

WDF WORLD CUP 2023

So a few weekends ago, the NC State Championships were held (see page 6, where I extracted the results from the online brackets). But you know who wasn't there? **Robbie Phillips** (of Ring of Elements), who was playing as part of Team USA in the WDF World Cup in Esbjerg, Denmark!! In addition to the ladies and youth teams at the event, Phillips joined Bruce Robbins, Joe Chaney, and Dan Lauby on the men's team. Lots of wins and a few losses across events, with the top highlight being the men's team event - the USA team advanced from 3 rounds of group play with a 27-6 record, beat Austria in the top

32, and then lost to Czech Republic in the top 16 (in a match they lost 9-6 where Phillips himself went 4-0!!). Phillips actually only lost one total leg in all five team matches, and in that one against Austria he was on 40 after 12 darts! Guess he's just always the team hammer...

RDL TRIVIA

Last week's question: *This is my 54th season as statistician, and last week we had our first forfeit of the season. In how many of my 54 seasons here have we had 0 regular season forfeits?*

The answer: Geez, I guess it really is difficult to get a regular weeknight squad week after week. In my 54 seasons here, we have had only TWO seasons when we didn't have at least one regular season forfeit. Spring 2001 and Spring 2022 (barely coming out of the pandemic on that one!) are the only two seasons; both were 7-division seasons, and the Spring 2001 season had several full 8-team divisions (meaning that teams in those divisions had no byes for nights off). Almost as stunning is the fact that we've only had five other seasons with as few as one regular season forfeit.

This week's question: **Ok, since it's apparently tough to get teams to show up every week, let's build on that one... What is the greatest number of teams to have at least one regular season forfeit in a single season (at least in my 54 seasons as the statistician, as per usual)?**

REMEMBER WHEN...

... communication skills were a thing that people had? I think texting and social media and a life of ever-shorter attention spans has killed them. Either that, or a lot of people are just dicks. Case in point, last week an ex-RDL member who signed up for the Tons email list in Fall 2021 sent me this reply to the weekly Tons email: "stop emailing me" That's it. No punctuation, no polite request to just be removed, just a snippy little bitchy line. Maybe he didn't mean it that way. Or maybe he did. But either his communication skills suck, or he's an ass. Either way, color me unimpressed. You know you're only on the email list because YOU asked to be there, right, pal? And no, he's not seeing this... because I did as ~~asked~~ ordered. [And no, he wasn't just a one-season fill-in who ended up not liking darts. He played in 2005. and 2011. and 2021. and 2022.]

RDL HEADLINES

- "A" Division: Bullies and Element put up (surprisingly) large numbers against top opponents; Serious pulls one out of the fire, sweeping the 501s and the 1001 to tighten their hold on 5th
- "B" Division: Dart Attack blasts previously unbeaten Darty Minds in doubles, kickstarting the B race once again; Show Me outlasts Uber, has a shot at B lead tonight; Raging wins big, is still in it
- "C" Division: Stumble Out pops a giant 23 to build a huge point lead now; Bandits squeeze by Outlaws for a critical win, keeping their title hopes alive; Niners take out Rif Raf, grab top three slot
- "D" Division: Dennis Baker punches out a 109 to clinch big win over Reload for Menace; Hump Day ekes past DD-214, maintains their D lead; McGavin tops Duckas, nears escape from bottom-2
- "E" Division: Machine gets massive win over Ton 80, creating a full-on logjam of 3-loss teams at the division lead; Idiots rip five doubles to hand Death Throw their 4th L in the last 5, actually pushing Death Throw to within reach of a bottom-two finish
- "F" Division: Dart Side wins again, in typical Dart Side fashion again, going all the way to the last dart of the night; Corks end their slide with very important win over Possee to stay in top-2
- "G" Division: Killer Dee's upend the Bottoms in a tiebreaker to jump to 3rd; Nein Mark sweeps the '01s from Salute, extends point edge over the Dart Knights; We Throw It sweeps 3 sets

SOME PEOPLE SUPER DO NOT SUCK

While I've spent a couple minutes complaining about some sucky people (see immediately to the left), others are pretty great. For point of reference, see: F division, Fall 2023. Turns out, the Rippin Darts '@ Shark Shooters match was actually played on Tuesday. The Shooters had some conflicts, they contacted their opponents well in advance, and Rippin graciously agreed to switch nights. Just a bunch of people who are out here wanting their nights out tossing sticks at a wall. So they all made sure to make it happen.

Name the band/singer? the song? Last week's answers: Song 1 = "Behind Blue Eyes" by The Who; Song 2 = "Far Behind" by Candlebox; Song 3 = "Behind These Hazel Eyes" by Kelly Clarkson. And the theme? It's all about 'behind.' Is it being behind? Is it your backside? Whichever... I don't care. It's just behind. Get behind the idea, dammit. [Paul Jacobi was the only person to hit two songs, getting the first two, and he even got the weird little theme from just those two! Then he sent me a few more of his own. - JK]

Week 11, song #1 lyric: "Elephants and acrobats, lions, snakes, monkey, Pele speaks 'righteous,' Sister Zina says 'funky' "

Week 11, #2: "Faces look ugly, When you're alone, Women seem wicked, When you're unwanted, Streets are uneven, When you're down"
Wk11, #3: "So take a look at me now, oh there's just an empty space, And there's nothin' left here to remind me, Just the memory of your face"

"C, D" Divisions = 3.5 or more ASPs

"E, F" Divs. = 3.0 or more ASPs; "G" = 2.5 or more ASPs

Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).

Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

PREDICTIONS FOR THE WEEK

Normally, I would say that a 16-7 week was pretty good (and, honestly, it is). But I've been doing so well this season that a 16-7 week puts it among my four worst of the season. That brings me to 170-59 (74.2% correct) for the season, and I have a winning record with all but 4 teams: Darty Sanchez (3-5) and One Armed Bandits (4-5) in C division, Runs with Corks (5-5) in F division, and The Rock Bottoms (3-5) in G division. If those four would start working with me here, that would be great...
Match of the week: (B Div.) Darty Minds @ Show Me Your Tips. Oh, it's on now!! The B race looked to be nearing an early conclusion, but then Dart Attack dropped a friggin' sledge hammer on Darty last week. Now, Darty's lead is down to one match on Show Me, but Show Me has taken over the B point lead. So this one determines who sits atop the B stack headed into week 12. This race is way more interesting if Show Me wins, so we'll gamble that they all show up. Show, 13-11.
Match #2: (C Div.) One Armed Bandits @ Double In Stumble Out. Ok, the Bandits need a couple things to take over the C lead any time soon... they need to win this and tie up the match records, and then they need to make up a huge point deficit from either their own big scores, or others slowing up Stumble. Stumble ends any drama, 14-10.
Match #3: (F Div.) Liquor Possee @ Dart Side of the Moon. The F race is just silly... all 8 teams average between 10.6 and 13.1 points per week. Dart Side sits alone at 8-2, despite averaging only 12.7, and they have FIVE wins with only 12 or 13 points. Nothing comes easy around here. Which is why Dart Side wins again, but only by 13-11.
Match #4: (E Div.) Ton 80 Proof @ Red-eye Rangers. The best race of this season (and actually one of the best races in years) is here in E. Here are two of the FOUR 3-loss teams that lead the pack, and they obviously pretty much control their own fates. Anyone who wins out would walk away with this (thought likely nobody will). Ton 80, 13-11.
Match #5: (F Div.) Runs with Corks @ Sofa Kings. Time has likely run out on the Kings' shot at taking the regular season race, but the Corks finally broke their losing streak last week and can still smell a title. The Corkers get Dart Side next week, so they could rebuild all of

their hopes with two more wins in a row. It's Corks, barely... 13-11.
Matches #6 & #7: (G Div.) Nein Mark @ The Rock Bottoms; We're Sexy & We Throw It @ The Neighborhood Dart Knights. With just the top two G teams sitting with fewer than 4 losses already, G is now pretty clearly just a two-team race. It seems logical to expect that they would both cruise to their week 14 showdown, but only someone who hasn't seen the G results this season would believe it will all just be that easy. Both face pretty stiff challenges tonight, but they both escape and move on. Nein, 14-10; and Knights, 15-9.
Match #8: (E Div.) Village Idiots @ Irish Ton. Here is the technical leader of the mess described in match #4. But just because the Irish aren't in the mix with the Idiots doesn't mean the Idiots can blink a bit here, as the Irish have won 2 of their last 3. Idiots get by, 15-9.
Match #9: (F Div.) Shark Shooters @ That's What She Said. With three teams at 3-7 and two of them likely to drop to G next season, matches within that trio are obviously key. The Sharks took this in a bit of a walk last time, but She Said is a bit hot lately. She Said, 13-11.
Match #10: (C Div.) Dysfunctional Outlaws @ Off Constantly-Reboot. It's actually possible that a bottom-two team at the end of C's season might be pushing near a 0.500 record. That's a rough way for a season to end for a pretty decent team. Outlaws, 14-10.
Match #11: (F Div.) Bangin The Wire @ Rippin Darts. Bangin appears to have enough cushion to stay ahead of a couple of the 3-7 teams. But not if they gang up on them. Still, Bangin... 13-11.
And the remaining 12 matches, sorted by division:
A Division: Ring of Elements 18, Why So Serious? 6; Liver Alliance 16, Inconsistent 8; Lunatic Fringe 17, Matt's Tab 7.
B Division: Raging Bulls Eyes 14; Iceman's 10; Trips Are For Kids 15, Trippin Bulls 9; Dart Attack 14, Double In, Uber Out 10.
C Division: Darty Sanchez 16, Rif Raf 8.
D Division: Reload 13, Shooter McGavin 11; Menace 2 Sobriety 14, Bad Mutha Duckas 10; Hump Day! 16, Cheap Shots 8.
E Division: Sharky's Machine 16, Y.N.T.A. 8.
G Division: Killer Dee's 15, 21 Dart Salute 9.

WEEK-BY-WEEK SCORE TABLE - To see how your team has performed against other opponents, find your team in the left column, then read across to the right week by week. Each week lists the team number of the opponent as well as the match result and points scored for your team. An upper-case opponent number is a home match for your team, while a lower-case opponent number is a road match for your team. To see what the opponent scored in any given week's match (because sometimes matches have fewer than 24 total points when a blocker is involved), just find the score on the corresponding opponent line for that same week. (Match forfeits are listed in italics.)
