

TONS OF NEWSLETTER

Home to the Fall Session of the Raleigh Dart League for week #2, Wednesday, August 18, 2021 Issue #JK786

The "Really Didn't Plan To Miss Our First Match Back Because Of Donating A Dang Organ" Edition

OK, LET'S START OUR RETURN WITH THIS...

The teams/captains/players in week 1 absolutely rocked. After the mess that seemed like it just kept reflowering (see recap below), the RDL as a whole came through like a freakin' machine in our return after a year and a half away. Every match (even those involving new teams or new locations) went off without a hitch, every scoresheet reached me by lunchtime Friday, every player on every roster was listed in exactly correct player number order, there was no missing information for anything like a blocker or possibly confusing player name, the one postponed match was noted to me well in advance, and... the week was basically a perfect example of how things are supposed to run!! Thank you to everyone for doing exactly what I (and the Board, but they are generally quieter and more polite than I am) asked of you: just roll with it, whatever comes, and let's just make this all work and have fun. What a superb return from the extended absence. Kudos.

HOW WE GOT TO HERE - YES, ONLY 1 WEEK IN...

Ok, let's recap here, so we actually have it all in the record rather than just in an email (and because we have another change for the list. This is the step-by-step of how we got to where we are now:

In the preseason, Heather made schedules, I made packets, and we had 46 teams in 6 divisions, with byes in A and C.

At the preseason captains' meeting, we lost a team from C (Shooter McGavin).

The next night, we moved a team up from D, Heather made new schedules, and I updated everything in the Tons / Player Lists packets. We notified the teams in B and D, and told the C captains their schedules would come Friday.

Friday morning, we finalized the new C schedule and emailed the C captains their new info.

Friday afternoon, we lost a team from the newly-down-to-7-teams D division (Game of Throws).

Friday evening, Heather figured out the changes needed to move a team up from E, we notified the league that things would be changing again, and I updated the Tons / Player List packets again.

Friday night, out of the blue, we find out that we could GAIN a team (Off Constantly-Reboot, formerly We Still Don't Know).

Saturday morning, the newly added team gives us their roster, Heather and I go through where teams should be and weigh the pros and cons of all the gray areas (and with this many team drops and changes since Sp20, there were a lot of gray areas).

Saturday afternoon, Heather makes the final calls, does the new schedules again, and then I update all the Tons / Player List stuff.

Thus, the most updated full-information pack sent to the league (and used accurately by all!) ended up using the original information for A, B, E and F divisions. C had a fully new schedule, as well as one C team that had since switched boards, and another C team had since changed bars completely. D had also had a new schedule that now included a bye and a team that wasn't in any original schedule.

AND NOW WE HAVE ANOTHER TEAM CHANGING BARS COMPLETELY - "A" DIVISION TAKE NOTE!!

The Bullies, formerly of The Neighborhood, have changed their home boards to **Upper Deck 8&10**. This change is effective immediately (and they have updated their team name to remove the "Neighborhood", since that didn't make as much sense now).

Please see additional items elsewhere in the Tons: pages 7/8 - schedules, page 6 - reminders, page 9 - contact info, etc.

RDL HEADLINES

"A" Division: all three teams that lost in week 1 won or tied the "after 301" portion of the match; Fringe rides the Mitchell/Bakowski pair to huge opener; with Element stumbling out of the gate, did Bullies just move half way to an A crown with one big win over NRA?; A-fenders take A lead in tight start
"B" Division: The Terror Bulls announce their arrival with a big number; Boom plods to comfortable win and the #2 spot; Serious and Darty get clutch early Ws in big starter matchups
"C" Division: Sharks gradually leave Rif Raf behind in a strong first week to grab early C lead; the Outlaws bring 4 players, win 14 slots, take 1 loss; Cheapies steal one with a 501 sweep
"D" Division: the Reboot takes a boot to the Big Bulls (who I expect to be decent, so this is quite a statement); Hump Day outlasts Menace, while Machine squeezes Royalty in cricket
"E" Division: only 2 of the 16 sets played across the four E matches had score spreads greater than 4-2; all four losing E teams ended with exactly 9 points; and now all four 1-0 teams will face one of the 0-1 teams in week 2 - top/bottom to form?
"F" Division: F had two thumpings, one close match, one postponement, and the only preseason penalty -- not as tight as other divisions; Dart Knights & Privilege lead, face off tonight

THE PUBLIC FACE OF THE RDL IS A GREAT ONE

I spent a bit of time in the hospital last week (more on that in the next Tons, but I will be fine), and that sadly meant that I wasn't on a computer to send out a notice to the RDL list for this last Monday. Luckily, you can still see the cool thing!

The only youth national champ in the USA over the past three years (P.J. Stewart, of The Bullies... duh; and yes, he has won all national titles starting in 2019) was on the local news again!! Watch the video, and pay attention... the 6-Bull he tossed was REAL. Hit it on only his second turn on camera! Sooooo sick. <https://abc11.com/pj-stewart-darts-american-dart-organization-youth-clayton/10941204/?fbclid=IwAR2GKSvXtocQpBMWELDMJquCh3YLuGgk2uwdAXh1DPQb0xAjYvXPIOev8Vw> (yes, combine all three lines of this address for your browser)

Name the band/singer? the song? Do you know the theme? This is one of the most popular items, so obviously it's back for a 20th season.
Week 2, song #1 lyric: "Don't stop and lose your touch, oh no, baby, Hard times knocking on your door, I'll tell them you ain't there no more"
Week 2, song #2 lyric: "I move in, now move out, hands up, now hands down! Back up, back up, tell me what you're gonna do now!"
Week 2, song #3: "Cleaned a lot of plates in Memphis, Pumped a lot of 'pane down in New Orleans, But I never saw the good side of the city"

DIVISIONAL TEAM STANDINGS and MATCH RESULTS FROM WEEK 1 (8/11/21)

REMEMBER THAT ROSTERS ARE FLUID FOR WEEKS

Please (I repeat, PLEASE) do not go ahead and pre-print all of your scoresheets for the whole season yet. Also, do not put the preseason player list in your weekly notebook and then treat it as though the rosters there are automatically the rosters for your opponents every week. Teams are allowed to add players and/or replace players all the way through the Monday after the 5th week of play. And the last-minute information from that Monday will not be available for the week 6 Tons, meaning that you can assume the rosters are final when you receive the week 7 Tons. And not before... If you end up using scoresheets that match outdated player lists, you're making it pretty easy for me to identify the captains/teams that ignore what is included in the newsletter - and we all know that those are the very first people that receive the benefit of the doubt from me if any questionable situation ever arises, right?

A holdover message I saved from previous seasons...

NOTE FROM THE RDL MEMBERSHIP DIRECTOR - REGARDING FACEBOOK MESSENGER REQUESTS

As you all know, in order to add a player, they must be approved and paid for (unless you had a prepaid spot) by Tuesday evening. I will always check email through Tuesday evening for the 5 weeks when folks can add players, however, I am not always on Facebook. If you are wanting to add a player I would NOT recommend using FB Messenger after Sunday night if you want that player to be approved for play the following Wednesday. There are times I am not on FB for days at a time. If you send something Thursday through Sunday I will probably see it in time, but I make no promises about getting on FB Monday or Tuesday night.

"HOT DARTS"

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs

"C" Division = 3.5 or more ASPs

"D, E" Divs. = 3.0 or more ASPs; "F" = 2.5 or more ASPs

Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

for Divisions "B", "E" and "F" (8 teams / division):

Singles win %-age: min. of 19 Singles Games Played

All-star pt. Average: min. of 37 Total Games Played

for Divisions "A", "C" and "D" (7 teams / division):

Singles win %-age: min. of 16 Singles Games Played

All-star pt. Average: min. of 32 Total Games Played

PENALTY LOG

Preseason captains' meeting (5 pts.): The Gutter Balls (F,wk.1)

PREDICTIONS FOR THE WEEK

As with most recent seasons, the amount of stuff that goes into the week 1 newsletter prevents me from having enough space to include both the season-long and the weekly picks. But I still do them both, and then report the week 1 results to you guys here, so that we have a full season of picks. And I absolutely ROCKED the first week of the season! After a year and a half way, I rang up a 17-3 record (with match #21 postponed for now)! 85% right to start, even getting my own team's pick wrong? I will take that start every season every year... On to the week 2 guesses!

== Two 1-0 teams ==

Match of the week: (A Div.) Lunatic Fringe @ The Bullies. Fringe got a big win in week 1, but The Bullies might have gotten "the" win. Now, with A-fenders on a bye, the winner here sits alone atop the A pile after a nightmarish two-week gauntlet to start. The Bullies it shall be, 15-9.

Match #2: (B Div.) Brown's Terror Bulls @ Darty Daze. Oh, super interesting... a team with lengthy A/B experience (Darty) chasing down a newly-formed hodgepodge (Terror) that has already rung up a giant whoopin'. Does Darty settle this back down, or does Terror keep mashing the pedal to the floor? Let's go new and interesting; Terror Bulls, 13-11.

Match #3: (F Div.) The Neighborhood Dart Knights @ Flight Privilege. There is a postponed week 1 F match with a team I think could be a contender, but for now these two sit with control of the division. Pretty key matchup here early on in week 2, and Flight Privilege nips it, 13-11.

Match #4: (D Div.) Sharky's Machine @ Off Constantly-Reboot. After getting a bit of a break to get back into the schedule, the Off Reboot dropped a week 1 hammer to vault to the top of D (and they didn't even have Azevedo!). Handing Machine its first loss would further strengthen the strong restart for the Reboot, and I think they'll get it. Off, 14-10.

Match #5: (B Div.) Boom Baby!!! @ Why So Serious? The unavoidable collision of two teams that have felt for a while like they could be working on an eventual climb to A. We're already a point where the winner here sits as one of the pair of 2-0 teams with an edge on a Spring A division spot. I'm taking Boom Baby here, but this is going to be so tight... 13-11.

Match #6: (C Div.) Cheap Shots @ F Bombs. Two teams that got heavily out ASP-ed in week 1, and one that lost 14 of their slots. Yet, the fact remains that they are both undefeated, and this winner may be alone atop C in just a few hours. I'm a bit unsure of what is going to happen here, to say the least, but we have to guess somebody... I'll go F Bombs, 13-11.

== Two 0-1 Teams ==

Match #7: (A Div.) North Ral. Alliance @ The Reunited Element. Loser here is immediately fighting for last place. Yikes. Attendance issues have already hit Element once, so despite my personal bias, how do I fairly pick against Alliance? NRA (but I hope not), 13-11.

Match #8: (B Div.) Show Me Your Tips @ Consist. Inconsistent. Sure, these two are each 0-1, but they both lost decent matches to serious contenders. Time for a rebound for... Show Me, 14-10.

Match #9: (C Div.) Dysfunctional Outlaws @ Toeing The Line. One (very small) team won 14 slots and still lost by 3 points. The other completely let a win slip through their 501 fingers. What a crushing first week for both. It gets no better for Toeing... 11-10.

Match #10: (D Div.) Big Bulls @ Board Royalty. Look, I know Big Bulls got their butts handed to them last week. But I still really do think they are in the chase, and they jump outta the cellar, 15-9.

Match #11: (F Div.) We're Sexy & We Throw It! @ Sofa Kings. Alright, quick peek at the possible "other end of the standings page" here in the early season. I think the Sofas find win #1, 15-9.

Match #12: (B Div.) Armed & Hammered @ DD-214. Yikes, that was a rough start for DD. I'm sure they'll rebound quite a bit once they get a full roster to show up, but I'm guessing it won't be this week against a pretty stout Armed squad. Let's go Armed, 14-10.

== What is the probability math behind ALL FOUR wk02 matchups of 1-0 vs. 0-1 teams being in just one division? ==

Matches #13-16: (E Div.) Salty Damn Duck Gone @ Red-eye Rangers; Just F'd @ Darts & Debauchery; Ones Are Closed @ Death Throw; Left, Right, Corkers @ Darty Sanchez. Not only do all four 1-0 E teams get to face a winless team, but all four also get to play the match at home. I'm thinking that's enough for three of the leaders, but the one I'm thinking might get upended is actually the highest-point/highest-ASP team so far!! I'll go... Ducks, 13-11.

And the remaining 5 matches, all of which involve a team that had a bye or postponement in week 1, sorted by division:

A Division: Liver Die! 16, Shadows Count 8.

C Division: Shark Shooters 13, Nine Lives 11.

D Division: Menace 2 Sobriety 14, One Armed Bandits 10.

F Division: Banging The Wire 16, Dart Side of the Moon 8;

Coach 4:4 16, The Gutter Balls 8.

OUR SCORESHEET RETURN DEADLINE SINCE 2017!!

The weekly deadline for submission of your scoresheets is no longer on Saturday. **The new deadline is 11:59 p.m. Friday** (unless you had a rescheduled match - then it's within 2 days of the day you played).

TIEBREAKER = MATCH WIN, NOT POINT

Don't forget that the tiebreaker game (1001) does not score a team point. Matches decided in 1001 should be recorded as 12-12 (or 11-11, or whatever your tie is), with one team winning & one losing.

TIE SCORE? INDICATE WINNER

Also don't forget that if your match goes to 1001 you need to indicate the winning team in some fashion (circle, "+" sign, etc.).

TEAM NAMES ON YOUR SCORESHEETS

Every season there are several instances of teams listing the team names on opposite sides of the scoresheets (meaning that one team's name is written above the other team's players). Obviously, I will eventually figure these out when the names under a team name aren't on the roster, but it would be cool if you simply indicate the error in some way (or simply flip the names - I would rather an away team be on the home side and vice versa than have the wrong people AND THUS BACKWARDS FINAL SCORE under each side). Thanks.

LOSING TEAM'S SCORESHEET RESPONSIBILITIES

Just a quick note to the new captains: you are NOT responsible for sending in the scoresheet if you lose the match. I DO, however, recommend that you save your copy in case the other team loses theirs - that way, I can still get yours and update the statistics. Oh, and... **CHECK THE OTHER TEAM'S SHEET FOR ACCURACY!!!**

DOUBLE-CHECK PLAYER NAMES

Please double-check the spelling of the name of each player on your team in the lists on page 10. If anybody's name needs to be corrected, shoot me an email or leave a message on the VoiceMail.

KEEP YOUR INFO CURRENT

Captains, please do not forget that if you change your phone number, I can't reach you, and other captains (who might be forfeiting!) can't reach you. Keep me updated. Thanks.

NOTE ON EMAILED TONS SIGNUPS

If you would like the Tons emailed to you, it's pretty simple. Just email me directly (see page 4) and let me know that you want to be added to the list. I do ask, however, that you also tell me who you are when you email me (as email addresses often are pretty anonymous). I use GMail (and Yahoo) address books, and they are sort of based on last names, and I have far too many people to put in one address book. Having both names helps me track who is in which address book so that I can add and delete people easily when they request it. Thanks. JK

EXTRA NOTE ON EMAILED TONS SIGNUPS

If you are already on the mailing list, there is no need to sign up for the Tons again. And again. And again...

Also, if your address bounces my email three weeks in a row, I will indeed remove you from the list. Just for list maintenance...

WHAT SCOREKEEPERS CAN SAY DURING CRICKET

It is now official RDL policy that **during cricket, the scorekeeper may only tell the thrower how many of each number has been hit during this turn**, and may not report any more of the situation (whether a number is now closed, new point total, points still needed, etc.).

CAPTAINS PLEASE READ THIS

What follows here is a list of very important reminders for all of you. I have provided the greatly shortened versions of each of these reminders, so that you can read the entire list quickly.

1. Indicate who the 'blocker' players are. Simply writing 'blocker' is NOT sufficient. If you don't, then BOTH teams will receive a penalty! Yes, both... And you may NOT pick the same player to fill both blocker slots in a section with a team short 2 players.
2. Indicate which players of both teams took part in 1001 games on the front of the scoresheet. This is now MANDATORY, and allows us to check for ineligible players, record statistics, etc.
3. Don't forget to make extra copies of your scoresheet blanks.
4. Save a copy of each of your completed scoresheets.
5. The guidelines for Hot Darts to report (in terms of fast games and such) are on page 4 of every issue of the Tons of Newsletter.
6. While the scoresheet no longer has the bar ratings scoreboard, it does still have a box for comments. Those comments are indeed passed on to the Board every few weeks, so by all means point out things that you think need to be changed.
7. If you know beforehand that your team will be forfeiting, be a nice guy and call the other team and host establishment in advance.
8. NEVER play a player that has not received approval from both the Memb. Director (Heather Bohanan) & Treasurer (Taylor Caldwell). This includes getting approval even if simply using a player slot for which you've already paid.
9. If a player didn't play in any of the four primary sections of the match, that player is ineligible to play in 1001.
10. Wednesday player additions and/or changes are not allowed. Those must all be completed no later than Tuesday of each week.

MANY SCORESHEET RETURN PATHS AVAILABLE

We have three routes remaining for turning in your scoresheets...

First, you can use your scanner (or your phone in some cases) and email me an image of the sheet (my email addresses are in the Tons every week and also on the back of the scoresheet).

Second, you can shoot me photos of your scoresheet if you want to take care of returning it immediately! Just make sure you have good lighting, you're close enough to the sheet, and it's IN FOCUS. (note: out-of-focus or overly dark photos will not be acceptable... duh). And you can send those photos by email or text (as with my email addresses, my phone number is on the scoresheet back).

Finally, you can still use the old school U.S. Postal Service. My address is also on the back of the scoresheet, but I caution you... I predict that this system will go away before too long (as I haven't received one via this route for a couple years now... plus the duration of a pandemic!).

[Quick note if you do actually decide to send me a hard copy via the snail mail side of things. Buying a (\$1.35-ish?) certificate of mailing could prove to be a nice piece of evidence if your scoresheet ever gets lost in the mail. Do NOT send your scoresheet by certified mail - I do NOT want to have to go to the post office repeatedly (or at all, to be honest) to sign for your scoresheets.]

If you use any of the modern electronic methods, I'll even email or text you a quick confirmation of receipt (since I'll have your email address or phone number, of course) - thus eliminating any worry about whether the sheet got through to me :o).

NO CALL-IN REQUIREMENT FOR MATCH RESULTS

Since the Fall 2017 season, winning teams are no longer required to call in match results each week. And actually, the league is now at the point where we have simply discontinued the VoiceMail number. Not enough use of it to warrant the cost any longer.

FALL 2021 RDL SCHEDULES FOR ALL DIVISIONS

The schedules for all divisions, on this page and the next, were provided by Membership Director Heather Bohanan. Also included on page 9 are the contact numbers for all the captains and their bars. That way, any of you who need to contact a captain of another team for whatever reason (rescheduling, fun matches, emergency changes in home establishments, etc.) will know who to call and how.
