

DECISION FROM THE BOARD RE: TABLET SCOREKEEPING

It has come to our attention that some members are using Dart Connect to score their games. Since Dart Connect is not currently notated in the RDL rules set, we would like to address its use now. We support the use of Dart Connect, however its use must align with RDL rules. There are some settings that must be turned off for it to be compliant. Compliant settings are limited to Show Notables, Quick Keys (any of these options), Automatic Leg Transition for tournament matches. All other settings must be unselected. If settings comply with the above limits, and all players agree to use dart connect to score the game, it can be used. However, at any time, if either player decides they do not want to use Dart Connect (either before the start of the game or at any point during the game), it cannot be used, and the game must be scored on traditional scoreboards. For doubles matches, all 4 players must agree for it to be used.

We are currently working on an update to the RDL rules that will incorporate more details and guidance with respect to Dart Connect use in RDL matches for future seasons. This update will be included in the Fall 2022 rules document that is distributed at packet pick up.

AND A REQUEST FROM THE BOARD REGARDING A NEW LEAGUE LOGO

After many years of using the current art, we are looking to update the Raleigh Dart League logo. We wanted to open it up to the creative and artistic minds of RDL members to create the new logo, and then to membership to vote to select the winner. If you would like to submit a design for the new RDL logo, we encourage you to do so. Please remember that while the logo will be full color in some places (i.e., website), it will also often be in black and white (any printed material and awards), so the design should be submitted in both color schemes. Please submit your designs to Michael Johnson at: president@raleighdartleague.org Submission(s) should be received by: May 9th, 2022.

SOME PDC STARS COMING TO NEW YORK

You know all those PDC superstars you watch online all the time (possibly through a pirated SkySports feed? :o), in the Premier League and the major European tournaments? Well, some of them might be here for you to check out on your own. The World Series of Darts tour is making a stop at The Hulu Theater at Madison Square Garden for the Bet365 U.S. Darts Masters and North American Championship. The event will take place on June 3-4, and expected participants include current World Champion Peter Wright, world number one Gerwyn Price, and Fallon Sherrock. Jeff Smith, Danny Baggish, Matt Campbell and Jules van Dongen will join them from North America, as will four more players from May's CDC Qualifiers (maybe even somebody from the RDL will appear on stage?!). Anyway, if you're interested in checking out the competition, you can make a full weekend of it in NYC. Tickets for the dart tournament are on sale now, and you can get either a one-day ticket or a weekend pass. Find tickets here: <https://www.ticketmaster.com/artist/2256468?venueId=483330> [Side note: if you do go, and get any great photos (especially if they include you!), share with us here in Tons-land for a Fall Tons!]

RDL HEADLINES

- "A" Division: Bullies, Element and Alliance all roll, now head into the three-week round-robin to decide the A division race
- "B" Division: After a 6-0 start, Boom drops 3rd of the last 4, this time to shorthanded next-to-place team; Hurlers get swept in SCKt, fall to Nonessentials; idle Armed suddenly alone atop B
- "C" Division: Darty rolls up a big win, builds a point lead when Dr.unk needs a 1001 to get past Frankie; Happened snags its first win after jumping to quick lead over Inconsistent in 301
- "D" Division: Off Constantly escapes the Cheapies in the final 501, stay a win up on Big Bulls heading to their showdown, but with little point lead; Rif Raf wins, then takes a 501 nap
- "E" Division: Sanchez comes from behind on the Rangers with a 501 sweep, becomes one of the first two to clinch when the Bandits disable Machine; She Said goes full doubles sweep!
- "F" Division: Bucks squeeze past Ducks, clinch F season title; Death Throw, winners of 6 of last 8, now in point race for 2nd
- "G" Division: Banging uses big cricket advantage to put down Sofa Kings, who might now be out of the title chase; Thrill needs a 301 sweep to get just enough lead to hold off Rippin

RDL TRIVIA PAUSE

Due to the late addition of the RDL Board messages above, I pushed the RDL Trivia column back to next week (the rest of the pages were all finished and ready). So look for that column's return next week...

But what really should be a trivia question...

It would take way too long to track it, but what would be pretty interesting is the win percentage of the top A players' doubles partners. I very much acknowledge that I'm heavily responsible for quite a few overall record losses for whoever the top guys

on Element are at any given time over the years. While top players on some other teams pair up as partners, I've continually saddled the top shots on Element with generally playing with our lowest player in doubles sets (which, not so coincidentally, is sometimes me). That isn't a fate with which many others at the top commonly have to deal, so I've cost my teammates games (and maybe overall record titles) with how we've listed. Clearly, it has worked well "for the team" for nearly two decades... but I've certainly put a bigger workload on some of our top shots.

Name the band/singer? the song? Last week's answers: Song 1 = "Round and Round" by Ratt; Song 2 = "Will It Go Round In Circles" by Billy Preston; Song 3 = "Watching the Wheels" by John Lennon. And the theme? Well, after a week of me being in Miami, and then a week of us celebrating a return to travel, I decided to make it a bit more literal. Thus, we've got the wheels/circles rolling 'round, possibly as you head on down the highway. [Quite a handful fewer guesses this week relative to last week, but still some good ones. Roy Lindsey and Pete Rutten came through as this week's rock stars, nailing all three songs (although their themes of just "something going round" or "Nascar" were just a bit less travel- oriented than I think I was thinking). I was SUPER happy that somebody got that bada** Billy Preston funk-a-thon though. Love that tune. Heck, Rutten even saw him down in Wilmington back in the day. Nice! - JK]
Week 12, song #1 lyric: "Can't keep my eyes from the circling skies, Tongue tied and twisted just an earth bound misfit, I"
Week 12, song #2 lyric: "Let's go and see the stars, The Milky Way or even Mars, Where it could just be ours, Let's fade into the sun"
Wk 12, #3: "You said we'd work it out, You said that ya had no doubt, That deep down we were really in love, Oh, but I'm tired of holdin' on"

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs

"C, D" Divisions = 3.5 or more ASPs

"E, F" Divs. = 3.0 or more ASPs; "G" = 2.5 or more ASPs

Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

*Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.***SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS**

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

PREDICTIONS FOR THE WEEK

My first 16-5 week since ripping off three of those in a row to start the season. And that record is exactly my pick rate for the entire season, as I'm now at 176-55 (76.2% correct) so far. Pretty please with that, I must admit. But what I'm not all that pleased to report is that I slipped back to an even 0.500 with three more teams last week. So I now have four teams with whom I'm 0.500, and two teams with whom I have a losing record. If I can go on a run with the Ducks and Dart Side, maybe I could clean up some of the little blots on the record. Fingers crossed.

Match of the week: (D Div.) Big Bulls @ Off Constantly-Reboot. The only time Off Constantly has walked away from oche a loser was in this matchup seven weeks ago, and Big Bulls dropped a whoopin' on them then. Now Big Bulls are back in a must-win situation again, because they've dropped a couple along the way while Off Constantly hasn't. I think the D race is reborn again, as Big Bulls take this, 14-10.

Match #2: (G Div.) Yeah Yeah Coach @ Banging the Wire. Seven weeks ago, Coach handled Banging pretty handily. But since that night, exactly zero teams have handled Banging at all, and now Banging sits alone atop G as the only 2-loss team. This crazy race is way more interesting if Coach gets them again, so I'm definitely taking that, 13-11.

Match #3: (A Div.) North Raleigh Alliance @ The Uncharted Element. The three-team, three-week A division round-robin for the season title starts here. Alliance inched ahead and just held that lead last time around, but Element is finally getting its full team together for about the first (and probably only?) point this season. Gotta take my guys, 14-10.

Match #4: (G Div.) Shoot to Thrill @ Sofa Kings. Regardless of which way match #2 above goes, this pairing could still go a long way toward determining who the final players in the G division regular season soap opera are in a couple weeks. Both of these teams are somehow only 0.500 in doubles and are still in the title chase. Thrill gets payback, 13-11.

Match #5: (B Div.) Armed & Hammered @ The Replacements Reloaded. I've told people all season that top teams had better watch out for The Replacements, and last week's shorthanded pounding of Boom Baby finally brought that message home fully. Now it's Armed turn to take

on the team that just took out their top competition. Armed escapes by the same tiny 13-11 margin that they nabbed seven weeks ago.

Matches #6, #7 & #8: (E Div.) Menace 2 Sobriety @ Sharky's Machine; One Armed Bandits @ That's What She Said; Sippin' & Trippin' @ Red-eye Rangers. Three E teams racing for 2nd are only separated by 2 total points. The Rangers face the others (Machine and Bandits) in the final two weeks, but first we have a week of point racing (which is also known as a week of trying not to be the team that stumbles and falls behind the other two in the pack). All three of them should hold serve here, by varying degrees: Machine, 14-10; Bandits, 14-10; and the Rangers gain a bit of ground, 17-7.

Match #9: (B Div.) Hump Day Hurlers @ Consistently Inconsistent. The Hurlers took a huge hit with their loss last week, but since they still face Armed in week 14, they still might control their own title fate if they can ring up some big points. Hurlers win, but only 13-11.

Match #10: (F Div.) Death Throw @ Backpfeifengesicht. Death Throw's long road back to a point race for a top-two finish in F has a severe hurdle: this undefeated opponent (who the Ducks already played). Backpfeif wins in typical close Backpfeif fashion, 14-10.

Match #11: (C Div.) Dysfunctional Outlaws @ DD-214. With all three 2-loss C teams having beaten each other once, and only facing teams with losing records the rest of the way, the C race could well be a pure point race. The Outlaws are the one of the three C leaders that still has three matches, and they basically hold serve here, 16-8.

Match #12: (C Div.) Darty Minds @ Nine Lives. Read the match #11 text, then come back here... Ok, you're back now? This one is Darty Minds trying to set the season point mark to be chased, 15-9.

And the remaining 9 matches, sorted by division:

A Division: The Bullies 18, Fringe 6; Liver Die! 16, Serious? 8.
 B Division: Nonessential 14, That! Just Happened 10.
 C Division: Frankie & the 4 Marks 15, Garage Inc. 9.
 D Division: Rif Raf 15, Sharks 9; Hump Day! 14, Methodical 10.
 F Division: Dart Side 14, No Consensus 10; Ducks 16, Knights 8.
 G Division: Rippin Darts 13, We're Sexy & We Throw It 11.
