Home to the Fall Session of the Raleigh Dart League for week #9, Wednesday, March 22, 2023 Issue #JK841

The "We Really Shook The Pillars Of Heaven, Didn't We, Wang?" Edition

## LAST REMINDER - FRIDAY, MARCH 24TH!

So our fearless leader in the arena of annual fundraising for childhood cancer research got a little busy this week (as he is every single week of every single year; that is a busy man), so we don't have a full news release update. But that's ok, because if you have been in the RDL for any length of time, you know that Keith Gibbs (more commonly known as the Raleigh Llama, of Consistently Inconsistent) will be here in March championing his **Annual St. Baldrick's Fundraiser for Childhood Cancer Research!** This year's event, the 7th Annual, will be held at The Upper Deck on Friday, March 24th, starting at 7 p.m. The event will feature a Luck of the Draw, Silent Auction, and an assortment of other shenanigans! Perhaps someone you know might even end up trimming those locks (right to the bald scalp?) if you can garner enough donations to entice them. Bring yourself, bring your good attitude, bring your darts, bring your friend you want to try to turn into a clean dome, and bring your donations! Just come on out and help a great cause while doing a bit of good in your week.

### RDL TRIVIA

Last week's question: *Since we've gone to the divisional fast games and high in/out awards, we've faced divisional logjams at 120-In quite a few times. More impressive is when we have a logjam at 160(!). What is the greatest number of 160-Ins we've had in one season since I became statistician in 1996? [Note: before 2010, "Ins" were allowed any turn, not just the first.]*

The answer: Alright, sooo... the first thing to acknowledge here is that the rules for "Ins" have changed over the years. For 1996-2006, the High In was a leaguewide award, and any turn that scored your first points was considered ok (i.e., not getting in for eight turns and then hitting one big shot after your opponent has already missed two turns at the out was celebrated as a great achievement). For 2007-2009, "Ins" were still allowed after the first turn and Ins/Outs/Games were now separated into divisional awards (which changes little in terms of this question). But then starting in 2010, it was decided that only "First Turn Ins" would be award-eligible, which mathematically seems like it would change the rates of 160s, but... somehow it hasn't that much?!

Let's start with the fact that 6 of the 28 seasons with "any turn Ins" sported a 170-In, while 2 of the 24 seasons with "first turn-only Ins" had 170s. Beyond that, 7 seasons had logjams of 4 160s (4 in the any turn era, 3 in the first turn era), and 4 seasons had logjams of 5 160s (3 in the any turn era, 1 in the first turn era). Which leaves two seasons (Fall 2005 in the any turn era, and Fall 2019 in the first turn era) as the biggest logjams with 6 "Ins" of 160 tying for the league best [side note for Fall 2019, one of those was a repeat by one thrower who had two, but that season also had another non-award-winning 160-In in the tournaments].

This week's question: **We are down to two undefeated teams in any division this season. Clearly, teams undefeated in the season are among the tournament "favorites." In my time as statistician (51 non-Covid seasons with tournaments, with 377 divisions), how many undefeated teams failed to even reach their tournament final?**

### RDL HEADLINES

"A" Division: Bullies roll up a near shutout for their biggest win of the season; Liver and Inconsistent play an actual double-header (see next item below), with Liver locking down their top-3 slot a bit; Fringe holds off Armed, opens up gap on 5th  
"B" Division: Uber Out jumps all over shorthanded Blindsided in 301, cruises to critical win; Serious handles dangerous Iceman, tightens grip on 1st; Matt's Tab jumps into top trio  
"C" Division: Trippin eases ahead of the Niners and just stays there for huge win, dropping the Niners a match off the lead; Show Me builds off a 301 sweep to inch into the C point lead  
"D" Division: Bandits and Constantly charge to big wins, now lead pack by a mile in light of DD being Constantly's victim; Rangers take out Cheapies, now on an actual win streak!  
"E" Division: Ducks win... Hump Day wins... Death Throw wins... Machine on a bye... not a lot of big news here in E; I suppose the news was the Humpers needing to sweep 501  
"F" Division: Ton 80 came in with the best record... Ton 80 came in with the most points... Ton 80 threw 300% more ASPs than their opponents last week... Uh, the Sofa Kings don't care; three-team battle royale in F now ensues!; was almost four-ish teams, but Dart Side's point penalty hurts  
"G" Division: bottom-seeded Bottoms pop the Corks, and now the battle for 2nd-7th has the potential to be pretty exciting; yep, the 2nd/3rd/4th place teams all lost last week... crazy

### "A" DIVISION MAKEUP MATCH FROM WEEK 1

The match that had the extraordinary circumstances in week 1 was finally made up last week. The results were as follows:

Liver Alliance 17 @ 7 Consistently Inconsistent (4-2, 5-1, 4-2, 4-2) Hot darts: Jimmie Jones - 11.0 ASPs; Ed Grubb - 8.0 ASPs; Kyle Gauthier - 7.5 ASPs; Aaron Vaughan - 7.5 ASPs; Mike Seward - 6.5 ASPs; Darren Schmaus - 5.0 ASPs; T80 - Kyle Gauthier; 17-dart 501 - Kris Fischlein & Cody Lange

Name the band/singer? the song? Last week's answers: Song 1 = "Fooled Around and Fell in Love" by Elvin Bishop; Song 2 = "Lovefool" by The Cardigans; Song 3 = "Fooling Yourself (The Angry Young Man)" by Styx. And the theme? Well, now that you've seen the titles of the songs, it's pretty obvious that we were just fooling around with this set. [Honestly, I just heard Lovefool on the radio and decided I just wanted to make a set to include it. Just as deep and meaningful as that! Josh Hansen was the only player this week who nailed the entire set, but Pete Rutten came through pretty well also by getting all but song #2. - JK] [Also, quick correction from the previous set's answers... for some reason when I typed the answer for Song #1 last week, I reflexively typed Soul Man for the song from the Blues Brothers. But that song was clearly the theme from Rawhide (also from the Blues Brothers). And all the people that I listed as correct had answered Rawhide.]

Week 9, song #1 lyric: "Oh-oh, and you're Mary Tyler Moore, I don't care what they say about us anyway, I don't care about that"

Week 9, song #2: "When I think about you, I think about 17, I think about my old Jeep, I think about the stars in the sky, Funny how a melody..."

Week 9, song #3 lyric: "And it goes like this... take me by the tongue, and I'll know you, (Ah) kiss me till you're drunk, and I'll show you"

### "HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs

"C, D" Divisions = 3.5 or more ASPs

"E, F" Divs. = 3.0 or more ASPs; "G" = 2.5 or more ASPs

Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

*Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.*

### SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

*for Divisions "A", "C", "D", "E" and "G" (except team G2)  
(7 teams / division):*

**Singles win %-age: min. of 16 Singles Games Played**

**All-star pt. Average: min. of 32 Total Games Played**

*for team G2 (due to 1 forfeit received):*

**min. of 15 Singles Games Played, 30 Total Games Played**

*for Divisions "B" and "F" (8 teams / division):*

**Singles win %-age: min. of 19 Singles Games Played**

**All-star pt. Average: min. of 37 Total Games Played**

### PENALTY LOG

**Late Scoresheet (16 points):** Dart Side of the Moon (F,wk.8).

**PREDICTIONS FOR THE WEEK**

Ok, alright, that's a little more like it. I popped off a pretty decent 17-7 week last Wednesday, and also picked up a correct pick on the makeup match in A. Which makes it my best night of this very confusing season so far. That takes me to 119-64 (65.0% correct) for the season. And while I'm still getting pretty nuked in B division (a total of 15-17 there so far), at least I've hit two Matt's Tab picks in a row. Sadly, the Cheapies and Menace in D have now joined my "no clue" list...  
**Match of the week:** (C Div.) Show Me Your Tips @ Trippin Bulls. With Trippin taking out Nine Lives last week, we are down to only two 2-loss teams in C. And here they are! Show Me leads Trippin by 2 points, they won this matchup last time around, and they have a much better doubles record. But how the heck is Show Me leading C with a losing SCKt total so far?! And why am I picking them here? Ack. 13-11.  
**Match #2:** (E Div.) Bad Mutha Duckas @ Sharky's Machine. The Ducks' loss to Death Throw two weeks ago has reopened the E race, and the Machine is one of the two teams only one match (and some points) back of the leaders. The Machine hasn't lost since an 0-2 start, but I still feel the Ducks have too much firepower for most of E. 14-10.  
**Match #3:** (B Div.) Put It on Matt's Tab @ Why So Serious? Matt's Tab lost the "top challenger" battle to Uber Out a few weeks ago, but they still remain as one of only three teams with any shot at all of catching the leaders. Sadly for the Tab though, I don't think anybody catches Serious, and they don't repeat their wk02 upset. Serious, 14-10.  
**Matches #4 & #5:** (G Div.) Runs with Corks @ Ones Are Closed; Punk in Drublic @ The Rock Bottoms. Ok, so the G title chase is already just about over. But what that has left behind is an amazing six-team slugfest, where no team is more than two matches out of both 2nd place AND last place. It's pretty nuts how evenly competitive that six-pack of teams has become. All six of those teams win 41-52% of their games, and every match is critical in that race. Corks are the only team with fewer than 4 losses, so obviously they lose here, 13-11; but sadly, the Bottoms aren't able to tighten this race even further, 15-9.  
**Match #6:** (B Div.) Double In, Uber Out @ Dart Attack. Uber out is

now riding a 5-match win streak, and are within reach of Serious if they stumble just once. Much to Uber's chagrin, things here add up in their favor and I have to curse them by picking them to win, 13-11.  
**Match #7:** (F Div.) Ton 80 Proof @ Bangin The Wire. Evidently, I need to send Ton 80 mail at the address of "Sofa Kings' pocket," as that appears to be where Sofa keeps them. Ton 80 rolls everybody else, but not Sofa. And they had better bounce back here against Bangin, as the F race is suddenly very crowded! Ton 80 it is, 14-10.  
**Match #8:** (C Div.) Double In Stumble Out @ Darty Sanchez. The C race has gotten so good that even this matchup of 4th/5th place teams could end up huge in the title chase. I feel like Sanchez is ready for big things, but this one still goes to Stumble Out, 13-11.  
**Match #9:** (D Div.) One Armed Bandits @ Menace 2 Sobriety. The Bandits are three wins up on Menace, and this looks lopsided at first glance. But Menace has scored 10+ in every match so far this season, so this is no gimme. Bandits get by, but only by 13-11.  
**Match #10:** (B Div.) Iceman's Ear Defenders @ Dysfunctional Outlaws. Is one of these teams really going to finish in the bottom two and likely drop to C? How is that possible?! Iceman's, 13-11.  
**Match #11:** (D Div.) DD-214 @ Cheap Shots. Bit of an elimination match here. The two leaders have so many points, neither of these can afford even one more loss. This is such a guess... DD in 1001?  
**Match #12:** (C Div.) Shooter McGavin @ Rif Raf. Will these be the two C teams facing a drop to D in the fall? Or is this match the springboard one of them needs to climb up a bit? Rif Raf, 13-11?  
**And the remaining 11 matches, sorted by division:**  
A Division: The Global Element 18, Consistently Inconsistent 8; The Bullies 20, Armed & Hammered 4; Fringe 16, Darty Minds 8.  
B Division: Blindsided 15, Boom Baby 9.  
D Division: Off Constantly-Reboot 14, Red-eye Rangers 10.  
E Division: Hump Day! 17, She Said 7; Death Throw 13, YNTA 11.  
F Division: Sofa Kings 16, Shark Shooters 8; Dart Side of the Moon 14, Dart Knights 10; Village Idiots 15, Shoot-Da-Bull 9.  
G Division: Rippin Darts 17, We're Sexy & We Throw It 7.
