Home to the Fall Session of the Raleigh Dart League for week #8, Wednesday, September 28, 2022 Issue #JK824
The "Does Anyone Ever Miss A Decently-sized Parlay By More Than One Dang Game?" Edition

BOARD STILL LOOKING FOR R&G COMMITTEE VOLUNTEERS

We noted this in the captains' meeting minutes after week 5, but we're popping this back up to the top of the membership's awareness here... The RDL Board needs volunteers for the Rules & Grievances Committee. At a bare minimum, one representative from each division is needed. But much more useful is having a few willing souls from each division, to increase the chances of a representative being available (and not being part of one of the teams in the grievance - eek!). If you're willing to serve on the R&G Committee, shoot an email or text to Vice President Andrew Borgna (contact information on page 4 of the Tons... every week). [Please note: You do NOT have to be a captain to serve on the R&G Committee. You just need to be able to read (and understand!!) the rules. :o]

REMEMBER - STATE TOURNAMENT THIS WEEKEND!

You can find all the details on page 6 of this Tons, but it's pretty awesome when the state dart championships are right here in your back yard. Head on over to The Upper Deck and take your shot! It kicks off with the blind draw on Friday (which actually isn't an official state title, but is still a pretty fun event to warm up with), and rolls through to Sunday evening. I'll be behind the control table all weekend, so I'll be looking forward to seeing you there.

RDL TRIVIA

This is the favorite newsletter item for many of you, so it's time to bring it back! The Tons is starting to get a little space now, thus this item's return. I'll put a question here, anybody that is so inclined can shoot me a guess by email (or in person, of course), and then next week I'll include the answer (as well as recognition for those that give the best answers). Question topics are basically "anything I think to look up", so let's have at it.

This week's question (which is actually a reader-submitted question from Paul Jacobi): **How many times has the league had three or more throwers finish the season with an ASP Average above 2.0?** (And yes, we are only talking about players who reached the game minimum for the award; also, the questions in this column generally will only include the RDL "modern era," as in the 27 years during which I've been the league statistician.)

MORE FIRST JOY!! Just not first "ever"...

First team match win ever like the Rock Bottoms in the Tons last week? Hardly. But it WAS the first win of this particular season for Your Cork is Showing. And what better way to celebrate than with a round of victory shots? Love the joy here.

LATE SCORESHEET PENALTY REMINDER

Just a quick reminder here that if any team reaches a THIRD late scoresheet penalty in a season, starting with the third one, the team loses *the match win* in addition to the regular 16 points.

REMINDER TO ALL "D" DIVISION TEAMS

We already included this in the general email text last week, but we're going to add it in print here too: **Hump Day!** has changed home bars, and will be playing their remaining home matches at Mackey's Pub. Week 8 (tonight), week 10 and week 13 will be played on boards 3&4, while week 14 will be on boards 1&2.

RDL HEADLINES

"Leaguewide": Only 2 undefeated (A, G) & 4 winless (A, B, C, D) teams remain as we enter the second half of the regular season
"A" Division: All three A matches go to 1001!; Element takes hold of A lead with critical win over Bullies; Fringe takes out Liver to grab the league's 3rd slot; Matt's Tab gets by Armed
"B" Division: Darty Minds close out Blindsided in DCKt, create nearly-dead-heat with Inconsistent; Serious wins big to stay one match behind, but getting way behind in penalty points
"C" Division: Frankie rips past Outlaws before taking a 501 nap and missing chance to really close their point gap; Niners tear off five doubles against Off Constantly, join the pack of 4-2s
"D" Division: huge win for Rif Raf, as they rip off a full doubles sweep over BullsHit; Sanchez and Methodical win as well, resulting in a quartet of 4-2 teams at the top of the division
"E" Division: Rangers eke one out over Ducks to keep the lead at the midway point; Menace owns the last three set against Irish Ton; She Said's roll continues, keeping them in top three
"F" Division: division-leading Death Throw rolls up big score, extends lead; Kenny rides major cricket edge to yank YNTA a match back of the leaders; Cork hits win column (see left)
"G" Division: Sofa gets clutch 1001 win over Rippin, remain one of league's 2 undefeateds; Idiots barely hang on against Who Darded; Bottoms come within one game of a win streak!

Name the band/singer? the song? Last week's answers: Song 1 = "You've Lost That Lovin' Feelin' " by The Righteous Brothers; Song 2 = "Bye Bye Love" by The Everly Brothers; Song 3 = "Listen to the Music" by Listen to the Music. And the theme? Pretty obvious one in just songs by groups named as brothers. Really I just heard The Righteous Brothers on the radio and I just ran with it. [Both Paul Jacobi and Roy Lindsey managed to nail the entire set, and Jacobi even expanded upon his hilarious 'secondary theme guess' from the week prior by adding the very minor addition of 'and I don't want to think how much older than PJ these song selections are'. Then Jacobi even sent me his own lyric set back -- as per usual, his set was a bit "heavier" than my ear, and I only got one of the three. - JK]

Week 8, song #1 lyric: "I'll be your number one with a bullet, A loaded god complex, cock it and pull it"

Wk 8, #2: "You talk about things that nobody cares, Wearing out things that nobody wears, You're calling my name but I gotta make clear"

Week 8, song #3 lyric: "I love you and nobody else, In and out my life, You come and you go, Leaving just your picture behind"

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs

"C, D" Divisions = 3.5 or more ASPs

"E, F" Divs. = 3.0 or more ASPs; "G" = 2.5 or more ASPs

Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

PREDICTIONS FOR THE WEEK

It's going to take a while to come from the horrifying debacle that was my week 6 set of picks, but a pretty decent 17-6 record last week was a start. That brings me back up a little, to 106-52 (67.1% correct) for the season. We're at the midway point now, and there are five teams that fooled me more often than not in the first half: Dart Side of the Moon and Bangin the Wire (3-4 with each of those), Blindsided and Dart Attack (2-4 with those), and One Armed Bandits (a flippin' sad 1-5!).

Match of the week: (C Div.) Dysfunctional Outlaws @ Dart Attack. I'm certainly man enough to admit that Dart Attack hasn't just surpassed my lower preseason expectations, but rather they've flat dusted them. They sit alone atop C division, with their lone loss coming in this pairing in week 1. But how exactly do the top two teams in C both have losing cricket records? And beyond that, how the heck is Dart Attack 5-1 while winning only 52% of their games so far? C is odd, no? Outlaws, 13-11.

Match #2: (D Div.) Rif Raf @ One Armed Bandits. FOUR teams lead D at 4-2 at the halfway mark, and here the point leader and the fourth team in that group get together in the second half's first key matchup. The Bandits took this one in 1001 the first time around, but Rif Raf rebounded nicely from their week 6 debacle. Gotta stick with Rif Raf this time, 14-10.

Match #3: (E Div.) Menace 2 Sobriety @ That's What She Said. What She Said is on a three-match roll that has pushed them right into this head-to-head battle for second. This, however, was a pretty big win for Menace the first time, and they finally ended their 2-loss run last week. I'm thinking Menace might end She Said's run in this one. Menace, 14-10.

Match #4: (F Div.) Kenny & the Jets @ Death Throw. Death Throw is a match and 17 points ahead of their nearest pursuer, but E is a close enough race that a whole lot of potential outcomes are still in play. The Jets are only 2 matches from the division lead, and they still control most of their own fate in the F race. Until DT claims this one, that is. 14-10.

Match #5: (G Div.) Shoot to Thrill @ Village Idiots. The Idiots were able to hang on for dear life in their narrow win last week. Now, while they are still a match behind Sofa, they still do hold the division point lead. I'm thinking they start building on that point lead again, despite

facing a dangerous Thrill squad here. Idiots squeeze this out, 14-10.

Match #6: (F Div.) Bangin The Wire @ Dart Side of the Moon. Should Death Throw stumble (see match #4), it could be one of this pair who would be there to take up the mantle. I really want to pick Dart Side in this one, but this looks like Bangin's 2nd 1001 victory.

Match #7: (A Div.) Put It on Matt's Tab @ Liver Alliance. Ok, so there's a bit of a point gap between these two, but the fact remains that Matt's Tab is only one match win behind Liver. Is this the new battle for 4th in A? Nah... Liver is about to go on a run. LA, 18-6.

Match #8: (C Div.) Off Constantly-Reboot @ Frankie & The 5 Marks. Well, the first fact here is that Frankie only plays close matches (even if they have to dump all the 501s to make the final tighter). The second fact is that Frankie will be getting payback for their week 1 loss (ok, that's more of an opinion so far). Frankie, 15-9.

Match #9: (B Div.) Consistently Inconsistent @ Blindsided. Blindsided stunned me a bit in this one seven weeks ago. I'm going to give them a chance to do it again, as I'm picking Inconsistent, 14-10.

Match #10: (F Div.) Neighborhood Dart Knights @ Fayetteville Street. Two F teams face a drop to G in the spring. Thus, matches within the trio of 1-6 squads are actually pretty big. Knights, 16-8.

Match #11: (E Div.) Sharky's Machine @ Web of DaFeet. These two are fighting to stay out of F next season. But E is tight enough that a run by either could put them in the title race! Machine, 13-11.

Match #12: (G Div.) We're Sexy & We Throw It @ Who Darded. Well... the loser of this one might be racing the Rock Bottoms to avoid falling into the Bottoms' normal spot on page 2. Who, 14-10.

And the remaining 11 matches, sorted by division:
A Division: Element 19, Boom Baby 5; Lunatic Fringe 16, Armed 8.
B Division: Serious? 15, Hop 9; Procrastinators 14, McGavin 10.
C Division: Nine Lives 15, DD-214 9.
D Division: Sanchez 14, Hump Day! 10; Methodical 14, Cheap 10.
E Division: Red-eye Rangers 14, Irish Ton 10.
F Division: Y.N.T.A. 13, Your Cork is Showing 11.
G Division: Sofa Kings 17, Rock Bottoms 7; Rippin 14, Projectile 10.
