The "I've Learned That There Are A Lot Of 'Tasty' Pairings Out There, And That's Awesome" Edition

MAYBE NEXT SEASON WILL BE DIFFERENT...

Most seasons nowadays, we are able to get through a season without needing a 5th Week Captains' Meeting. For literally decades, those meetings were an every-season staple, carrying mandatory attendance. But with the advent of the internet and smart phones, we can do so much so quickly from where we stand that the Board has given you guys a break on that meeting more often than not lately. The only times that we ever seem to have a 5th Week Meeting are: a) when a significant change to something is taking place and we want to *b*certain that all teams recognize it (such as dumping the call-in requirement and changing the scoresheet return deadline); or b) when people begin behaving badly and they need to be scolded in a public setting (yes, like small children). What we have here is a hobby, and an outlet, and a great way to hang out with friends, and a good way to get out and be social. But what we also have is a competitive game that requires at least a baseline level of respect for the task at hand, and the people trying to complete it. And if your behavior is any of... rude, careless, abusive, intrusive, annoying, menacing, or possibly even bordering on slightly criminal at times, then you can probably expect that a league-wide meeting to remind everybody that those things are not actually acceptable is in our future. And if you're wondering if anyone will know whether or not you specifically are partly at fault... please... this is a dart league... I hear about the things you do, from people who aren't in your match, or maybe even in your division, often before you even get home. And many members of the Board hear those same things. The grapevine isn't just alive and well in RDL-land, it was practically invented here. [Note #1: at this moment, yes, I'm mostly looking at you, B and G divisions. You know who you are. And either you're reading this, knowing I mean you, or you're blindly telling yourself that it's not you because that's just how important you see yourself.] [Note #2: the following are among the things that are NEVER acceptable excuses for rude or disrespectful behavior: "I was drunk"; "that isn't how I usually am"; "I'm just out here to have fun"; or "but this is only X division".]

RDL TRIVIA

This week's question (s): *This season's A division has 75(!) players registered on the division's 8 teams. Over my 49 seasons as the RDL statistician, what is the record number of players in one division for a season? And as a secondary question, what is the record number of players in a 7-team division?*

The answer: Well, this season's A division was *almost* record-sized, but not quite. It turns out that we have had 76 players in a division three times previously (although those three times were not created equally). Fall 2005's D division eventually reached 76 players, but that's because the Travelin' Beer Bellies replaced 2 of their 10 players at the fifth week meeting (meaning there were never more than 74 active players at the same time in that division). Similarly, Fall 2011's G division reached 76 because Tossers! made a replacement of a previously-active thrower after week 3. Which means that Fall 2005's F division was the only division to ever have 76 active throwers, with five 10-member teams, two 9-member teams and one 8-member team. And as far as 7-team divisions go, they have actually been "closer to full", with 67-player divisions hitting the list 4 times -- Spring 2008's D division, Spring 2010's I division, (the only I div. ever), Spring 2019's G division, and Fall 2019's G division (yep, that's G division throughout all of last year!).

This week's question(s): **During my 49 seasons as statistician, how many times has a team eventually registered more than a full roster of 10 players (meaning they either replaced an active player before the 5th week meeting, or had some extraordinary situation that dropped them below 6 throwers later in the season)? And what is the single season record for number of players on one team?**

ADO 501 LOCAL QUALIFER ADDED

Sunday, March 22nd, Upper Deck -- see calendar on page 4

RDL HEADLINES

"A" Division: Element slowly pulls away from the Bullies to end their win streak at a season and a half (and for the curious yes, *both* teams listed singles via the Bullies' phone spinner app); Nuts & Fringe make statements, re-claim spots in top 4
"B" Division: Double erases an 11-5 deficit to stay undefeated and hand Boom its first-ever losing streak; Show Me handles DD214, find themselves in 2nd alone while closing point gap
"C" Division: Down goes Frazier! Down goes Frazier! Serious, the league's most dominant winner (no losses since wk11 of last spring, with only ONE match since then that wasn't won *before* the last 501), falls to Projectile... and Serious had to sweep the 501s to even to get to the tiebreaker in this one!!
"D" Division: Shorthanded Machine drills the Shooters, making for an awesome lead trio race at 5-2; Don't Know nabs a win via forfeit, moving them within one match & a few pts. of 1st
"E" Division: Dr.unks takes the last three sets to overthrow the Kings and open up a two-match lead; Is It In? wins, waits to see if the Rangers will join them at 4-3 in battle for third place
"F" Division: Sanchez rips F'd from the F lead by reeling off 1 cricket points; Active narrowly gets off the Sofa, moves back atop the division; Ducks and Wire win, still in the title hunt
"G" Division: Captain Borgna (nooo... not Andrew) pops 1001 winner to push Tips past Dart Knights (who sat P.J. Davis in 501?!); Reefers, Still In win, three teams almost dead tied now!

Name the band/singer? the song? Last week's answers: Song 1 = "I Know What Boys Like" by The Waitresses; Song 2 = "Material Girl" by Madonna; Song 3 = "Fancy" by Reba McEntire (and a whole bunch of others who covered it later). And the theme? Yep, females who use their "assets" to get what they want. Not that any of us know any of those. [And wow, kind of a low number of guesses this week, so the only person to get more than one was Mikey Hindle, who nailed the entire thing (though he was hoping the theme was maybe a more positive type of 'girl power' vibe that wasn't as obvious... though he did acknowledge recognizing the theme for what it truly was. - JK]
Week 8, song #1 lyric: "I am sitting in the morning, At the diner on the corner, I am waiting at the counter, For the man to pour the coffee"
Week 8, song #2 lyric: "Walk right in, it's around the back, Just a half a mile from the railroad track, You can get anything you want..."
Week 8, song #3 lyric: "Watch the working girls go by, Watch the 'basket people' walk around and mumble, And gaze out at the auburn sky"

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.
 "A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs
 "C, D" Divisions = 3.5 or more ASPs
 "E, F" Divs. = 3.0 or more ASPs; "G" Div. = 2.5 or more ASPs
 Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).
Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

**SEASON-LONG TROPHY DART
MINIMUM GAMES PLAYED REQUIREMENTS**

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:
for ALL Divisions/Teams (except teams C1 and D2)
(8 teams / division):
Singles win %-age: min. of 19 Singles Games Played
All-star pt. Average: min. of 37 Total Games Played
for teams C1 and D2 (due to 1 forfeit received):

PREDICTIONS FOR THE WEEK

Not too bad of a week last Wednesday... 19-7 so far, with one of the remaining matches forfeited, and the other one postponed to this past Sunday. That brings me to 135-58 so far (for a 69.9% correct pick rate), and I'm actually doing pretty well in every division except D (where I'm a paltry 14-13). Maybe the most amazing thing though, is that in the past 5 weeks, I have a combined record of 1-14 (yes, ONE & FOURTEEN) in matches that involve Projectile, Machine, or Hump Day. Ridiculous.

Match of the week: (G Div.) Tips & Shafts @ Coral Reefers. The drama in G is pretty amazing... three teams separated by exactly ONE point at the top of the division, all sitting at 6-1 (and obviously thus all 1-1 within the lead trio). The crazier part? You guys probably think the three first-half matches were super-tight nailbiters. But nope... they all took turns kicking the crap out of each other! No joke, a 17-5, a 17-7, and a 15-9. What the heck do we make of that?! Do the results maybe all just flip the second time around? Nah. At least not this one. Tips take it, 14-10.

Match #2: (D Div.) Loaded Darts @ Shark Shooters. With the Machine taking down the Shooters last week, the D race is almost as tight as the G race noted above. But here in D, even the 4th place team is almost in 1st! Huge matchup here within the lead trio of 5-2s, and I'm expecting just as much closeness/anxiety as there was 7 weeks ago. Sharks, 13-11.

Match #3: (F Div.) Still F'd @ D.U.C.K.S. While there are a couple matches separating the top four in F, those teams all have almost the same points anyway, so any of these teams that goes on a run could take the division. Bad time for F'd to be on a losing streak. Ducks, 13-11.

Match #4: (G Div.) Neighborhood Dart Knights @ Starving Dartists. For the second season in a row, the Dart Knights are "just this close" to so many wins against the top teams in the division, it's causing me pain, and I'm not even in this division. They get back on their horse(s), 14-10.

Match #5: (C Div.) Cheap Shots @ Big Bulls. Check this out... these teams are in 5th & 6th, separated by 1 point. At the end of tonight, it's entirely possible the winner here will be in the top half of the division while the loser could be in dead last. Ummm, wow. Cheapies, 13-11.

Match #6: (F Div.) Darty Sanchez @ Banging The Wire. Huge win for

Sanchez last week, and now they're actually back in the F title hunt. Wire also got a clutch win last week to get in contention, but they have some point work to do. I think Sanchez has the goods, 14-10.

Match #7: (D Div.) Sharky's Machine @ We Still Don't Know! The Machine got the huge win (while Don't Know got... a huge forfeit win?), and just like that this is a matchup of two tried-and-true D contenders. I think I will doom the Machine and pick them, 14-10.

Match #8: (A Div.) Lunatic Fringe @ Dartistic Disturbance. I think the evolution of Dartistic into a solid A regular has been pretty cool. But it's time for Fringe to start reestablishing some order here, 15-9.

Match #9: (B Div.) Consistently Inconsistent @ Boom Baby. Last week's loss was the first time in the 21 matches since they formed that Boom lost before 1001. And this is also now their first losing streak. Which immediately ends now against a solid opponent, 15-9.

Match #10: (F Div.) My Darts R Bigger @ Sofa Kings. This match is starting to look very much like a very early head-to-head fight to stay in F next season. I think the Sofa looks good here in F, 14-10.

Match #11: (D Div.) Game of Throws @ Hump Day! Despite a 1-3 start and still sporting a losing record, the Humpers are only 2 wins (plus points) out of first! No, really. I think they get to 0.500, 13-11.

Match #12: (B Div.) Shooter McGavin @ DD214. Winner moves into top half of B? Maybe? Yep. Limerick comes up big. DD, 14-10.

And the remaining 16 matches, sorted by division:

A Division: The Neighborhood Bullies 18, Darty Minds 6; Birth of an Element 17, Repeat A-ffenders 7; Deez Nuts 14, Liver Die! 10.

B Division: Show Me 17, Irrelevant 7; Double 14, Rif Raf 10.

C Division: Projectile Dysfunction 15, Methodical 9; Bulls Up 14, Menace 2 Sobriety 10; Why So Serious? 16, Nine Lives 8.

D Division: One Armed Bandits 14, Treble Yell 10.

E Division: Dr.unks 14, Ma and Pa & the Kids 10; Is It In? 15, Rock Out With Your Cork Out 9; Red-eye Rangers 14, OH' SHEETZ! 10; Kings of the Board 14, Death Throw 10.

F Division: Active Shooters 16, Coach Yrself Clean 8.

G Division: Is It Still In? 14, Gretzky 10; We Throw It 16, Hitters 8.

WEEK-BY-WEEK SCORE TABLE - To see how your team has performed against other opponents, find your team in the left column, then read across to the right week by week. Each week lists the team number of the opponent as well as the match result and points scored for your team. An upper-case opponent number is a home match for your team, while a lower-case opponent number is a road match for your team. To see what the opponent scored in any given week's match (because sometimes matches have fewer than 24 total points when a blocker is involved), just find the score on the corresponding opponent line for that same week. (Match forfeits are listed in italics.)
