The "I Saw Levels Of Commitment This Weekend That I Never Expected (And Maybe Didn't Understand)" Edition

SCORESHEET RETURNS IN WEEKS 13 AND 14

[Note: I run this item every season... You've seen it before, and you'll see it next season. It still applies, so please read on. - JK]

I am begging each of you captains: please send your week 13 and week 14 scoresheets as quickly as possible. Preferably, all of you would send your scoresheets by early Friday. I need the week 13 scoresheets quickly to assemble the singles and all-star leaders lists for the final week of play. **Any division for which I don't have all of the scoresheets will NOT receive the leader standings or divisional statistics, unless no top throwers are included in that match.** It is not fair for some players to know how the others did in week 13, and not vice versa. So, please send me your week 13 scoresheets quickly. ##### I also need your week 14 scoresheets sent quickly, so that there aren't any playoff positions changed by a scoresheet return penalty. If I have to call people on Tuesday and change the match in which they are involved, I will be VERY unhappy. I have had to do that twice before, and I DON'T want to do it again.

MINIMUM GAME REQUIREMENTS

Please do not forget that there are minimum numbers of games required in order to win awards for singles win percentage and all-star point average. These minimums are printed on page 4 of every issue of the Tons, so not being aware of them is your own fault. Make sure that any members of your team that are in the running for either of these awards play enough games if they are interested in trying to win either of those categories.

ALSO, DON'T FORGET...

...there is a minimum number of matches played for participation in postseason tournaments. That number is 4 matches for all teams in all divs., regardless of forfeits, byes, or whatever. You simply must throw in 4 matches. Four. No more, just 4. There are presently 41 active team members who have yet to play a 4th match - 1 in A, 12 in B, 7 in C, 8 in D, 10 in E, and 3 in F.

RDL TRIVIA

Last week's question(s): *What is the longest losing streak that an eventual division champion has had to start a season (during my tenure of 1996-forward, of course)? Who had it, and when?*

The answer: (Yeah, well, I went out of town this past weekend, and I didn't take the team to research this answer. I'll run the answer to this one next week, along with the answer to this week's question below.)

This week's question(s): **How many times since I became the statistician (1996-forward) has the RDL singles champion not also been the division leader in overall record? Which singles winner finished the farthest from the overall record lead?**

ANSWERS TO SOME RECENT QUESTIONS

- Yes, if the second player's dart in a diddle causes the first player's to fall out, you re-diddle completely, with reverse order.
- Yes, the RDL DOES take Thanksgiving week off. The quarter-finals are before that week, the semis and finals are after it.
- Yes, games thrown as a blocker DO count as a game played for the person chosen in that slot. And any ASPs thrown, any fast games achieved, and any individual wins or losses also count.

RDL HEADLINES

- "Leaguewide": 2 of the 6 division titles already clinched; not one "high in" in any division above Ton-20 yet this season; some teams already populated in tournament brackets (pg.6)
- "A" Division: A-fenders and Shadows both come quite close to their first big upset wins of the season; Alliance rolls past Liver in all four sets, closes in on clinching 2nd place finish
- "B" Division: Terror Bulls narrowly get by Inconsistent, who had already picked off three other division race contenders; Serious screams through 5 doubles against Armed to keep an outside chance at the B title; one wk12 B match unreported
- "C" Division: one week after being dumped, F Bombs rebound, and end up clinching division crown; Niners, fresh off a win over F Bombs, get flat out torched by a shorthanded version of the last place team... because, the Niners are the Niners...
- "D" Division: nothing flashy for Off Constantly, but the win moves them one step closer to the D title; Big Bulls ring up a big number, which was pretty important to their outside shot at still winning the D race; Bandits take out Humpers in 1001, no truth to rumors that the team victory photos are at the bottom of Falls Lake... well, not anymore, I guess that is...
- "E" Division: after a 6-week losing streak, Ducks now a 2-match win streak, with the latest being over then-division-leader Sanchez; Rangers handle Debauchery to move to E lead, set up week 14 showdown; Just F'd wins big, hops out of E cellar
- "F" Division: Dart Knights and Dart Side each win, not just one win each from a huge rematch for the F season crown; Coach and Banging win, set up their own battle, this one for #3 slot

STUFF FROM THE LEADERS' LISTS

- Alex Spellman is down to four singles sets left in his drive for the first undefeated A division singles run. History happening?
- The F singles and B all-star point leaders are going to need to get picked as a blocker to make those game minimums. One of those isn't on a team that is normally shorthanded though...
- The Membership Director might have gifted us with TWO week 14 head-to-head division championship tilts (E and F).

Name the band/singer? the song? Last week's answers: Song 1 = "Jeremy" by Pearl Jam; Song 2 = "Hey Man Nice Shot" by Filter; Song 3 = "Ode to Billie Joe" by Bobby Gentry. And the theme? Yeah, this one was a little dark, but I heard the first two songs on the radio one day, and just decided to go with it. Yep, the theme is public suicide. Some real in here, some just in a story, but all public nonetheless. [A few people got one song each, but it was only lyrics pro Mikey Hindle who got all three songs and artists. He went with a theme guess of just people being mean/bullying, which was pretty much in line for a couple of these, so that was a pretty decent guess. - JK]

Week 13, song #1 lyric: "Sit down, take a look at yourself, Don't you want to be somebody? Someday somebody's gonna see inside"

Week 13, song #2 lyric: "You're taking one down, You sing a sad song just to turn it around, You say you don't know, You tell me don't lie"

Week 13, song #3 lyric: "Rebel souls, deserters we are called, Chose a gun and threw away the Son, Now these towns, they all know our name"

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs

"C" Division = 3.5 or more ASPs

"D, E" Divs. = 3.0 or more ASPs; "F" = 2.5 or more ASPs

Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

for Divisions "B", "E" and "F" (8 teams / division):

Singles win %-age: min. of 19 Singles Games Played

All-star pt. Average: min. of 37 Total Games Played

for Divs. "A" (except team A3), "C" and "D" (7 teams / div.):

Singles win %-age: min. of 16 Singles Games Played

All-star pt. Average: min. of 32 Total Games Played

for team A3 (due to 1 forfeit received):

min. of 15 Singles Games Played, 30 Total Games Played

PENALTY LOG

Preseason captains' meeting (5 pts.): The Gutter Balls (F,wk.1)

Late scoresheet (16 pts.): either team B1 or B3 (B,wk.12),

The Neighborhood Dart Knights (F,wk.6).

PREDICTIONS FOR THE WEEK

Alright, alright, alright... Now that's more like it. We're missing one result from last week still, but I'm 17-3 in what we do have (meaning that if I got the missing match right, I tied my season high week). I suppose it was sort of a given that I would get the Niners match wrong the week after they got the big win - why wouldn't I think they would lose by 11 points to a shorthanded team, duh? And if I was going to get an E match wrong, it would obviously be a Death Throw-Sanchez match. Anyway, that brings me to 178-72 for the season (71.2% correct pick rate), and I've been on the climb for four weeks now. Let's roll... **Match of the week:** (B Div.) Brown's Terror Bulls @ Why So Serious? The Terror Bulls have a pretty strong point lead, but a week 14 loss is within reason for pretty much any team in B. So, if Serious can take out the Terror for a second time, they'll still have a legitimate chance at the B title. While I think Serious might have the best thrower or two in B division, I'm going to go with the balance of Terror. 13-11. **Matches #2 & #3:** (E Div.) Death Throw @ Red-eye Rangers; Darts & Debauchery @ Darty Sanchez. With Sanchez getting dunked by the Humpers last week, the E race is almost a dead heat. Sanchez and the Rangers face off in week 14, and it will be a straight-up title match if both win or both lose this week. But it will still be pretty close to that even if only one of them loses this week, provided the season point totals stay super close. I'm thinking the Rangers handle their end of things here, 15-9. And while Debauchery kind of dismantled Sanchez last time, I think Sanchez rises to the moment this time, 13-11. **Match #4:** (D Div.) Off Constantly-Reboot @ One Armed Bandits. There is no guarantee that Off Constantly will win in week 14, or that Big Bulls will win tonight. If neither of those happen, the Bandits might be sort of playing for the D crown tonight, despite the fact that they enter this match at only 6-4. Alas, Constantly handles business, 14-10. **Match #5:** (F Div.) Banging The Wire @ Coach 4:4. Do either of these teams have a shot at a top-two season finish in F? Well, technically, yes. But that would require a pretty good upset tonight. At the least, this match is still sort of a head-to-head for the 3rd place spot in the standings, which is still pretty strong. Coach gets payback, 13-11. **Matches #6 & #7:** (C Div.) Rif Raf @ Dysfunctional Outlaws; Nine Lives @ Cheap Shots. The wildly swinging pendulum that is the Niners' season swung back against their favor last week. Which means

the Outlaws and Niners are now in what looks like a point race for a top-two finish in the division (and the likely climb to B that goes with it). They even face the same two opponents in the last two weeks. But the story is even a little wilder than that... if Rif Raf and the Cheapies can pull the upsets tonight, the entire span of 2nd-6th in the 7-team B division would be only one match apart heading to the final week of the season. Now THAT would be fun... Sadly, I think both teams get through... Outlaws, 15-9; and Niners, 14-10. **Match #8:** (A Div.) The Reunited Element @ Liver Die! I guess it's still possible this could be for 3rd in A. But that would require Liver to upset the Bullies in week 14. Element gets by here anyway, 16-8. **Match #9:** (D Div.) Sharky's Machine @ Big Bulls. If Constantly does lose one of its last two matches, the Big Bulls want to be in position to take advantage. Which means they have to win this, their last match of the season. And they go ahead and do it, 15-9. **Match #10:** (E Div.) Salty Damn Duck Gone @ Ones Are Closed. If the Ones want to make one last push at avoiding a bottom-two finish and a likely fall to F, they are going to have to take it to the Ducks (again!) here. I think it's a little Quack revenge though, 13-11. **Match #11:** (B Div.) Show Me Your Tips @ Boom Baby!!! If the missing B match was won by Boom, they'll still have a shot at 2nd in the division (and a jump to A!) if the Terror Bulls can take out Serious for them. Boom does their part here, but just barely, 13-11. **Match #12:** (F Div.) Sofa Kings @ Flight Privilege. Honestly, this pair isn't playing for a whole lot, but any time that teams are really close to each other in the standings, it adds a bit to the intensity. And even up these two teams certainly are. I'll go Privilege in 1001. **Match #13:** (B Div.) Armed & Hammered @ Consist. Inconsistent. It's a little crazy after they got thumped last week, but there is still a very real scenario where Armed ends up all the way up in 2nd (and maybe in A next season!). But that all starts with a win here, 13-11. **And the remaining 8 matches, sorted by division:**
A Division: The Bullies 19, A-fenders 5; Alliance 17, Shadows 7.
B Division: Darty Daze 16, DD-214 8.
C Division: F Bombs 15, Toeing The Line 9.
D Division: Hump Day! 14, Board Royalty 10.
E Division: Left, Right, Corkers 14, Just F'd 10.
F Division: Dart Side 18, Gutter 6; Dart Knights 17, We Throw It 7.
