The "It's Pretty Fantastic When Your Grown Kids Come Back For The Weekend" Edition

END OF SEASON BANQUET PROPOSALS

It's almost RDL banquet time again! The Board is soliciting bids for the Spring 2023 banquet, to be held Saturday, May 20th, from 11 am until the Blind Draw concludes (usually around 6 pm). Bars are not required to close to regular patrons; however, if there will be non-RDL persons there, it's necessary to ensure sufficient room for RDL members/guests, and that food paid for by RDL is reserved for RDL.

In order for your proposal to be considered, you will need to provide for the following: > Facility should be available for set up by 10:30 a.m. the morning of the 20th. > Bar should open by 11:00 a.m., food served approximately at 12 noon. > Menu requirements: buffet style meal – the particulars of the menu are up to the establishment, however it should be more extensive than subs and appetizers.

> Plan to feed 150 people. > Complimentary non-alcoholic beverages, soft drinks, tea, etc. > Some type of beer special would be greatly appreciated. > Seating for 80+ > Space to accommodate a total of 8+ dart boards for the Blind Draw. (If your establishment already has boards, they will count toward the total of 8.) > PA system. > Adequate staff. > Adequate parking that is close by, free, and not time-limited (ex., 2 hr zones). > Bid proposal must be for the total to be charged, incl. menu items, taxes, gratuity, & any other charges.

Bids will be due soon, with the date included here next week, and are to be sent to Vice President Angela Jeffcoat.

If you have interest in submitting a bid or receiving further info., please contact Angela at angelamjeffcoat@gmail.com or (919)-673-7339.

Don't forget that there are minimum game requirements for singles win percentage and ASP average awards. See pg. 4.

SPELLMAN (NEARLY) DOES IT AGAIN!!

Two weeks ago, we had another league record tied!! (We were a little short on space last week, so this notice just waited a week.) **Alex Spellman** (of The Bullies) tossed the league's 11th 7-dart 301 game, just one off the perfect game yet again. Spellman now holds 2 of the RDL's 11 7-darters, joining Tom Brown as the only throwers to join the record group twice. It's sooo hard to pick off the perfect 301, with just one game per player per week, right at the start of the match... but it really feels like the RDL talent pool might be getting pretty close to snagging one, doesn't it?

NEW ADDITION UP TOP

Honestly, I'm not at all sure why we didn't add this before, but... I figured it's about time that we included last season's new RDL logo on the front page of the Tons. The design that **Tim Mozzetti** made for us (and that won an extended multi-step voting sequence, so it was chosen by "us") is so clean, so balanced, and so sleek, that I'm disappointed in myself for not including it previously. Geez.

CAPTAINS, REMINDER HEADING TO TOURNAMENTS

Please remember to ensure that your home bars are aware of their tournament matches (especially bars that don't have a match in the quarterfinals but do have one in the semis - brackets will be in next week's Tons), and also that the dart area is up to regulations. In addition, remind your bars that the teams for the tournament will both be "away" teams that aren't used to being there, and staff at the bar should be able to ensure that the lighting is functional and markers are available for scoring. Oh, and that matches are at 7pm!

RDL HEADLINES (week 11, plus a little week 10)

"A" Division: Element, Bullies, Liver and Fringe go 6-0 across weeks 10 and 11; Darty Minds start staking a claim to the next spot, ringing up 10 against both Element and Liver Alliance
"B" Division: (wk10: Uber dumps Serious in overtime, Outlaws, from Overtime, drop Matt's Tab in regulation); Uber Out falls to those same Outlaws, and Matt's Tab drills Blindsided, now leaving Serious (who outlasted Attack) as only 3-loss team
"C" Division: (wk10: Show Me, Trippin and Niners win, stay ahead of the pack); Sanchez comes from behind on Trippin with 5 of 6 doubles; Show Me uses huge cricket advantage to escape the Niners and grab a 2-match lead with only 2 to play
"D" Division: (wk10: Constantly barely escapes shorthanded Cheapies; Menace rides DCkt sweep to critical win; BullsHit end Rangers' win streak); Bandits and Menace win again, set up what could be an amazing 3-team race in the last 3 weeks
"E" Division: (wk10: Hump Day and Machine post big wins, roll on as part of the contender trio); Ducks jump out to 8-4 lead, but the Humpers take 5 doubles for the huge win, taking over the E lead; Machine wins big to keeps slim title hopes alive
"F" Division: (wk10: Ton 80 gets critical win over Idiots to leave only two at the top of F; but then Sofa drops 14 of the last 18 points to Bangin to leave only one at the top); Ton 80 uses DCkt sweep to get by Sharks; Idiots nab big win, keep hold of 2nd; Sofa almost falls out of the race, downs Knights in 1001
"G" Division: (wk10: Rippin rolls to easy win, locks up league's first top-two finish this season); Corks and Nein Mark win, set themselves up as the only two contenders for the #2 slot

Name the band/singer? the song? Last week's answers: Song 1 = "If I Die Young" by The Band Perry; Song 2 = "I Remember You" by Skid Row; Song 3 = "See You Again" by Wiz Khalifa, with Charlie Puth. And the theme? Yep, it's the preposterously obvious (if you got the genre-crossing songs) theme of RDL community pillar Mark Knight passing. He died far too young, I will never forget him, and I hope against hope that whatever awaits me brings me across his path again. [Only had a few guesses in this particular week, possible due to the heaviness of the front page. That likeliness was highlighted by answers like lyric game stalwart Pete Rutten's, who said only "No need to do the songs this week. Rest In Peace, Mark." Of those who did guess, nobody got more than one. But that wasn't the point, so it's ok. - JK]

Week 12, song #1 lyric: "There's a man who leads a life of danger, To everyone he meets he stays a stranger, With every move he makes"

Week 12, song #2 lyric: "Hey hey what do you say, Someone took your plans away, So what's all the fuss, There ain't nobody that..."

Week 12, song #3 lyric: "I see you, you see me, Watch you blowin' the lines, When you're making a scene, Oh girl, you've got to know"

👑 = regular season division champion

👊 = clinched "top-two" finish in division

👊 = clinched "bottom-two" finish in division

Starting last week, thumbs-up, thumbs-down, and #1 hand symbols started showing up in the standings. The meaning of the #1 hand is pretty obvious, but let's take a second to address the thumbs up and down. Those symbols mean that a team has clinched a top-two or bottom-two finish this season, and if the exact same teams all showed up next season, those teams would move up or down a division. But team numbers change, division numbers change, rosters change, and the division alignments are based on lots of factors. So while the two-up/two-down is a good starting guideline for next season, it's NOT set in stone.

Smoke breaks, that's what. Those are not a thing in the RDL. If your players/captains/whoever smokes, it's on them to fit that into the time flow of a match. It is NOT on the other team to have to wait around for your team to list, for your player to report to the line, or for a game to start. When a game is called, if a player isn't at the line ready to play (NOT to start warming up) within 5 minutes, a singles game is a forfeit (and a doubles game just starts without him/her). And each set must be listed and ready within 15 min. of the prior set (which is a friggin' eternity, if you ask me - I can't imagine teams not griping long before 15 min.).

WHAT AM I PULLING FOR IN THE LAST 3 WEEKS?

An "In" in B division higher than 120, a 301 game in B division completed in 10 or fewer darts, a SCKt game in A division completed in fewer than 17 darts (by a member of Element!), and a 501 in B division completed in 19 darts or fewer. That would get me a LOT of lines back in the table below! Come on, B division, help me out here...

Due to a big list of "Hot Dart" achievements this week, we've split the Hot Darts and Trophy Dart sections across pages 3 and 6 this week.

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs
"C, D" Divisions = 3.5 or more ASPs

"E, F" Divs. = 3.0 or more ASPs; "G" = 2.5 or more ASPs
Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

PREDICTIONS FOR THE WEEK

Ok, that's a little more like it (although still not earth-shaking), as I put up a 16-7 record last week (which is, sadly, only my 4th week with 7 or fewer wrong picks this season). I did make up for any success by making sure I was wrong with both Matt's Tab and Uber Out, as per usual. I now sit at 162-90 (64.3% correct pick rate) for the season. While I've rebounded in C division a bit, I still really need to learn a ton about B and D divisions. Kinda running out of time, it appears... **Match of the week:** (D Div.) Menace 2 Sobriety @ Off Constantly-Reboot. With the Bandits only posting a 0.500 record in their last four matches, whichever team wins this pairing of teams only one match off the lead (and in a near-dead heat in points), has to feel decent about its title chances. That's especially true for Constantly, who still gets to play the Bandits. Menace won this last time, but I'm taking OC, 13-11. **Match #2:** (A Div.) Liver Alliance @ The Bullies. Liver might be a bit too far behind on points to take the A crown, but if they can win out, then... maybe? In any case, this is The Bullies' biggest hurdle on the way to a potential week 14 automatic tiebreaker, uh, I mean, show-down. Liver is really strong, but The Bullies are just a beast. 16-8. **Match #3:** (C Div.) Nine Lives @ Darty Sanchez. Show Me is the only C team with fewer than 4 losses, and this pairing might well decide who is the favorite in the race for the #2 slot (and the likely climb to B in the fall). The Niners took this one seven weeks ago, but there's something about Sanchez (who has scored 11+ in all but one match). Sanchez, 13-11. **Matches #4 & #5:** (F Div.) Bangin The Wire @ Village Idiots; Dart Side of the Moon @ Sofa Kings. The Idiots and Sofa each sit one match behind Ton 80 (although Sofa has a serious point deficit problem). So these matchups against the 4th/5th place teams are important in a you-better-not-lose-focus-and-drop-an-unexpected-one kind of way. To punctuate that point, seven weeks ago, Sofa did just that in a loss to Dart Side. I think the Idiots are in a decent spot still, and they handle their business, 14-10. And while I would love to go with Dart Side again in this matchup, Sofa just has a lot to play for and comes through, 13-11. **Match #6:** (A Div.) Lunatic Fringe @ The Global Element. Much like

match #2, this one has an A title contender hoping to avoid a trap week on the way to what could be another week 14 classic. Element hasn't been flashy, but has been deep and solid, and takes this, 16-8. **Match #7:** (H Div.) Nein Mark @ Ones Are Closed. With the Corks having to face Rippin tonight, the door could be open for Nein to make a move on 2nd place here. Of course, Nein has to face Rippin next week, soooo... But before all that, Nein Mark gets this, 14-10. **Matches #8 & #9:** (B Div.) Put It on Matt's Tab @ Iceman's Ear Defenders; Dart Attack @ Blindsided. It seems like every time Serious stumbles, all the teams behind them left them off the hook. Well, Matt's Tab and Blindsided are still just one match (and some points) out of first, so drama is still high for them. They better not take a nap with these two near-contenders facing up on them. I'm guessing they both win here, but both just barely, 13-11 for each. **Match #10:** (A Div.) Armed & Hammered @ Consistently Inconsis. Depending on how many teams sign up next season, either 5 or 6 of the 7 current A teams get to stay there next season. And this match could go a ways toward deciding who is/isn't in. Inconsistent, 15-9. **Match #11:** (D Div.) Cheap Shots @ BullsHit. Only one match and a handful of points separates the bottom four in D, and up to two of those could be relegated to E in the fall. Matches within that group are now pretty significant. I'm going with BullsHit in a 1001 paycheck. **Match #12:** (H Div.) We're Sexy & We Throw It @ The Rock Bottoms. These two teams could be playing for... well... we know what they could be playing for. But this specific race has a lot more contenders than usual this season. We Throw It ekes it out, 13-11. **And the remaining 11 matches, sorted by division:**
 B Division: Uber Out 15, Boom Baby 9; Serious? 14, Outlaws 10.
 C Division: Stumble Out 13, Rif Raf 11; Trippin 14, McGavin 10.
 D Division: One Armed Bandits 15, DD-214 9.
 E Division: Bad Mutha Duckas 15, Irish Ton 9; Sharky's Machine 14, YNTA 10; Death Throw 15, That's What She Said 9.
 F Division: Dart Knights 15, Sharks 9; Ton 80 15, Shoot-Da-Bull 9.
 G Division: Rippin Darts 16, Runs with Corks 8.

You know how I still sometimes receive sheets with just "blocker" on a line (and no name)? Don't forget that if that is how a sheet is left, that's a 5-point penalty for BOTH TEAMS. Check your opponents' stuff...

YEP, THIS IS THE SEASON

When the pandemic hit during 2020 and we are all missing so much of our darting existence, I finally gave in to years of requests from a great number of league members. In issue 13 of the Sp20 season, I wrote this: "It always felt bigger than I wanted to take on as a task, and I was never sure that I could do it justice. But [now] my time as the RDL record-keeper [has passed] a full quarter-century. Just saying that out loud (or typing it "out loud") sounds kinda nuts. And I guess maybe it's when things sound nuts, during a time when the world is nuts, that somehow you might be more willing to agree to do something nuts. So here we are. I've decided that I will include a column as a special addition to the banquet edition of the Tons [now this spring]. And what is this column to which I was so resistant? Well, at [this season's banquet], I will finally unveil **JK's Raleigh Dart League Hall of Greatness**. But several things about this are very important to note... #1 - This will be MY opinion, and will not be any official recognition from the RDL in any way. So if you end up with a problem with the choices, take them up with me and me only (or... don't :o). #2 - I will not call this a Hall of "Fame", because being famous in RDL land is nowhere near enough to be included. #3 - The players chosen are longtime RDL members with many years of continuous active membership, each carrying sustained success for many many many years, and only play at the highest level is even considered as a criterion. #4 - Additional success in other local leagues, state leagues, and state and national championships will be a nice extra, but this is the RDL Hall, so if a person isn't a sustained RDL legend, the rest of the stuff won't make up for that fact. #5 - this might be the only time that I ever induct somebody into my personal Hall." (I do, however, see a few strong candidates building those Hall-type resumes now... only time will tell, eh?).

RDL TRIVIA

Question from two weeks ago: *Back in week 5 of the Spring 1996 season (my first as the RDL statistician), I offered my first match predictions column. When I started out, I just picked a handful of important matches to highlight each week. That list of picks expanded over the next few seasons, and by the start of 2000 I was picking every match every week so that nobody felt left out each week. Back in those early seasons, I didn't keep a running total of my record with each team (although at some point I could go back and create one, but I'm not doing that for this lone trivia purpose). But starting in Fall 2003 I did. Soooo... from Fall 2003 through 2022, what are the worst single-season correct pick records I've had for a team? (And yes, this question is fully inspired by the hot messes that are my current season's picks for matches involving Put It on Matt's Tab, Double In, Uber Out, Double In Stumble Out, Cheap Shots, and Menace 2 Sobriety!)*

The answer: In the 37 seasons contained within this question, there were 2125 teams, with 2 of them never played (leaving 2123 teams). And my average correct pick rate is about 72% per team. But there have been 9 teams (sort of) that fooled me at such an alarming rate that I actually got at least 72% wrong for those teams. I say "sort of" because 4 of those 9 teams did not play complete seasons. One team, The Groupers from Sp19's H div., folded after one match, so I was 0-1. Then three teams from the abbreviated Sp20 Covid season (C div.'s Projectile Dysfunction, D div.'s Sharky's Machine, and D div.'s Hump Day!) fooled me in 6, 7 and 6 matches, respectively, but we all know I would've figured that trio out! Which leaves the 4 real kings of confusing me... The first 3 here all fooled me 9 of 12 weeks: Modena of Fa03's E div., Bennington Brawlers of Sp06's F div., and Sharky's Machine (again!) of Sp15's C div. And then there was the Fa13 B division version of Overtime Outlaws, who fooled me a huge 10 of 13 times (thankfully, they forfeited in wk13, after I had endured a 9-match wrong streak!). [And yep, this record is completely within reach this season. Ugh! TWO teams, Put It on Matt's Tab and Double In, Uber Out could BOTH break it! I'm a stunningly sad 2-9 at this point with both teams. I've picked Matt's Tab to win 6 times and they are 2-4 in those, and I've picked them to lose 5 times and they are 5-0 in those. I've picked Uber Out to win 2 times and they are 0-2 in those, and I've picked them to lose 9 times and they are 7-2 in those (including a match they trailed 8-4 in wk01, a match they trailed 11-7 in wk07, and one against a double-shorthanded opponent in wk08). B division is a confusing hot mess.]

This week's question: **I've always offered to any team that prefers it, that I would completely refrain from including their team in any writeups, predictions, columns, etc. Some teams might just not want anything written about them or including them. And in all my years here (this is the start of my 28th year as the RDL statistician, with 27 years of play due to Covid), exactly one team/captain has requested exactly that. So, who is the only team (and captain) to ever demand that I not include them in anything in the newsletter (aside from the standings and statistics, of course)?**

Due to a big list of "Hot Dart" achievements this week, we've split the Hot Darts and Trophy Dart sections across pages 3 and 6 this week.
