

# TONS OF NEWSLETTER

The Spring Session of the Raleigh Dart League, week #13, Wednesday, April 19, 2023 Issue #JK845

The "Dang, I'm Glad I Can't Say That There Is Nothing That Excites Me" Edition

## SCORESHEET RETURNS IN WEEKS 13 AND 14

[Note: I run this item every season... You've seen it before, and you'll see it next season. It still applies, so please read on. - JK]

I am begging each of you captains: please send your week 13 and week 14 scoresheets as quickly as possible. Preferably, all of you would send your scoresheets by early Friday. I need the week 13 scoresheets quickly to assemble the singles and all-star leaders lists for the final week of play. **Any division for which I don't have all of the scoresheets will NOT receive the leader standings or divisional statistics, unless no top throwers are included in that match.** It is not fair for some players to know how the others did in week 13, and not vice versa. So, please send me your week 13 scoresheets quickly. ##### I also need your week 14 scoresheets sent quickly, so that there aren't any playoff positions changed by a scoresheet return penalty. If I have to call people on Tuesday and change the match in which they are involved, I will be VERY unhappy. I have had to do that twice before, and I DON'T want to do it again.

### MINIMUM GAME REQUIREMENTS

Please do not forget that there are minimum numbers of games required in order to win awards for singles win percentage and all-star point average. These minimums are printed on page 4 of every issue of the Tons, so not being aware of them is your own fault. Make sure that any members of your team that are in the running for either of these awards play enough games if they are interested in trying to win either of those categories.

### ALSO, DON'T FORGET...

...there is a minimum number of matches played for participation in postseason tournaments. That number is 4 matches for all teams in all divs., regardless of forfeits, byes, or whatever. You simply must throw in 4 matches. Four. No more, just 4. There are presently 30 active team members who have yet to play a 4th match - 5 in A, 7 in B, 3 in C, 2 in D, 5 in E, 3 in F, and 5 in G.

### TOURNAMENT HOST ESTABLISHMENTS

Don't forget to make sure that your host establishments are ready for hosting in weeks 15-17. They'll have 7pm matches, with two visiting teams, who aren't used to playing there. So, heads up.

**Find more news/columns on pages 3, 5 (including the match predictions), and 8 (including trivia and an all-time record!).**

### RDL HEADLINES

"Leaguewide": we are down to 1 undefeated & 0 winless teams  
"A" Division: Element and Bullies take the next step toward a week 14 showdown; Armed rolls big, hits the win column  
"B" Division: Serious forfeits, creating the possibility for just an insane race with two weeks left; Matt's Tab, Uber Out, and Blindsided all do their part, making an amazing 8-4 four-pack  
"C" Division: Trippin rides a DCkt sweep, while Sanchez rides a SCKt sweep, keeping both of their slim title hopes alive (but more realistically, just keeping their race for 2nd going well); Stumble Out gets the rare "win-while-getting-swept-in-DCkt"  
"D" Division: DD-214 rips all six doubles from Bandits to sink their leading alone status; Constantly torches the Menace to take over D lead, drop the Menace a match behind lead duo  
"E" Division: Ducks handle Irish Ton to grab a point lead on Hump Day heading to last two weeks; Machine grinds up YNTA in cricket to remain lurking, just behind the lead pair  
"F" Division: Dart Side takes out the Sofa Kings to effectively cut F down to a two-team race; Ton 80 drops a big number on Shoot-Da-Bull to extend their point lead over Village Idiots  
"G" Division: Rippin shows up two players short, and poof, the undefeated season is gone at the hands of the Corkers (who might well have just cemented their claim to the #2 finish)

## END OF SEASON BANQUET PROPOSALS - LAST CALL

It's almost RDL banquet time again! The Board is soliciting bids for the Spring 2023 banquet, to be held Saturday, May 20th, from 11 am until the Blind Draw concludes (usually around 6 pm). Bars are not required to close to regular patrons; however, if there will be non-RDL persons there, it's necessary to ensure sufficient room for RDL members/guests, and that food paid for by RDL is reserved for RDL.

In order for your proposal to be considered, you will need to provide for the following: ➤ Facility should be available for set up by 10:30 a.m. the morning of the 20th. ➤ Bar should open by 11:00 a.m., food served approximately at 12 noon. ➤ Menu requirements: buffet style meal – the particulars of the menu are up to the establishment, however it should be more extensive than subs and appetizers.  
➤ Plan to feed 150 people. ➤ Complimentary non-alcoholic beverages, soft drinks, tea, etc. ➤ Some type of beer special would be greatly appreciated. ➤ Seating for 80+ ➤ Space to accommodate a total of 8+ dart boards for the Blind Draw. (If your establishment already has boards, they will count toward the total of 8.) ➤ PA system. ➤ Adequate staff. ➤ Adequate parking that is close by, free, and not time-limited (ex., 2 hr zones). ➤ Bid proposal must be for the total to be charged, incl. menu items, taxes, gratuity, & any other charges.

**Bids are due by Saturday, April 29th, to Vice President Angela Jeffcoat.**

If you have interest in submitting a bid or receiving further info., please contact Angela at [angelamjjeffcoat@gmail.com](mailto:angelamjjeffcoat@gmail.com) or (919)-673-7339.

Name the band/singer? the song? Last week's answers: Song 1 = "Secret Agent Man" by Johnny Rivers; Song 2 = "Spies Like Us" by Paul McCartney; Song 3 = "Private Eyes" by Hall & Oates. And the theme? People who go around spying on others... secret agents, spies, private investigators, etc. [Pete Rutten was clearly the top player this week, nailing the entire set aside from song 2. Impressive. - JK]  
Week 13, song #1 lyric: "I am smellin' like the rose, That somebody gave me, On my birthday deathbed, I am smellin' like the rose"  
Week 13, song #2 lyric: "But now I'm insecure, and I care what people think, My name's Blurryface and I care what you think"  
Week 13, song #3 lyric: "Oh, ho, ho, It's magic you know, Never believe, it's not so, It's magic, you know, Never believe, it's not so"

## "HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.

"A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs

"C, D" Divisions = 3.5 or more ASPs

"E, F" Divs. = 3.0 or more ASPs; "G" = 2.5 or more ASPs

Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

*Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.*

## SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:

*for Divisions "A", "C", "D", "E" and "G" (except team G2)*

*(7 teams / division):*

**Singles win %-age: min. of 16 Singles Games Played**

**All-star pt. Average: min. of 32 Total Games Played**

*for team G2 (due to 1 forfeit received):*

**min. of 15 Singles Games Played, 30 Total Games Played**

*for Divisions "B" (except team B6) and "F"*

*(8 teams / division):*

**Singles win %-age: min. of 19 Singles Games Played**

**All-star pt. Average: min. of 37 Total Games Played**

*for team B6 (due to 1 forfeit received):*

**min. of 18 Singles Games Played, 35 Total Games Played**

**PREDICTIONS FOR THE WEEK**

Still one result outstanding from week 12, and another dumped to a match forfeit, so we sit at a plain 14-7 for the week to this point. Not too shabby, nothing to write home about, whatever. That brings my record for the season to 176-97 (64.5% correct). Importantly, I got both the Matt's Tab and the Uber Out picks correct, meaning that I only need to get one more right with each to avoid setting a personal record for my worst single-season pick rate with a single team. Yay?

**Match of the week:** (D Div.) Off Constantly-Reboot @ One Armed Bandits. With the Bandits going down last week, this pairing is now very likely a head-to-head tangle for the D division crown! Whoever wins here likely has to avoid a week 14 letdown/upset, but we'll just assume they'll handle that business. So, one match (probably) for it all! The Bandits have led almost all season... so I'll go with OC, 13-11.

**Match #2:** (B Div.) Put It on Matt's Tab @ Double In, Uber Out. There are FOUR 8-4 teams leading B with only two weeks left! This race is awesome. This is this week's only pairing within the foursome, with the other two facing off next week, so this is sort of part one of a pair of elimination matches. Drama! Matt's Tab get payback, 13-11.

**Match #3:** (F Div.) Sofa Kings @ Village Idiots. This match was all poised to compete for the Match of the Week tag, then Sofa went and got dumped last week. Now instead this is the biggest hurdle for the Idiots as they try to lurk around in case Ton 80 Proof gets upset in the last two weeks. Sofa won last time, but I'm thinking it's Idiots, 14-10.

**Matches #4 & #5:** (A Div.) The Global Element @ Liver Alliance; The Bullies @ Lunatic Fringe. Element and The Bullies are both hoping to cruise into their week 14 showdown with big momentum, but both have one more serious hurdle to clear before then. Liver and Fringe are both deep and dangerous, so neither of the leaders can afford to let one slip here (well, ok, maybe Element actually could, but that's not a great strategy at almost any time). I think both leaders will get wins, but not without a bit of work. Liver is the league's clear #3, but Element takes it, 16-8; and The Bullies are just so deep and tough, 18-6.

**Match #6:** (B Div.) Iceman's Ear Defenders @ Dart Attack. I'm a bit

stunned that this match could directly determine which team ends up in B's bottom two (and could subsequently be relegated to C next season). Iceman comes out on top here again, but only 13-11.

**Match #7:** (A Div.) Darty Minds @ Armed & Hammered. With Armed taking out Inconsistent last week, the race among the lower half of A is all of a sudden very much on. Darty now controls their own fate in the race for 5th and the auto-staying in A. Darty, 14-10.

**Match #8:** (G Div.) Rippin Darts @ Nein Mark. Yeah, Rippin lost and hasn't "clinched" G yet, but this match is really about whether Nein Mark can do what Cork just did (beat Rippin) in the race for the #2 spot in G division. Alas, I think Rippin will be back. Rippin, 16-8.

**Match #9:** (C Div.) Show Me Your Tips @ Double In Stumble Out. Show Me will almost certainly win C, even if they don't win either of their last two matches. But I'm sure they would rather just reel in a win here and be done with it. But Stumble Out is the only team to hold Show Me to a single-digit score this season. Still Show, 14-10.

**Match #10:** (G Div.) Ones Are Closed @ Punk in Drublic. The last four in G ALL have 7 losses at this point, so the race to avoid the league's cellar is maybe more exciting than it has ever been. Love this story this time. The Ones lead this pack so far, and win, 13-11.

**Match #11:** (D Div.) BullsHit @ Menace 2 Sobriety. Menace's big loss last week has likely ended their D title hopes. But that doesn't mean they won't be trying here just in case. They eke it out, 13-11.

**Match #12:** (F Div.) Shark Shooters @ Shoot-Da-Bull. We're short one wk12 result, but it's quite possible this is a head-to-head tilt to avoid a bottom-two spot in F (and possible slide to G). Shoot, 13-11.

**And the remaining 11 matches, sorted by division:**

B Division: Serious? 16, Boom Baby 8; Blindsided 13, Outlaws 11.

C Division: Nine Lives 14, McGavin 10; Sanchez 14, Rif Raf 10.

D Division: DD-214 13, Red-eye Rangers 11.

E Division: Hump Day! 14, Death Throw 10; Bad Mutha Duckas 15, Y.N.T.A. 9; Sharky's Machine 15, Irish Ton 9.

F Division: Ton 80 Proof 15, Knights 9; Dart Side 14, Bangin 10.

G Division: Runs with Corks 14, We're Sexy & We Throw It 10.

Printed below are the tournament brackets (with match locations) that we will be using this season. Teams which are already locked into a finishing position have already been placed in the bracket. Others will be filled in during the final two weeks. Please notify your team of possible match locations for your team's matches in the tournament. Host establishment phone numbers and addresses will be re-printed in the next Ton

**REMEMBER: Tournament matches start at 7:00 p.m.**

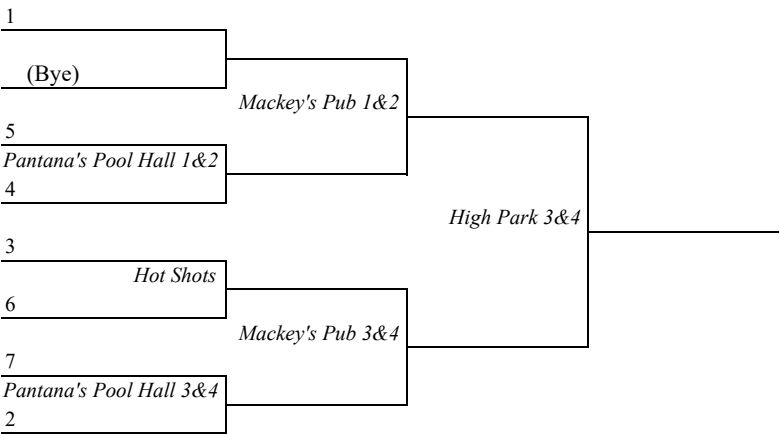

I will update the bracket as much as possible for next week's newsletter, and then send out a full bracket page before the first round matches.  
 [Note: Whenever an asterisk is included, that means a third board MIGHT be available and the captains may agree to use it in order to shorten the match time.]

**RDL TRIVIA**

Last week's question: *I've always offered to any team that prefers it, that I would completely refrain from including their team in any writeups, predictions, columns, etc. Some teams might just not want anything written about them or including them. And in all my years here (this is the start of my 28th year as the RDL statistician, with 27 years of play due to Covid), exactly one team/captain has requested exactly that. So, who is the only team (and captain) to ever demand that I not include them in anything in the newsletter (aside from the standings and statistics, of course)?*

The answer: Arrowing Experience and captain Craig Coker in the Spring 2000 season. I had written in a prediction that pre-season-me had thought they would have more wins at the midpoint, and that was a personal affront that he couldn't/wouldn't accept. So, they were withheld from all columns for the remainder of the Spring 2000 season, and then through the Fall 2000 season. After 2000, the team folded and never returned (although a couple of their players joined other teams for a season or two before disappearing).

This week's question: **This past week, we had both a match forfeit and a late scoresheet penalty. What are the records for the lowest numbers of forfeits in a season, and the lowest number of penalties in a season (at least during my tenure as RDL statistician, 1996-present)?**

**Three awesomely related items - these are all kinda nutso**

**#1 - PHILLIPS BREAKS RDL SINGLES CRICKET RECORD**

Over the past several seasons, I've written "Player X once again tied the league record for X" quite a few times. But I haven't written that anybody actually set a NEW fast game record since 2011. That 2011 record game was in singles cricket, and as of this past Wednesday, that record has been replaced! **Robbie Phillips** (of The Global Element) tossed a TEN DARTER!! He tripled all six numbers, had a single-17 on dart 4, and darts 6, 9 & 10 were each single bulls rather than a double. So near to perfection.

**#2 - IF EVER ASP AWARDS WERE "PER TURN" INSTEAD OF...**

...per game. I've written about the efficiency with which Robbie Phillips plays (and has always played), but this Wednesday just highlighted it so well. Phillips threw only TEN three-dart turns across SCKt/DCKt/501 this past Wednesday. And he had TWELVE ASPs for the night. Think about that for a minute.

**#3 - AND OH, POOR TEX... this is awful... hilarious... both...**

The 10-dart singles that Phillips just threw is actually the second 10-dart cricket game in league history, as Kevin Kendall and Mike People had one in doubles in 2008. And the most amazing thing about those games? Tim "Tex" Mozzetti (of Lunatic Fringe) was on the other side of both of them!!
