The "How Do I Go About Getting Some Idiot Legislator To Make A Resolution That The Tons Is Fake News?" Edition

FIFTH WEEK CAPTAINS' MEETING CANCELED

Next Monday night *would have* been the fifth week captains' meeting. But, because you guys are all pretty much playing nicely and handling your business well, we don't need to have a meeting right now. I will miss yelling at you guys and telling you what a mess you're making of things, but having yet another season with no issues to handle is a pretty good consolation prize.

This coming Monday IS still the deadline for roster additions or replacements. There will not be a Board member sitting at the Upper Deck, so you can't just wander in and do a last-minute in-person addition; but you *can* take all the way up to 8:00 p.m. Monday to complete roster changes/additions that you have initiated well before that time point. (Translation? Don't expect that if you request an addition from the Membership Director at 7:48 p.m. that there will be sufficient time to get approval, receive a PayPal invoice, and get your payment in, all in a too-tight-to-be-acceptable 12-minute window, or something like that.)

BUT ONE QUICK NOTE FROM THE RDL BOARD THAT THEY WOULD STILL APPRECIATE YOU FOLLOWING...

Every so often when teams get to their matches, a little bit of maintenance might need to be undertaken - changing of a light bulb, redirection of lighting, etc. And while everyone applauds your willingness to just get stuff done and take things into your own hands, the reality is that we (and the establishments!) greatly prefer that you ask a staff member from the establishment to help with the issue. First, there are potential liability issues (person falls off chair, electrocutes themselves, etc.) that we absolutely want to avoid. And second, it might actually be that there is quick fix of which you are unaware (say, a dimmer switch). Either way, the bottom line here is that while you may be able to fix something yourself, that doesn't mean it is appropriate to do so. Instead, please ask bar personnel for assistance with these types of items.

ROSTERS ARE NOT STATIC YET

Captains, please remember that the rosters you have in this issue of the newsletter (and in any previous lists this season) are NOT yet finalized. Teams are still adding, dropping, and replacing players each week. What does this mean to you? It means "don't go print up your scoresheets for the whole season thinking that the rosters you have are going to be the rosters when you play each team." Wait until after the week 7 issue comes out (because that will include all changes/additions right up through the last day to make those changes (which is the Monday before the 6th week of play). Just fill in your sheet using the current set in the newsletter each week until then. [And when you make big question marks next to players that you hadn't typed into your sheet, after those players have been on a team's roster for a couple weeks, I know you either don't read the Tons, or just ignore what I type.]

QUICK NOTE ON TIMING OF NEW PLAYER LISTINGS

I realized that it has been a while since I laid this out here, and I think it's always better to alleviate confusion for teams, sooo... Please note that any players added in the weekly Thu-Tue window will NOT be listed in the subsequent Tons. I receive the player addition list on the day of the matches (because teams could add right up through the night prior), so new players will always show up in the *next* week's Tons (NOT the Tons on the night when a new player is first eligible). So if you show up and the opponents say they added a player, you kinda just have to trust them. If they didn't "officially" do it, that penalty will be only theirs anyway...

CHANGE IN SUNDAY BLIND DRAW TIME

As of March 1st, the Sunday blind draw at The Upper Deck will be moving its start time to 7:00 p.m. (instead of the current 8:00). Start earlier, get home earlier, have more sleep for Monday work!

More items for actual reading on pages 5 and 6 -- match predictions, more news tidbits, and... ST. BALDRICK'S!

RDL HEADLINES

- "A" Division: Dartistic drops its 2nd straight, leaving A with only two teams above 0.500; Element (without R.Phillips!) rings up 51 ASPs (not sure what the record is, but 51 is a lot)
- "B" Division: Boom, Double and Show Me continue winning, stay as clear top 3; DD214 shows out big, claims the #4 slot
- "C" Division: first RDL forfeit in a very long time due to a bar suddenly not having backboards & dartboards up; Bulls Up squeezes out a 4th straight close win, on to the showdown
- "D" Division: Treble wins, and all of a sudden the entirety of D division is separated by only 2 matches (3-1 down to 1-3)
- "E" Division: Dr.unks dig out of 10-6 hole to stun Sheetz, then find themselves alone in 1st when Is It In takes out the Kings; Rangers spank Ma an Pa, leaving only two E teams above 2-2
- "F" Division: Winless My Darts takes out undefeated Active, leaving Still F'd as the only Still Undefeated F; Ducks get by Sanchez creating a glut of 0.500 teams needing to start a run
- "G" Division: Tips close out We Throw It early, staking out the early G lead alone; Still In gets a huge win over Dart Knights

Name the band/singer? the song? Last week's answers: Song 1 = "Dream Weaver" by Gary Wright; Song 2 = "Sweet Dreams (Are Made of This)" by Eurythmics; Song 3 = "Runnin' Down a Dream" by Tom Petty & the Heartbreakers. And the theme? Just dreams, nothing bigger than that. Dreams, hopes, positive stuff. I figured that after a couple weeks of themes from crappy and sad headlines, we could use something a little happier. [Had some serious players this week! Paul Jacobi got all but one artist. Bob Kuppler got it all with just a bit of an over-reach on his theme guess. And Mikey Hindle, Pete Rutten, Dawn Clement, and Mike Litzsinger each nailed the whole thing (with Hindle answering in story-style fashion that awesomely referenced SEVENTEEN more dream songs - I told him I had considered saving 'dream' songs for a giant week 14 set, but I usually don't have quite that simple of a theme for that week - plus, I used a few in a past set years back). - JK]

Week 5, song #1 lyric: "And so the conversation turned, Until the sun went down, And many fantasies were learned, On that day"

Week 5, song #2 lyric: "Feel like I'm running on an empty gauge, Oh no not again, It hurts so good, I don't understand"

Song #3 lyric: "Is making me late, Is keeping me waiting, And I tell you how easy it feels to be with you, How right your arms feel around me"

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.
 "A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs
 "C, D" Divisions = 3.5 or more ASPs
 "E, F" Divs. = 3.0 or more ASPs; "G" Div. = 2.5 or more ASPs
 Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).
Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

**SEASON-LONG TROPHY DART
 MINIMUM GAMES PLAYED REQUIREMENTS**

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:
for ALL Divisions/Teams (except team C1 (8 teams / division):

PREDICTIONS FOR THE WEEK

Oh, last week was ugly. I picked teams that decided to play without their best player or two. I picked teams that blew big leads. I picked teams that downright played like crap. And what did I end up with from all that? My worst week of the season so far (16-11, with the remaining match dumped due to forfeit). That brings me to 76-35 for the season (68.5% correct), which isn't so bad at first glance... but considering the hot start I had this season, it honestly feels kind of crappy. Dangit.

Match of the week: (C Div.) Bulls Up @ Why So Serious? After four weeks of play, only three divisions can still offer a battle of undefeateds. And here is the first of those three! Old friends/rivals reunite here, and they've taken VERY different paths to this point. Bulls Up has squeaked them out, while Serious didn't even trail until last week. Serious, 15-9.

Matches #2 & #3: (D Div.) Shark Shooters @ One Armed Bandits; We Still Don't Know! @ Loaded Darts. One month in, and it's clear that the awesome drama race is in D division. Three 3-1s, three 1-3s, and a pair of 2-2s in the middle. This is very much still anybody's race. And here we have those two 0.500 teams each taking on one of the three teams they're chasing. Could be one giant pile of 3-2 contenders if things go the right way. Sadly, I think this week is more about the leaders ending a bit of the drama for now... Sharks and Loaded both grab 14-10 wins.

Match #4: (F Div.) Banging The Wire @ Active Shooters. Active had been cruising through a string of 14-10 wins, right up until being bopped by a winless teams last week. If they don't bounce back, Still F'd might have a shot at running away and hiding. Active rebounds (barely), 13-11.

Match #5: (E Div.) Kings of the Board @ Ma and Pa & the Kids. The Kings just couldn't get away from Is It In? last week, and now they're a match off the lead pace. Ma and Pa had been on a mini-roll of their own, right up until they showed up shorthanded last week. Kings, 14-10.

Match #6: (F Div.) D.U.C.K.S. @ Sofa Kings. The Ducks got a really important win last week, and now they sit at 0.500 in not only matches, but also in game win percentage. Somehow that's good enough to have them just outside the race for the F lead. Until this Sofa King win... 14-10.

Match #7: (A Div.) Deez Nuts @ Birth of an Element. Deez is only 2-2,

but they've actually pointed themselves back up into a top-three slot in A, and they're obviously among the most dangerous teams around. Element is rolling a bit right now though, and take it 16-8.

Match #8: (C Div.) Projectile Dysfunction @ Nine Lives. The top two in C are quite a ways ahead of the pack, but the winner here could be the one other team to still challenge them. Will the Niners want to jump back from their establishment-induced forfeit? Will P.D. play without Captain Clark again? Ugh. Niners, I guess, 13-11.

Match #9: (D Div.) Treble Yell @ Hump Day! Yep, this is a match with two teams with losing records. But the winner could be only a match or so out of first. No, really, that's possible. Treble in 1001?

Match #10: (A Div.) Repeat A-ffenders @ Liver Die! Liver is one of three A teams at 2-2, but the other two are facing the top two heavyweights tonight. With a win, Liver could find themselves all alone in 3rd place in short order. Chalk it up. Liver takes it, 16-8.

Match #11: (G Div.) Is It Still In? @ Starving Dartists. Both these teams got critical wins last week, so they've got to be feeling good right now. Well, aside from their week 3 debacle, Still In has had to be feeling good just about every week. I think they do again, 14-10.

Match #12: (E Div.) Dr.unks @ Death Throw. Dr.unks looked pretty dang set to run the table in weeks 1-3, but they had to pull one out of the fire last week. Meanwhile, is Death Throw repeating their slow-start-then-hot-run from last season? Gotta go Dr., 15-9.

And the remaining 16 matches, sorted by division:

A Division: Bullies 17, Dartistic 7; Lunatic Fringe 16, Darty Minds 8.

B Division: DD214 15, Irrelevant Final Answer 9;
Double or nothin' 14, Consistently Inconsistent 10; Show Me Your Tips 15, Shooter McGavin 9; Boom Baby 17, Rif Raf 7.

C Division: Big Bulls 13, Methodical 11; Cheapies 13, Menace 11.

D Division: Sharky's Machine 14, Game of Throws 10.

E Division: Rangers 13, Is It In? 11; OH' SHEETZ 14, Cork Out 10.

F Division: Still F'd 15, My Darts 9; Sanchez 15, Coach Yrself 9.

G Division: Neighborhood Dart Knights 13, Wayne Gretzky 11;
Coral Reefers 16, We Throw It 8; Tips & Shafts 18, Hitters 6.

SPONSORED BY:

We will revisit this one next week as one final reminder before the big event, but the RDL (clearly led by Keith Gibbs in this regard) has been developing quite a history with raising funds through the annual St. Baldrick's event. Have you attended? Have you donated? Have you... volunteered for a shave?! Eek! It's ok... no shave needed... while we love participants, we love your donations even more. Keep your hair, but throw in your money. Sadly, some day the kid that any last nickel here might help, might actually be someone you know. Let's help stop this hell before it ever comes to that.

BOARD SETUP INSPECTION REMINDER

If your bar does renovations and takes down your board setup, it's probably best (well, ok, kind of "required") that you notify the Board so that they can swing by and inspect/ensure that the installation is up to league standards.

ANOTHER THING I'M ASKED FROM TIME TO TIME...

This past week, somebody asked me something that I hear from time to time, so I decided to just spell it out here for those who are curious. I was asked how I come up with the lyrics quiz, is it the theme first of the songs? Turns out, it can be either. Some weeks there is an important RDL headline (teams acting badly, league member has passed, etc.), and I think "oh, I need three around that one." And some weeks there is a news headline that seems like it could lend itself to a set (such as coronavirus... hmmm... airplane, the name China, etc.). And some weeks I just hear a song that sticks with me (Dream Weaver last week, for example), I immediately think "I could pair that with X" (Sweet Dreams, in this case), and then I just need to pick a third that matches. I also try to be careful to not pick something TOO obscure, as it's completely ok for people to not get songs sometimes while we are switching genres, but if something is so indie-outside-the-lines or so unknown that roughly nobody has a chance of getting it, that's not so fun

What complicates the whole process the most is my own effort to not repeat songs - I will only use a song again if it just fits something so particularly well that I just HAVE to bring it back. Over the years (started the lyrics game in Spring 2011), we've now had 859 lyrics lines, and only 16 of those are repeat uses (and thus 843 unique songs so far).

The day that I first put it in the Tons, I thought "hmmm, will people think this is just too weird to put in a dart newsletter?" But it turns out that the one thing more ubiquitous than beer at a dart match is music. And poof, the column is probably the third-most-popular in the Tons every season. (#1 is definitely the weekly predictions column, as people LOVE to prove me wrong. And #2 is probably the banquet Tons all-star teams page, even though it's only once per season - people tear right to that page pretty quickly that day.)

TEAM STATISTICS TOTAL, ALL CATEGORIES, SEPARATED BY DIVISION (through week 4) (No missing statistics, all scoresheets have been received.)

The table below is a simple extraction of all of the team statistics totals for all teams in all divisions, so that you can compare what seems to correlate with team success (the teams are listed in order of the standings within each division). The best record in each set is listed in bold in each division for ease of comparison.
