons that I've been statistician, how many teams have been removed from the schedule prior to the end of the season?*

The answer: Alright, this answer makes me a little sad, in one respect. In my 48 seasons as statistician, we've had 2713 teams register for play. And of those teams, only 16 have been removed from the schedule (for multiple forfeits, simply folding, banning.). That's not even 0.6% of the teams you say... and you would be right. And it has only happened in 12 of the 48 seasons, so three quarters of the time no division faces that dilemma you say... and you would be right again. But here's where the sad part comes in: 6 of the 12 seasons that had teams removed, and 8 of the 16 teams that have been removed, have happened in the LAST SEVEN seasons!! Yep, that's right, in the 41-season string from Spring 1996 through Spring 2016, a total of 8 teams spread over 6 seasons were removed from play. And in just the most recent 7 seasons, we've lost the same number of teams spread across the same number of seasons. What the hell? Seriously, what the hell?

This week's question(s): **B division presently has 6 of 8 teams sitting with losing records (yes, after 11 weeks!). In light of that somewhat amazing statistical anomaly, what is the worst record (in my previous 47 seasons as statistician) to finish as high as 3rd place in an 8-team division? In a 7-team division?**

DOUBLES PAIRINGS NAMES...

Those of you who have been reading the Tons for a while likely already know that sometimes doubles pairings provoke a little reaction in me when they form someone's name (for instance, Lunatic Fringe listed the pair of Billy/Joel pretty often for many years). And every so often I share some of them here. So, here are a couple...

For the fans of The Office (American version): in week 11, The Neighborhood Bullies listed Michael/Scott in both sets (win, loss).

And the one that made me question whether I would include it, and how I would note it if I did... in the end I'm just letting it speak for itself: in week 11, Boom Baby listed Jim/Crowe twice (win, loss).

RDL HEADLINES

"A" Division: Element overcomes big 301 hole with a full 12-0 cricket sweep over Dead Beats; Bullies close out Dartistic early; Alliance, Fringe win, maybe cementing top-half spots

"B" Division: Atonsamongus, finally back to full strength, yanks Darty Minds from the ranks of the unbeaten and takes over B lead; Kiss Our falls, creating a somewhat astonishing (and trivia-question-generating) situation in the race for third

"C" Division: Flightless jumps to big lead on then-unbeaten Boom Baby, before holding in a tiebreaker to reinvigorate C race; Show Me thumps Cheapies, now control their own fate

"D" Division: Serious sweeps a couple sets from Menace on their way to becoming first to clinch a division title this fall; Don't Know & Big Bulls win, set up their own race for 2nd

"E" Division: Is It In? leads Sharks early, hangs on for a 1001 win that leaves E with lead trio of 3-loss teams; shorthanded Treble sweeps doubles from Cork to grab the lead for now

"F" Division: Rangers use a DCKt sweep and a tiebreaker to get past the next-to-last team, keep control of their title hopes; fifth straight Dr.unks win sets up tonight's marquee matchup

"G" Division: Make Darts jumps all over Sanchez early, moving the Sofa Kings to the lead in a week in which they didn't even play; Gretzky and Wire in the tangled mess that is 3rd-6th

"H" Division: Ducks race to huge 11-1 lead in a critical matchup in their point race with Coach for H supremacy; Coach does their part too, now leads by 2 points, but with a tougher path; oddly, neither leader plays this week, and then they each only play in one of the last two weeks... weird finish here

YOU KNOW, YOU CAN ZOOM IN TOO...

Quick note to those of you who send me photos of your scoresheets rather than scans... You know that after you take your photo, you CAN open up the photo and zoom in to see if you actually did get the picture to be in focus? Yep, I know, a little bit surprising, but your phone WILL let you look at your own photos. And if you can't easily read the writing because it's out of focus or because you cut part of the writing out, then odds are pretty good that I can't read it either. Just sayin'...

Name the band/singer? the song? Last week's answers: Song 1 = "The Long Run" by the Eagles; Song 2 = "The Distance" by Cake; Song 3 = "Runner" by Manfred Mann's Earth Band. And the theme? Well, the publicly recognizable theme is a marathon runner. But the reality is that my wife runs long distances (only half-marathons, not marathons), and I was actually thinking of her when I made this set. Thus, I would have accepted either a runner or my wife as a completely acceptable theme. :o) [Quite a few guesses this week, and a whole bunch of people got the first two songs. I kinda knew that the Manfred Mann song was going to be the hard one (and it clearly was), but for some reason I just loved that song when I was a kid. Anyway, only Mikey Hindle (our resident encyclopedia of music knowledge) got the entire set (just as I predicted to new weekly player Pat Martin, who also got all but song 3). And my good friend Paul Jacobi was the only one to actually get that the set was about my wife. And his answer description was... awesome... and my favorite this season. - JK]
Week 12, song #1 lyric: "Take me to another place, Take me to another land, Make me forget all that hurts me, Let me understand your plan"
Week 12, song #2 lyric: "You're as sweet as strawberry wine, You're as warm as a glass of brandy, And I stay stoned on your love all the time"
Song #3 lyric: "She could not leave her number, but I know who placed the call, 'Cause my uncle took the message and he wrote it on the wall"

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs
"C, D" Divisions = 3.5 or more ASPs
"E, F, G" Divs. = 3.0 or more ASPs; "H" = 2.5 or more ASPs

Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

for Divisions "A" (except team A2), "B" and "D"
(8 teams / division):

Singles win %-age: min. of 19 Singles Games Played
All-star pt. Average: min. of 37 Total Games Played
for team A2 (due to 1 forfeit received):
min. of 18 Singles Games Played, 35 Total Games Played

for Divs. "C", "E", "F", "G", and teams H6 & H7 (7 teams/div.)

Singles win %-age: min. of 16 Singles Games Played
All-star pt. Average: min. of 32 Total Games Played
for teams H1, H4 and H5 (due to 1 forfeit received):
min. of 15 Singles Games Played, 30 Total Games Played
for teams H2 and H3 (due to 2 forfeits received):
min. of 14 Singles Games Played, 27 Total Games Played

PREDICTIONS FOR THE WEEK

Alright, alright here... I now have people actively interfering with my chances at picks, telling me they have injuries to their best player, and then the player is fine... Whatever, dude. You people go to quite the lengths and I *still* post a 20-6 record for the week! And half of those misses would flip result on a single dart. Oh well, not much I can do about some things. That takes me to 216-76 (74.0% correct), and above 0.500 for all teams in A-F. But G & H? Those divisions can kiss my butt.

Match of the week: (F Div.) Dr.unks @ Red-eye Rangers. Dr.unks has a pretty strong position with only two matches and a bye remaining, but the biggest matchup of them all is still on the schedule... and here it is. The Rangers have another big hurdle, but this matchup could end up being basically an F division title showdown. I'm going Dr., 13-11.

Match #2: (E Div.) Loaded Darts @ Shark Shooters. The Sharks took a rough 1001 loss last week, and now there are three 3-loss teams at the top of E. Given the point advantage that these two have on Treble, the winner here is probably the division favorite even through Treble has already grabbed one more match win. Sooo even... Loaded in 1001.

Match #3: (C Div.) Boom Baby @ Bulls Up. With Boom taking on its first loss last week, C is all of a sudden building up to a week 13 head-to-head showdown between Boom and Show Me. But Boom has a decent hurdle here in wk12 first. I think Boom rebounds a bit, 15-9.

Match #4: (F Div.) Death Throw @ Kings of the Board. If the Rangers can win match #1 above, the Kings will still hold onto some slim title hopes. First order of business them though, will be getting past the uber-hot (4 wins on the trot!) Death Throw. Kings escape, barely, 13-11.

Match #5: (H Div.) Neighborhood Dart Knights @ The Replacements. The two H teams that were *sooo-close* so many times they could almost touch the H crown. But now this is a fight for 4th. Replacements, 13-11.

Matches #6 & #7: (G Div.) Banging The Wire @ Wayne Gretzky;

Make Darts Great Again @ Is It In, Again? One of these four teams is going to finish in a bottom-two spot and face a drop to the RDL's bottom division (provided we don't expand back to an I division). Banging ekes past Gretzky, 13-11; Make Darts moves to 3rd, 13-11.

Match #8: (D Div.) Big Bulls @ Menace 2 Sobriety. Big Bulls and We Don't Know might effectively be point-racing for a spot in C in the spring. As long as they don't lose, of course! Big Bulls, 14-10.

Matches #9 & #10: (A Div.) Lunatic Fringe @ The Neighborhood Bullies; North Raleigh Alliance @ Unstable Elements. The Bullies and Element could be headed toward another monster showdown. But first they each have two very formidable hurdles to overcome. They both pass the first test, and they win by identical 16-8 scores.

Match #11: (C Div.) Cheap Shots @ Nine Lives. If two teams from C do drop to D in the spring, this might basically be an elimination match deciding who that second team is. Niners get payback, 13-11.

Match #12: (A Div.) Things That Bounce @ Irrelevant Elements. Probably our last chance to leave the already-forfeited-out H team as the season's only winless squad. Alas, it's the Things, 16-8.

And the remaining 14 matches, sorted by division:

A Division: Dead Beats 15, Dartistic Side of the Moon 9.

B Division: Atonsamongus 17, Kiss Our Inconsistency 7; Darty Minds 16, Rif Raf 8; Shooter McGavin 14, Methodical 10; Consistently Inconsistent 14, DD-214 10.

C Division: Flightless Boards 17, One Armed Bandits 7.

D Division: Why So Serious? 17, Machine 7; Projectile Dysfun. 15, Ma and Pa & the Kids 9; We Don't Know! 14, Just The Tip 10.

E Division: Game of Throws 16, Cork! 8; Hump Day! 14, Is It In? 10.

F Division: Down to F! 13, Irish Ton 11.

G Division: Sofa Kings 15, Coral Reefers 9.

H Division: Tips & Shafts 16, We're Sexy & We Throw It 8.
