Home to the Fall Session of the Raleigh Dart League for week #6, Wednesday, September 15, 2021 Issue #JK790

The "Holy Crap, It's Great To Have The NFL Back (And With Fans In The Stands!)" Edition

ROSTERS ON PAGE 10 ARE NOW FINAL - YES, ALREADY

The week 6 roster addition/change deadline has passed, and I held this issue of the Tons long enough to get the last roster changes in this issue. Thus, team rosters on page 10 are now final for this season (barring extreme circumstances). You can now go ahead and pre-print your scoresheets for the rest of the season, using the player names and numbers from page 10. If you've already pre-printed your scoresheets for weeks 6-14, PLEASE double-check your sheets against those included here. And a note to those of you whose player lists do not match the order here: nope, that's not a penalty. But it is also a missed opportunity to do something very small that saves me a lot of time and really puts you on my good side. And sadly, no, putting the names in a different order and just moving the numbers around in the left column to make them match accurately does NOT help very much with data entry time-saving.

OK, TIME FOR A COUPLE REMINDERS

Reminder #1 - blockers don't score points...

We all know it, we all say we'll never make a mistake on it. But that clearly isn't true. When one of the teams in your match is shorthanded and is employing a "blocker," please make sure that you don't attribute a point to that blocker if s/he wins. Yep, all all-star points, all fast games, and even the individual wins/losses in personal records all do indeed count. That blocker just does NOT score a point for the team.

Reminder #2 - players with the same name

If a team has more than one player with the same name, please be certain that you know WHICH of those players is actually present and playing in each game. And I don't just mean "make sure you include a last name or last initial, as is sufficient" (which is clearly great advice and something you should do), I also mean to make sure that you know WHICH of those players is even present. Already had a few instances this season of a team marking all the ASPs and games played under one name, when it was actually the other player with that name who was the one playing

NO ELECTION BALLOTS THIS SEASON

Some of you may have noticed that I have not sent out any election ballots this season, despite having included nomination ballots in the preseason packet. Well, that's because we once again had only one candidate nominated for each office (and in those cases, no ballots are distributed). Thus, we have no mandatory ballot returns this season (and no infernal ballot return penalties).

So, who will be our officers in 2022?

Well, for every office but President, the incumbents were willing to continue onward (so you should definitely thank them all every chance you get). They are on page 4 every single week, and they are the volunteer glue that keeps our hobby rolling. They handle all the crappy stuff, and deal with all the issues. Very generous.

But what about the President?

Well, **Tex Mozzetti** (of Lunatic Fringe) will be ending his tenure at the end of 2021, and **Michael Johnson** (of The Bullies) has agreed to take on that lead role. Huge thanks to Tex for his NINE years (seven as President) of Board service. And good luck to Michael.

RDL HEADLINES

- "A" Division: Alliance races out to huge singles lead against Liver before limping through doubles to take over the #2 spot; Fringe takes every set from the A-fenders to climb up into 3rd; and Element gets by the Shadows to set up a head-to-head fight with Liver for fourth tonight at the Upper Deck
- "B" Division: The Terror Bulls sweep two sets to handle the Inconsistent and extend their point lead a bit; Serious gets a huge 1001 win over Armed in one of the most back-and-forth matches of the season; Darty Daze rides a cricket advantage to yank Boom Baby out of the lead trio; Show Me gets their first win in a walkover of DD-214 where they rolled the '01s
- "C" Division: F Bombs continue ramping up, taking a 12-0 '01 run to the bank against Rif Raf, and taking over the C lead; Cheapies take their first loss when the Sharks break open a tied match with a 501 sweep; Niners close out shorthanded Toeing after three sets, then slip into one of those 501 naps
- "D" Division: Big Bulls' run continues, tacking on a 4th straight win and keeping the D top spot; 4-person(!) Hump Day take out the previously 1-loss Bandits, winning 3 of 4 sets despite their double-blockers; Off Constantly wins again, this time by a pretty big score that built their lead on the #3 team by a bit
- "E" Division: Sanchez gets a huge win over the Ducks, now holds a two-match lead on the pack due to other results; Just F'd rings up their first win, in a match that dropped Death Throw two matches off the lead pace; Debauchery outlasts Rangers in 1001 (in a 71-darter that made it onto the sheet!)
- "F" Division: Coach outlasts the Sofa Kings to stay at 1 loss and in the #2 spot; Dart Side also keeps themselves in the 1-loss group, but just barely due to a complete 501 stumble against We Throw It; Banging gets by shorthanded Privilege to keep hold of their spot in the top half of the division

LAST REMINDER - NEW CAPTAIN IN "F" DIVISION

Captains/teams in F please note that **Flight Privilege** will be led by **Tammy Newton** (252-213-3096, tnewtonmom@gmail.com) going forward. Please save her information for any potential future reschedule discussions, or any other related items.

Name the band/singer? the song? Last week's answers: Song 1 = "Chain of Fools" by Aretha Franklin; Song 2 = "Foolin'" by Def Leppard; Song 3 = "Everybody Plays the Fool" by The Main Ingredient (and later Aaron Neville). And the theme? Well, I was actually just going for a general theme of all the damn fools we each encounter throughout our days. But one quiz respondent offered a pretty dang funny answer that was a little edgier than I myself had employed: "The Antivaxxers/Antimaskers." Oh, dang. [Anyway, while a few people hit the theme and some songs, only Mikey Hindle and Pete Rutten were able to ring up the entire set of songs/artists/theme. Nice. - JK]

Week 6, song #1 lyric: "Well, we got no choice, All the girls and boys, Makin' all that noise, 'Cause they found new toys, Well, we can't salute ya"

Week 6, song #2 lyric: "Your future's so unclear now, What's left of your career now? Can't even get a trade in on your smile"

Wk6, #3: "Well I don't care about history, 'Cause that's not where I wanna be, I just wanna have some kicks, I just wanna get some chicks"

NEW SINGLES TOURNAMENT REPLACING SATURDAY BLIND DRAW

For the next few weeks, Brown's Billiards will still be hosting their regular Saturday blind draws at 8:00 p.m. But starting on October 2nd, they will be switching their Saturday weekly event to a singles tournament that starts at 7:00 p.m. It will be a \$10 entry fee and the bar will be matching 100% (although it's not yet decided if that will be 100% that night, or 50% that night and the other 50% saved for something like a tournament of champions every 12 weeks or so). The playing format will be Chicago (301/501/cricket), best 2 out of 3 in both winner and loser brackets (double elimination!). Also there will be a bounty for whoever can knock out the player who won the prior week(s). There will also likely be a triple shot. But please note, the final specifics of the format/payout/etc. are still somewhat in the finalizing phases, so the organizers are still open to suggestions if you have some. Please let the Brown's staff or owner David Huffman know if you would be interested in playing, but also if you have any further suggestions.

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs

"C" Division = 3.5 or more ASPs

"D, E" Divs. = 3.0 or more ASPs; "F" = 2.5 or more ASPs

Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

for Divisions "B", "E" and "F" (8 teams / division):

Singles win %-age: min. of 19 Singles Games Played

All-star pt. Average: min. of 37 Total Games Played

for Divs. "A" (except team A3), "C" and "D" (7 teams / div.):

Singles win %-age: min. of 16 Singles Games Played

All-star pt. Average: min. of 32 Total Games Played

for team A3 (due to 1 forfeit received):

PREDICTIONS FOR THE WEEK

Hey, I did pretty well last week... 16-5 for the week, and I was really close to an ever better record, as 3 of my 5 wrong picks could have flipped result on a single dart, and a 4th was one dart from a tiebreaker. That brings me to 73-31 for the season, for a correct pick rate of 70.2%. It has, however, become my short-term life goal to get even one single solitary One Armed Bandits pick correct... They're 2-2 and I've picked them to win twice and to lose twice, and yep, was backward every time.

Match of the week: (B Div.) Why So Serious? @ Brown's Terror Bulls. With Darty's win over Boom last week, these two have been left as the only 1-loss teams in B, so this is immediately a battle for the B top spot all alone. The Terror Bulls have thumped teams, squeaked out wins, gotten owned one night... while Serious just plays nailbiter after nail-biter. I like battle-tested teams, but I like high roll ones too. BTB, 14-10.

Match #2: (E Div.) Darty Sanchez @ Darts & Debauchery. Ok, we are nearing the point where there might not be any more "E title chase" stories, as Sanchez has a chance to knock a fifth opponent 3+ matches back already. This might be the best pairing in E, so there is still room for some drama here, but I'm kinda thinking it's Sanchez time, 13-11.

Match #3: (F Div.) Coach 4:4 @ Banging The Wire. The Dart Knights have already given the rest of F notice that they are going to be a big ol' problem all season. We're about at the point where we're determining the top challenger, and these two teams have the most points among the seven non-Knights teams (and Coach is only one loss behind so far). I still think Banging is a contender, but I'm taking Coach, 13-11.

Match #4: (D Div.) One Armed Bandits @ Off Constantly-Reboot. Nobody in D is undefeated, so a pile of three 1-loss teams and two 2-loss teams makes for an exciting little mess. These two are both right in the thick of it all, and I honestly have zero idea what to make of either of them. Their outcomes feel frickin' random. Ugh. Bandits in 1001?

Match #5: (B Div.) Consistently Inconsistent @ Armed & Hammered. Nobody in B is undefeated, and one of the two 1-loss teams will be losing tonight. So teams jumbled in that next four-pack of chasers are all very much alive for almost any finish. This match might be a sneaky level of important. CI loses 70% of their SCKts?? I'll take Armed, 13-11.

Match #6: (D Div.) Big Bulls @ Sharky's Machine. After having their butts handed to them on a platter in week 1, Big Bulls has rebounded in a huge way to take the lead in a tight D pack. On the surface, these

two look pretty even, but when push comes to shove in 501, they've run off in opposite directions. I'll take the clutch Big Bulls, 14-10.

Match #7: (A Div.) Liver Die! @ The Reunited Element. After five weeks, every A team aside from The Bullies has 2+ losses. Thus, matches of 2-loss teams could end up deciding spots all the way up through 2nd. Element presently has team members spread all over the U.S., but I still have to take my own team, right? Element, 14-10.

Match #8: (C Div.) Cheap Shots @ Nine Lives. Only 1 match and 3 points separate these teams, in what is yet another division that so far has produced a crazy mess of evenness toward the top. The Niners are two spots from the cellar and could be in first place in just 2-3 weeks. I have no idea what will happen here. Cheap, 13-11?

Match #9: (E Div.) Red-eye Rangers @ Death Throw. If Sanchez keeps rolling, this match could be simultaneously important in the race for 2nd and the race to avoid a bottom-two spot. But if Sanchez falls tonight, maybe this actually becomes a factor in the division title race? Another great pairing. I'll take a Rangers upset, 14-10.

Match #10: (F Div.) Flight Privilege @ Sofa Kings (ppd. to 9/23). Sort of last call for any type of top-two chase for two pretty good squads. With them finally filling in for a couple open roster slots, I think Privilege might finally be on the upswing. Privilege, 13-11.

Match #11: (B Div.) Boom Baby!!! @ Show Me Your Tips. Well, a little bit of history here (although a touch of that history is now on a different B roster). Not exactly the same importance as in prior seasons, but this is still interesting. I'll go with Boom, 14-10.

Match #12: (E Div.) Just F'd @ Left, Right, Corkers. On its surface, this looks like a battle of teams trying to avoid a bottom-two finish. But with Corkers no longer shorthanded every week, I think they're more likely trying to get into a top-two race discussion. Cork, 14-10.

Match #13: (E Div.) Ones Are Closed @ Salty Damn Duck Gone. It's only 2 losses from 2nd to dead last in E. Kinda no match here that isn't still important. I think the Ducks bounce back here, 15-9.

And the remaining 8 matches, sorted by division:
 A Division: Bullies 17, A-fenders 7; Alliance 18, Shadows 6.
 B Division: Darty Daze 15, DD-214 9.
 C Division: Outlaws 14, Rif Raf 10; F Bombs 15, Toeing The Line 9.
 D Division: Hump Day! 14, Board Royalty 10.
 F Division: Dart Side 16, Gutter Balls 8; Knights 17, We Throw It 7.

AMID ALL THE CHAOS... EVEN GREATER LOSSES

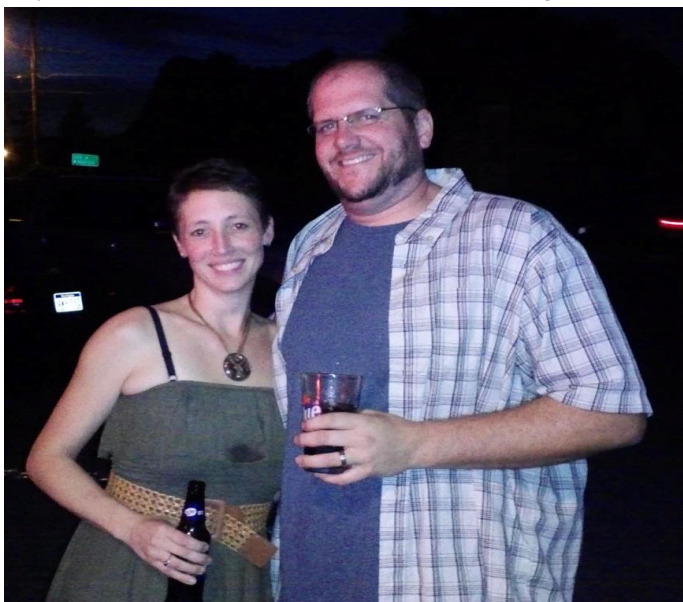

I've held off on including these a bit, just to give us all a chance to share in the joy of being back together a bit. It's important to remember and to mourn, but I just wanted a bit more happiness for the league as a whole first. Hopefully, the joy of being back together in person has put us all in the proper perspective and state of mind, and given us enough recovery time, to do what we should do here - remember our friends in the happy way that they deserve. In that light, despite the fact that we were apart for so long that I could actually generate a list of people that we've lost, let's honor these fallen brothers. Raise a drink to their memories, share your favorite stories with your teammates, and keep them alive and well in your hearts and minds. If they made that kind of impression for you, they'll never really be gone.

BOB CARAWON - June 19, 2021

Bob Carawon, the longtime captain of the Ducks, can only be characterized as an RDL cornerstone. He was in the league before I got here (so I honestly don't know how long he played), and then he was the Ducks' main pillar for the next 48 seasons (1996-2019) while I was here. Bob is routinely referred to around the RDL as one of the nicest and most generous league members any of us have ever met. Very few leave the legacy of appreciation and love that Bob has, and I suspect his loss is felt across the league more than almost anyone else's. And as a true RDL-er, Bob's legacy lives on not only with his team (one of the league's longest-standing), but also within his son, Harris. Turns out three of the four people on this page are actually dart lineage family members! (Sadly, I do not actually have a picture of Bob to share with you... but I'm also fairly certain that so many people have known Bob for so long, that a photo probably isn't necessary for most.) p.s. Yes, the current Duck team's extended name is indeed in honor of Bob.

JASON THOMAS - July 5, 2020

Likely the most recognized name on this page, Jason Thomas was not only one of the most beloved members of the league as a player, Thomas also served 2 years as the league Vice President and then 7 years as the League President. Thomas was somehow one of the most visible and likeable Board members that I can remember - just something about him made him approachable and easy to talk to for basically every league member, such a great quality. But beyond his "league service," Thomas was a cornerstone of some of the most recognizable teams in the league's history, starting with Point Break and The Replacements in 2001/2002, and culminating with some of the Ted's Emporium teams through 2017. He was often joined by his father (Joe "Antique" Thomas) on his teams, making his story another of the family dart legacy strings so prevalent on this page. While I personally have had interactions and history with all of the guys on this page, I will admit that the loss of Thomas hits me (JK) hardest personally. Thomas was my teammate and friend for many many years, and he was so beloved on our Bull City league team that we named our team after him even for seasons after he no longer played with us. Think about that... he wasn't playing with us anymore, and we were still naming our team after him. That might be all you need to know about what Thomas's friends thought of him.

JOHN KUHNS - April 19, 2020

John Kuhns, a 7-year member of the RDL (at least during my tenure here as the RDL statistician), goes down in the record books as one of the league's most loyal friends. A true team guy who was out for the night out and the friends even more than the competition, Kuhns certainly hauled in his share of success anyway. He was a many-year regular for Mug Hunters and then Methodical Madness, but he hadn't actually thrown with us since 2017. Another member of a dart lineage (his father was quite the hammer for many years), Kuhns carried the legacy well, and will be missed dearly by all of his past teammates (and probably most of his opponents). Too young to no longer be with us, he would remind us to live life full on.

STEVE "DOC" HOFFMANN - August 9, 2021

Doc Hoffmann is somewhat of an RDL legend. He was here long before I joined the league in 1995, and he was actually the captain of my very first team here (Pig Tour '95). Hoffmann was a full-time RDL member through 2005, and was a cornerstone of two of the RDL's greatest teams (Pigs and Fringe), having hauled in nearly countless titles in the top division. He was also a central member of the Raleigh City Team that was so dominant that the NC City Dart League was formed to level the playing field for the state, and he was also the winner of five NC State Championship doubles/triples/four-player events (mostly partnering with Phillip Maxwell). Sadly, a massive stroke took Hoffmann from us last month in Klamath, Oregon, where he had moved many years ago to be closer to his daughters. A true free spirit and crazy fun lover, Hoffmann will never be forgotten by those who played with or against him.
