

TONS OF NEWSLETTER

Home to the Fall Session of the Raleigh Dart League for week #8, Wednesday, March 15, 2023 Issue #JK840

The "Ok, We Got The Later Sunlight, But What's With The Cold Temperatures And... Snow?! The Heck?!" Edition

SAVE THE DATE! - NEXT FRIDAY - BALDRICK'S RETURNS!

We will have a bigger item about this in next week's Tons, but for now a little teaser... "Join Raleigh Llama Productions and The Upper Deck on Friday, March 24th, for the 7th Annual St. Baldrick's Fundraiser for Childhood Cancer Research. The event starts at 7PM and will feature a Luck of the Draw, Silent Auction, and an assortment of other shenanigans!"

RDL TRIVIA

Last week's question: *As anyone who has read the Tons for a long time knows, I personally think the regular season title is the real achievement in RDL land, requiring months of steady play and committed attendance, etc. (as opposed to the tournament title that really only requires a couple nights of good play by as few as just 2 or 3 of your top players). In light of that, I think a week 14 heads-up battle for a division is the real marquee show in any given season. And obviously, that battle in A division would be my vote for biggest match of the year, since it crowns the league's top overall team. So, the question here is... in my 51 non-Covid seasons as the statistician, how many times did week 14 feature a winner-take-all head-to-head matchup in A (meaning the top two teams either had the same W/L record, or that the second place team was within one win but with more total season points entering that match)?*

The answer: I admit before I researched this answer, I would've guessed there had been more than I found. Some seasons a team ran too far ahead, some seasons the top teams didn't square off in the last week, and some seasons the second place team started out behind (but within reach) and just stayed there (even if they won the week 14 pairing). In the end, I found there have been only 7 week 14 winner-take-alls at the top of A during my 51 non-Covid seasons as statistician. In Sp96, Lunatic Fringe kept the top spot over 3 In A Bed, 14-10; in Fa03, The Subversive Element passed Varina Sports Bar, 17-7; in Fa11, Not Non-Element kept the #1 spot over Just A Little High, 17-7; in Fa13, Element Twenty-Won passed Bullklitz, 13-11 (with a 13-darter in the last 501!!); in Sp18, Appetite for Destruction passed Element XXX, 12-12 (in a super-fast 1001 with the teams combining for 24.6 points/dart); in Sp22, The Bullies kept first over The Uncharted Element, 12-12 (in a 34-dart 1001 with a turn average of >88.3); and in Fa22, The Convergent Element kept first over The Bullies, 13-11. So yep, it was only 5 of 49 seasons before the last year and the current historic Element-Bullies series. [Ridiculous super kudos to both Paul Jacobi and Tom Brown, who each came up with perfect guesses of 7 times while we were just standing at our match. No research, no record perusing, just separate perfect guesses (and also not hearing each other). Ummm... wow.]

RDL HEADLINES

"Leaguewide": only 2 undefeated and 1 winless team at the midway point of the season (and look at the crazy C race!)

"A" Division: Element slides by the Bullies in a 77-average 1001 (the 4th in their last 7 meetings!!) on Allen Smith's double-12; Liver outlasts Fringe in 1001 also, after blowing a 10-2 singles lead; Inconsistent's big doubles slots them into the #5 spot

"B" Division: Serious takes serious advantage of shorthanded Blindsided; Uber uses a 501 sweep to snag one out of the fire against Iceman's; Matt's Tab crawls above 0.500, into top half

"C" Division: Trippin gets huge win over Stumble Out, Show Me walks all over an attendance-suffering Sanchez, and the Niners roll Rif Raf, giving those three spots in the 4-2 lead trio

"D" Division: Cheap Shots jump all over previously undefeated Bandits in singles; Off Constantly rides massive cricket edge past BullsHit; Rangers get 1st win, taking 3 sets from Menace

"E" Division: down go the Ducks, getting thumped by Death Throw throughout the crickets; Hump Day misses a chance to take the lead, as Machine slides to within a match of the lead

"F" Division: Ton 80 gets big win to push dangerous Dart Side two off the pace; Idiots and Sofa Kings, the teams up from G, post solid wins and now sit as lead duo challenging Ton 80

"G" Division: Corks drop Nein, take hold of top non-Rippin spot; We Throw It upends Punk, climbs over them in the standings

ANOTHER TOURNAMENT CALENDAR UPDATE

For those planning on hitting what was reported as the new Hippiity Hop April tournament in Charlotte, please note that it has run into some issues and now will NOT be held. (And the previous Charlotte April tournament is not returning either.)

This week's question: **Since we've gone to the divisional fast games and high in/out awards, we've faced divisional logjams at 120-In quite a few times. More impressive is when we have a logjam at 160(!). What is the greatest number of 160-Ins we've had in one season since I became statistician in 1996? [Note: before 2010, "Ins" were allowed any turn, not just the first.]**

Name the band/singer? the song? Last week's answers: Song 1 = "Soul Man" by The Blues Brothers (originally by Frankie Laine and Jimmy Carroll & His Orchestra); Song 2 = "What Is Love" by Haddaway; Song 3 = "Bohemian Rhapsody" by Queen. And the theme?

Primary songs featured in movies developed from Saturday Night Live skits! Blues Brothers, A Night at the Roxbury, and Wayne's World. Two of them classics, and the other one mostly just famous for being an earworm with a stupid story. But all SNL moneymakers nonetheless. [Three guys (Matt Heimbach, Paul Jacobi, Allen Smith) all came through with all three songs, and all knew the third artist, while both Jacobi and Smith got the first as well. The super winner here is Smith, as he was the only one to put the theme together with SNL!! So well played.

Heimbach's theme guess of "heads, head bobbing, head banging, etc. related to the week 7 Tons quote" was also awesome though. That was an entirely unintentional coincidence I created, but great job by Heimbach putting those together. Party on, Wayne. - JK]

Week 8, song #1: "I must've been through about a million girls, I'd love 'em and I'd leave 'em alone, I didn't care how much they cried, no sir"

Week 8, song #2 lyric: "Love me love me, Pretend that you love me, Leave me leave me, Just say that you need me"

Week 8, #3: "You see the world through your cynical eyes, You're a troubled young man I can tell, You've got it all in the palm of your hand"

DIVISIONAL TEAM STANDINGS and MATCH RESULTS FROM WEEK 7 (3/8/23)

(Home team listed second in each match.)

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs

"C, D" Divisions = 3.5 or more ASPs

"E, F" Divs. = 3.0 or more ASPs; "G" = 2.5 or more ASPs

Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

*for Divisions "A", "C", "D", "E" and "G" (except team G2)
(7 teams / division):*

Singles win %-age: min. of 16 Singles Games Played

All-star pt. Average: min. of 32 Total Games Played

for team G2 (due to 1 forfeit received):

min. of 15 Singles Games Played, 30 Total Games Played

for Divisions "B" and "F" (8 teams / division):

Singles win %-age: min. of 19 Singles Games Played

All-star pt. Average: min. of 37 Total Games Played

PENALTY LOG

Ineligible Player (any match win, all points, all statistics):

The Rock Bottoms (G,wk.2, 9 pts.)

PREDICTIONS FOR THE WEEK

Oh, this is getting a little sad. Last week I matched my pretty crappy week 3 record with a 13-10 record. Dang, that's so not the goal rate here. That takes me to 101-58 for the season (63.5% correct), which is... disappointing. And I would love to point at the culprits, but it's... almost the entirety of B, C and D divisions! I'm no better than 11-10 in any of those divisions, and there is only one team in each division that I appear to understand (Serious, McGavin, and Off Constantly).

Match of the week: (F Div.) Sofa Kings @ Ton 80 Proof. Ton 80 has been on fire for six weeks, sitting a match (and a handful of points in front of anyone else in F). But note that I didn't say for all seven weeks. That's because in week 1, the Sofa Kings doubled up Ton 80 for their only loss. Now, Sofa is among that pair just a match (plus a bunch of points) off the lead. I think Ton 80 gets a touch of payback here, 14-10.

Match #2: (B Div.) Blindsided @ Double In, Uber Out. Blindsided showed up shorthanded and got flat out whopped last week. But that has only dropped them into this head-to-head battle for 2nd. Somehow, these two both have losing cricket records though. How in the heck? Anyway, Uber's favorite thing is flipping one of my picks, so we'll make them happy and gamble they can't steal another in 501. Blind, 13-11.

Match #3: (C Div.) Trippin Bulls @ Nine Lives. C is just an awesome race. The super-mess outcomes didn't come to fruition last week, but C is still led by a team that loses a third of its matches and averages only 13.5 per week. The last place team averages more than 10.1. This is nuts. And means every match is big... so one between two of the lead trio must be friggin' huge, right?! I think Trippin win a 3rd straight, 13-11.

Match #4: (D Div.) Off Constantly-Reboot @ DD-214. With the Bandits losing to a 2-win team last week, this matchup for 2nd place will put a team alone no more than one win off the lead. Off Constantly has 11+ in every match and is looking stout, so I'll take them here, 14-10.

Match #5: (B Div.) Why So Serious? @ Iceman's Ear Defenders. Yep, this is the B leader and a team a full three matches behind. But Iceman leads B in ASPs, and has two of the top five players in this division. Major possible landmine here, but I think Serious avoids it ok, 14-10.

Match #6: (A Div.) Consistently Inconsistent @ Liver Alliance. "Special" case pick in this one, as this is actually a double-header!! (They are making up the week 1 special postponement, then playing the regular one). The crazy part is that by the end of the night either team could be sitting in 3rd alone. Liver is too deep and wins both.

Match #7: (C Div.) Rif Raf @ Show Me Your Tips. Next to last vs. next to first is important and interesting? In C division, it certainly is. If Rif Raf could figure out how to pair for DCkt, they could win this division. But until they do, I'm staying with Show Me, 15-9.

Match #8: (G Div.) Nein Mark @ Punk in Drublic. With Rippin on a solo mission to the title, this pairing becomes a key part of the remaining G race, which is... roughly everyone, for everything from second to last. First time we've seen this pairing! Punk it is, 13-11.

Match #9: (E Div.) Irish Ton @ Death Throw. For two teams sitting at exactly 0.500 at the midpoint, this might be the week that decides which race they are in during the second half. Death Throw feels like they want to be in the top-half battle, so let's go with DT, 15-9.

Match #10: (B Div.) Dart Attack @ Put It on Matt's Tab. Neither of these teams wants to fall into the race to avoid the bottom-two, and both desperately want to climb back to the title fight. Already a must-win situation, it seems. Matt's Tab gets some 1001 payback?

Match #11: (C Div.) Darty Sanchez @ Shooter McGavin. Yep, in C even a match of 2-4 teams in the bottom three is actually part of the title chase. Awesome. Sanchez's attendance rebounds? 15-9.

Match #12: (B Div.) Dysfunctional Outlaws @ Boom Baby. Being two matches behind 6th means this loser might already be relegated to a bottom-two finish. Winner might not be though! Boom, 13-11.

And the remaining 11 matches, sorted by division:
A Division: Bullies 19, Darty Minds 5; Lunatic Fringe 16, Armed 8.
D Division: Bandits 14, BullsHit 10; Cheap Shots 13, Rangers 11.
E Division: Hump Day! 14, Y.N.T.A. 10; Bad Duckas 17, She Said 7.
F Division: Bangin The Wire 15, Shark Shooters 9; Dart Side of the Moon 15, Shoot-Da-Bull 9; Village Idiots 14, Dart Knights 10.
G Division: Corks 16, Rock Bottoms 8; Rippin Darts 16, Ones 8.

TEAM STATISTICS TOTAL, ALL CATEGORIES, SEPARATED BY DIVISION (through week 7) (Missing statistics: week 1, postponed match of A3 @ A6)

The table below is a simple extraction of all of the team statistics totals for all teams in all divisions, so that you can compare what seems to correlate with team success (the teams are listed in order of the standings within each division). The best record in each set is listed in bold in each division for ease of comparison.
