The Spring Session of the Raleigh Dart League, week #10, Wednesday, March 27, 2024 Issue #JK874
The "If You Aren't Rooting For NC State Going Forward, What The Hell Is Wrong With You?" Edition

BIG CHANGES TO A "G" DIVISION TEAM

ALL "G" TEAMS TAKE NOTE - THIS CHANGES ONE TEAM'S ELIGIBLE PLAYERS (AND THEIR PLAYER NUMBERS!)

A confluence of factors had recently left team G6, Dart Vader's, without enough players to fill a standard roster, and they took advantage of a seldomly used RDL rule. That rule, Teams.F.2, allows for a team to add players after the fifth week captains' meeting if the team no longer has as many as six active members. The team has to officially declare those 'lost' members as ineligible for the remainder of the season, and they have to pay full dues for any new member(s), but if they are in with those two requirements, they can fill their roster back up to a maximum of exactly six team members. And that is exactly what Dart Vader's did. As can be seen on the G division version of page 10, Dart Vader's declared SIX of their ten players ineligible, and they added two new players. The new listing of those six active team members is now the ONLY six people that are allowed to throw for Vader's. All team members, new ones included, are subject to the same match and/or game minimums for tournament and award eligibilities. **Note to all G teams: please update your scoresheet backs accordingly for any matches against G6/ Dart Vader's, as all but two players on the original roster have new player numbers.**

RELATED NOTE: ALSO A NEW CAPTAIN FOR TEAM G6 - G teams take note of this too...

While they were fixing their roster needs, Dart Vader's also decided that it was a good time to change captains. So if you need to get in touch with them (to ask for a reschedule, to forfeit a match, etc.), please now call new captain Tracy Assante (631-875-471).

OK, CAPTAINS, TIME TO STEP UP A BIT...

Captains, I need to ask three favors of you. Help me out, please?

#1 - Do NOT just lazily write the opposition's entire roster in the player box for 1001 if some people weren't there / didn't play.

#2 - DO check to make sure that your players' names are correct in the page 10 listings. Correct names (yep, seriously), spellings, etc.

#3 - Do NOT assume your own team's player number order is right on your scoresheet. There's one team with it wrong every time.

RDL TRIVIA

Last week's question(s): *Let's build on the home establishment front... In my 55 seasons as the statistician, how many different establishments have hosted RDL matches? What is the average number of seasons each has been part of the league? [I will run a page listing the most recent season of participation for each in next week's issue. I think most of you will be a little amazed...]*

The answers: Alright, you ready for this crazy answer? And before you ask, yes, I've already combined the data for bars that were a progression of places (e.g., Playtime Billiards / Harrison's / Train Station / Neighborhood), treating progressions like that as a single establishment (doing that for 13 different places). And even with those all collapsed into single entries, in my 55 seasons, there have been... ONE HUNDRED THIRTY-FOUR host establishments! Yes, 134. That is an astonishing number, no? And the average for those 134 is 10.2 seasons in the league. Only four have been in the league in all my 55 seasons: High Park Bar & Grille, Sharky's Place, Snooker's-Ridgewood, and The Upper Deck. [On page 6, I've created a table of all 134 establishments, indicating the most recent season of participation for each, listed most recent to oldest.]

This week's question: **(This is one requested by league member**

RDL HEADLINES

"A" Division: Show Me posts the first win over the RDL's "big 4" (that was also a "big 5" when North Raleigh Alliance was here) by a non-"big 4" team since before the Covid-19 pandemic!!

"B" Division: Dart Attack likely effectively clinches the first race of the season, pummeling their only real chase team; Matt's Tab sweeps doubles, stays 3rd; Niners win last four after trailing 10-6

"C" Division: McGavin lets sort of short Outlaws thump them in cricket before stealing the win with a 501 sweep; Constantly and Hump Day both get severely tested, but both pick up the wins

"D" Division: Machine never trails Rangers, dropping them two matches off the D lead; Idiots lead Ton 80 11-1, then drop five doubles to barely win; She-Unit 501 comeback ends a 1001 short

"E" Division: Death Throw dismantles Dart Side, allowing Possee to grab the E lead in a tiebreaker win over the last place Irish; Bangin really did Duck Around, and they indeed Found Out

"F" Division: Shark Shooters take advantage of shorthanded Sofa right from the start, yanking Sofa from #2 spot; Zero Dart and Rippin each handle their business, and Rippin now the new #2

"G" Division: Bottoms Up comes back a bit on Vader's, winning huge matchup in 1001; Darts and Crafts (as predicted) pushes Salute to 1001, but they couldn't quite seal the deal for win #1

Robbie Phillips a handful of seasons ago, and I just never used it until now) What is the fewest number of darts that you can throw in a game of 501, with every turn totaling a prime number, and without hitting any single target (e.g., single-19) more than once? (and both single beds for any number count as just one target) [Yes, Robbie is a math nerd like me. He's just cooler about it.]

Name the band/singer? the song? Last week's answers: Song 1 = "Time Has Come Today" by The Chamber Brothers; Song 2 = "Time Is On My Side" by The Rolling Stones; Song 3 = "The Time of My Life" by Bill Medley and Jennifer Warnes. And the theme? It's all about this being the time. They basically gave me two new eyes, and it feels like the time that is on my side has certainly come today, and I am even more committed to having the time of my life than I was before now. And I was already pretty committed. [Got a few guesses here, but the only person who really ran in this lane was Pete Rutten. Rutten knew all three songs, two artists, and had his own decent theme guess of 'daylight savings time.' Not exactly what I had in mind, but a solid guess nonetheless. - JK]

Week 10, #1: "Show me the way, To the next whiskey bar, Oh don't ask why, Oh don't ask why, For if we don't find, The next whiskey bar"

Wk10, #2: "She broke my heart in the trailer park, So I jacked the keys to her fu**in' car, Crashed that piece of shit and then stepped away"

Week 10, song #3 lyric: "It's my kind of place, Just walkin' through the front door puts a big smile on my face, It ain't too far, Come as you are"

DIVISIONAL TEAM STANDINGS and MATCH RESULTS FROM WEEK 9 (3/20/24)

(Home team listed second in each match.)

"HOT DARTS" LISTING GUIDELINES

Here are the guidelines that will be used for the minimum number of all-star points each week for the "hot darts" page.
 "A" Div. = 4.5 or more ASPs; "B" Div. = 4.0 or more ASPs
 "C, D" Divisions = 3.5 or more ASPs
 "E, F" Divs. = 3.0 or more ASPs; "G" = 2.5 or more ASPs
 Also, we will list any fast games, high ins, high outs, or other amazing feats that you think warrant a little recognition (e.g., Ins & Outs higher than a Ton, 24-dart cricket games, 15-dart 301s, 24-dart 501s, Ton-70s and up, 5-Bulls+, etc.).
Extra note: it's also ok to call in "fast games" in each set, even if they don't necessarily meet the maximum dart counts above.

SEASON-LONG TROPHY DART MINIMUM GAMES PLAYED REQUIREMENTS

To be eligible for all-star point ave. & singles win %-age awards, you must play at least 66% of this season's projected games:
for Divs. "A", "C" (except team C3) and "D" (7 teams / div.):
Singles win %-age: min. of 16 Singles Games Played
All-star pt. Average: min. of 32 Total Games Played
for team C3 (due to 1 forfeit received):
min. of 15 Singles Games Played, 30 Total Games Played
for Divisions "B", "E", "F" and "G" (8 teams / division):
Singles win %-age: min. of 19 Singles Games Played
All-star pt. Average: min. of 37 Total Games Played

CALENDAR OF EVENTS

Mon., Apr. 1 RDL Board Meeting

Sat., Apr. 6 NC City Dart League & NC Ladies' Cup

Dart Vader's @ Darts and Crafts (Upper Deck 1&2)				21 Dart Salute @ Dart Vader's (Amer. Legion F-V 1&2)			

PREDICTIONS FOR THE WEEK

Oh, man, what is it with last week's pairings?!?! I went 15-10 last week, which is my 2nd worst week of the season. Aaaaaand... the only week when I did worse was seven weeks prior when the exact same pairings were played!! And clearly, I don't learn - I got 7 of the 11 week 2 wrong picks wrong again! And of course, I picked Trips Are For Kids to win again, so they tanked on me... again. I did lose two in 100s, and four more in the last 501, so at least I was close. 159-65 (71% correct) now.

Match of the week: (C Div.) Hump Day! @ Shooter McGavin. Three teams in C have run away from the pack, and McGavin still holds their one match lead because they pulled a 501 Houdini act last week. Now they embark on their own two-match string where they face both teams a match behind them. This race story is way more interesting if Hump Day levels the race with a win here. I like interesting. Hump it is, 13-11.

Match #2: (D Div.) Village Idiots @ Reload. This D race was supposed to be a three-team race like the C story above. But then the Rangers went and dumped one last week, and now we might well be left with just these two. Reload is one ahead in the loss column and has a big point lead, so if the Idiots win, they'll still need help. Reload gets payback in 1001.

Match #3: (E Div.) Liquor Possee @ Death Throw. Nope, Death Throw isn't going to catch Possee in the E title chase. But Death Throw was the team that absolutely torched the Possee's title competitor just last week. So will Possee meet the same fate as Dart Side, or do they take the next big step toward the crown? Possee, but it will be tight. 13-11.

Match #4: (D Div.) Red-eye Rangers @ DD-214. The Rangers fell hard to the Machine last week, and DD needed a tiebreaker to outlast winless She-Unit. To say these are teams not rolling in here on a hot streak would be a bit of an understatement. Not really sure what to expect, but since DD has only surpassed 12 twice all season... it's Rangers, 13-11.

Match #5: (B Div.) Inconsistently Consistent @ Double In, Stumble Out. Consistent has been exactly that... Consistently somehow just missing out on win after win. They scored 8-12 points every week after opening night. But they're still so very dangerous. Stumble Out had better not sleep here, or they could lose hold of 2nd. Stumble, 13-11.

Match #6: (G Div.) The Neighborhood Dart Knights @ Killer Dee's. The Dee's rang up a huge win last week, and are clearly focused on getting past Bottoms Up the newly revamped Vader's to reel in 2nd. The Dart Knights can beat anyone in G, but this is still Dee's, 14-10.

Match #7: (B Div.) One Armed Bandits @ Raging Bulls Eyes. There are FOUR teams in B at 3-6, and all four of them have more points than the lone 4-5 squad. The race to avoid bottom-two finishes is in full swing. Back-to-back Raging wins? Sure, 13-11.

Match #8: (E Div.) Bangin The Wire @ Cheap Shots. If the Ducks keep up their last three weeks' run, these two could be in danger of falling to a bottom-two spot if they lose this one. Bangin gets their ninth consecutive score in the 11-14 range, to the good side. 13-11.

Match #9: (B Div.) Trips Are For Kids @ Put It on Matt's Tab. Do I think Matt's Tab is more consistent? Yep. Am I picking For Kids anyway, just to make them lose to prove me wrong? Indeed, I am.

Match #10: (A Div.) Darty Minds @ 2 Liver Die With LA. Liver's armor finally yielded to some cracks last week, after they were on the edge a lot of times previously. Another loss here? Nah. 15-9.

Match #11: (E Div.) Duck Around & Find Out @ Runs with Corks. The Ducks came through in 1001 last week, while Cork listed oddly and fell in a 1001 that likely ended title hopes. Corks rebound, 15-9.

Match #12: (C Div.) The Outlaws @ Menace 2 Sobriety. One of Menace's last shots at a win this season? Alas, it's Outlaws, 14-10.

And the remaining 13 matches, sorted by division:

A Division: The Bullies 19, Show Me 5; Fringe 17, So Serious? 7.
 B Division: Dart Attack 14, Nine Lives 10.
 C Division: Darty Sanchez 13, Rif Raf 11 (upset alert!).
 D Division: Sharky's Machine 15, She-Unit 9.
 E Division: Dart Side of the Moon 15, Irish Ton 9.
 F Division: Shark Shooters 15, Coach's Last Dance 9;
 Zero Dart Ton 80 16, Nein Mark 8; Sofa Kings 15, Triple Shot 9;
 Rippin Darts 17, The Dartifacts 7.
 G Division: That's What She Said 16, We're Sexy & We Throw It 8;
 Bottoms Up 15, 21 Dart Salute 9; Dart Vader's 15, Crafts 9.

EXTENDED ANSWER FOR WEEK 9 TRIVIA QUESTION (continued from page 1) - ALL 134 HOST ESTABLISHMENTS DURING MY TENURE AS STATISTICIAN

All establishments are listed in order by most recent season in the league. I've also included the number of seasons the establishment has been included during my 55 seasons, as well as the total number of teams that have played out of that establishment during that time period. When possible, I combined multiple business that were sequentially in the same establishment as a single entry line.

[note: "# of seasons" is the number during my 55 seasons as statistician. Many of these (especially the old ones) were also RDL establishments for seasons before I was here.]
