NEW CUT OFF TIME FOR TUESDAY PLAYER ADDS

From the Membership Director (and rest of the Board): Many years ago we stopped allowing player adds on Wednesday so that the Membership Director and Treasurer could focus on getting ready for their own matches. At that time we did not set a cut off time on Tuesday nights for adding and paying for players. Over the years, the majority of player adds are timely, but there have been some late night add requests. Therefore, we are now clarifying that the process of adding a player (approval and payment when necessary) must be completed by 9pm on Tuesday. This means that you will need to make your initial request in time for it to be approved, have an invoice sent to you, and have the invoice paid by 9pm if you wish that player to be eligible for the match the following day.

REMEMBER THAT ROSTERS ARE FLUID FOR WEEKS

Please (I repeat, PLEASE) do not go ahead and pre-print all of your scoresheets for the whole season yet. Also, do not put the preseason player list in your weekly notebook and then treat it as though the rosters there are automatically the rosters for your opponents every week. Teams are allowed to add players and/or replace players all the way through the Monday after the 5th week of play. And the last-minute information from that Monday may not be available for the week 6 Tons, meaning you can only definitely assume the rosters are final when you receive the week 7 Tons. And not before... If you end up using scoresheets that match outdated player lists, you're making it pretty easy for me to identify the captains/teams that ignore what is included in the newsletter - and we all know that those are the very first people that receive the benefit of the doubt from me if any questionable situation ever arises, right?

RELATED SIDE NOTE ON THIS ONE...

This roster fluidity, and the timing of the changes each week, mean that your opponents might very well have a different roster from what was in the Tons that is sent out. Teams have through Tuesday to complete roster changes/additions, and I don't receive those changes until after the RDL stats pages are done for each week. So, if your opponents say they added somebody that wasn't on the roster page you have, you'll just have to trust them. If they end up playing an ineligible player, it's fully their issue and will affect your team not at all.

WELL, I WILL SAY IT AGAIN...

... because it happened again (twice already). You really should check your opponents' scoresheet at the end of the night to make certain that they have all the info you think should be included. This is especially true for fast games, high ins/outs, and ASPs. Because if you want to go back and add that stuff later, if the other team can't expressly commit to remembering exactly what you said happened, then we do not go back and add it on. We say it all the time... if it isn't on the scoresheet, it didn't happen (at least for any of our reporting purposes).

HUMAN NATURE IS HILARIOUS

On my dart team(s), whenever somebody throws a perfect throw, every teammate gives that person a dollar. It's very small, but it's a nice little reward for doing something awesome (and it's waaaay better than penalizing the lone loser in a singles set by making them buy a round of drinks). But it also highlights the silly (and funny) little competitive sides of us. Guys on my team will happily buy any other guy on the team a pint or three, and never think twice about it. But get a guy who hits 2 or 3 perfect throws in a match and a bunch of them grumble about having to give 2 or 3 dollars to that guy. The same one they would happily buy beers all night. Hilarious.

RDL HEADLINES

"A" Division: Element, Liver and Bullies all hang up big wins, combining for 8 set sweeps out of the 12 they played (even though The Bullies were shorthanded and dropped points)
"B" Division: Blindsided busts open tight match with Hop, sweeping all the doubles on the way to a big lead at the top of B; Inconsistent rebounds with clutch win over Serious
"C" Division: Off Constantly's 501 run pushes them past DD on the way to C lead; Dart Attack ruins Trippin's debut with first win as a new team; Frankie gets clutch 1001 over Niners
"D" Division: Bandits jump on Methodical early, coast to 2nd win; BullsHit enter the season with a plodding pullaway from Sanchez; Rif Raf rebounds from last week's slip in a big way
"E" Division: Menace overcomes shorthanded night to sneak to 2-0; Rangers thump very strong Machine to keep pace with Menace; She Said gets to even by sliding by the Irish
"F" Division: Bangin puts the hurt on Fayetteville to jump to the F lead; YNTA swipes a 501 sweep, and thus swipes a win over Death Throw to hit 2-0; Dart Side outduels the Knights
"G" Division: Idiots avoid the Projectiles, post huge number to lead the trio of 2-0 G squads; Sofa Kings own crickets over We Throw It; Rippin gets big win over thrill to stay perfect

Name the band/singer? the song? Last week's answers: Song 1 = "All By Myself" by Eric Carmen; Song 2 = "Only the Lonely" by The Motels; Song 3 = "Are You Lonesome Tonight" by Elvis Presley. And the theme? Being all alone. Which is pretty much what it felt like for a large portion of the days when I went to visit my siblings in rural Maine. RURAL Maine. As in, too far out to be able to run lines for cable or internet. Where the map functions on smart phone get both a little confused AND start to run out of useable signal strength. Good thing I love my siblings. [And yeah, this was a tough first set, I will admit. Which is why nobody got any more than one of them at all.

Oh well, it's ok to have a tough week set every now and then. On to the next... - JK]

Week 3, song #1 lyric: "On the first part of the journey, I was looking at all the life, There were plants and birds and rocks and things"

Week 3, song #2 lyric: "I close my eyes, Only for a moment and moment's gone, All my dreams, Pass before my eyes, a curiosity"

Week 3, song #3 lyric: "There she stood in the doorway, I heard the mission bell, And I was thinking to myself, This could be heaven..."

Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

PREDICTIONS FOR THE WEEK

Oh, ugh. The slow start continues. Only a moderate 14-9 last week, which was barely better than my first week debacle. That brings me to 27-18 for the season (for only a 60% correct pick rate). The problem here is clearly the mess that calls itself F division. What the heck, man? I don't know when I'll figure that division out, if I do at all. If the matches don't include Kenny & the Jets, I just don't get them right. At all so far.

Match of the week: (D Div.) One Armed Bandits @ BullsHit. The only match this week sporting a pair of undefeateds, so this one was an easy pick for the match of the week. The Bandits have been surprising me so far (after several seasons where I kept picking them to win it all), and I admit that if they reach 3-0, they will have surprised me again. Mostly because I think BullsHit is a serious player here in D. BullsHit, 14-10.

Match #2: (B Div.) Darty Minds @ Why So Serious? Darty won last week despite taking a 501 nap and letting the score get closer than it needed to be. Serious, on the other hand, let a close one get away and dropped into the 0.500 group. These are both real challengers for the B title, but I think it might be Darty Minds' turn to move up, 13-11.

Match #3: (G Div.) Rippin Darts @ We're Sexy & We Throw It. The climb of the still-relatively-new Rippin Darts appears to be on, as they sit 2-0 and are in a fight for the G lead. Last week's win was a pretty big one, so I'm thinking this might be the time that Rippin goes on its first real win string. They'll be taking this one to make it three in a row, 15-9.

Matches #4 & #5: (F Div.) Death Throw @ Bangin The Wire; Y.N.T.A. @ Dart Side of the Moon. Here we have the last two undefeated F teams taking on the top two 1-1 teams, in a pair of matches that hold all four of the top point teams in the division. Bangin has been the F heavyweight so far, despite barely escaping week 1 with a win. I think Death Throw, despite choking away a win with a weak 501 set last week, still might be the team to beat in F though, so I'm taking DT in this one, 13-11. In the other match, YNTA is trying to continue its string of Houdini acts, but I'm thinking this crazy-a** division is best served by there being zero undefeated teams after only 3 weeks. Dart Side, 14-10.

Match #6: (B Div.) The Procrastinators @ Consistently Inconsistent.

The Procrastinators have won their only match to this point, while Inconsistent already took an early loss. Inconsistent looks like they have some serious firepower this season though, so I'm going to be taking them here (and maybe for weeks to come). CI gets it, 15-9.

Match #7: (C Div.) Dart Attack @ Nine Lives. Dart Attack pulled out their first win in only their second week of the team's existence, so maybe they assessed their fair division positioning accurately. I'm still thinking the Niners take the win in this one though, 15-9.

Match #8: (E Div.) That's What She Said @ Red-eye Rangers. She Said sits as the top 1-1 team in E, in 3rd place so far, with only 5 fewer points than the Rangers. The Rangers fell like the real deal, however, and I'm guessing they run their opening streak to 3, 15-9.

Match #9: (D Div.) Hump Day! @ Cheap Shots. Ok, starting the column-ending string of matches where somebody is guaranteed to get their first win. The Humpers were super close in their one shot so far, so we will be sticking with them here. Humpers, 14-10.

Match #10: (E Div.) Shark Shooters @ Web of DaFeet. Kind of a cheap one for making the guaranteed-first-win list, as each of these teams has already had a bye, and thus both teams are only 0-1 now. This feels like a random-attendance-based guess. Ducks, 13-11.

Match #11: (F Div.) Your Cork is Showing @ The Neighborhood Dart Knights. Sort of a technicality bringing this one into the list of first-win-guaranteed matches, as the Knights won already but had it wiped out due to an ineligible player penalty. Knights, 15-9.

And the remaining 12 matches, sorted by division:

A Division: The Bullies 20, Boom Baby 4; Convergent Element 20, Armed & Hammered 4; Lunatic Fringe 17, Put It on Matt's Tab 7.

B Division: Hoptimistic 13, Shooter McGavin 11.

C Division: Frankie 16, Trippin Bulls 8; Outlaws 16, DD-214 8.

D Division: Darty Sanchez 13, Methodical Insurrection 11.

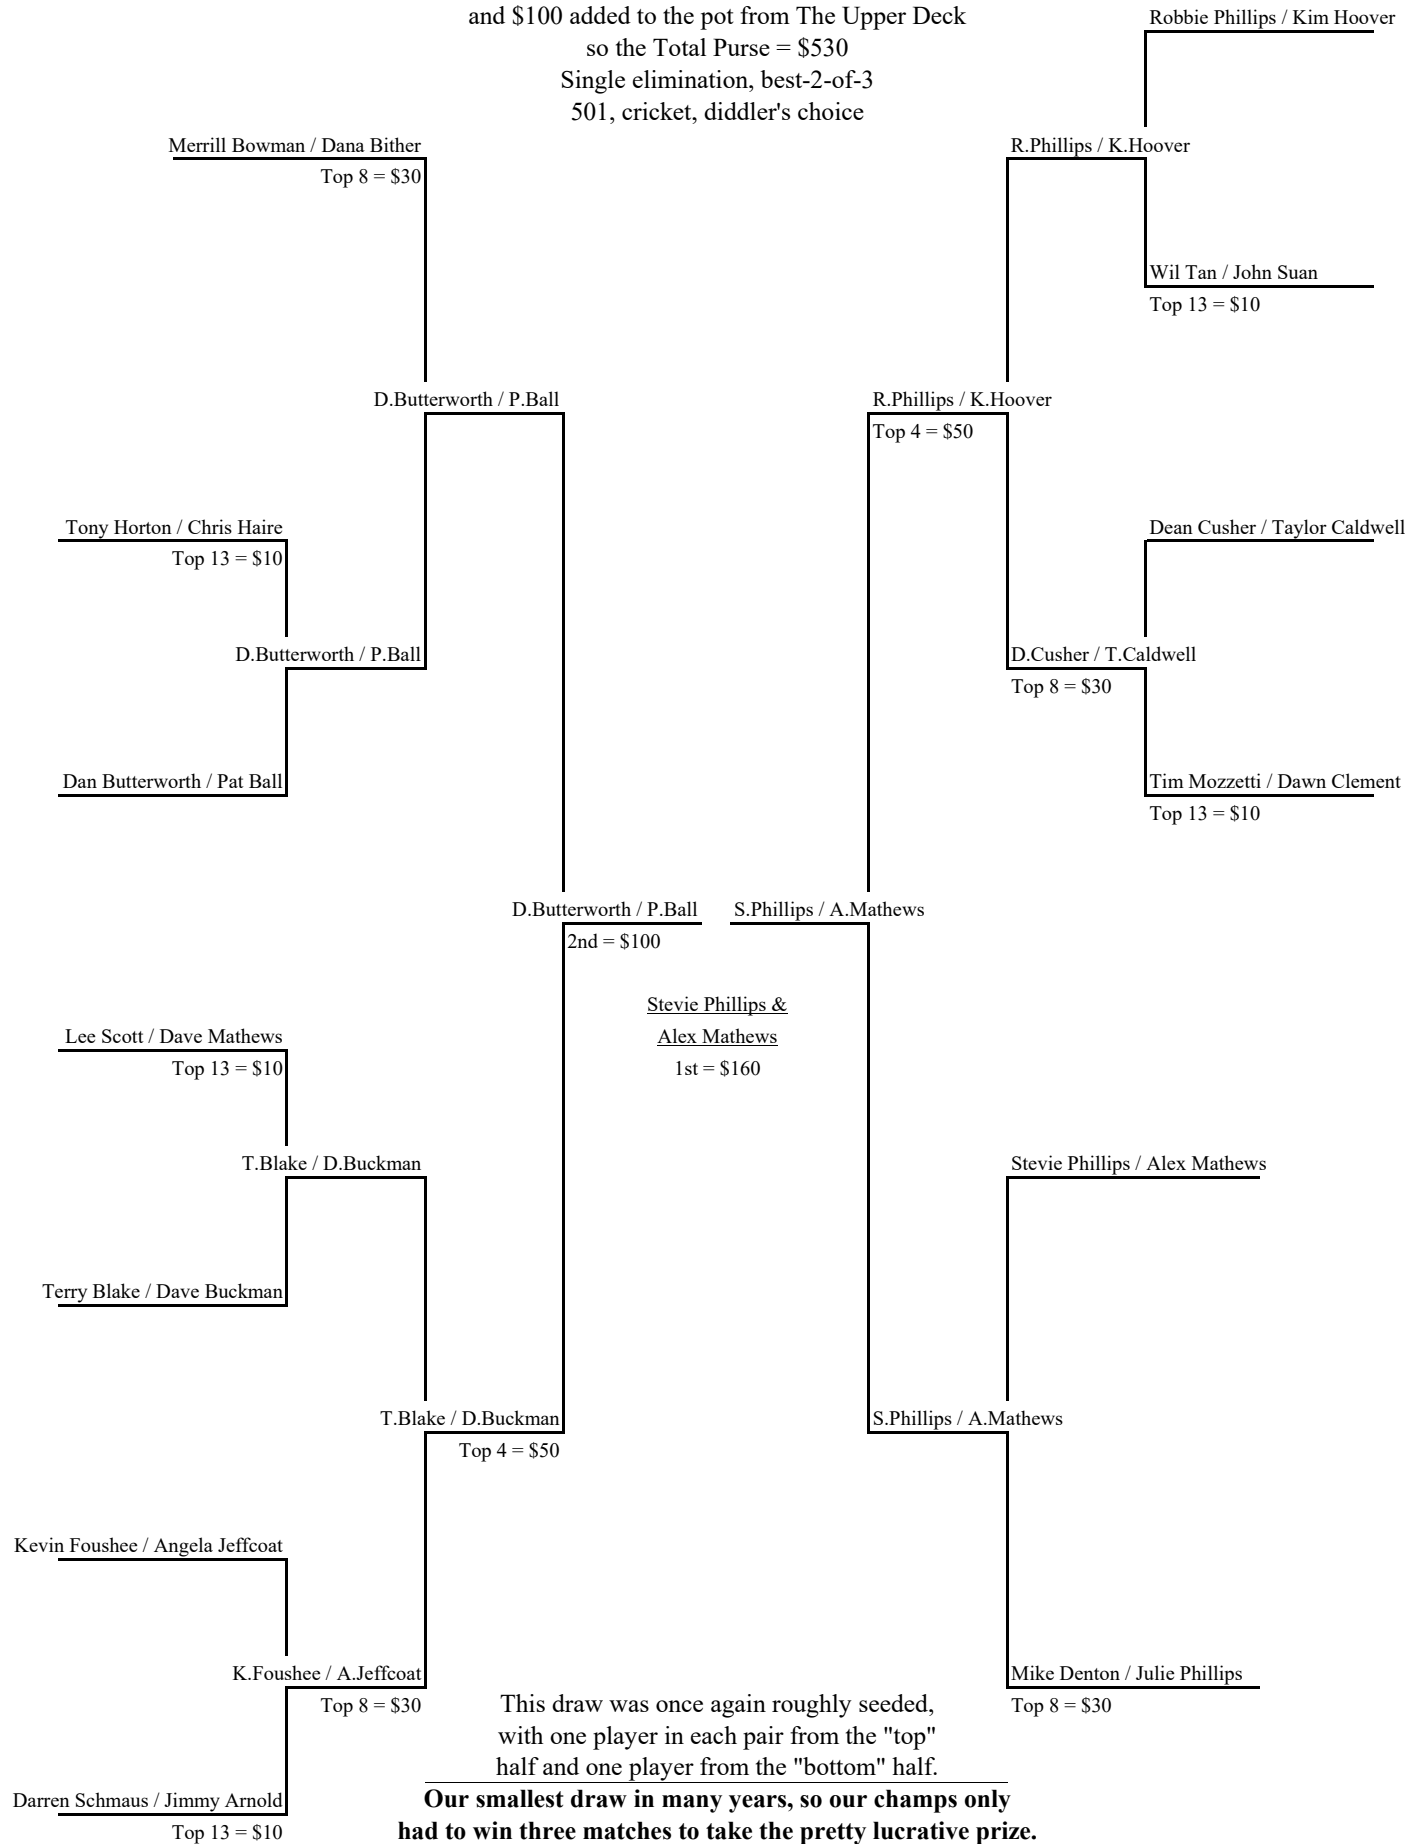

E Division: Sharky's Machine 14, Irish Ton 10.

F Division: Kenny & the Jets 15, Fayetteville Street 9.

G Division: Sofa Kings 17, Projectile Dysfunction 7; Shoot to Thrill 13, Who Darted 11; Village Idiots 19, The Rock Bottoms 5.

Spring 2022 RDL Banquet Blind Draw Results

26 Entrants @ \$5 per player,
 plus \$300 added to the pot from RDL,
 and \$100 added to the pot from The Upper Deck
 so the Total Purse = \$530
 Single elimination, best-2-of-3
 501, cricket, diddler's choice

This draw was once again roughly seeded,
 with one player in each pair from the "top"
 half and one player from the "bottom" half.

**Our smallest draw in many years, so our champs only
 had to win three matches to take the pretty lucrative prize.**

Also, side kudos to Robbie Phillips for his three 180s.

Also, once again a bunch of money was added to the pot, and again was
 so much that every player, win or lose, got at least his/her entry fee back!
